CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Administration of Oath of Office and Seating of New City Council

SOURCE: Administrative Services

COMMENT: Pursuant to the provisions of Section 16 of the Porterville City Charter, on July 14, 2021, Mayor Reyes appointed Lawana Tate to the Office of City Council representing District One. Council Member Tate will serve the unexpired term of Council Member Daniel Peñaloza until the seating of a duly elected or appointed successor at the November 2022 General Municipal Election.

As the Council is aware, a vacancy on the Council was declared on June 8, 2021, with the resignation of Council Member Daniel Peñaloza. On June 15, 2021, the Council took action to direct staff to advertise the vacancy and seek applications from interested individuals with a submission deadline of June 24, 2021. Eligibility for appointment consisted of residing within the boundaries of District One and being a registered voter. Four individuals submitted applications by the stated deadline: Bill Jones, Edith LaVonne, Adonas Nuckols, and Lawana Tate.

On June 29th, at a Special City Council Meeting, the applicants were interviewed; and pursuant to the direction of the Council, consideration of the appointment was scheduled for the Council's regular meeting of July 6, 2021. Consensus was not reached on July 6th and no action was taken regarding the appointment.

Section 16 of the Porterville City Charter provides that if the City Council is unable to fill the vacancy within thirty (30) days from the date the vacancy occurred, the Mayor shall fill the vacancy. With the 30-day period expiring on July 8, 2021, and pursuant to the provisions of the City Charter, Mayor Reyes appointed Lawana Tate to fill the City Council vacancy representing District One.

RECOMMENDATION: That Lawana Tate be sworn in as a Council Member representing District One for a term to expire upon the seating of a duly elected or appointed successor at the November 2022 General Municipal Election.

**CITY OF PORTERVILLE
MAYORAL APPOINTMENT OF COUNCIL MEMBER
TO FILL DISTRICT 1 COUNCIL SEAT VACANCY
PURSUANT TO SECTION 16 OF THE PORTERVILLE CITY CHARTER**

WHEREAS, a vacancy was declared on June 8, 2021, for the District 1 City Council Seat, due to the resignation of Daniel Peñaloza;

WHEREAS, Section 16 of the City of Porterville City Charter provides that if the City Council is unable to agree and fill the vacancy within thirty (30) days from the date the vacancy occurred, the Mayor shall fill the vacancy;

WHEREAS, the City Council of the City of Porterville considered potential Council appointees at its regularly scheduled meeting held on July 6, 2021, and at that time was unable to come to a decision and fill the vacancy;

WHEREAS, the City Council declined to schedule a special meeting to consider further Council action to make an appointment within the thirty (30) day period; and

WHEREAS, the thirty (30) day period has now expired.

NOW, THEREFORE, I, MAYOR ADRIAN MONTE REYES, hereby appoint LAWANA TATE to the District 1 City Council Seat, to serve the remainder of former City Council Member Daniel Peñaloza's term, until the seating of a duly elected or appointed successor at the November 2022 General Municipal Election.

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: 2021 Fireworks Enforcement Review

SOURCE: Fire

COMMENT: This informational report item is to provide the City Council an update related to illegal fireworks activity during this year's Independence Day celebrations.

Illegal fireworks do not carry the "Safe and Sane" seal of the California State Fire Marshal. Illegal fireworks include skyrockets, bottle rockets, roman candles, aerial shells, firecrackers and other types of fireworks that explode, go into the air, or move on the ground in an uncontrollable manner. The use of illegal fireworks on and around the Independence Day holiday generates a high volume of calls to the Porterville Police Department (PPD).

At its meeting on April 20, 2021, the Council conducted its first reading of Ordinance 1882, amending the Porterville City Code sections that apply to fireworks violations. These code changes included increasing fine amounts for both "Safe and Sane" and Illegal fireworks, providing for additional bans of Piccolo Pete style fireworks, adding a Social Host violation, and creating a reward program. The second reading was conducted at the Council's meeting on May 4, 2021, and Ordinance 1882 went into full effect June 4, 2021.

Beginning June 4, 2021, PPD Detectives and Officers were proactive in enforcement work and their significant efforts resulted in the confiscation of over twelve hundred (1,200) pounds of illegal fireworks prior to the July 4th Holiday weekend. These efforts resulted in multiple felony and misdemeanor arrests. Code Enforcement issued 12 Administrative Citations as a result of these efforts.

A formal fireworks detail was deployed over three nights, July 2nd through July 4th, which included Fire personnel, Code Enforcement Officers, and Police Officers. These teams patrolled neighborhoods and responded to calls for service. Over the three nights, 106 fireworks calls for service were received by PPD dispatch. The detail was successful in issuing thirty-five (35) Administrative Citations and confiscating approximately one hundred (100) pounds of illegal fireworks. The Fire Department responded to thirty-five (35) calls for service over the three day period, which a breakdown of the calls is as follows:

Porterville Fire Department Calls 7/2-7/4/2021:

Type of call	#
Grass fire	9
Dumpster or other outside trash receptacle fire	2
EMS call, excluding vehicle accident with injury	9
Chemical release, reaction, or toxic condition	1
Assist invalid	2
Cover assignment, standby	1
Dispatched, cancelled en route, false alarm/call	5
No incident found on arrival at dispatch address	3
Smoke scare, odor of smoke	2
Smoke detector activation due to malfunction	1

The combined efforts and collaboration between the Porterville Police and Fire Departments over the period of June 4, 2021 through July 4, 2021 resulted in a response to 214 calls for service specific to fireworks, a total seizure of over 12,800 illegal fireworks totaling 1,347 pounds, and the issuance of \$117,500 in fines from 47 Administrative Citations.

Confiscated Fireworks 2021:

Type of Fireworks	#	weight
Mortars	1277	
Cakes, boxes	309	
Roman candles	1446	
Fire crackers	8000	
Bottle rockets	1742	
Mortar launch tubes	26	
Weight, lbs.		1347.3
Total	12,800	1,347.3

For historical reference included is a breakdown of Administrative Cites issued for illegal fireworks over the preceding 5 years:

Historical Fireworks Cites:

YEA	R	CITES	FINE
2016	12	\$18,000	
2017	17	\$25,500	
2018	27	\$40,500	
2019	15	\$22,500	
2020	30	\$45,000	
2021	47	\$117,500

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Water Conservation Phase III Status Update

SOURCE: Public Works

COMMENT: The City of Porterville has continued to implement an active water conservation approach, both conserving and providing flexibility to the community. The City transitioned from Phase III to Phase IV of the City's Water Conservation Plan as of December 1, 2020, and transitioned back to Phase III on June 1, 2021. The Water Conservation Plan applies to all municipal water users within or outside city limits. The Phase III plan limits outdoor watering to two days per week, with "odd" addresses allowed watering on Tuesday and Saturday and "even" addresses allowed watering on Wednesday and Sunday. Outdoor watering is prohibited between the hours of 5 a.m. to 10 a.m. and 5 p.m. to 10 p.m., with no watering allowed Monday or Friday. Watering of outdoor landscaping is prohibited during and within forty-eight (48) hours after measurable rainfall which is now defined as greater than 0.01 of an inch.

Violations of prohibited activities are considered infractions and are punishable by fines of up to \$500 for each day in which the violation occurs. Any peace officer or employee of a public agency charged with enforcing laws and authorized to do so by Ordinance may issue a citation to the violator. The City will be responding to enforcement by issuing a Notice of Violation for all witnessed occurrences and staff will be processing all reported issues. Enforcement statistics for the month of June 2021 show that a total of ninety-five (95) Notices of Violation were issued for water wasting, and sixteen (16) Administrative Citations was issued.

Water production for June 2021 shows a ten percent (10%) increase from the 5-year average. The production for the month of June 2021 was 426 million gallons, which when compared to the production for the month of June 2013 of 478 million gallons, which equates to a 10.82% decrease. Residential consumption for June 2021 was 164.26 gallons per capita per day (GPCD).

Compliance with individual water supplier conservation requirements is based on cumulative savings. Cumulative tracking means that conservation savings will be added together from one month to the next and compared to the amount of water used during the same months in 2013. City Staff will be evaluating conservation totals in two formats: 1. Calculate the cumulative conservation totals for production as compared to production in 2013; and 2. Calculate cumulative conservation totals in relation to GPCD, in efforts to evaluate population growth impacts on production as compared to 2013. The cumulative total of production for the City of Porterville's conservation efforts will reflect June 2015 through June 2021. Porterville's cumulative total production conservation through June 2021 is 20.19%. The cumulative total of GPCD for

the City of Porterville's conservation efforts will reflect June 2015 through June 2021. Porterville's cumulative total GPCD conservation through June 2021 is 24.8%.

Under the February 2, 2016, emergency regulation, the City of Porterville received a revised conservation standard of 28% with an additional 2% reduction for climate adjustment, making the City's conservation standard 26%. After reviewing the Water Board's Self-Certification criteria for drought impacts to water supplies, the City of Porterville Council approved maintaining a self-imposed standard of 26%. The continuation of the current conservation goals keep a standardized message that the City has worked to develop in public outreach, provides resiliency and capacity to ensure three years of supply under drought conditions, meets the minimum 20% conservation standard defined in the City's Urban Water Management Plan, and assists the City toward meeting the requirements of the Sustainable Groundwater Management Act (SGMA).

The State Water Board continues to require monthly reporting to track what agencies are doing and how they perform throughout the year. Proposed permanent regulations will require agency reporting to continue monitoring the performance of urban water conservation with a preparedness to implement conservation standards as necessary.

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Authorization to Purchase Specialized Equipment - Mixing Pump Volute

SOURCE: Public Works

COMMENT: City Wastewater Treatment Facility (WWTF) staff is requesting authorization to purchase a new volute for Digester #1 mixing pump. The digester mixing pump is designed to completely mix the contents within the digesters so that there is an even distribution of organics, microorganisms, and heat. The mixing is needed to stabilize the organics to meet State 40 CFR 503 Biosolids Regulations.

The existing volute has been in service for over twenty (20) years and has recently cracked. Repairing the volute is not feasible as the repair would not guarantee its reliability. WWTF staff contacted three pump manufacturers for quotes to replace the volute. The quotes are as follows:

Vendor	Total
G3 Engineering, Inc.	\$8,046
Shar-Craft Incorporated	\$11,990
JM Squared Associates, Incorporated	Non-Responsive

G3 Engineering, Incorporated has been identified as the lowest quote and staff has found its bid acceptable. The expenditure for the repair, in an amount not to exceed \$10,220 inclusive of taxes, freight and a ten percent (10%) contingency, will be funded from the Fiscal Year 2021-2022 Wastewater Operating Budget.

RECOMMENDATION: That City Council:

1. Authorize the purchase of Digester #1 mixing pump volute from G3 Engineering, Inc. for an amount not to exceed \$10,220 inclusive of freight, taxes and a ten percent (10%) contingency;
2. Direct the Finance Director to initiate a Purchase Order to G3 Engineering, Inc. for an amount not to exceed \$10,220 inclusive of freight, taxes and a ten percent (10%) contingency; and
3. Direct the Finance Director to make payment to G3 Engineering, Inc. upon receipt of invoice approved by the Public Works Director.

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Authorization to Repair Transit Vehicle #8104

SOURCE: Public Works

COMMENT: At its meeting on July 6, 2021, the City Council authorized the repair to transit vehicle #8104 which was involved in a vehicle collision, resulting in the vehicle sustaining moderate damage. The Council authorized staff to enter into an agreement with Milinich Body Works to repair the damage at a cost not to exceed \$6,359.06 (inclusive of all parts, taxes, labor, including a 10% contingency).

On July 7, 2021, the California Transit Indemnity Pool (CalTIP), the City's transit insurance carrier, provided staff with an approved repair estimate for transit vehicle #8104 performed by Sedgwick Claims Management Services. Sedgwick Claims Management Services, CalTIP's third party claims administrator, authorized the transit vehicle repair to be performed by Golden State Paint and Body at an estimated cost of \$8,958.73. The City's insurance deductible for physical vehicle damage is \$5,000.

As a CalTIP member, it is staff's recommendation to defer to CalTIP's approved repair at Golden State Paint and Body and rescind Council Minute Order 07-070621 authorizing the repair by Milinich Body Works. The City's \$5,000 insurance deductible responsibility will be funded by transit operating funds approved in the Fiscal Year 2021-2022 Budget.

RECOMMENDATION: That the City Council:

1. Rescind Council Minute Order 07-070621; and
2. Authorize the repair to transit vehicle #8104 by Golden State Paint and Body at a cost not to exceed \$5,000 (insurance deductible); and
2. Authorize payment of said repair upon satisfactory completion.

CITY COUNCIL AGENDA – JULY 6, 2021

SUBJECT: Authorization to Repair Transit Vehicle #8104

SOURCE: Public Works

COMMENT: On May 12, 2021, a Transit Dodge Grand Caravan (Unit #8104) was involved in a vehicle collision, resulting in the vehicle sustaining moderate damage requiring the vehicle to be towed.

The following three estimates were obtained by staff:

Contractor	Total
Milnich Body Works	\$5,781
Porterville Collision Center	\$7,082
Golden State Paint and Body	\$8,958

Based on the estimates provided, staff is requesting authorization to enter into an agreement with Milnich Body Works to repair the damage to Transit Vehicle #8104 for an estimated cost of \$6,359.06, which includes a ten percent (10%) contingency cost for damage that is not yet known but may be present upon repair of the vehicle.

The cost of repair will be paid by Transit operating funds. Caltip, the City's transit insurance provider, will seek subrogation from the party at fault.

RECOMMENDATION: That the City Council:

1. Authorize the transit vehicle repair by Milnich Body Works at a cost not to exceed \$6,359.06 (inclusive of all parts, taxes, labor, including a 10% contingency); and
2. Authorize payment of said repair upon satisfactory completion.

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Award of Contract - On-Call Escrow and Title Services

SOURCE: Community Development

COMMENT: At its meeting on May 18, 2021, the City Council authorized staff to distribute a Request for Qualifications (RFQ) for On-Call Consulting for escrow and title services. The services to be rendered would consist of, but not be limited to, the preparation of preliminary and other title reports, escrow services, title insurance, property profiles, document preparation and recordation, and other title related services as required to assist staff in the purchase of properties.

The RFQ was posted on the Public Purchase website and advertised in the Porterville Recorder. Additionally, staff notified three local title companies of the RFQ by email communication. First American Title was the only response received from the RFQ. The responsive firm meets the desired qualifications and has experience working with the City.

The proposed contract has a term of five years, with the possibility of extension by mutual agreement.

RECOMMENDATION: That the City Council:

1. Authorize staff to negotiate on-call contracts with First American Title;
2. Authorize the Mayor to sign contract documents;
3. Authorize the Community Development Director to sign task orders; and
4. Authorize staff to make payments up to one hundred percent (100%) upon satisfactory completion of tasks.

CITY COUNCIL AGENDA – MAY 18, 2021

SUBJECT: Authorization to Distribute a Request for Qualifications for On-Call Escrow and Title Services

SOURCE: Community Development

COMMENT: The Community Development Department oversees acquisition of right-of-way, easements, and properties on behalf of all City Departments. Escrow and title services are important elements of that activity, and these tasks are a specialty that are not within the current capacity of City staff; therefore, the City has need of a consultant or firm to provide escrow and title services when right-of-way or property acquisition is necessary to complete certain projects. Since 2015, the City has maintained a service agreement with First American for said services. Staff is requesting authorization to distribute the attached draft Request for Qualifications for On-Call Escrow and Title Services.

RECOMMENDATION: That the City Council authorize staff to distribute a Request for Qualifications for on-call Escrow and Title services.

The required services described in the attached RFQ will be performed upon request by the City as projects are initiated.

Submittal: One PDF version must be received by:
5:00 p.m., Thursday, July 1, 2021

Addressed to: Community Development Department
City of Porterville
291 N. Main Street
Porterville, CA 93257
Attention: Jason Ridenour

Email Subject: RFQ No. _____ Escrow and Title Services

Late or incomplete submittals will not be accepted and will be automatically disqualified from further consideration. All response packages and any accompanying documentation become the property of the City of Porterville and will not be returned.

INQUIRIES:

Submitted responses may be inspected and electronically downloaded at no cost, at the Public Purchase website, <https://www.publicpurchase.com>. No copies of said documents will be provided by the City. All addenda and correspondence during the bid process will be handled electronically through the Public Purchase website.

Questions regarding this project are due no later than **Thursday, June 24, 2021.**

The City of Porterville is an Equal Opportunity Employer.

CITY OF PORTERVILLE

REQUEST FOR QUALIFICATIONS (RFQ) FOR ON-CALL ESCROW AND TITLE SERVICES

I. INTRODUCTION

The City of Porterville has need of a consultant or firm to provide escrow and title services when right-of-way or property acquisition is necessary to complete certain projects. These tasks are a specialty that are not within the current capacity of City staff. Subject projects may be privately initiated by a seller approaching the City, or in response to a need for right-of-way to complete a public improvement project. Although the consultant's work will include involvement by the Community Development Director or designated staff, independent initiative and responsiveness are integral to the success of the contract and each project addressed under the contract. Other services typically rendered by the selected firm may also be utilized during the course of this agreement.

II. SCOPE OF ESCROW AND TITLE SERVICES

The consultant will respond directly to the Community Development Director or his designee on a particular project. The selected consultant will perform, but not be limited to, the following tasks:

1. Preliminary and Other Title Reports - Use of e-Pre is preferred, with a supplemental pdf or hard copy of a preliminary title report. Cost per report will be set for the term of the contract, and where title insurance is required, the cost of the preliminary title report will be credited towards the policy premium.
2. Escrow Services
3. Property Profiles
4. Document Preparation and Recordation
5. For complicated projects, coordinate regularly with City staff and other parties as needed.
6. Title Production
7. Title Guarantees
8. Provide other consulting services as available through the selected firm.
9. Other Requirements:

- a) The selected firm will be required to carry and provide certificates of insurance for general and automobile liability insurance as follows:

General Liability (bodily injury and property damage)*

Professional Liability (errors and omissions)*

Automobile Liability*

Workers Compensation Statutory Limits

*All must provide a combined single limit (CSL) of not less than \$2 million per occurrence.

The General Liability is to contain or be endorsed to name the City, its officers, officials, employees and agents as Additional Insured as respects liability arising out of the activities performed in connection with this contract. The coverage shall be primary and shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability. Original endorsements, signed by a person authorized to bind coverage on its behalf, shall be furnished to the City by the successful firm.

- b) The selected consultant/firm shall indemnify and hold harmless the City, its officers, employees and agents from and against all claims, damages, losses and expenses caused in whole or in part by any negligent act or omission of the firm, its consultants, subcontractors, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, except where caused by the active negligence, or willful misconduct by the City.
- c) Labor and material proposals submitted on this form shall be subject to the provisions of Section 1700, California Labor Code, as specified by Section 3700, California Labor Code, which requires Workers' Compensation insurance to be provided by the selected consultant/firm.
- d) Workers' Compensation policy(ies) are to be endorsed to include a waiver of subrogation against the City, its officers, officials, employees and agents.
- e) The firm and its employees are independent contractors and not employees of the City of Porterville. The firm and/or its insurers are responsible for payment of any liability arising out of workers' compensation, unemployment, or employee benefits offered to its employees.
- f) Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the City.

- g) Endorsements are to be received and approved by the City before work commences.
- h) The successful consultant/firm shall obtain a City of Porterville business license. Fee is based on gross receipts for all business transactions in the city of Porterville. For information, contact the Business License clerk at (559) 782-7457.
- i) A service contract will be provided by the City to the selected contractor.
- j) All work performed by the consultant under this contract shall be under the ownership of the City of Porterville.
- k) All work performed under this contract shall be researched, prepared and executed in a professional and competent manner for which the consultant will be responsible.
- l) In accordance with City of Porterville and Caltrans policy, disadvantaged business enterprises (DBE), including qualified small minority and woman-owned firms, are encouraged to submit a proposal or otherwise participate in the completion of the work covered by this request. No DBE participation goals have been established for this project.
- m) The employee(s) identified in the response as performing the duties under this contract shall not be replaced without the prior written approval of the Community Development Director of the City of Porterville.

III. PERIOD OF PERFORMANCE

If selected, the City will provide a Service Contract for five (5) years following the date of the signed service agreement. Failure of a respondent to accept this obligation will result in the cancellation of the contract award. The contract may be extended by mutual agreement. Upon contract renewal, the cost for services must be agreed upon by both parties. Due to the volume of work needed, the City of Porterville reserves the right to place services, in addition to the services being performed by the selected firm, with other qualified firms.

IV. DESIRABLE QUALIFICATIONS OF THE CONSULTANT

The City is seeking a qualified consultant to provide on-call escrow and title services. The desired consultant shall have the following qualifications:

1. Extensive (a minimum of five years) experience in residential and commercial title and escrow services for governmental agencies in the State of California.

2. The Consultant's proven ability to expeditiously and accurately produce the required product in a concise and useable format.
3. Knowledge of the City of Porterville property acquisition process is highly desirable.
4. The consultant must possess strong writing skills and be proficient using Microsoft Word and other standard software programs.

V. ADDENDA

It is the responsibility of respondents to check the Purchasing Webpage <https://www.publicpurchase.com> for Addenda or other additional information that may be posted regarding this RFQ.

VI. EQUAL OPPORTUNITY AFFIRMATIVE ACTION

Firms responding to this RFQ shall adhere to all federal and state regulations in respect to equal opportunity, affirmative action and minority representations. Minority firms and women business enterprises are encouraged to apply.

VII. RESPONSE DATE

All proposals shall be received by the City of Porterville by 5:00 p.m. on the Public Purchase website by Thursday, July 1, 2021.

VIII. CONTENTS OF STATEMENTS OF QUALIFICATIONS TO BE SUBMITTED TO CITY

Submissions to this RFQ must be in the form of a "response package" containing the response and all required supporting information and documents. Respondents are required to provide all information requested below. In your response, please indicate "N.A." if the statement is not applicable to you.

1. A cover letter, signed by a person authorized to enter into a contract with the City, identifying the contact person and any key personnel. If a joint venture, identify the roles of the partnering organizations.
2. A copy of the firm's State of California license.
3. A list stating the names and addresses of the Underwriters who will provide Title Insurance Commitments and Title Insurance Policies.

4. Provide a resumé of your firm's experience and other factors relevant to the services described in this RFQ. Provide resumes of key staff or job descriptions/minimum requirements for key positions.
5. Provide a statement listing similar contracts (both public and private) relevant to services solicited that have been completed during the last three (3) years, including the firm's previous experience with the City of Porterville and familiarity with the community. The statement must also list any failure or refusal to complete a contract, including details and dates.
6. Prospective consultants shall designate by name the project manager to be employed in this effort. The selected consultant shall not substitute the project manager without prior approval by the Community Development Director of the City of Porterville.
7. Two (2) letters of verifiable reference (with contact information); and
8. Any relevant addenda which the respondent wishes to submit.

Additionally, the response package shall contain the fees the firm proposes to charge for the services to be provided. Time will be of the essence in completing the services described in relation to this project. It is anticipated that this effort may require significant staff resources at times, particularly for large construction projects requiring acquisition of several properties or easements.

To be considered, providers must submit a complete response to this RFQ using the format required on the Public Purchase website <https://www.publicpurchase.com>. One original response must be submitted to the City of Porterville's Community Development Department via Public Purchase's website.

IX. EVALUATION

The selection process will include an initial screening of the responses by City staff. All qualified written responses will then be evaluated by a selection panel using the attached Exhibit "A" Consultant Section Rating Form.

The City has the option of conducting oral interviews as part of the evaluation process. If the City opts to conduct interviews to assess respondents' ability to provide the services, the City may elect to interview only the most qualified respondents (based on the qualifications), if the number of responses is high.

The City may also contact and evaluate respondent references; contact any respondent to clarify any response; solicit information from any available source concerning any aspect of a proposal; and seek and review any other information deemed pertinent to the evaluation process.

The selection panel's recommendation will be transmitted to the City Council for consideration of award based on the following:

1. Completeness of the response;
2. Qualifications met by the firm;
3. Ability to provide an appropriate level of service;
4. References; and
5. Costs

X. SELECTION

Final selection, based upon the written response (and possibly an interview), is anticipated to be made by the City Council at its meeting on July 20, 2021.

Once the City has selected a firm, contract negotiations will be initiated. If a satisfactory contract, including fees, cannot be negotiated with any firm, the City may, at its sole discretion, terminate negotiations and begin contract negotiations with another firm qualified through the selection process.

XI. INQUIRIES REGARDING THIS RFQ

Any inquiries regarding this RFQ or the project described herein should be submitted through the Public Purchase website by no later than June 24, 2021.

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Approval of Annual Service Agreement with RouteMatch

SOURCE: Public Works

COMMENT: At its meeting on May 1, 2012, the City Council authorized staff to enter into an agreement with RouteMatch to provide the the Public Works Department-Transit Division an integrated fixed route, paratransit, and traveler information solution. These transit information technology services are cloud-based and provide dynamic dispatching capabilities, comprehensive reporting, real-time traveler information, monitoring, and various other solutions that are essential to the operation's workflow.

From Fiscal Year 2012-2013 to 2018-2019, the City had an Agreement with RouteMatch to provide cloud-based hosting, annual technical support, and licencing for the various services. The Agreement is now expired and will continue on an annual basis until the support is terminated.

It is staff's recommendation that the City continue its agreement with RouteMatch, on an annual basis, to provide the Transit Division cloud-based hosting, annual technical support, and licensing for Fiscal Year 2021-2022. Given the City's participation in the Tulare County Regional Transit Agency and efforts toward county-wide coordinated transit services and integrated systems, the provider of this service may be subject to change in the future.

RECOMMENDATION: That the City Council authorize the purchase of the annual cloud-based hosting, technical support, and licencing from RouteMatch, for Fiscal Year 2021-2022, in the amount of \$63,813.80.

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Resolution Approving the Application for Statewide Park Development and Community Revitalization Program Grant Funds

SOURCE: Parks and Leisure Services

COMMENT: The Statewide Park Development and Community Revitalization Program originated from Proposition 68. This competitive grant program will create new parks and new recreation opportunities in critically underserved communities across California. \$393 million will be distributed this final round of funding, with grant awards to be announced in late September 2021.

Staff has submitted a Proposition 68 grant application. A component of the grant application process is to have a Resolution of the City Council of the City of Porterville approving the application for Statewide Park Development and Community Revitalization Program Grant Funds. The City's application includes the construction of a new community center and park on Henderson Avenue and Fourth Street along the Rails to Trails. The City's application is for \$7,800,000 of which there is no matching funds requirement. The total project cost is estimated to be \$10,275,000. Therefore, an additional funding source will need to be identified should the City receive the grant award.

RECOMMENDATION: That the City Council adopt the draft Resolution approving the application for Statewide Park Development and Community Revitalization Program Grant Funds.

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Approval of Resolution to Execute the Airport Coronavirus Response Grant Program (ACRGP) Grant Agreement for the Porterville Municipal Airport

SOURCE: Finance

COMMENT: The Federal Aviation Administration (FAA) has notified the City of the Airport Coronavirus Response Grant Program (ACRGP) grant offer of \$13,000 for the Porterville Municipal Airport. The purpose of this grant is to prevent, prepare for and respond to the coronavirus. Funds provided under this grant must only be used for purposes directly related to the airport, including the reimbursement of airport operational and maintenance expenses.

FAA requires that the City accept the terms and conditions of the grant offer. It also requires that the City Council provide authority to the individual signing the grant agreement. Attached is a draft Resolution authorizing the Finance Director to execute the ACRGP Grant Agreement with the FAA for the Porterville Municipal Airport.

RECOMMENDATION: That the City Council approve the draft resolution authorizing the Finance Director to execute the ACRGP Grant Agreement for the Porterville Municipal Airport.

July 9, 2021

Ms. Maria Bermis
Finance Director
City of Porterville
291 North Main Street
Porterville, CA 93257

Dear Ms. Bermis:

Please find the following electronic Airport Coronavirus Response Grant Program (ACRGP) Grant Offer, Grant No. 3-06-0190-018-2021 for Porterville Municipal Airport. This letter outlines expectations for success. Please read and follow the instructions carefully.

To properly enter into this agreement, you must do the following:

- a. The governing body must provide authority to execute the grant to the individual signing the grant; i.e. the sponsor's authorized representative.
- b. The sponsor's authorized representative must execute the grant, followed by the attorney's certification, no later than **July 23, 2021** in order for the grant to be valid.
- c. You may not make any modification to the text, terms or conditions of the grant offer.
- d. The grant offer must be digitally signed by the sponsor's legal signatory authority and then the grant offer will be routed via email to the sponsor's attorney. Once the attorney has digitally attested to the grant, an email with the executed grant will be sent to all parties.

Subject to the requirements in 2 CFR §200.305, each payment request for reimbursement under this grant must be made electronically via the Delphi eInvoicing System. Please see the attached Grant Agreement for more information regarding the use of this System. The terms and conditions of this agreement require you drawdown and expend these funds within four years.

An airport sponsor may use these funds for costs related to operations, personnel, cleaning, sanitization, janitorial services, combating the spread of pathogens at the airport, and debt service payments. Please refer to the [ACRGP Frequently Asked Questions](#) for further information.

With each payment request you are required to upload an invoice summary directly to Delphi. The invoice summary should include enough detail to permit FAA to verify compliance with the Coronavirus Response and Relief Supplemental Appropriations Act (Public Law 116-260).

For the final payment request, in addition to the requirement listed above for all payment requests, you are required to upload directly to Delphi:

- A final financial report summarizing all of the costs incurred and reimbursed, and
- An SF-425, and.
- A closeout report (A sample report is available [here](#)).

Until the grant is completed and closed, you are responsible for submitting a signed/dated SF-425 annually, due 90 days after the end of each federal fiscal year in which this grant is open (due December 31 of each year this grant is open).

As a condition of receiving Federal assistance under this award, you must comply with audit requirements as established under 2 CFR part 200. Subpart F requires non-Federal entities that expend \$750,000 or more in Federal awards to conduct a single or program specific audit for that year. Note that this includes Federal expenditures made under other Federal-assistance programs. Please take appropriate and necessary action to assure your organization will comply with applicable audit requirements and standards.

I am readily available to assist you and your designated representative with the requirements stated herein. We sincerely value your cooperation in these efforts.

Sincerely,

AIRPORT CORONAVIRUS RELIEF GRANT PROGRAM (ACRGP)

GRANT AGREEMENT

Part I - Offer

Federal Award Offer Date July 9, 2021

Airport/Planning Area Porterville Municipal Airport

ACRGP Grant Number 3-06-0190-018-2021

Unique Entity Identifier 030969406

TO: City of Porterville
(herein called the "Sponsor")

FROM: **The United States of America** (acting through the Federal Aviation Administration, herein called the "FAA")

WHEREAS, the Sponsor has submitted to the FAA an Airports Coronavirus Response Grant Program (herein called "ACRGP") Application dated May 18, 2021, for a grant of Federal funds at or associated with the Porterville Municipal Airport, which is included as part of this ACRGP Grant Agreement; and

WHEREAS, the Sponsor has accepted the terms of FAA's ACRGP Grant offer;

WHEREAS, in consideration of the promises, representations and assurances provided by the Sponsor, the FAA has approved the ACRGP Application for the Porterville Municipal Airport, (herein called the "Grant" or "ACRGP Grant") consisting of the following:

This ACRGP Grant is provided in accordance with the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA Act or "the Act"), Division M of Public Law 116-260, as described below, to provide eligible Sponsors with funding for costs related to operations, personnel, cleaning, sanitization, janitorial services, combating the spread of pathogens at the airport, and debt service payments. ACRGP Grant amounts to specific airports are derived by legislative formula (See Division M, Title IV of the Act).

The purpose of this ACRGP Grant is to prevent, prepare for, and respond to coronavirus. Funds provided under this ACRGP Grant Agreement must only be used for purposes directly related to the airport. Such purposes can include the reimbursement of an airport's operational and maintenance expenses or debt service payments in accordance with the limitations prescribed in the Act. ACRGP Grants may be used to reimburse airport operational and maintenance expenses directly related to Porterville Municipal

incurred no earlier than January 20, 2020. ACRGP Grants also may be used to reimburse a Sponsor's payment of debt service where such payments occur on or after December 27, 2020. Funds provided under this ACRGP Grant Agreement will be governed by the same principles that govern "airport revenue." New airport development projects not directly related to combating the spread of pathogens and approved by the FAA for such purposes, may not be funded with this Grant.

NOW THEREFORE, in accordance with the applicable provisions of the CRRSA Act, Public Law 116-260, the representations contained in the Grant Application, and in consideration of (a) the Sponsor's acceptance of this Offer; and, (b) the benefits to accrue to the United States and the public from the accomplishment of the Grant and in compliance with the conditions as herein provided,

THE FEDERAL AVIATION ADMINISTRATION, FOR AND ON BEHALF OF THE UNITED STATES, HEREBY OFFERS AND AGREES to pay 100% percent of the allowable costs incurred as a result of and in accordance with this Grant Agreement.

Assistance Listings Number (Formerly CFDA Number): 20.106

This Offer is made on and **SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS:**

CONDITIONS

1. **Maximum Obligation.** The maximum obligation of the United States payable under this Offer is \$13,000, allocated as follows:
 - \$13,000 Non Primary KU2021
2. **Grant Performance.** This ACRGP Grant Agreement is subject to the following federal award requirements:
 - a. The Period of Performance:
 1. Shall start on the date the Sponsor formally accepts this agreement, and is the date signed by the last Sponsor signatory to the agreement. The end date of the period of performance is 4 years (1,460 calendar days) from the date of acceptance. The period of performance end date shall not affect, relieve or reduce Sponsor obligations and assurances that extend beyond the closeout of this Grant Agreement.
 2. Means the total estimated time interval between the start of an initial Federal award and the planned end date, which may include one or more funded portions, or budget periods. (2 Code of Federal Regulations (CFR) § 200.1)
 - b. The Budget Period:
 1. The budget period for this ACRGP Grant is 4 years (1,460 calendar days). Pursuant to 2 CFR § 200.403(h), the Sponsor may charge to the Grant only allowable costs incurred during the budget period.
 2. Means the time interval from the start date of a funded portion of an award to the end date of that funded portion during which the Sponsor is authorized to expend the funds awarded, including any funds carried forward or other revisions pursuant to §200.308.
 - c. Close out and Termination.
 1. Unless the FAA authorizes a written extension, the Sponsor must submit all Grant closeout documentation and liquidate (pay-off) all obligations incurred under this award no later than 120 calendar days after the end date of the period of performance. If the Sponsor

does not submit all required closeout documentation within this time period, the FAA will proceed to close out the grant within one year of the period of performance end date with the information available at the end of 120 days. (2 CFR § 200.344)

2. The FAA may terminate this ACRGP Grant, in whole or in part, in accordance with the conditions set forth in 2 CFR § 200.340, or other Federal regulatory or statutory authorities as applicable.
3. **Unallowable Costs.** The Sponsor shall not seek reimbursement for any costs that the FAA has determined to be unallowable under the CRRSA Act.
4. **Indirect Costs - Sponsor.** The Sponsor may charge indirect costs under this award by applying the indirect cost rate identified in the Grant Application as accepted by the FAA, to allowable costs for Sponsor direct salaries and wages only.
5. **Final Federal Share of Costs.** The United States' share of allowable Grant costs is 100%.
6. **Completing the Grant without Delay and in Conformance with Requirements.** The Sponsor must carry out and complete the Grant without undue delays and in accordance with this ACRGP Grant Agreement, the CRRSA Act, and the regulations, policies, standards, and procedures of the Secretary of Transportation ("Secretary"). Pursuant to 2 CFR § 200.308, the Sponsor agrees to report to the FAA any disengagement from funding eligible expenses under the Grant that exceeds three months or a 25 percent reduction in time devoted to the Grant, and request prior approval from FAA. The report must include a reason for the stoppage. The Sponsor agrees to comply with the attached assurances, which are part of this agreement and any addendum that may be attached hereto at a later date by mutual consent.
7. **Amendments or Withdrawals before Grant Acceptance.** The FAA reserves the right to amend or withdraw this offer at any time prior to its acceptance by the Sponsor.
8. **Offer Expiration Date.** This offer will expire and the United States will not be obligated to pay any part of the costs unless this offer has been accepted by the Sponsor on or before July 23, 2021, or such subsequent date as may be prescribed in writing by the FAA.
9. **Improper Use of Federal Funds.** The Sponsor must take all steps, including litigation if necessary, to recover Federal funds spent fraudulently, wastefully, or in violation of Federal antitrust statutes, or misused in any other manner, including uses that violate this ACRGP Grant Agreement, the CRRSA Act or other provision of applicable law. For the purposes of this ACRGP Grant Agreement, the term "Federal funds" means funds however used or dispersed by the Sponsor, that were originally paid pursuant to this or any other Federal grant agreement(s). The Sponsor must return the recovered Federal share, including funds recovered by settlement, order, or judgment, to the Secretary. The Sponsor must furnish to the Secretary, upon request, all documents and records pertaining to the determination of the amount of the Federal share or to any settlement, litigation, negotiation, or other efforts taken to recover such funds. All settlements or other final positions of the Sponsor, in court or otherwise, involving the recovery of such Federal share require advance approval by the Secretary.
10. **United States Not Liable for Damage or Injury.** The United States is not responsible or liable for damage to property or injury to persons which may arise from, or relate to this ACRGP Grant Agreement, including, but not limited to, any action taken by a Sponsor related to or arising from, directly or indirectly, this ACRGP Grant Agreement.
11. **System for Award Management (SAM) Registration and Unique Entity Identifier (UEI).**

- a. Requirement for System for Award Management (SAM): Unless the Sponsor is exempted from this requirement under 2 CFR 25.110, the Sponsor must maintain the currency of its information in the SAM until the Sponsor submits the final financial report required under this grant, or receives the final payment, whichever is later. This requires that the Sponsor review and update the information at least annually after the initial registration and more frequently if required by changes in information or another award term. Additional information about registration procedures may be found at the SAM website (currently at <http://www.sam.gov>).
 - b. Unique entity identifier (UEI) means a 12-character alpha-numeric value used to identify a specific commercial, nonprofit or governmental entity. A UEI may be obtained from SAM.gov at <https://sam.gov/SAM/pages/public/index.jsf>.
12. **Electronic Grant Payment(s).** Unless otherwise directed by the FAA, the Sponsor must make each payment request under this agreement electronically via the Delphi eInvoicing System for Department of Transportation (DOT) Financial Assistance Awardees.
13. **Air and Water Quality.** The Sponsor is required to comply with all applicable air and water quality standards for all projects in this grant. If the Sponsor fails to comply with this requirement, the FAA may suspend, cancel, or terminate this agreement.
14. **Financial Reporting and Payment Requirements.** The Sponsor will comply with all Federal financial reporting requirements and payment requirements, including submittal of timely and accurate reports.
15. **Buy American.** Unless otherwise approved in advance by the FAA, in accordance with 49 United States Code (U.S.C.) § 50101 the Sponsor will not acquire or permit any contractor or subcontractor to acquire any steel or manufactured goods produced outside the United States to be used for any project for which funds are provided under this grant. The Sponsor will include a provision implementing Buy American in every contract.
16. **Audits for Sponsors.**
PUBLIC SPONSORS. The Sponsor must provide for a Single Audit or program-specific audit in accordance with 2 CFR Part 200. The Sponsor must submit the audit reporting package to the Federal Audit Clearinghouse on the Federal Audit Clearinghouse's Internet Data Entry System at <http://harvester.census.gov/facweb/>. Upon request of the FAA, the Sponsor shall provide one copy of the completed audit to the FAA.
17. **Suspension or Debarment.** When entering into a "covered transaction" as defined by 2 CFR § 180.200, the Sponsor must:
 - a. Verify the non-Federal entity is eligible to participate in this Federal program by:
 1. Checking the excluded parties list system (EPLS) as maintained within the System for Award Management (SAM) to determine if the non-Federal entity is excluded or disqualified; or
 2. Collecting a certification statement from the non-Federal entity attesting the entity is not excluded or disqualified from participating; or
 3. Adding a clause or condition to covered transactions attesting the individual or firm is not excluded or disqualified from participating.
 - b. Require prime contractors to comply with 2 CFR § 180.330 when entering into lower-tier transactions (e.g. sub-contracts).

- c. Immediately disclose to the FAA whenever the Sponsor (1) learns the Sponsor has entered into a covered transaction with an ineligible entity, or (2) suspends or debars a contractor, person, or entity.

18. Ban on Texting While Driving.

- a. In accordance with Executive Order 13513, Federal Leadership on Reducing Text Messaging While Driving, October 1, 2009, and DOT Order 3902.10, Text Messaging While Driving, December 30, 2009, the Sponsor is encouraged to:
 - 1. Adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers including policies to ban text messaging while driving when performing any work for, or on behalf of, the Federal government, including work relating to this ACRGP Grant or subgrant funded by this Grant.
 - 2. Conduct workplace safety initiatives in a manner commensurate with the size of the business, such as:
 - A. Establishment of new rules and programs or re-evaluation of existing programs to prohibit text messaging while driving; and
 - B. Education, awareness, and other outreach to employees about the safety risks associated with texting while driving.
- b. The Sponsor must insert the substance of this clause on banning texting while driving in all subgrants, contracts, and subcontracts funded by this ACRGP Grant.

19. Trafficking in Persons.

- a. You as the recipient, your employees, subrecipients under this ACRGP Grant, and subrecipients' employees may not –
 - 1. Engage in severe forms of trafficking in persons during the period of time that the award is in effect;
 - 2. Procure a commercial sex act during the period of time that the award is in effect; or
 - 3. Use forced labor in the performance of the award or subawards under the ACRGP Grant.
- b. The FAA as the Federal awarding agency may unilaterally terminate this award, without penalty, if you or a subrecipient that is a private entity –
 - 1. Is determined to have violated a prohibition in paragraph A of this ACRGP Grant Agreement term; or
 - 2. Has an employee who is determined by the agency official authorized to terminate the ACRGP Grant Agreement to have violated a prohibition in paragraph A.1 of this ACRGP Grant term through conduct that is either –
 - A. Associated with performance under this ACRGP grant; or
 - B. Imputed to the subrecipient using the standards and due process for imputing the conduct of an individual to an organization that are provided in 2 CFR Part 180, "OMB Guidelines to Agencies on Government-wide Debarment and Suspension (Nonprocurement)," as implemented by the FAA at 2 CFR Part 1200.
- c. You must inform us immediately of any information you receive from any source alleging a violation of a prohibition in paragraph A during this ACRGP Grant Agreement.

- d. Our right to terminate unilaterally that is described in paragraph A of this section:
 - 1. Implements section 106(g) of the Trafficking Victims Protection Act of 2000 (TVPA), as amended (22 U.S.C. § 7104(g)), and
 - 2. Is in addition to all other remedies for noncompliance that are available to the FAA under this ACRGP Grant.

20. Employee Protection from Reprisal.

a. Prohibition of Reprisals —

- 1. In accordance with 41 U.S.C. § 4712, an employee of a grantee or subgrantee may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing to a person or body described in sub-paragraph (A)(2), information that the employee reasonably believes is evidence of:
 - a. Gross mismanagement of a Federal grant;
 - b. Gross waste of Federal funds;
 - c. An abuse of authority relating to implementation or use of Federal funds;
 - d. A substantial and specific danger to public health or safety; or
 - e. A violation of law, rule, or regulation related to a Federal grant.
- 2. Persons and bodies covered: The persons and bodies to which a disclosure by an employee is covered are as follows:
 - a. A member of Congress or a representative of a committee of Congress;
 - b. An Inspector General;
 - c. The Government Accountability Office;
 - d. A Federal office or employee responsible for oversight of a grant program;
 - e. A court or grand jury;
 - f. A management office of the grantee or subgrantee; or
 - g. A Federal or State regulatory enforcement agency.
- 3. Submission of Complaint — A person who believes that they have been subjected to a reprisal prohibited by paragraph A of this ACRGP Grant Agreement may submit a complaint regarding the reprisal to the Office of Inspector General (OIG) for the U.S. Department of Transportation.
- 4. Time Limitation for Submittal of a Complaint — A complaint may not be brought under this subsection more than three years after the date on which the alleged reprisal took place.
- 5. Required Actions of the Inspector General — Actions, limitations, and exceptions of the Inspector General's office are established under 41 U.S.C. § 4712(b).
- 6. Assumption of Rights to Civil Remedy — Upon receipt of an explanation of a decision not to conduct or continue an investigation by the Office of Inspector General, the person submitting a complaint assumes the right to a civil remedy under 41 U.S.C. § 4712(c).

- 21. **Limitations.** Nothing provided herein shall be construed to limit, cancel, annul, or modify the terms of any Federal grant agreement(s), including all terms and assurances related thereto, that have been entered into by the Sponsor and the FAA prior to the date of this ACRGP Grant Agreement.
- 22. **Face Coverings Policy.** The sponsor agrees to implement a face-covering (mask) policy to combat the spread of pathogens. This policy must include a requirement that all persons wear a mask, in accordance with Centers for Disease Control (CDC) and Transportation Security Administration (TSA)

requirements, as applicable, at all times while in all public areas of the airport property, except to the extent exempted under those requirements. This special condition requires the airport sponsor continue to require masks until [Executive Order 13998, Promoting COVID-19 Safety in Domestic and International Travel](#), is no longer effective.

SPECIAL CONDITIONS FOR USE OF ACRGP FUNDS

CONDITIONS FOR ROLLING STOCK/EQUIPMENT -

1. **Equipment or Vehicle Replacement.** The Sponsor agrees that when using funds provided by this grant to replace equipment, the proceeds from the trade-in or sale of such replaced equipment shall be classified and used as airport revenue.
2. **Equipment Acquisition.** The Sponsor agrees that for any equipment acquired with funds provided by this grant, such equipment shall be used solely for purposes directly related to the airport.
3. **Low Emission Systems.** The Sponsor agrees that vehicles and equipment acquired with funds provided in this grant:
 - a. Will be maintained and used at the airport for which they were purchased; and
 - b. Will not be transferred, relocated, or used at another airport without the advance consent of the FAA.

The Sponsor further agrees that it will maintain annual records on individual vehicles and equipment, project expenditures, cost effectiveness, and emission reductions.

CONDITIONS FOR UTILITIES AND LAND -

4. **Utilities Proration.** For purposes of computing the United States' share of the allowable airport operations and maintenance costs, the allowable cost of utilities incurred by the Sponsor to operate and maintain airport(s) included in the Grant must not exceed the percent attributable to the capital or operating costs of the airport.
5. **Utility Relocation in Grant.** The Sponsor understands and agrees that:
 - a. The United States will not participate in the cost of any utility relocation unless and until the Sponsor has submitted evidence satisfactory to the FAA that the Sponsor is legally responsible for payment of such costs;
 - b. FAA participation is limited to those utilities located on-airport or off-airport only where the Sponsor has an easement for the utility; and
 - c. The utilities must serve a purpose directly related to the Airport.
6. **Land Acquisition.** Where funds provided for by this grant are used to acquire land, the Sponsor shall record the grant agreement, including the grant assurances and any and all related requirements, encumbrances, and restrictions that shall apply to such land, in the public land records of the jurisdiction in which the land is located.

The Sponsor's acceptance of this Offer and ratification and adoption of the ACRGP Grant Application incorporated herein shall be evidenced by execution of this instrument by the Sponsor. The Offer and Acceptance shall comprise an ACRGP Grant Agreement, as provided by the CRRSA Act, constituting the contractual obligations and rights of the United States and the Sponsor with respect to this Grant. The effective date of this ACRGP Grant Agreement is the date of the Sponsor's acceptance of this Offer.

It shall designate an official representative and shall in writing direct and authorize that person to file this application, including all understandings and assurances contained therein; to act in connection with this application; and to provide such additional information as may be required.

3. Good Title.

It, a public agency or the Federal government, holds good title, satisfactory to the Secretary, to the landing area of the airport or site thereof, or will give assurance satisfactory to the Secretary that good title will be acquired.

4. Preserving Rights and Powers.

- a. It will not take or permit any action which would operate to deprive it of any of the rights and powers necessary to perform any or all of the terms, conditions, and assurances in this Grant Agreement without the written approval of the Secretary, and will act promptly to acquire, extinguish, or modify any outstanding rights or claims of right of others which would interfere with such performance by the sponsor. This shall be done in a manner acceptable to the Secretary.
- b. If the sponsor is a private sponsor, it will take steps satisfactory to the Secretary to ensure that the airport will continue to function as a public-use airport in accordance with this Grant Agreement.
- c. If an arrangement is made for management and operation of the airport by any agency or person other than the sponsor or an employee of the sponsor, the sponsor will reserve sufficient rights and authority to insure that the airport will be operated and maintained in accordance Title 49, United States Code, the regulations, and the terms and conditions of this Grant Agreement.

5. Consistency with Local Plans.

Any project undertaken by this Grant Agreement is reasonably consistent with plans (existing at the time of submission of the ACGRP application) of public agencies that are authorized by the State in which the project is located to plan for the development of the area surrounding the airport.

6. Consideration of Local Interest.

It has given fair consideration to the interest of communities in or near where any project undertaken by this Grant Agreement may be located.

7. Consultation with Users.

In making a decision to undertake any airport development project undertaken by this Grant Agreement, it has undertaken reasonable consultations with affected parties using the airport at which project is proposed.

8. Pavement Preventative Maintenance.

With respect to a project undertaken by this Grant Agreement for the replacement or reconstruction of pavement at the airport, it assures or certifies that it has implemented an effective airport pavement maintenance-management program and it assures that it will use such program for the useful life of any pavement constructed, reconstructed, or repaired with Federal financial assistance at the airport, including ACRGP funds provided under this Grant Agreement. It will provide such reports on pavement condition and pavement management programs as the Secretary determines may be useful.

9. Accounting System, Audit, and Record Keeping Requirements.

- a. It shall keep all Grant accounts and records which fully disclose the amount and disposition by the recipient of the proceeds of this Grant, the total cost of the Grant in connection with which this Grant is given or used, and the amount or nature of that portion of the cost of the Grant supplied by other sources, and such other financial records pertinent to the Grant. The accounts and records shall be kept in accordance with an accounting system that will facilitate an effective audit in accordance with the Single Audit Act of 1984.
- b. It shall make available to the Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, for the purpose of audit and examination, any books, documents, papers, and records of the recipient that are pertinent to this Grant. The Secretary may require that an appropriate audit be conducted by a recipient. In any case in which an independent audit is made of the accounts of a sponsor relating to the disposition of the proceeds of a Grant or relating to the Grant in connection with which this Grant was given or used, it shall file a certified copy of such audit with the Comptroller General of the United States not later than six (6) months following the close of the fiscal year for which the audit was made.

10. Minimum Wage Rates.

It shall include, in all contracts in excess of \$2,000 for work on any projects funded under this grant agreement which involve labor, provisions establishing minimum rates of wages, to be predetermined by the Secretary of Labor, in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 276a-276a-5), which contractors shall pay to skilled and unskilled labor, and such minimum rates shall be stated in the invitation for bids and shall be included in proposals or bids for the work.

11. Veteran's Preference.

It shall include in all contracts for work on any project funded under this grant agreement which involve labor, such provisions as are necessary to insure that, in the employment of labor (except in executive, administrative, and supervisory positions), preference shall be given to Vietnam era veterans, Persian Gulf veterans, Afghanistan-Iraq war veterans, disabled veterans, and small business concerns owned and controlled by disabled veterans as defined in Section 47112 of Title 49, United States Code. However, this preference shall apply only where the individuals are available and qualified to perform the work to which the employment relates.

12. Operation and Maintenance.

- a. The airport and all facilities which are necessary to serve the aeronautical users of the airport, other than facilities owned or controlled by the United States, shall be operated at all times in a safe and serviceable condition and in accordance with the minimum standards as may be required or prescribed by applicable Federal, state and local agencies for maintenance and

operation. It will not cause or permit any activity or action thereon which would interfere with its use for airport purposes. It will suitably operate and maintain the airport and all facilities thereon or connected therewith, with due regard to climatic and flood conditions. Any proposal to temporarily close the airport for non-aeronautical purposes must first be approved by the Secretary. In furtherance of this assurance, the sponsor will have in effect arrangements for-

1. Operating the airport's aeronautical facilities whenever required;
 2. Promptly marking and lighting hazards resulting from airport conditions, including temporary conditions; and
 3. Promptly notifying airmen of any condition affecting aeronautical use of the airport. Nothing contained herein shall be construed to require that the airport be operated for aeronautical use during temporary periods when snow, flood or other climatic conditions interfere with such operation and maintenance. Further, nothing herein shall be construed as requiring the maintenance, repair, restoration, or replacement of any structure or facility which is substantially damaged or destroyed due to an act of God or other condition or circumstance beyond the control of the sponsor.
- b. It will suitably operate and maintain noise compatibility program items that it owns or controls upon which Federal funds have been expended.

13. Hazard Removal and Mitigation.

It will take appropriate action to assure that such terminal airspace as is required to protect instrument and visual operations to the airport (including established minimum flight altitudes) will be adequately cleared and protected by removing, lowering, relocating, marking, or lighting or otherwise mitigating existing airport hazards and by preventing the establishment or creation of future airport hazards.

14. Compatible Land Use.

It will take appropriate action, to the extent reasonable, including the adoption of zoning laws, to restrict the use of land adjacent to or in the immediate vicinity of the airport to activities and purposes compatible with normal airport operations, including landing and takeoff of aircraft.

15. Exclusive Rights.

The sponsor shall not grant an exclusive right to use an air navigation facility on which this Grant has been expended. However, providing services at an airport by only one fixed-based operator is not an exclusive right if—

- a. it is unreasonably costly, burdensome, or impractical for more than one fixed-based operator to provide the services; and
- b. allowing more than one fixed-based operator to provide the services requires a reduction in space leased under an agreement existing on September 3, 1982, between the operator and the airport.

16. Airport Revenues.

- a. This Grant shall be available for any purpose for which airport revenues may lawfully be used to prevent, prepare for, and respond to coronavirus. Funds provided under this ACRGP Grant Agreement will only be expended for the capital or operating costs of the airport; the local airport system; or other local facilities which are owned or operated by the owner or operator of the airport(s) subject to this agreement and all applicable addendums for costs related to

operations, personnel, cleaning, sanitization, janitorial services, combating the spread of pathogens at the airport, and debt service payments as prescribed in the Act

- b. For airport development, 49 U.S.C. § 47133 applies.

17. Reports and Inspections.

It will:

- a. submit to the Secretary such annual or special financial and operations reports as the Secretary may reasonably request and make such reports available to the public; make available to the public at reasonable times and places a report of the airport budget in a format prescribed by the Secretary;
- b. in a format and time prescribed by the Secretary, provide to the Secretary and make available to the public following each of its fiscal years, an annual report listing in detail:
 - 1. all amounts paid by the airport to any other unit of government and the purposes for which each such payment was made; and
 - 2. all services and property provided by the airport to other units of government and the amount of compensation received for provision of each such service and property.

18. Land for Federal Facilities.

It will furnish without cost to the Federal Government for use in connection with any air traffic control or air navigation activities, or weather-reporting and communication activities related to air traffic control, any areas of land or water, or estate therein, or rights in buildings of the sponsor as the Secretary considers necessary or desirable for construction, operation, and maintenance at Federal expense of space or facilities for such purposes. Such areas or any portion thereof will be made available as provided herein within four months after receipt of a written request from the Secretary.

19. Airport Layout Plan.

- a. Subject to the FAA Reauthorization Act of 2018, Public Law 115-254, Section 163, it will keep up to date at all times an airport layout plan of the airport showing:
 - 1. boundaries of the airport and all proposed additions thereto, together with the boundaries of all offsite areas owned or controlled by the sponsor for airport purposes and proposed additions thereto;
 - 2. the location and nature of all existing and proposed airport facilities and structures (such as runways, taxiways, aprons, terminal buildings, hangars and roads), including all proposed extensions and reductions of existing airport facilities;
 - 3. the location of all existing and proposed non-aviation areas and of all existing improvements thereon; and
 - 4. all proposed and existing access points used to taxi aircraft across the airport's property boundary. Such airport layout plans and each amendment, revision, or modification thereof, shall be subject to the approval of the Secretary which approval shall be evidenced by the signature of a duly authorized representative of the Secretary on the face of the airport layout plan. The sponsor will not make or permit any changes or alterations in the airport or any of its facilities which are not in conformity with the airport layout plan

as approved by the Secretary and which might, in the opinion of the Secretary, adversely affect the safety, utility or efficiency of the airport.

- b. Subject to the FAA Reauthorization Act of 2018, Public Law 115-254, Section 163, if a change or alteration in the airport or the facilities is made which the Secretary determines adversely affects the safety, utility, or efficiency of any federally owned, leased, or funded property on or off the airport and which is not in conformity with the airport layout plan as approved by the Secretary, the owner or operator will, if requested, by the Secretary (1) eliminate such adverse effect in a manner approved by the Secretary; or (2) bear all costs of relocating such property (or replacement thereof) to a site acceptable to the Secretary and all costs of restoring such property (or replacement thereof) to the level of safety, utility, efficiency, and cost of operation existing before the unapproved change in the airport or its facilities except in the case of a relocation or replacement of an existing airport facility due to a change in the Secretary's design standards beyond the control of the airport sponsor.

20. Civil Rights.

It will promptly take any measures necessary to ensure that no person in the United States shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in any activity conducted with, or benefiting from, funds received from this Grant.

- a. Using the definitions of activity, facility, and program as found and defined in §§ 21.23 (b) and 21.23 (e) of 49 CFR Part 21, the sponsor will facilitate all programs, operate all facilities, or conduct all programs in compliance with all non-discrimination requirements imposed by or pursuant to these assurances.
- b. Applicability
 - 1. Programs and Activities. If the sponsor has received a grant (or other Federal assistance) for any of the sponsor's program or activities, these requirements extend to all of the sponsor's programs and activities
 - 2. Facilities. Where it receives a grant or other Federal financial assistance to construct, expand, renovate, remodel, alter, or acquire a facility, or part of a facility, the assurance extends to the entire facility and facilities operated in connection therewith.
 - 3. Real Property. Where the sponsor receives a grant or other Federal financial assistance in the form of, or for the acquisition of, real property or an interest in real property, the assurance will extend to rights to space on, over, or under such property.

- c. Duration

The sponsor agrees that it is obligated to this assurance for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the assurance obligates the sponsor, or any transferee for the longer of the following periods:

- 1. So long as the airport is used as an airport, or for another purpose involving the provision of similar services or benefits; or
- 2. So long as the sponsor retains ownership or possession of the property.

- d. Required Solicitation Language

It will include the following notification in all solicitations for bids, Requests for Proposals for work, or material under this Grant and in all proposals for agreements, including airport concessions, regardless of funding source:

“The **City of Porterville**, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that for any contract entered into pursuant to this advertisement, disadvantaged business enterprises and airport concession disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.”

e. Required Contract Provisions.

1. It will insert the non-discrimination contract clauses requiring compliance with the acts and regulations relative to non-discrimination in Federally-assisted programs of the DOT, and incorporating the acts and regulations into the contracts by reference in every contract or agreement subject to the non-discrimination in Federally-assisted programs of the DOT Acts and regulations.
2. It will include a list of the pertinent non-discrimination authorities in every contract that is subject to the non-discrimination acts and regulations.
3. It will insert non-discrimination contract clauses as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a sponsor.
4. It will insert non-discrimination contract clauses prohibiting discrimination on the basis of race, color, national origin, creed, sex, age, or handicap as a covenant running with the land, in any future deeds, leases, license, permits, or similar instruments entered into by the sponsor with other parties:
 - A. For the subsequent transfer of real property acquired or improved under the applicable activity, grant, or program; and
 - B. For the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, grant, or program.
 - C. It will provide for such methods of administration for the program as are found by the Secretary to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the acts, the regulations, and this assurance.
 - D. It agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the acts, the regulations, and this assurance.

21. Foreign Market Restrictions.

It will not allow funds provided under this Grant to be used to fund any activity that uses any product or service of a foreign country during the period in which such foreign country is listed by the United States Trade Representative as denying fair and equitable market opportunities for products and suppliers of the United States in procurement and construction.

22. Policies, Standards and Specifications.

It will carry out any project funded under an Airport Coronavirus Relief Program Grant in accordance with policies, standards, and specifications approved by the Secretary including, but not limited to, current FAA Advisory Circulars for AIP projects, as of May 18, 2021, included in this grant, and in accordance with applicable state policies, standards, and specifications approved by the Secretary.

23. Access By Intercity Buses.

The airport owner or operator will permit, to the maximum extent practicable, intercity buses or other modes of transportation to have access to the airport; however, it has no obligation to fund special facilities for intercity buses or for other modes of transportation.

24. Disadvantaged Business Enterprises.

The sponsor shall not discriminate on the basis of race, color, national origin or sex in the award and performance of any DOT-assisted contract covered by 49 CFR Part 26, or in the award and performance of any concession activity contract covered by 49 CFR Part 23. In addition, the sponsor shall not discriminate on the basis of race, color, national origin or sex in the administration of its Disadvantaged Business Enterprise (DBE) and Airport Concessions Disadvantaged Business Enterprise (ACDBE) programs or the requirements of 49 CFR Parts 23 and 26. The sponsor shall take all necessary and reasonable steps under 49 CFR Parts 23 and 26 to ensure nondiscrimination in the award and administration of DOT-assisted contracts, and/or concession contracts. The sponsor's DBE and ACDBE programs, as required by 49 CFR Parts 26 and 23, and as approved by DOT, are incorporated by reference in this agreement. Implementation of these programs is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the sponsor of its failure to carry out its approved program, the Department may impose sanctions as provided for under Parts 26 and 23 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1936 (31 U.S.C. 3801).

25. Acquisition Thresholds.

The FAA deems equipment to mean tangible personal property having a useful life greater than one year and a per-unit acquisition cost equal to or greater than \$5,000. Procurements by micro-purchase means the acquisition of goods or services for which the aggregate dollar amount does not exceed \$10,000, unless authorized in accordance with 2 CFR § 200.320. Procurement by small purchase procedures means those relatively simple and informal procurement methods for securing goods or services that do not exceed the \$250,000 threshold for simplified acquisitions.

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Acceptance of the Selective Traffic Enforcement Program (STEP) Grant

SOURCE: Police

COMMENT: In April 2021, the Porterville Police Department submitted a grant proposal/application to the California Office of Traffic Safety (OTS) requesting funding for personnel costs (overtime) associated with Selective Traffic Enforcement Program (STEP). The goal of this program is to reduce the persons killed or injured in vehicle crashes involving alcohol, speed, red light violations, and other recurring primary collision factors within the City.

On June 30, 2021, the Department received notification from OTS that funding in the amount of \$100,000 had been approved for the City's STEP program. The funding will cover personnel costs (overtime) associated with multiple DUI/License check points, special saturation patrols, and targeted enforcement of areas of repeated traffic collisions, and for the purchase of specialized equipment for police units that target individuals speeding in high collision areas.

The purposed grant will fund the STEP program for the period of October 1, 2021, through September 30, 2022.

RECOMMENDATION: That the City Council:

1. Accept the STEP Grant from the California Office of Traffic Safety in the amount of \$100,000; and
2. Authorize a budget adjustment for the Police Department in the Special Safety Grants Fund for the 2021-2022 Fiscal Year in the amount of \$100,000.

Subject: OTS Tentatively Approved Your Application

Congratulations! Through a competitive process, the Office of Traffic Safety (OTS) has tentatively approved your application 22-003144 in the amount of \$100,000 with the proposal titled "Selective Traffic Enforcement Program (STEP)." This tentative award is contingent on approval from the National Highway Traffic Safety Administration.

Your OTS Coordinator will contact you to discuss your proposal and explain the grant agreement process. It is our goal to have all new grants start the first of October. If approval from a City Council or the Board of Supervisors is required, you should begin that process now. Do not incur grant reimbursable costs yet, as this is a tentative award.

The OTS will initiate a statewide media news release regarding this year's applications selected for funding. Your agency should not publicly announce this tentative award until the grant agreement is fully negotiated and signed by the OTS.

Again, congratulations on the success of your application.

Sincerely,
Barbara L. Rooney

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Acceptance of the California Office of Traffic Safety Records Improvement Project Grant

SOURCE: Police

COMMENT: In April 2021, the Porterville Police Department submitted a grant proposal/application to the California Office of Traffic Safety (OTS) requesting funding for Traffic Records Improvement Programs. The goal of this grant program is to assist the Porterville Police Department's Records Management System in timely, accurate, complete, and uniform reporting of traffic collisions to the State of California. The grant helps local agencies prioritize traffic safety issues, identify safety countermeasures, and evaluate their effectiveness. Traffic records improvement grants provide traffic safety stakeholders with the ability to plan and initiate records improvement projects such as Traffic Collision software and electronic citation equipment.

On June 10, 2021, the Department received notification from OTS that funding in the amount of \$60,000 had been approved for the City for the Traffic Records Improvement Program. The funding would cover the costs of purchasing and implementation of traffic collision reporting software and electronic citation equipment. At this time, the Department does not have the software to send materials electronically to the State of California when reporting traffic collision information. The Department relies upon a traffic Sergeant and an administrative assistant to gather traffic statistics for the State of California, which is very time consuming. In addition, the Department currently relies upon hand written issue citations. Although members of the Department are pro-active with traffic enforcement to help prevent collisions, handwritten citations are prone to error and records staff must manually enter citation information. Adding electronic citation equipment would significantly reduce errors and allow the Department to send citations directly to the Court electronically.

The purposed funding for this program would be for the period of October 1, 2021 through September 30, 2022.

RECOMMENDATION: That the City Council:
1. Accept the Traffic Records Improvement Grant from the California Office of Traffic

Safety in the amount of \$60,000; and
2. Authorize a budget adjustment for the Police Department in the Special Safety Grants Fund for the 2021-2022 Fiscal Year in the amount of \$60,000.

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Preliminary Annual Engineer's Report of Assessments for Landscape and Lighting Maintenance Districts and Setting a Public Hearing

SOURCE: Parks and Leisure Services

COMMENT: The City has created seventy-four (74) Landscape and Lighting Maintenance Districts (LMD's) since 1989. A separate district has been established for each new land development. Many of these districts only contain street lighting, for which the assessment is to collect only a portion of the street lighting cost. Other districts have landscape improvements installed within public right-of-ways or public properties, in addition to the street lighting. In these instances, the landscaping has been established to provide a more aesthetic appearance and a healthier environment. Only the property owners who directly benefit from improvements are assessed for the maintenance.

Annually, a process of evaluating maintenance needs and establishing an assessment for each LMD must be followed. In an effort to facilitate the needs of each district, staff analyzes fund balances and deficits for each district, as well as projected expenditures and reserves. Based on the analysis, staff determined that not all district will be assessed this fiscal year.

The first attached Resolution is necessary to initiate the annual Engineer's Report, which will show the proposed assessments for the 2021-2022 Fiscal Year. The second Resolution provides preliminary approval to the Engineer's Report for 2021-2022 Fiscal Year. The comprehensive annual Engineer's Report is provided as an attachment. Once the assessments are approved by the City Council, they are transmitted to the County of Tulare for placement upon the tax bill of the property owners and indicated as a special assessment. The third Resolution declares the intent of the City Council to levy and collect the assessments for the 2021-2022 Fiscal Year, and sets a Public Hearing on the assessments for August 3, 2021.

RECOMMENDATION: That the City Council:

1. Adopt Resolutions;
 - a. Ordering the preparation of and Engineer's Report for the Landscape and Lighting Maintenance Districts for the 2021-2022 Fiscal Year;
 - b. Giving preliminary approval to the Engineer's Report for the Landscape and Lighting Maintenance Districts for 2021-2022

Fiscal Year;

c. Declaring the intent to levy and collect assessments for the 2021-2022 Fiscal Year, and offering a time and place for hearing objections thereto.

2. Schedule a Public Hearing for August 3, 2021 at 6:30 P.M., regarding the Engineer's Report and proposed assessments for the Landscape and Lighting Maintenance Districts for the 2021-2022 Fiscal Year.

RESOLUTION NO.: _____-2021

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PORTERVILLE GIVING
PRELIMINARY APPROVAL OF ENGINEER'S REPORT FOR FISCAL YEAR 2020-2021
FOR LANDSCAPE AND LIGHTING MAINTENANCE DISTRICTS**

WHEREAS, on the 20th day of July 2021, said City Council did adopt a Resolution directing the Engineer of Work to make and file with the City Clerk of said City a report in writing for Fiscal Year 2021-2022 as required by the Landscaping and Lighting Act of 1972; and

WHEREAS, said Engineer of Work has made and filed with the City Clerk of said City a report in writing as called for in said Resolution and under and pursuant to said Act, which report has been presented to this Council for consideration; and

WHEREAS, said Council has duly considered said report and each and every part thereof, and finds that each and every part of said report is sufficient, and that said report, nor any part thereof, requires or should be modified.

NOW, THEREFORE, be it resolved by the City Council of the City of Porterville that:

1. The Engineer's Estimate of the itemized costs and expenses of said work and of the incidental expenses in connection therewith, contained in said report be, and each of them are hereby, preliminarily approved and confirmed.
2. The diagram showing the Assessment Districts referred to and described in said report (the boundaries of the subdivision of land within each said Assessment District) are approved and confirmed as the same as existed at the time of passage of Resolution originally establishing each District.
3. The proposed assessments upon the subdivisions of land in said Assessment Districts are in proportion to the estimated benefit to be received by said subdivisions, respectively, from said normal and customary maintenance and of the incidental expenses thereof, as contained in said report, and are hereby preliminarily approved and confirmed.
4. Said report shall stand as the Engineer's Report for the purposes of all subsequent proceedings, and pursuant to the proposed district.

Reference is hereby made to said maps for further, full and more particular description of said Assessment District, and the same maps so on file shall govern for all details as to the extent of each said Assessment District.

RESOLUTION NO.: _____-2021

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PORTERVILLE, COUNTY OF TULARE, STATE OF CALIFORNIA, DECLARING ITS INTENTION TO LEVY AND COLLECT ASSESSMENTS FOR FISCAL YEAR 2021-2022 IN LANDSCAPE AND LIGHTING MAINTENANCE ASSESSMENT DISTRICTS; DECLARING THE WORK TO BE OF MORE THAN LOCAL OR ORDINARY PUBLIC BENEFIT; SPECIFYING THE EXTERIOR BOUNDARIES OF THE AREAS WITHIN THE LANDSCAPE MAINTENANCE DISTRICTS TO BE ASSESSED THE COST AND EXPENSE THEREOF; DESIGNATING SAID DISTRICT AS LANDSCAPE AND LIGHTING MAINTENANCE DISTRICTS; DETERMINING THAT THESE PROCEEDINGS SHALL BE TAKEN PURSUANT TO THE LANDSCAPING AND LIGHTING ACT OF 1972; AND OFFERING A TIME AND PLACE FOR HEARING OBJECTIONS THERETO

The City Council of the City of Porterville, pursuant to the provisions of the Landscaping and Lighting Act of 1972, being Division 15 of the Streets and Highways Code of the State of California, does resolve as follows:

DESCRIPTION OF WORK

SECTION 1. That the public interest and convenience requires it is the intention of the City Council of the City of Porterville, California, to order the following work be done, to wit:

1. Maintenance and servicing of facilities and landscaping as authorized by Section 22525 of the Streets and Highways Code.
2. Any and all work and materials appurtenant thereto or which are necessary or convenient for the maintenance and servicing thereof.

The plans and specifications for the landscaping are in conformance with the requirements of the City Council's conditions of approval of said Parcel Maps and Subdivisions.

Reference is hereby made to said subdivision maps, parcel maps and assessment diagrams for the exact location of the landscape areas. The plans and specifications by reference are hereby made a part of this report to the same extent as if said plans and specifications were attached hereto.

SECTION 4. Improvements

Landscaping improvements will include landscaping the entry ways, medians and areas behind subdivision block wall.

SECTION 5. Estimated Maintenance Costs

Maintenance is currently being performed by City staff and contract services. Accordingly, the City's record-keeping will be required to be sufficiently accurate to detail the expenses incurred on behalf of each individual annexation so that these costs may be recaptured through assessments.

The City Finance Department presently maintains records of expenditures for each annexation. Because of the restrictions placed upon municipal budgets through the passage of Proposition No. 218 and the lag between the time assessments are made and revenues are collected by the City, it is appropriate that assessments be made in advance of the anticipated expenditures to provide working capital for the maintenance effort. The fund balance for some districts would appear to justify a refund, however, it is clear that some of the costs for some of the districts have not been properly recognized. The staff is committed to identifying the discrepancies and rectifying during this fiscal year. Refunds have been included in the form of one-time adjustments to the assessment reducing the amount actually assessed per lot.

The assessments include costs accumulated to date and estimated costs for the 2021-2022 Fiscal Year for Landscape and Lighting District No. 1, including Annexations 2, 3, 4, 5, 8, 10, and 14; Districts 2, 3, 4, 5, 6, 10, 12, 20, 21, 23, 24, 25, 26, 28, 30, 34, 35, 37, 38, 39, 40, 43, 44, 46, 47, 55 and 56.

SECTION 6. Assessment Diagram

Copies of the assessment diagrams were attached to each individual Engineer's Reports and were labeled "Exhibit A". An Index Map is attached to this report identifying the location of the original district and each annexation.

SECTION 7. Assessment

The City Council, in forming Landscape and Lighting Maintenance District No. 1 and in annexing territories to the district, has maintained the philosophy that the subdivider or developer is responsible for the plantings, irrigation system and the maintenance of the improvements until they become well established. The assessments for maintenance thus only include anticipated costs incurred subsequent to the acceptance of the system by the City Council on behalf of the Maintenance District.

An exception to this philosophy is at Annexation No. 1, Airport Industrial Park, where the owners and the City will share costs for the plantings and irrigation system and the maintenance of improvements.

The maintenance of the landscaping is vital for the protection of both economic and humanistic values of the development. The City Council has heretofore determined that for the preservation

of values incorporated within developments adjacent to landscaped areas, the landscaped areas should be included in a maintenance district to ensure satisfactory levels of maintenance. The establishment of the assessment for each development must be on a unit by unit basis which will preserve the integrity of each project. There should be a review of each annexation and District to determine if there are changed conditions that effect the assessment.

The determination of benefit for the lots within the districts takes into consideration the facts for the original districts and all annexations thereto.

Following are estimated maintenance costs and assessments for each District and Annexation.

FORMULA FOR ASSESSMENT

$$A = \text{Assessment per lot} = \frac{\text{Total Assessment} - F}{L}$$

L = Number of lots

F = Assessment for remainder parcel

The 2021/2022 assessment will be spread based upon the above formula. There are 22 lots in Unit One. The 47.89 acre remainder parcel is included on the final subdivision map and will be assessed 20% of the total estimated cost for landscaping maintenance until it is developed at which time it will be combined with the other completed units and assessed fully.

Estimated Assessment F = \$12,453.25 x .20 = \$2,490.85 for remainder
A = \$12,453.25 - \$2,490.85 = \$452.84 per lot in Unit One

2020/2021 Assessment F = \$8,000 x .20 = \$1,600.00 for remainder
A = 8,000 - 1600 = \$290.90 per lot in Unit One

2021/2022 Assessment F = \$8,000 x .20 = \$1,600.00 for remainder
A = 8,000 - 1600 = \$290.90 per lot in Unit One

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Sewer Utility Districts Annual Assessments Fiscal Year 2021-2022

SOURCE: Engineering and Project Management

COMMENT: At its meetings on April 16, 2013, October 15, 2013, February 3, 2016 and September 4, 2018, the City Council conducted Public Hearings for the formal formations of the Sewer Utility Districts for Areas 458, 455 A, 459 A & C, and 456 A, B & C and E. Henderson Avenue respectively. These four districts were completed by the City and Resolutions were approved to send the annual assessments to the Tulare County Auditor-Controller/Treasurer-Tax Collector office for repayment to the City.

The assessments, once approved by the Council, are placed upon the tax bill of benefiting property owners as a special assessment, and collected by Tulare County. The assessment process must be fully filed with Tulare County by August 10, 2021, for the 2021-2022 tax year. Tulare County requires annual Resolutions from the Council in order to accept the annual assessments. Assessments are based on the final construction costs, sewer laterals and construction management.

Area 455 A Sewer Utility Districts Assessment includes 216 parcels at a total assessed cost of \$42,523.40. This upcoming fiscal year is also the eighth year of the 30-year Assessment period.

Areas 456 A, B, & C and E. Henderson Avenue Assessment includes 200 parcels at a total assessed amount of \$62,865.44. This is the second year of the 30-year Assessment period.

Area 458 Sewer Utility District Assessment includes 383 parcels at a total assessed amount of \$83,026.40. The upcoming fiscal year will be the eighth of the 30-year Assessment period.

Areas 459 A & C Sewer Utility Districts Assessment includes 320 parcels at a total assessed amount of \$56,737.84. This is the sixth year of the 30-year Assessment period.

The Districts were formed to allow property owners to reimburse the City over thirty (30) years at three percent (3%) interest. The total amounts received from prior year assessments as well as voluntary pre-payments are as follows:

Fiscal Year	Assessment	Voluntary Pre-	Current
-------------	------------	----------------	---------

Assessments	Revenue	Payments	Delinquencies
2014/2015	\$126,276.45	\$130,032.42	\$0.00
2015/2016	\$126,603.98	\$69,048.43	\$0.00
2016/2017	\$184,725.72	\$15,259.88	\$808.60
2017/2018	\$182,935.65	\$21,973.81	\$1,519.55
2018/2019	\$181,591.37	\$4,003.33	\$1,632.37
2019/2020	\$181,286.71	\$69,932.20	\$1,476.67
2020/2021	\$236,556.67	\$20,315.12	\$9,178.99
Totals:	\$1,219,976.60	\$330,565.19	\$14,616.18

Staff is recommending that the City Council adopt the attached draft Resolutions approving the annual assessments for the 2021-2022 Fiscal Year.

RECOMMENDATION: That the City Council adopt the draft Resolutions ordering the continued sewer district assessments for the 2021-2022 tax year.

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Amendment to Employee Pay & Benefit Plan - Fire Officers Series

SOURCE: Administrative Services

COMMENT: Within the scope of the Meyers-Miliias-Brown Act, City representatives have concluded labor negotiations with the Fire Officer Series (FOS). City representatives and FOS have reached an agreement, and a written Memorandum of Understanding (MOU) has been executed restating current benefits as well as amendments pertaining to wages, benefits and working conditions.

City Council acceptance and approval of an executed MOU is most commonly demonstrated by Council authorization to change or amend, when applicable, those documents that are necessary to implement the points of agreement contained in the MOU.

RECOMMENDATION: That the City Council approve the draft Resolution amending the Employee Pay and Benefit Plan pertaining to the Fire Officer Series employees.

RESOLUTION NO. ____-2021

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
PORTERVILLE AMENDING THE EMPLOYEE PAY AND BENEFIT PLAN
PERTAINING TO FIRE OFFICER SERIES EMPLOYEES

WHEREAS, the City Council has determined and reiterated that an Employee Pay and Benefit Plan, Classification Plan, Personnel System Rules and Regulations, Health Plan and Retirement Plan are essential for the proper administration of the City's affairs, including employee recruitment and retention, and for proper supervision of City Employees; and

WHEREAS, the City Council recognizes the necessity of amending and/or changing the contents of such plans and regulations from time to time, and of executing instruments to implement and to keep the provisions thereof current, and to maintain the relevancy of the same; and

WHEREAS, there has been concurrence on a Memorandum of Understanding with the Fire Officer Series ("FOS") for the period from July 1, 2021, through June 30, 2022, covering provisions to amend the Employee Pay and Benefit Plan, as they relate to employees holding positions represented by such recognized employee organization.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Porterville that the Employee Pay and Benefit Plan for employees holding positions represented by the aforementioned recognized employee organization, is hereby amended as follows:

I. TERM

One (1) year, from July 1, 2021 through June 30, 2022.

II. SALARY

Effective the next full pay period upon both ratification and adoption by the City Council, FOS employees shall receive a two percent (2%) salary increase.

III. EXPERIENCE PAY

Effective the next full pay period upon both ratification and adoption by the City Council, employees are eligible for experience pays consistent with current experience levels based off of the number of years of public safety experience; next level will be paid on the first full pay period after the employee reaches the experience year anniversary as stated below:

2.5%	5 or more years of sworn fire experience
2.5%	10 or more years of sworn fire experience
2.5%	15 or more years of sworn fire experience
2.5%	20 or more years of sworn fire experience

IV. RESIDENCY REQUIREMENT

Change residency requirement from current 45 air miles to living within Fresno, Kern, Kings or Tulare Counties.

V. VACATION REQUESTS

After such time as the Fire Department staffing levels have increased as a result of the six new firefighters being hired in Fall 2021, the vacation policy will be amended to allow up to 2 personnel to take vacation at any given time. This essentially extends the vacation allowance to apply not only to "first picks" but also to "blue sheet picks" throughout the year.

This change will not become effective until the six aforementioned firefighters have completed the internal fire academy, roughly eight weeks after onboarding. Be advised that this amendment does not overrule the existing MOU policy related to minimum staffing. In the event a second person's vacation request would result in the Department falling below minimum staffing levels, it would be denied or previous approval in error may be revoked.

VI. YEARS OF SERVICE

The City to acknowledge years of sworn service with other public safety agencies toward the total years of service with the City of Porterville for the purpose of vacation accrual and experience pay.

VII. DEFERRED COMP

Effective the next full pay period upon both ratification and adoption by the City Council, the City will provide a deferred compensation match for tier two and three unit members only, up to a maximum of three (3) percent their yearly base salary.

VIII. OVERTIME

Employees are to be compensated at the rate of 1 ½ times the regular rate for hours worked in excess of 182 hours in a 24-day consecutive pay period, except that they shall be paid at 1 ½ times the 40 hour per week rate for 12 hours or less in a shift and at 1 ½ times the 56 hours per week rate for more than 12 hours in a shift. If required to work on an out of County assignment, the employee's time will start from the time the employee is required to report for duty and end when he/she is returned to the City of Porterville. Any employee that is assigned on a 40-hour per week rate as their regular duty assignment will be paid at the rate on all overtime assignments including assignments out of county. Any time on his/her regular work schedule will be at regular pay, all other time will be overtime, as outlined above.

IX. CLASS A UNIFORM

The City to purchase all FOS members one set of class A uniforms to start the class A program in the department. Moving forward all firefighters that complete their new hire probation period shall be given a class A uniform paid for by the City Of Porterville Fire Department.

X. DUAL COMPLIANT PANTS

All members shall wear only dual compliant uniform pants for their class B uniform by January 1, 2023.

XI. PHYSICAL FITNESS UNIFORM

Amend language pertaining to the physical fitness uniform in the current MOU to read the following:

The physical fitness uniform shall primarily be worn when engaged in physical fitness. The physical fitness uniform shall include a Fire Department dark blue tee shirt, and/or sweatshirt, with the department logo. Shorts and/or sweat pants shall be dark blue. Shorts shall have an inseam sufficient to rest between the lower thigh and midline of the knee.

XII. UNIFORM ALLOWANCE

The uniform allowance to be increased by \$500.00. So as to provide for the increased cost of uniforms, such as dual compliant pants and the up keep of their class A uniform.

XIII. 2022/2023 NEGOTIATIONS

Labor Negotiations for the 2022/2023 fiscal year shall begin no later than March 1, 2022.

XIV. STATEMENT OF CONTINUING BENEFITS AND WORKING CONDITIONS

All other terms and conditions previously negotiated and subsequently approved and implemented by appropriate authority shall, unless herein expressly modified or eliminated, remain in full force and effect until such time as they are subsequently modified or eliminated through the meet and confer process and mutually agreed upon by the City and FOS.

BE IT FURTHER RESOLVED that the Mayor of the City of Porterville is hereby authorized to execute those documents as are necessary to implement the provisions hereof.

PASSED, APPROVED AND ADOPTED this 20th day of July, 2021.

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Status and Review of Local Emergency: Drought

SOURCE: City Manager's Office

COMMENT: At its meeting of May 5, 2015, the City Council took action to approve a Resolution Declaring a Drought Emergency in the City of Porterville. At its meeting of July 6, 2021, the Council reviewed the status of existence of local emergency, and acted to continue its Resolution of local emergency.

Governor Brown issued Executive Order B-29-15 on Wednesday, April 1, 2015, which established drought-related mandates and restrictions in addition to those already stipulated in previous Executive Orders B-26-14 and B-28-14. Of significance, the Governor directed the State Water Resources Control Board to impose restrictions to achieve a statewide 25% reduction in potable urban water usage through February 28, 2016, in comparison to the amount used in 2013, and with consideration given to per capita usage as a basis. The Governor further directed the Board to impose additional restrictions on commercial, industrial, and institutional properties with significant landscaping (cemeteries, golf courses, parks, schools, etc.), to also achieve a 25% reduction in potable water usage. Also of significance, the Board was directed to prohibit irrigation with potable water outside of newly constructed homes and buildings that is not delivered by drip or micro-spray systems.

On November 13, 2015, Governor Brown issued Executive Order B-36-15, which extends emergency conservation regulations through October 2016, if drought conditions persist through January 2016. On February 2, 2016, the State Water Resources Control Board adopted extended emergency water conservation regulations, to be in effect March 1 through October 31, 2016. The City of Porterville benefited somewhat from the extended regulations as the City's water conservation rate has been reduced from 32% to 26%, due to new water connections that have been made and population served (4%), as well as a new climate adjustment factor that was considered (2%).

On May 9, 2016, Governor Brown issued Executive Order B-37-16 ("Making Water Conservation a California Way of Life"), which directs the State Water Resources Control Board to establish new regulations making permanent the emergency conservation regulations. On May 18, 2016, the State Water Resources Control Board adopted a statewide water conservation approach that replaces the percentage reduction-based water conservation standard with a localized "stress test" approach that mandates urban water suppliers act immediately to ensure at least a three-year supply of water to their customers

under continued drought conditions.

On April 7, 2017, Governor Brown issued Executive Order B-40-17, which ended the drought state of emergency in most of California, with the exception of Fresno, Kings, Tulare and Tuolumne counties where emergency water supply and reliability projects are continuing toward addressing diminishing groundwater supplies. The Order maintains monthly reporting requirements and prohibitions on wasteful practices. It is anticipated that the Governor will end the drought state of emergency in the four remaining counties in the near future.

On May 31, 2018, Governor Brown signed both AB 1668 (Friedman) and SB 606 (Hertzberg), which set permanent overall targets for indoor and outdoor water consumption. The legislation sets an initial limit for indoor water use of 55 gallons per-person per-day in 2022, reducing to 52.5 gallons per-person per-day in 2025, and finally to 50 gallons per-person per-day in 2030. The amount of residential outdoor use is yet-to-be determined, but will allow for varying regional climates. In addition, a standard for water loss due to leak rates in water system pipes will be established. As an urban water provider, the City of Porterville will need to submit its plan for compliance for approval by the State Water Resources Control Board.

On March 5, 2021, Secretary Vilsack of the United States Department of Agriculture federally-designated Tulare County as a primary natural disaster area due to ongoing drought conditions. On April 21, 2021, Governor Newsom issued a State of Emergency Proclamation due to drought conditions, including Tulare County. On April 27, 2021, the Tulare County Board of Supervisors adopted a Resolution Proclaiming a Local Emergency due to severe drought conditions.

Initially within the city of Porterville, twenty-six (26) residences within the city were determined to have dry wells, for which City staff submitted a Mutual Aid Request to Tulare County OES to initiate the household tank program for identified properties within the city where wells are dry and challenged for permanent connection. The State has committed funding for non-profit agencies to continue drought-related activities, which Self-Help Enterprises has continued the household tank program locally, through State Cleanup and Abatement Account (CAA) emergency funds.

Representatives for the City, County, State (CalOES, DDW, DWR, and SWB) and non-profit partners have continued to meet in support of the long-term permanent water connection project for the entire East Porterville area and the estimated 1,800 expected future connections. DWR identified 423 residential units in the East Porterville area (381 of which are in the City's Urban Development Boundary), that were served by the County's Household Tank Program and desired by the State to be connected to the City's water distribution system as soon as possible. DWR has completed a significant City waterline extension project to permanently connect those 423 residential units to the City's water system (considered Phase I of the project). To provide initial source water for the DWR extension project, CalOES desired to expeditiously connect

the new well on Olive Avenue to the City's water system instead of being first equipped as a filling station. Given the new well has an estimated water production value of 800 gallons per minute, as well as a SWB assumed 1.5 gallons per minute per residence, the new well could effectively serve up to 500 single-family residential units. The City indicated its significant interest that the E. Vandalia Avenue area and its eighty (80) residential units be included in the water connection project, to which the State was agreeable.

Given CalOES has paid for the development of the new well, and its connection to the City's water system, the City will be required under "Drought Redundancy and Resiliency Provisions" to make available to the State up to three million gallons of water per month without charge for emergency purposes.

To proceed with the connection of the new well to the City's water system and the 500 East Porterville and E. Vandalia Avenue residential units, the City Council approved modifications to the Draft Agreement between the City and County at its meeting on April 5, 2016, which the County Board of Supervisors subsequently approved at their meeting on May 10, 2016.

A Memorandum of Understanding between the State, County, and City on the East Porterville permanent water connection project was approved by the Council during a Special Meeting on Tuesday, June 21, 2016, and approved by the Board of Supervisors on Tuesday, June 28, 2016. With the approval of the MOU, the State began the permanent connection of approximately forty (40) homes that are located along existing City water mains. Subsequently, the State officially requested that the City approve the connection of an additional thirty (30) residences as part of the first immediate connections, for up to a total of seventy (70), which the Council approved at its meeting on August 2, 2016.

In regards to the new well's development and connection to the City's water distribution system, the Board of Supervisors awarded the contract for equipping and connecting the new well at their meeting of Tuesday, August 16, 2016, and construction activities commenced the week of October 10, 2016. County staff had previously indicated that the well would be in service and connected to the City's system no later than December 2016, however, the well was operational and connected to the City's water distribution as of Friday, February 17, 2017. Given the delay in the well's completion and connection, DWR requested that the Council consider allowing the connection of residences as they become prepared for connection, to which the Council was receptive, and a Draft MOU Amendment was approved by the Council at its meeting on December 6, 2016, and subsequently approved by the Board of Supervisors at its meeting on December 20, 2016. City staff continued to work with County staff toward the transfer of the well's ownership from the County to the City, which at its meeting on April 20, 2021, the Council approved the draft Transfer Agreement subject to the City Attorney's final form.

As of Friday, March 31, 2017, the date the State established as the final day for property owners to complete the registration process to participate in the State-

funded connection program opportunity, of the 1,017 eligible developed residential properties identified by the State for connection, 722 completed the required Extra-Territorial Services Agreement, leaving 295 developed residential properties non-responsive to this unique connection program, 23 of which were reported as having either dry or diminishing capacity wells. On February 6, 2018, the final residential connection was made of the approximate eligible 800 residences in East Porterville to the City's water system.

City staff continues to coordinate with Self-Help Enterprises and State representatives toward the extension of water mains to serve all residential properties within City limits and the city's periphery that are currently participating in the County's Household Tank Program. The two main areas of focus are N. Cobb Street (northwest of State Route 65 and Pioneer Avenue), and S. Cloverleaf Street (southeast of State Route 65 and Olive Avenue). The State has maintained its commitment to grant-fund the necessary infrastructure and connection fees, providing an official funding letter to the City on January 18, 2018, which commits up to \$2.81 million in funding until December 31, 2019. The authorization to advertise for bids for the water connection project was approved by the Council at its July 17th meeting, after which DWR reviewed the bid package for compliance and approved in December the package for advertisement. Council authorized award of the construction contract for approximately \$1.82 million at its meeting on January 15, 2019. City staff conducted a pre-construction public outreach meeting with the affected residents on the status of the project on Thursday, April 4, 2019. Council authorized the agreement with Self-Help Enterprises Inc. to provide the private residential connections at its meeting on July 2, 2019, and construction work began on the project. At its meeting on October 1, 2019, the Council accepted the public works segment of the project in the installation of water mains as complete, with Self-Help and CSET continuing to collaborate on the completion of the individual private connections and abandonment of private wells. City staff has recently been made aware that there may be a couple of additional residences whose wells are dry that are located along existing City water mains or may require further extension of water mains. Staff is coordinating with State staff on addressing these new isolated needs.

County OES and the State Division of Drinking Water (DDW) have reported to the City that the Central Mutual Water Company, located south of the city and south of Gibbons Avenue, has had its well run dry and desires an immediate emergency connection to the City's water system to serve the 41 connections currently without water. DDW is wishing to support a financial application to upgrade the small water system to City standards (new water lines, meters ,etc.), and to sponsor an Urban Development Boundary (UDB) Amendment application to Tulare County Local Agency Formation Commission (LAFCO), given this area is currently outside the City's UDB but within the City's Urban Area Boundary (UAB). Given several private wells have run dry in this area, DDW is also attempting to sponsor their connection to the City's water system. For source water capacity for the connections, DWR will include these new connections within the East Porterville water connection capacity development projects. At its Special meeting on August 30th, the City Council directed staff

to proceed with the immediate emergency connection of the Central water system, with the permanent connection of the system contingent upon an Agreement with DDW to the sponsorship conditions they have offered. At its meeting on October 1, 2019, the Council directed staff to proceed with the amendment of the UDB to facilitate annexation, which a public meeting with the affected residents was conducted on Wednesday, October 9, 2019. At its meeting on April 21, 2020, the Council conducted a Public Hearing and approved Resolutions of approval of the environmental determination and amendment to the UDB to facilitate annexation. At its meeting on June 1, 2021, the Council approved the State Water Board funding agreement for the development of a City-owned production well, distribution mains and water meters to serve each customer, as well as fire hydrants.

DDW has also reported to the City that the Del Oro East Plano water system, located on Paul Street (southeast of the intersection of Plano Street and Worth Avenue), is experiencing problems with its existing well and have implemented severe water restrictions. The East Plano water system serves fourteen (14) residences and approximately 45 people. DDW is wishing to provide financial support to upgrade the small water system to City standards (new water lines, meters ,etc.), and for source water capacity for the connections, DDW would need to either pay appropriate fees and/or develop a capacity development project. The Council is aware that the Del Oro Grandview Gardens water system (north of W. North Grand Avenue) is also experiencing significant issues, and DDW may seek their future consolidation with the City's water system as well.

DDW has further reported to the City that the Beverly Grand Mutual Water Company water system, located north of West North Grand Avenue, is experiencing problems with its existing well and water quality issues, and desires its connection to the City's system to serve the 31 residences the system serves. DDW is wishing to provide financial support to upgrade the small water system to City standards (new water lines, meters ,etc.), and for source water capacity for the connections, DDW has agreed to pay appropriate fees toward developing a capacity development project, which at its meeting of October 3, 2017, the Council approved a purchase agreement with Smee Homes, Inc. for the acquisition of property along the Tule River for the development of a new municipal well. At its meeting of October 1, 2019, the Council approved proceeding with the consolidation of the Beverly Grand water system.

RECOMMENDATION: That the City Council receive the report of status and review of the Declaration of Local Emergency and determine the need exists to continue said Declaration.

RESOLUTION NO. 49-2015

A RESOLUTION OF THE CITY COUNCIL OF
THE CITY OF PORTERVILLE DECLARING A DROUGHT EMERGENCY
WITHIN THE CITY OF PORTERVILLE

WHEREAS: in response to the ongoing severe drought, the State Water Resources Control Board approved an emergency regulation to ensure water agencies, their customers, and state residents increase water conservation in urban settings or face possible fines or other enforcement; and

WHEREAS: as we enter the fourth year of severe drought, long-term forecasts indicate no relief of the current drought conditions, and suggest a warmer-than-average summer, resulting in increased domestic demand for water; and

WHEREAS: public and private potable water supplies continue to be threatened due to decreasing supplies of groundwater caused by the precipitation deficit and an extended state of groundwater overdraft; and

WHEREAS: the long-term ramifications of the current drought will have a significant impact on the city of Porterville and potentially pose a danger to the health and welfare of its residents; and

NOW, THEREFORE, BE IT RESOLVED: that the City Council of the City of Porterville does hereby proclaim that, due to drought conditions, a Local Emergency now exists in the city of Porterville and shall remain in effect for the duration of the emergency; and

BE IT FURTHER RESOLVED: that the City Council of the City of Porterville requests the Governor and California Department of Water Resources make available California Disaster Assistance Act funding for the State of Local Emergency proclaimed on May 5, 2015, and seek all available forms of Federal assistance, to include a Presidential Declaration of Emergency and Individual Assistance and Public Assistance programs as applicable; and

BE IT FURTHER RESOLVED: that a copy of this resolution be forwarded to the State Director of the Office of Emergency Services.

TULARE COUNTY – CITY OF PORTERVILLE WELL AGREEMENT

THIS AGREEMENT is entered into this day of, May 10, 2016, between the COUNTY OF TULARE, referred to as COUNTY, and the CITY OF PORTERVILLE, referred to as CITY, with reference to the following:

- A. WHEREAS, East Porterville/Doyle Colony area properties within the COUNTY's jurisdiction and within the CITY's Urban Development Boundary are experiencing serious water shortages due to the historical drought conditions. Attached hereto as Exhibit 'A' is a map defining the East Porterville/Doyle Colony and Vandalia areas; and
- B. WHEREAS, CITY and COUNTY have been and are collaborating to jointly develop a new municipal water well; and
- C. WHEREAS, COUNTY shall secure complete funding for a new well to be solely owned, operated and maintained by the CITY for the purpose of providing long-term capacity to enable permanent water connections to properties that comply with CITY'S Annexation and Extension of Municipal Services policy, with certain exceptions for specific properties in excess of the maximum lot size. These procedures are defined by two Resolutions, 74-2014 and 19-2016, which are attached hereto as Exhibit 'B'; and
- D. WHEREAS, the COUNTY owns a parcel at the southeast corner of the Tule River and Olive Avenue (APN 240-120-017), represented in Exhibit 'C', and has drilled a municipal supply well, and will equip said well utilizing CITY standards, after which the COUNTY shall convey the land to CITY at a cost of \$1; and
- E. WHEREAS, CITY operates an existing municipal water system, with limited infrastructure already established in the East Porterville/Doyle Colony and Vandalia areas, and has experience and qualifications necessary to provide such services; and
- F. WHEREAS, CITY and COUNTY mutually agree that a regional, collaborative solution to leverage and expand CITY'S municipal water system into the East Porterville/Doyle Colony and Vandalia areas is the most feasible means to address the area's water needs; and
- G. WHEREAS, CITY is willing to enter into this Agreement with COUNTY upon terms and conditions set forth herein; and
- H. WHEREAS, CITY and COUNTY mutually understand that due to the limited resources of the CITY's municipal water system, all future connections must comply with the CITY's Annexation and Extension of Municipal Services policies, with certain exceptions for specific properties in excess of the maximum lot size, attached hereto and made a part thereof as Exhibit 'B'.

ACCORDINGLY, IT IS AGREED:

- 1. **TERM:** This agreement shall become effective as of the date the agreement is fully executed by both agencies.
- 2. **SERVICES TO BE PERFORMED & PAYMENT FOR SERVICES – EQUIPPING MUNICIPAL WELL FACILITY:** Refer to attached Exhibit 'D'.

TULARE COUNTY AGREEMENT NO. 27596

3. **SERVICE TO BE PERFORMED IN PERPETUITY:** The services described below shall be performed in perpetuity upon completion of all tasks enumerated in Exhibit 'D' and upon COUNTY securing the funds for equipping the well to CITY standards and requirements:
- A. CITY shall provide to STATE and/or COUNTY, upon STATE and COUNTY's request, a maximum of three million (3,000,000) gallons of water per month upon integration of the well provided under this Agreement, for the purposes of meeting emergency water needs in COUNTY's jurisdiction. CITY shall not charge COUNTY or STATE for said water.
 - B. CITY shall utilize water produced by the well provided under this Agreement as source capacity for new service connections and agreements in East Porterville/Doyle Colony and Vandalia areas. CITY agrees to provide source water for up to four hundred twenty-three (423) new connections in the East Porterville/Doyle Colony area subject to the CITY'S Annexation and Extension of Municipal Services policies, with certain exceptions for specific properties in excess of the maximum lot size, and up to 80 new connections in the Vandalia area. The 423 new connections noted above are inclusive of those properties immediately adjacent to an existing water main, estimated at 40 parcels, which can be connected to the City's water system immediately upon execution of this agreement and the Memorandum(a) of Understanding between CITY, COUNTY, and STATE. Upon connection to CITY services, the listed properties will be exempt from payment of CITY water impact fees, but will be subject to standard fees, such as, but not limited to, water service and meter installation, unless otherwise financed by STATE or other funding sources, and associated monthly fees. This section shall not be construed to limit additional connections beyond the above referenced 503 properties provided for herein, where CITY provides consumption documentation that determines additional source capacity is available as a result of the connection of this well to CITY's system.
 - C. CITY expressly agrees to own, operate, maintain, repair and otherwise care for the well provided under this Agreement, in order to maintain it in proper working order and to the highest standard, for the duration of the well's useful life.
 - D. COUNTY shall grant the parcel on which the well is located to the CITY by Grant Deed at a cost of \$1 upon formal acceptance of the project. A 50-foot control zone around the well site is a requirement of the State Water Resources Control Board, Drinking Water Program, therefore establishing the minimum parcel size to be conveyed to the CITY. Existing COUNTY infrastructure may encroach through or conflict with the subject parcel and if so, ownership, maintenance, repair and replacement of these facilities shall transition to the City's responsibility by separate maintenance agreement upon acceptance of the project.
 - E. CITY shall not be entitled to compensation by COUNTY, or any State or Federal agency providing funding for the activities enumerated in Exhibit 'D', for any ongoing costs related to owning, operating, maintaining, repairing, or replacing this well. CITY and COUNTY expressly agree that CITY's ongoing compensation for such ongoing costs shall be the use of the well for CITY's use within its water system, unrestricted except as noted in "A"

above. No part of this paragraph shall be construed to limit or restrict in any way CITY's ability to seek any grant funding or collect rates and fees from users of CITY's water system.

- F. All recipients of water are subject to CITY water policies, such as, but not limited to, water conservation and watering schedules. Connections made as noted in "B" above may be subject to further water conservation thresholds as required by the STATE.

4. This Agreement represents the entire agreement between CITY and COUNTY as to its subject matter and no prior oral or written understanding shall be of any force or effect. No part of this Agreement may be modified without the written consent of both parties.

5. Except as may be otherwise required by law, any notice to be given shall be written and shall be either personally delivered, sent by facsimile transmission or sent by first class mail, postage prepaid and addressed as follows:

COUNTY: County Administrative Officer/Clerk of the Board
of Supervisors of the County of Tulare

(Fax No.: (559) 715-4013/ Phone No. (559) 782-7466)

Notice delivered personally or sent by facsimile transmission is deemed to be received upon receipt. Notice sent by first class mail shall be deemed received on the fourth day after the date of mailing. Either party may change the above address by giving written notice pursuant to this paragraph.

6. This Agreement reflects the contributions of both parties and accordingly the provisions of Civil Code section 1654 shall not apply to address and interpret any uncertainty.
7. Unless specifically set forth, the parties to this Agreement do not intend to provide any other party with any benefit or enforceable legal or equitable right or remedy.
8. This Agreement shall be interpreted and governed under the laws of the State of California without reference to California conflicts of law principles. This Agreement is entered into and shall be performed in Tulare County, California. CITY waives the removal provisions of California Code of Civil Procedure Section 394.
9. The failure of either party to insist on strict compliance with any provision of this Agreement shall not be considered a waiver of any right to do so, whether for that breach or any subsequent breach. The acceptance by either party or either performance or payment shall not be considered to be a waiver of any preceding breach of the Agreement by the other party.
10. The Recitals and the Exhibits to this Agreement are fully incorporated into and are integral parts of this Agreement.

11. This Agreement is subject to all applicable laws and regulations. If any provision of this Agreement is found by any court of other legal authority, or is agreed by the parties, to be in conflict with any code or regulation governing its subject, the conflicting provision shall be considered null and void. If the effect of nullifying any conflicting provision is such that a material benefit of the Agreement to either party is lost, the Agreement may be terminated at the option of the affected party. In all other cases the remainder of the Agreement shall continue in full force and effect.
12. Each party agrees to execute any additional documents and to perform any further acts which may be reasonably required to affect the purposes of this Agreement.
13. CITY expressly agrees that it will not discriminate in employment or in the provision of services on the basis of any characteristic or condition upon which discrimination is prohibited by state or federal law or regulation.
14. Insurance
15. Permit
16. Dispute Resolution: If a dispute arises out of or relating to this Agreement, or the breach thereof, and if said dispute cannot be settled through negotiation, the parties agree first to try in good faith to settle the dispute by non-binding mediation before resorting to litigation or some other dispute resolution procedure, unless the parties mutually agree otherwise. The mediator shall be mutually selected by the parties, but in case of disagreement, the mediator shall be selected by lot from among two nominations provided by each party. All costs and fees required by the mediator shall be split equally by the parties, otherwise each party shall bear its own costs of mediation. If mediation fails to resolve the dispute within 30 days, either party may pursue litigation to resolve the dispute.
17. Indemnification: CITY shall hold harmless, defend and indemnify COUNTY, its agents, officers and employees from and against any liability, claims, actions, costs, damages or losses of any kind, including death or injury to any person and/or damage to property, including COUNTY property, arising from, or in connection with, the performance by CITY or its agents, officers and employees under this Agreement. This indemnification specifically includes any claims that may be made against COUNTY by any taxing authority asserting that an employer-employee relationship exists by reason of this Agreement, and any claims made against COUNTY alleging civil rights violations by CITY under Government Code sections 12920 et seq. (California Fair Employment and Housing Act), and any fines or penalties imposed on COUNTY for CITY's failure to provide form DE-542, when applicable. This indemnification obligation shall continue beyond the term of this Agreement as to any acts or omissions occurring under this Agreement or any extension of this Agreement.

RESOLUTION NO. 74 -2014

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PORTERVILLE DEFINING OBJECTIVES AND POLICIES FOR ANNEXATIONS AND MUNICIPAL SERVICES

WHEREAS: The City of Porterville established a policy concerning annexation and provision of municipal services in 1986, noting that “the City, in order to grow for reasons of economies of scale and quality of services must expand its boundaries within reason, generally encourages the owners of properties contiguous to the city of Porterville to annex to said City of Porterville”; and

WHEREAS: Since 1990, the population of the city of Porterville has increased 53% according to the California Department of Finance, and the land area of the city proper has increased by 38% according to City annexation records; and

WHEREAS: The City of Porterville accepts its responsibility to provide municipal services to those residents, businesses, and other land uses within the limits of the city. The City of Porterville has taken the position that the costs of all physical improvements within the city have been paid by property owners, and other taxes derived in the city, and, therefore, these same people should not be required to bear the expense of additional physical improvements needed to serve newly annexed areas.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Porterville does hereby define the following objectives related to annexations and municipal services:

1. To promote orderly development while discouraging urban sprawl, preserving open space and prime agricultural lands, and efficiently extending government services.
2. To honor the City’s fundamental responsibility to provide efficient and sustainable public services to the inhabitants of the city, and where appropriate, to provide those services beyond the limits of the city within the Urban Development Boundary, and only in extreme cases to those properties beyond the Urban Development Boundary within the Urban Area Boundary.
3. To provide for land development and growth in a manner consistent with the General Plan, particularly as it relates to land use and circulation.
4. To consider an application upon its own merits, and identify what benefits would accrue to the City as an agency and service provider, to the residents of the city of Porterville, and to the applicant.
5. To identify the problems involved in any proposal considered for annexation or request for extra-territorial services and resolve them in the manner most beneficial to the properties within the city of Porterville.
6. To develop factual information to permit informed discussion between City representatives and property owners/residents of unincorporated territories.

BE IT FURTHER RESOLVED, that the City Council of the City of Porterville does hereby establish the following policies for consideration of annexations and municipal services:

1. It shall be the policy of the City of Porterville to consider annexation proposals only within the Urban Development Boundary, which is defined as the City of Porterville Annexation Boundary, as adopted by Tulare County Local Area Formation Commission (LAFCo).

2. It shall be the policy of the City of Porterville to consider extra-territorial service requests primarily within the Urban Development Boundary, which is defined as the City of Porterville Annexation Boundary, as adopted by Tulare County LAFCo.
3. It shall be the policy of the City of Porterville, only where necessary in order to respond to an existing or impending threat to public health or safety of affected residents, to consider extra-territorial service requests within the Urban Area Boundary, as adopted by City Council and identified on the City of Porterville Zoning Map.
4. It shall be the policy of the City of Porterville to consider annexation proposals and extra-territorial service requests in a manner consistent with the policies and regulations adopted by the Tulare County LAFCo and the State of California, as applicable.
5. It shall be the policy of the City of Porterville to discourage single-family one (1) lot annexation proposals that may have an adverse fiscal impact on the City of Porterville.
6. It shall be the policy of the City Council that territory shall not be annexed to the city of Porterville, which as a result of such annexation, unincorporated territory is completely surrounded, or substantially surrounded by the city of Porterville.
7. It shall be the policy of the City of Porterville that annexation proposals shall be in conformance with the Cortese-Knox-Hertzberg Act of 2000, as amended.
8. It shall be the policy of the City Council to consider each petition/consent for annexation upon its relationship to what economic benefits will accrue to the City of Porterville, and to the area residents/property owners.
9. It shall be the policy of the City Council that the costs of all physical improvements will be borne by the property owners/resident or developer.
10. It shall be the policy of the City of Porterville to maintain the viability of agricultural productivity; i.e. protecting and conserving as much agricultural land as possible in the area surrounding the Porterville community.
11. It shall be the policy of the City of Porterville that the applicant for annexation present proposals to the Project Review Committee and explain the particulars of the area under consideration for possible annexation, including a plan for services.
12. It shall be the policy of the City of Porterville to consider any requests for annexation or extra-territorial services in a manner consistent with the procedures adopted by resolution of the City Council.

RESOLUTION 19-2016

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PORTERVILLE
ESTABLISHING PROCEDURES FOR ANNEXATIONS AND EXTENSION OF
MUNICIPAL SERVICES

WHEREAS: On October 21, 2014, the City Council of the City of Porterville adopted two resolutions that defined objectives and policies, and established procedures for annexations and municipal services, respectively; and

WHEREAS: The on-going, severe drought of the past few years has created a situation where hundreds of parcels in the East Porterville area are experiencing dry wells, or wells of substandard water quality. State and regional agencies have come together with the City to identify and develop a long-term solution to this crisis, which will involve a significant infrastructure project to allow extension of municipal water services to the area. Not all parcels within the subject area meet the mandatory findings for extra-territorial service agreements as identified in the City's current procedures.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Porterville does hereby amend existing procedures to submit application for municipal services, and to have said application(s) processed as outlined in Exhibit "A", attached. The exemption identified for the East Porterville Feasibility Study Project Area will apply to the area represented in Exhibit "B".

PASSED, APPROVED AND ADOPTED this 19th day of April, 2016.

ATTEST:

BY 
Luisa Zavala, Deputy City Clerk

All properties requesting annexation or extraterritorial services are subject to the procedures established below unless otherwise stated. Compliance with City of Porterville procedures does not guarantee approval by LAFCo of annexations or extra-territorial service agreements. Upon request for an annexation or extraterritorial services request, staff will evaluate whether the applicant's property is within the City's Urban Development Boundary or Urban Area Boundary and explain the process.

ANNEXATION APPLICATION PROCEDURE

1. A complete annexation application packet includes: fees, an Irrevocable Agreement to Annex, information as needed to define a deed restriction specific to land use and zoning, Application for Annexation, and other materials as required with those applications respectively.
2. On receipt of an application as outlined above, all materials will be considered by the Project Review Committee, who will coordinate in a pre-consultation process with LAFCO staff and the County Public Works Department for review and recommendation.
3. During review by the Project Review Committee of the necessary application and data, staff will prepare a report and findings on all aspects of the proposed action(s).
4. An environmental document will be prepared pursuant to the California Environmental Quality Act (CEQA), reviewing the potential environmental effect of the proposed activities. The Zoning Administrator will make an initial determination of the level of environmental review required.
5. After proper noticing, a public hearing will be held for the City Council to hear comments related to the project at a regularly scheduled meeting. The Council will authorize staff to initiate the application with LAFCo. Documents will be filed in accordance with the Cortese-Knox-Hertzberg Act of 2000, as amended, and submitted to the Local Agency Formation Commission for its review, recommendation and action.
6. On consummation by the City Council, the City Clerk shall submit the necessary materials to the State Board of Equalization with the appropriate acreage fees, which are paid by the Applicant.
7. In the event the annexation fails, either by dissenting votes of the City Council or at hearing at LAFCo, the City Council may approve an extraterritorial service agreement within the Urban Development Boundary, subject to conditions identified in the deed restriction.

ANNEXATION EXEMPTION PROCEDURE

Where a certain property meets all of the following criteria, they may proceed with an Extraterritorial Service Agreement for water or storm-water drainage without first attempting annexation, subject to the conditions of Extraterritorial Service Agreements as defined below.

1. Previously developed single family residences on parcels 24,999 square feet or smaller, OR a school developed by a State funded school district.
2. The parcel requesting services must be immediately adjacent to a municipal main providing the requested service, or the property owner shall provide for the extension of the main line to City standards at their expense.

EXTRATERRITORIAL SERVICES APPLICATION PROCEDURE

Extraterritorial Service connections may be made subject to the following conditions. Note specific parameters and the required findings for connections in the Urban Development Boundary and the Urban Area Boundary.

1. Application: A complete extraterritorial services application packet includes: fees, an Irrevocable Agreement to Annex, information as needed to define a deed restriction specific to land use and zoning, and other materials as required with those applications respectively.
2. General Plan Consistency:
 - a. Proposed Uses and Improvements: Service connections are to be withheld from proposed uses and improvements that would not be consistent with the adopted Land Use Element of the Porterville Area General Plan and the City of Porterville General Plan.
 - b. Existing Uses and Improvements: Service connections to existing uses and improvements which are not consistent with the adopted Land Use Element of the Porterville Area General Plan and the City of Porterville General Plan shall be considered at the discretion of the City Council, and may be subject to other restrictions.
3. Agreements and covenants:
 - a. A deed restriction specific to land use and zoning must be approved by the property owner and the City Council, and recorded with the County of Tulare upon the property, at the applicant's cost.
 - b. An irrevocable agreement to annex must be signed by the property owner and recorded with the County of Tulare upon the property, at the applicant's cost.
4. Time limitations: The City Manager or his designee, or the City Council may condition the approval of applications for service connections by establishing a time frame within which connections must be made to avoid re-application.
5. Improvement Plans: Applications for service connections, which necessitate the extension of one or more municipal facilities to property in order to make such connections, shall be conditioned by the City Manager or his designee, or the City Council to require that Construction Drawings of the intended public improvements be submitted to the City Engineer for plan check and approval. Costs incurred for the preparation of improvement plans, and certain off-site construction and/or installation costs related to extending facilities, shall be the responsibility of the applicant.
6. Fees: Prior to the issuance of a Connection Permit, payment must be made to the City of Porterville of all fees pertinent to the respective service connection, or connections, approved by the City Manager or his designee, or the City Council.

Within the Urban Development Boundary:

For connection of water or storm-water facilities, the requesting party must fully fund the extension of infrastructure if it does not already exist in order to connect. The City of Porterville Wastewater Facility is a regional facility and as such, an extraterritorial service request cannot be denied; however, the requesting party must fund a fair share of the extension of infrastructure if it does not already exist in order to connect. Contract services for police, fire, or building inspection services shall be approved by resolution of the City Council.

For connection of water or storm-water facilities, the following findings must be made in order for the Council approve an extraterritorial service connection:

- That the subject property is a previously developed single family residence on a parcel 24,999 square feet or smaller, OR a school developed by a State funded school district.
- That failure to connect to municipal services would result in a threat to public health or safety of affected residents.
- That connection of the subject property would not result in a negative impact to the City of Porterville water and/or storm-water system.
- That the subject property is not within an island as defined by Tulare LAFCo.
- That an attempt to annex the subject site is not realistic given current city limit boundaries. Specifically, the parcel is too far removed from the city limit, and/or the number and valuation of adjacent parcels would result in a failed annexation effort.

Within the Urban Area Boundary:

For connection of water or storm-water facilities, the requesting party must fully fund the extension of infrastructure if it does not already exist in order to connect. The City of Porterville Wastewater Facility is a regional facility and as such, an extraterritorial service request cannot be denied; however, the requesting party must fund a fair share of the extension of infrastructure if it does not already exist in order to connect. Contract services for police, fire, or building inspection services shall be approved by resolution of the City Council.

For connection of water or storm-water facilities, the following findings must be made in order for the Council approve an extraterritorial service connection:

- That the subject property is a previously developed single family residence on a parcel 24,999 square feet or smaller, OR a school developed by a State funded school district.
- That failure to connect to municipal services would result in a threat to public health or safety of affected residents.
- That connection of the subject property would not result in a negative impact to the City of Porterville water and/or storm-water system.

EXEMPTIONS AND EXCEPTIONS

1. PVPUD: Connections to Porterville Regional Sewage Treatment Facilities serving uses and improvements to property within the boundaries and jurisdiction of the Porter Vista Public Utility District (PVPUD) are exempted from application to the City of Porterville. Interested parties should contact the PVPUD for information on connection requirements and fees pertaining

to sewer services. This exemption does not apply to requests for connection to Municipal Water and/or Master Storm Drain Facilities.

2. PRIOR APPROVALS: Porterville City Council approval of requests for connection to Regional Sewage Treatment, Municipal Water and/or Master Storm Drain Facilities as authorized prior to the adoption and effective date of the respective policies set forth herein shall remain valid and in force according to the terms and conditions initially specified at the time of approval, and re-application will not be required.

3. PROPERTIES WITHIN THE EAST PORTERVILLE FEASIBILITY STUDY PROJECT AREA: The California State Water Resources Control Board, in coordination with the Department of Water Resources Drought Task Force, is charged with preparing a feasibility study to define a long-term solution to the water related issues in East Porterville. Properties within that boundary would be permitted to apply for connection, whether in association with DWR, SWRCB, or at a later date, on their own. Such connections would be subject to the mandatory findings as outlined in this procedure, with the following exceptions:

- Rather than require that the subject property be a developed single-family residence on a parcel 24,999 square feet or smaller, neither the land use nor the parcel size would be restricted neither the land use nor the parcel size would be restricted for legal and legal non-conforming structures and land uses existing as of April 29, 2016.
- Further, properties within certain islands in the EPFS Project Area would not be required to annex prior to connection. This exception does not limit the City of Porterville's authority to pursue annexation in the future, but rather waives the requirement that annexation must be approved prior to connection.

Porterville MOU
Draft 2
June 15, 2016
PortervilleEmergencyMOU061516

Memorandum of Understanding (MOU)

Regarding the Provisions of Emergency Water Supplies to East Porterville

by the California Department of Water Resources (DWR), California Office of Emergency

Service (OES), the State Water Resources Control Board (SWRCB),

the County of Tulare (County), and City of Porterville (Porterville),

which are collectively known as the “Parties”

Recitals

Whereas, some residents living in an unincorporated area of Tulare County, commonly known as “East Porterville,” have experienced loss of adequate water supply to their homes and properties as a result of severe drought conditions, which has caused significant hardship for the residents;

Whereas, Governor Edmund G. Brown Junior has directed all State agencies to assist these residents who are in need of water supplies with emergency and long-term assistance;

Whereas, Governor Edmund G. Brown Junior signed Assembly Bill 685 in 2012, adding Water Code section 106.3, which recognizes that every human being has the right to safe, clean, affordable, and accessible water adequate for human consumption, cooking, and sanitary purposes, and which requires all relevant state agencies to consider this right when revising, adopting, or establishing pertinent policies, regulations, and grant criteria;

Whereas, the Parties have provided emergency water supplies to some residents of East Porterville that are without an adequate household water supply;

Whereas, the Parties to this MOU seek an emergency and long-term solution to the lack of adequate household water supply by developing and providing continuous water supplies to these residents;

Whereas, East Porterville is located east and adjacent to Porterville, which has an existing municipal water system that serves residents within the incorporated area of Porterville;

Whereas, some of the residents of East Porterville without an adequate household water supply could be connected to Porterville's municipal water system provided certain arrangements and projects are carried out by the Parties;

Whereas, Vandalia is a neighborhood located within Porterville, and some Vandalia residents lack adequate household water supply and these households could be connected to Porterville's municipal water system;

Whereas, the Parties have met and have discussed alternative plans and projects that would provide an emergency water supply from Porterville to some residents of East Porterville and Vandalia in an expeditious manner;

Whereas, to advance these projects, DWR has provided funding, as reflected in the agreement between DWR and Tulare attached as Exhibit 1, for a municipal well designated as "Well C1" located in Tulare County that ultimately could be used to supply water to these residents of East Porterville;

Whereas, the SWRCB has also provided funding for Well C1, as reflected in the agreement between the SWRCB and the County attached as Exhibit 2;

Whereas, the County and Porterville intend to execute an agreement, a draft of which is attached as Exhibit 3, that will connect Well C1 to Porterville's municipal water system and that will provide for an adequate household water supply for some residents of East Porterville; and

Whereas, the Parties have reached an understanding on how best to implement the project alternative that will provide an adequate household water supply to some residents of East Porterville and Vandalia, and alleviate the hardships in an expeditious, cost-effective manner.

Understanding

A. Description of Emergency Project and Long-Term Plan

1. The purpose of this MOU is to set forth in writing the intentions of the Parties of how best to move forward with plans to complete an emergency water supply project (Project) to some residents in the East Porterville and Vandalia areas, which are represented in Exhibit 4. (Map showing East Porterville and Porterville). The goal of the Project is to provide an adequate household water supply to some of the residents and properties in these areas that do not have one presently, and to end the need of the Parties to provide temporary water supplies to those residents through tanks and bottles.

2. The Parties intend to develop the Project in two phases. Phase 1 will make municipal water connections to the properties in East Porterville that have dry wells and are adjacent to Porterville's existing municipal water distribution system. It is estimated that this phase will serve 40 properties with dry wells that are currently receiving temporary household water supplies.

3. The Parties intend that Phase 2 of the Project will provide municipal water supply to approximately 500 properties in East Porterville and in Vandalia that have dry wells or otherwise lack an adequate source of water and have not been connected by Phase 1. In order to complete Phase 2, the residents of these properties will likewise need to connect to Porterville's municipal water system.

4. As soon as possible, Porterville and DWR will undertake Phase 1 of the Project and connect the properties in East Porterville that are adjacent to Porterville's existing municipal water distribution system. These connections will be accomplished as described in Water Installation Diagram attached as Exhibit 5 and based on the cost estimate, which is attached as Exhibit 6. In order to make these connections, a property owner desiring to receive public water supply will need to execute the Extraterritorial Service Agreement, a sample of which is attached as Exhibit 7, and the SWRCB's Water Connection Agreement, a sample of which is attached as Exhibit 8. Necessary signatures and agreements with property owners will be sought through SWRCB's outreach carried out with the assistance of all Parties to this MOU.

5. The Parties intend that Well C1 will be used to provide the emergency water supply in Phase 2 to about 500 properties without adequate household water supplies. The Parties presently understand that there are about 423 properties in East Porterville and approximately 80 properties in Vandalia where connections may be needed to provide emergency water supplies.

6. The Parties have created a Technical Workgroup consisting of engineers and planners, which work cooperatively on the technical issues described in this MOU. Based on recommendations of the Technical Workgroup, the Parties intend to provide the emergency water supply contemplated by this MOU.

7. The Parties intend to develop a Long-Term Water System Plan (Long-Term Plan) for the East Porterville area, which will serve other residents in the area besides those served by the Project. The Parties intend that the Project will be designed consistent with the Long-Term Plan to ensure that all water facilities constructed as part of the Project will be incorporated into the facilities ultimately developed through the Long-Term Plan. The first work product produced by the Technical Workgroup will be a Feasibility Study for the Long-Term Plan. The outline of the Feasibility Study is attached as Exhibit 9.

8. The Parties intend to use best efforts to complete both phases of the Project by December 31, 2016. The completion date of the Long-Term Plan is dependent on the completion of the Feasibility Study carried out by Technical Workgroup and on Porterville and/or the County applying for and securing sufficient funding from the SWRCB or from other sources. The Parties desire to complete the Long-Term Plan as expeditiously as possible.

B. Project Contributions of the Parties

9. Working in cooperation with the other Parties and the Technical Workgroup, DWR will prepare all environmental compliance for the Project, and design and construct the Project, both Phases 1 and 2. DWR will provide funding for Phases 1 and 2 of the Project through Emergency Drought Funding. DWR intends to serve as California Environmental Quality Act (CEQA) lead agency for the Long-Term Plan and will prepare any necessary CEQA documentation and any other necessary environmental review documents, unless the Feasibility Study recommends another lead agency.

10. SWRCB will provide the community outreach to assist in obtaining necessary property owner acceptance before proceeding with Project. SWRCB will also work with Porterville and/or County to secure funding of the Long-Term Plan. SWRCB will provide certain reviews and approvals for the permitting of the Project and the Long-Term Plan.

11. OES will coordinate all of the State's efforts under the Governor's Drought Task Force in the Project area and will be provided at no cost by Porterville up to 3,000,000 gallons of emergency water per month as needed as a result of this MOU and the agreement that Porterville and the County are in the process of considering for execution, a draft of which is attached as Exhibit 3, with regard to the Well C1.

12. Porterville will provide the needed water service to the residents of East Porterville without an adequate household water supply after they are connected to Porterville's municipal water system as described in the Project. The water service will be accomplished per the Extraterritorial Service Agreement, which requires that property owners served pay the monthly water bill. DWR is funding the residents' connection to the Project, and as a result, some of the normal connection fees will be waived provided that connection is made during Phase 1 or Phase 2. Porterville will install the water meters for each connection, which will be paid for by DWR.

13. The County intends to execute an agreement with Porterville that is consistent with this MOU and Exhibit 3, which will allow Well C1 to serve as a water supply for the Project. The County will inspect the work of the Project and the property connections at no cost to the residents.

14. The Parties to the MOU will cause the removal of all temporary water tanks from the properties upon completion of the Project and the appurtenances necessary for the receipt of municipal water service. The work for removing the water tanks will be carried out by the County under an agreement between the County and OES.

C. General Provisions

15. The Parties intend to use their best efforts to carry out this MOU. This MOU is not a binding agreement, and is not intended to create contractual rights and remedies among the Parties. However, the Parties have entered into and intend to enter into certain binding agreements in the future necessary to develop and complete the Project and the Long-Term Plan.

16. This MOU will become effective upon the signature of the all Parties. The MOU will terminate on December 31, 2016, unless extended by all of the Parties in writing.

To the East Porterville Water Supply Project

Memorandum of Understanding (MOU)

Regarding the Provisions of Emergency Water Supplies to East Porterville
by the California Department of Water Resources (DWR), California Office of
Emergency Service (OES), the State Water Resources Control Board (SWRCB),
the County of Tulare (County), and City of Porterville (Porterville),
which are collectively known as the "Parties"

This Amendment No.1 to the MOU is made this 7th day of November, 2016. As described below, this Amendment No.1 recognizes the MOU is still in effect, modifies certain sections of this MOU, and adds new sections to the MOU.

Recitals

Whereas, some residents living in an unincorporated area of Tulare County, commonly known as "East Porterville," have experienced loss of adequate water supply to their homes and properties as a result of severe drought conditions, which has caused significant hardship for the residents;

Whereas, Governor Edmund G. Brown Junior has directed all State agencies to assist these residents who are in need of water supplies with emergency and long-term assistance;

Whereas, the Parties to this MOU seek an emergency and long-term solution to the lack of adequate household water supply by developing and providing continuous water supplies to these residents;

Whereas, to advance these projects, DWR and the SWRCB have provided funding, as reflected in Exhibits 1 and 2, for a municipal well designated as "Well C1" located in Tulare County that ultimately could be used to supply water to these residents of East Porterville;

Whereas, the Parties have reached an understanding on how best to implement the project alternative that will provide an adequate household water supply to some residents of East Porterville and Vandalia, and alleviate the hardships in an expeditious, cost-effective manner:

Whereas, the purpose of this amendment is to clarify some sections of the MOU and to add several new sections.

NOW THEREFORE, IT IS MUTUALLY AGREED that the following changes are hereby made to the MOU:

1. Section A (2) is amended to read as follows:

The Parties intend to develop the Project in two phases. Phase 1 will make municipal water connections to the properties in East Porterville and Vandalia that have dry wells and/or water tanks. It is estimated that this phase will serve approximately 300 properties.

2. Section A (3) is amended to read as follows:

The Parties intend that Phase 2 of the Project will provide municipal water supply to approximately 800 properties in East Porterville by connecting them to the City of Porterville's water system. The total number of homes eligible for this Project is approximately 1,100.

3. Section A (5) is amended to read as follows:

The Parties intend that Well C1 will be used to provide the initial water supply. The Parties acknowledge the delay in Well C1 completion. To mitigate the effects of this on the residents of East Porterville, the City of Porterville will allow connections of homes as they become prepared for connection. These early connections will be beyond the initial 70 connections (previously 40 connections) agreed to, given the availability of capacity during the winter months. However, these additional connections to the City's water system will cease on March 1, 2017, if Well C1's connection to the City's water system is not completed by then.

4. Sections A (7) b-f shall be added and made part of this MOU:

7 (a). The Parties intend to develop a Long-Term Water System Plan (Long-Term Plan) for the East Porterville area, which will serve other residents in the area besides those served by the Project. The Parties intend that the Project will be designed consistent with the Long-Term Plan to ensure that all water facilities constructed as part of the Project will be incorporated into the facilities ultimately developed through the Long-Term Plan. The first work product produced by the Technical Workgroup will be a Feasibility Study for the Long-Term Plan. The outline of the Feasibility Study is attached as Exhibit 9.

(b). The East Porterville Water Supply Project Hydraulic Analysis Report ("Hydraulic Analysis Report," which is attached as Exhibit 10) determined that the water supply capacity required to serve all eligible residents of East Porterville is 1,435 gallons per minute (gpm). This capacity shall be based on the sustainable yield of the wells which is defined as 75 percent of the initial design capacity. Since Well C1 has a sustainable yield of 600 gpm, the Parties agree that the State will fund the construction and equipping of additional wells to provide the 835 gpm shortfall.

(c). Based on the Hydraulic Analysis, a 700,000 gallon water storage tank is required to serve the residents of East Porterville. However, based on Porterville's master plan recommendations, a 1.2 million-gallon storage tank is required for the City's buildout. The Parties therefore intend to construct a 1.2 million-gallon storage tank with cost sharing between the State and the City. The State will fund the cost of a 700,000 gallon tank required for the Project and the City of Porterville will fund the cost of the additional 500,000 gallons of storage required for the City's future use as contained in its master plan. The cost-sharing shall be proportional to the tank capacity being funded.

(d). The Parties intend to upgrade the existing Henderson-Plano Booster Pump Station and the Granite Hills Intertie which would facilitate water supply to the East Pressure Zone which serves East Porterville. The State will fund the construction of one booster pump rated at 2,100

gpm along with a variable frequency drive and the Granite Hills Intertie. The City will fund the replacement of its two existing pumps along with associated variable frequency drives as part of Phase 2 of the Project. These two pumps are more than 30-years old and their replacement will enable the City's water system to operate more efficiently and in a cost-saving manner.

(e). The Parties further agree that a booster pump station of capacity 1,670 gpm is required to convey water from the West Pressure Zone, where the new wells will be located, to the Central Pressure Zone for onward conveyance to East Porterville. The State will fund the construction of this booster pump station.

(f). Given that Well C1 has an estimated sustainable yield of 600 gpm, as well as a unit demand of 0.833 gpm per home connection based on the Hydraulic Analysis , Well C1 could effectively serve up to 720 households . The Parties agree that home connections for Phase 2 of the Project can begin as soon as Well C1 is connected to the City's water system, and the Henderson-Plano Booster Pump Station upgrade and the Granite Hills Intertie are completed. These home connections shall cease when the capacity of Well C1 is exceeded. Thereafter, additional home connections will be made after the construction of additional wells or if City staff determines that the water system can support additional home connections.

5. Section (C) 16 is amended to read as follows:

16. This MOU will become effective upon the signature of the all Parties. The MOU will terminate on June 30, 2018, unless extended by all Parties in writing.

6. The list of the Exhibits at the end of MOU is amended to read as follows:

1. DWR and Tulare County Executed Well C1 Agreement
2. SWRCB and County Executed Well C1 Agreement (Water Board Grant #D-15-11-902)
3. County and Porterville Draft Well Agreement
4. Map of East Porterville
5. Household Water Service Installation Diagram
6. Household Water Service Cost Estimate
7. Sample Extraterritorial Service Agreement
8. Sample SWRCB Water Connection Agreement
9. Draft Feasibility Study for the Long-Term Plan
10. East Porterville Water Supply Project Hydraulic Analysis Report

RECEIVED

DEC 04

CITY OF PORTERVILLE
CITY MANAGER

Dear Mayor Stowe:

The Department of Water Resources and the State Water Resources Control Board are requesting an increase to the number of household connections from 720 to 800 to the City of Porterville (City) water system, prior to the completion of the East Porterville Emergency Water Supply Project – Phase 2 (Project). The construction of all facilities is estimated to be completed by June 2019.

According to Section A(7)(f) of Amendment No. 1 to the Project's Memorandum of Understanding (MOU), the estimated sustainable yield of Well C1 is 600 gallons per minute (gpm) and therefore will serve up to 720 households. Our current projections show that approximately 800 households will need to be connected by the end of 2017.

Our current plans are to drill two additional wells which would add more than 835 gpm of sustainable yield to the City's water supply, pending land acquisition by the City. Further, our calculations indicate that Well C1 is currently capable of producing 800 gpm in the interim, which can support a total of 960 households in the short term. It is our hope that the City will complete acquisition of the properties needed to drill the two additional wells in a timely manner to ensure that the City's water supply does not become stressed.

We look forward to hearing favorably from you and thank you for your continued support in providing safe drinking water to the residents of East Porterville.

Sincerely,

James Maughan, Assistant Deputy Director

Approval of Funding from Local Assistance Funds to the City of Porterville for the
County Areas Water Supply Project

Dear Mr. Reed:

Your request for funds to accomplish the city of Porterville's scope of work to connect drought-impacted households in seven Tulare County areas bounded by the city has been approved. The approved funding is not to exceed the amount of \$2,812,946.00. The term of the funding is from January 18, 2018, to December 31, 2019.

The purpose of this funding is for the city of Porterville to effectuate the connection of the drought-impacted homes in seven county areas to the city's water distribution system. The project comprises water main extensions, home connections, and well destructions. These homes have been identified as having private residential wells, and the homeowners have voluntarily elected to join the project. As part of their election to participate in the project, the homeowners have consented to having their groundwater wells destroyed.

A grant agreement is being developed and will be sent to you for approval. You are allowed to start incurring costs from January 18, 2018. No reimbursement will be issued until the contract agreement is executed.

If you have any questions or need additional information regarding the agreement, please contact Steve Doe by email at Steve.Doe@water.ca.gov or by phone at (559) 230-3348.

Sincerely,

EXECUTIVE ORDER B-40-17

WHEREAS California has endured a severe multi-year drought that has threatened the water supplies of communities and residents, devastated agricultural production in many areas, and harmed fish, animals and their environmental habitats; and

WHEREAS Californians responded to the drought by conserving water at unprecedented levels, reducing water use in communities by more than 22% between June 2015 and January 2017; and

WHEREAS the State Water Resources Control Board, the Department of Water Resources, the Department of Fish and Wildlife, the Office of Emergency Services, and many other state agencies worked cooperatively to manage and mitigate the effects of the drought on our communities, businesses, and the environment; and

WHEREAS the State provided 66,344,584 gallons of water to fill water tanks for communities suffering through drought-related water shortages, outages, or contamination, and provided emergency assistance to drill wells and connect communities to more robust water systems; and

WHEREAS the State took a number of important actions to preserve and protect fish and wildlife resources, including stream and species population monitoring, fish rescues and relocations, infrastructure improvements at trout and salmon hatcheries, and infrastructure to provide critical habitat for waterfowl and terrestrial animals; and

WHEREAS the State established a Statewide Water Efficiency and Enhancement Program for agricultural operations that provides financial assistance for the implementation of irrigation systems that save water; and

WHEREAS water content in California's mountain snowpack is 164 percent of the season average; and

WHEREAS Lake Oroville, the State Water Project's principal reservoir, is 101 percent of average, Lake Shasta, the federal Central Valley Project's largest reservoir, is at 110 percent of average, and the great majority of California's other major reservoirs are above normal storage levels; and

WHEREAS despite winter precipitation, the effects of the drought persist in areas of the Central Valley, including groundwater depletion and subsidence; and

WHEREAS our changing climate requires California to continue to adopt and adhere to permanent changes to use water more wisely and to prepare for more frequent and persistent periods of limited water supply; and

WHEREAS increasing long-term water conservation among Californians, improving water use efficiency within the State's communities and agricultural production, and strengthening local and regional drought planning are critical to California's resilience to drought and climate change.

NOW, THEREFORE, I, EDMUND G. BROWN JR., Governor of the State of California, in accordance with the authority vested in me by the Constitution and statutes of the State of California, do hereby **TERMINATE THE JANUARY 17, 2014 DROUGHT STATE OF EMERGENCY** for all counties in California except the Counties of Fresno, Kings, Tulare, and Tuolumne.

I FURTHER ORDER THAT:

1. The orders and provisions contained in my April 25, 2014 Emergency Proclamation, as well as Executive Orders B-26-14, B-28-14, B-29-15, and B-36-15 are rescinded.
2. The orders and provisions contained in Executive Order B-37-16, **Making Water Conservation a California Way of Life**, remain in full force and effect except as modified by this Executive Order.
3. As required by the State Emergency Plan and Government Code section 8607(f), the Office of Emergency Services, in coordination with other state agencies, shall produce an after-action report detailing the State's response to the drought and any lessons learned in carrying out that response.

MAINTAINING CONSERVATION AS A WAY OF LIFE

4. The State Water Resources Control Board (Water Board) shall continue development of permanent prohibitions on wasteful water use and requirements for reporting water use by urban water agencies, and to provide a bridge to those permanent requirements, shall maintain the existing emergency regulations until they expire as provided by the Water Code. Permanent restrictions shall prohibit wasteful practices such as:
 - Hosing off sidewalks, driveways and other hardscapes;
 - Washing automobiles with hoses not equipped with a shut-off nozzle;
 - Using non-recirculated water in a fountain or other decorative water feature;
 - Watering lawns in a manner that causes runoff, or within 48 hours after measurable precipitation; and
 - Irrigating ornamental turf on public street medians.
5. The Water Board shall rescind those portions of its existing emergency regulations that require a water supply stress test or mandatory conservation standard for urban water agencies.

6. The Department of Water Resources (Department) shall continue work with the Water Board to develop standards that urban water suppliers will use to set new urban water use efficiency targets as directed by Executive Order B-37-16. Upon enactment of legislation, the Water Board shall adopt urban water use efficiency standards that include indoor use, outdoor use, and leaks as well as performance measures for commercial, industrial, and institutional water use. The Department shall provide technical assistance and urban landscape area data to urban water suppliers for determining efficient outdoor use.
7. The Water Board and the Department shall continue to direct actions to minimize water system leaks that waste large amounts of water. The Water Board, after funding projects to address health and safety, shall use loans from the Drinking Water State Revolving Fund to prioritize local projects that reduce leaks and other water system losses.
8. The Water Board and the Department shall continue to take actions to direct urban and agricultural water suppliers to accelerate their data collection, improve water system management, and prioritize capital projects to reduce water waste. The California Public Utilities Commission is requested to work with investor-owned water utilities to accelerate work to minimize leaks.
9. The Water Board is further directed to work with state agencies and water suppliers to identify mechanisms that would encourage and facilitate the adoption of rate structures and other pricing mechanisms that promote water conservation.
10. All state agencies shall continue response activities that may be needed to manage the lingering drought impacts to people and wildlife. State agencies shall increase efforts at building drought resiliency for the future, including evaluating lessons learned from this current drought, completing efforts to modernize our infrastructure for drought and water supply reliability, and shall take actions to improve monitoring of native fish and wildlife populations using innovative science and technology.

CONTINUED DROUGHT RESPONSE IN FRESNO, KINGS, TULARE, AND TUOLUMNE COUNTIES

11. The Water Board will continue to prioritize new and amended safe drinking water permits that enhance water supply and reliability for community water systems facing water shortages or that expand service connections to include existing residences facing water shortages.
12. The Department and the Water Board will accelerate funding for local water supply enhancement projects and will continue to explore if any existing unspent funds can be repurposed to enable near-term water conservation projects.
13. The Water Board will continue to work with local agencies to identify communities that may run out of drinking water, and will provide technical and financial assistance to help these communities address drinking water

shortages. It will also identify emergency interconnections that exist among the State's public water systems that can help these threatened communities. The Department, the Water Board, the Office of Emergency Services, and the Office of Planning and Research will work with local agencies in implementing solutions to those water shortages.

14. For actions taken in the Counties of Fresno, Kings, Tulare, and Tuolumne pursuant to directives 11–13, the provisions of the Government Code and the Public Contract Code applicable to state contracts, including, but not limited to, advertising and competitive bidding requirements, as well as Division 13 (commencing with section 21000) of the Public Resources Code and regulations adopted pursuant to that Division, are hereby suspended. These suspensions apply to any actions taken by state agencies, and for actions taken by local agencies where the state agency with primary responsibility for implementing the directive concurs that local action is required, as well as for any necessary permits or approvals required to complete these actions.
15. California Disaster Assistance Act Funding is authorized until June 30, 2017 to provide emergency water to individuals and households who are currently enrolled in the emergency water tank program.
16. State departments shall commence all drought remediation projects in Fresno, Kings, Tulare, and Tuolumne Counties within one year of the date of this Executive Order.

This Executive Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

I FURTHER DIRECT that as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 7th day of April 2017.

ATTEST:

ALEX PADILLA
Secretary of State

**AGREEMENT BETWEEN THE COUNTY OF TULARE AND THE CITY OF
PORTERVILLE FOR THE TRANSFER OF A MUNICIPAL WELL AND WATER
CONVEYANCE FACILITIES AND APPURTENANCES AND THE OPERATIONS AND
MAINTENANCE THEROF**

THIS AGREEMENT (this “Agreement”), is entered into as of _____, 2020 by and between the COUNTY OF TULARE (“County”), and the CITY OF PORTERVILLE (“City”), with reference to the following:

WHEREAS,

A. Properties in the East Porterville area, also known as Doyle Colony, within the County's jurisdiction and within the City's Urban Development Boundary were experiencing serious water shortages due to the historical drought conditions occurring throughout California between 2011 and 2019; and

B. County, City, and other state and federal agencies undertook a project (the “Project”) to design and construct a municipal well (the “Well”), water distribution pipes, service connections, and other appurtenances as required (collectively the “Facilities”) to *inter alia* provide water to East Porterville; and

C. As part of the Project, County constructed some of the Facilities, including the Well, on a parcel known as APN 240-120-017¹ located at the southeast corner of the Tule River and Olive Avenue (Avenue 152) (the “Parcel”), represented in Exhibit 'C'; and

D. The Facilities were connected to the City’s water system, which in turn provides water to the residents of East Porterville and the City has begun to operate and maintain the Facilities; and

E. Now that the Project is complete, the County and the City both find it to be in the public interest that the City own the Parcel and the Facilities and the County transfer ownership thereof to the City; and

F. As part of the Project, City and County entered into an agreement (Tulare County Agreement No. 27596), which included certain conditions under which the City would provide water to the East Porterville area; and

G. County and City agreed as part of Tulare County Agreement No. 27596 that the County would transfer the Parcel including any existing infrastructure located thereon to City by Grant Deed at a cost of \$1 upon formal acceptance of the Project; and

¹ APN as of February 13, 2020.

H. County entered into several agreements (collectively the “Funding Agreements”) with the United States Department of Agriculture, Rural Development (“USDA”), attached hereto as Attachment A1, the California State Water Resources Control Board (“State Water Board”), attached hereto as Attachment A2, and the California Department of Water Resources (“DWR”), attached hereto as Attachment A3, (collectively the “Funding Agencies”) to receive grant funding (the “Grant Funds”) for the Project; and

I. The several agreements, as amended, between the County and the Funding Agencies include various stipulations and requirements related to the use of the Grant Funding, including *inter alia* that which affects the use and alienation of the Parcel and the Facilities; and

J. Under Tulare County Agreement No. 27596, the Facilities are to be solely owned, operated, and maintained by the City for the purpose of providing long-term capacity to enable permanent water connections to properties that comply with City’s Annexation and Extension of Municipal Services policy, with certain exceptions for specific properties in excess of the maximum lot size, as defined by City Resolutions 74-2014 and 19-2016; and

K. Government Code Section 25365(a) allows, *inter alia*, a county to grant any real property of the county to any city within the county upon the terms and conditions as are agreed upon and without complying with any other provisions of the Government Code, if the property or interest therein to be granted and conveyed or quitclaimed is not required for county use; and

L. County does not require the Facilities or the portion of the Parcel for County use after the completion of the Project and in accordance with the terms and conditions of this Agreement.

ACCORDINGLY, IT IS AGREED:

1. PRIOR AGREEMENT. The terms of Tulare County Agreement No. 27596 between the County and the City shall remain in full force and effect unless specifically modified by this Agreement. This Agreement is intended to effect the conveyance of the Facilities, the Parcel, and any other property or appurtenances as contemplated generally by Tulare County Agreement No. 27596 or specifically by Provision 3.D of Tulare County Agreement No. 27596.

2. TERM. This Agreement shall become effective as of the date this Agreement is fully executed by both the County and the City. This Agreement shall remain in effect for the useful life of the Facilities unless otherwise provided. For the purpose of this Agreement, “useful life” means the period during which an asset, property, or activity is expected to be usable for the purpose it was acquired or implemented. The “useful life” of any constructed portions of this

Project begins upon completion of construction and continues for at minimum fifty (50) years thereafter for pipelines and structures and twenty (20) years for all else.

3. GRANT OF REAL PROPERTY. After the completion of the Project, County shall grant for the cost of \$1 to City legal title to the Parcel excepting the North 80 feet thereof and the Facilities (together the “Real Property”) by grant deed, which shall be substantially similar to the draft attached hereto as Attachment B. The North 80 feet of the Parcel are being retained by the County to allow for the future widening of Olive Avenue (Avenue 152) and/or the nearby Avenue 152 Bridge over Tule River.

4. ACCEPTANCE OF REAL PROPERTY. City agrees and consents to accept the grant deed from County as discussed in Paragraph 3 of this Agreement. City hereby authorizes the City’s Mayor to execute a certificate of acceptance in compliance with Government Code Sec. 27281. City further agrees to record the signed deed with the certificate of acceptance attached at the Office of the Tulare County Clerk-Recorder within sixty (60) days of receipt. If City has not recorded the deed within sixty (60) days of their receipt, City thereby authorizes County to record the deed on City’s behalf. County then shall provide City a copy of the deed with the recording information within two weeks of recording the deed.

5. EQUIPMENT. City shall use all equipment transferred to City under this Agreement for the remaining design life of each item of equipment. When no longer needed for the original Project, City shall alert the Funding Agencies and seek instructions regarding other uses and disposition options for the well and water system equipment. For this provision, equipment means tangible, non-expendable, personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit and acquired in whole or in part with funds under the Funding Agreements. For the purpose of this Agreement, “design life” means the period during which an asset, property, or activity is expected to be usable for the purpose it was acquired or implemented.

6. CHANGE OR TRANSFER OF OWNERSHIP. Prior to changing or transferring ownership or operation of any portion of the Facilities or the Parcel or assigning any portion of this Agreement, City shall obtain written approval from each of the Funding Agencies.

7. AGREEMENT BINDING. This Agreement shall be binding upon and inure to the benefit of heirs, successors and assigns of the parties hereto.

8. OPERATIONS AND MAINTENANCE. City shall manage, operate, and maintain the water system serving the community of East Porterville, including the Facilities if they are less than the whole of the water system, continuously in an efficient and economical manner.

9. NON-DISCRIMINATION. City shall make the services of the Project available within its capacity to all persons in City's service area without discrimination as to race, color, religion, sex, national origin, age, marital status, or physical or mental handicap (possess capacity to enter into legal contract for services) at reasonable charges, including assessments, taxes, or fees in accordance with a schedule of such charges, whether for one or more classes of service.

10. RATES AND EXPENSES. Subject to applicable laws, City may make such modifications to the rate system as long as the rate schedule remains reasonable and nondiscriminatory. Subject to applicable laws, City shall adjust its operating costs and service charges from time to time to provide for adequate operation and maintenance, emergency repair reserves, obsolescence reserves, debt service and debt service reserves.

11. EXPANSION. City shall expand its water system from time to time to meet reasonably anticipated growth or service requirements in the area within its jurisdiction.

12. OPERATING COSTS. City assumes all operations and maintenance costs of the facilities and structures; neither the County nor the Funding Agencies shall be liable for any cost of such maintenance, management, or operation, except as agreed upon by separately executed and unanticipated future agreements. The provisions of this section shall survive the term of this Agreement.

13. REPORTS & INSPECTION. City shall provide the Funding Agencies and County with such periodic reports as they may require and permit periodic inspection of its operations by representatives of the Funding Agencies and County.

14. PERMITS, LICENSES, APPROVALS, AND LEGAL OBLIGATIONS. City shall be responsible for obtaining any and all permits, licenses, and approvals required to manage, operate, and maintain the water system serving the community of East Porterville, including the Facilities if less than the whole of the water system.

15. ACCEPTANCE OF FUNDING AGREEMENTS. Notwithstanding anything to the contrary in this Agreement or in Tulare County Agreement No. 27596, City shall assume and be held to the same goals, milestones, performance measurements, laws, regulations, rules, and requirements as entered into by County under the Funding Agreements.

16. INDEMNIFICATION. To the extent permitted by law, City agrees to indemnify, defend, and hold harmless the Funding Agencies, the State, the County, and their respective agents, officers, and employees from and against any loss or liability arising out of any claim or action brought against the Funding Agencies, the State, and/or the County from and against any and all losses, claims, damages, liabilities or expenses, of every conceivable kind, character and nature whatsoever arising out of, resulting from, or in any way connected with the carrying out of any of the transactions contemplated by this Agreement or any related document; any violation of any applicable law, rule or regulation, any environmental law (including, without limitation, the Federal Comprehensive Environmental Response, Compensation and Liability Act, the Resource Conservation and Recovery Act, the California Hazardous Substance Account Act, the Federal Water Pollution Control Act, the Clean Air Act, the California Hazardous Waste Control Law and California Water Code§ 13304, and any successors to said laws), rule or regulation or the release of any toxic substance on or near the Project; or any untrue statement or alleged untrue statement of any material fact or omission or alleged omission to state a material fact necessary to make the statements required to be stated therein, in light of the circumstances under which they were made, not misleading with respect to any information provided by City for use in any disclosure document utilized in connection with any of the transactions contemplated by this Agreement. To the fullest extent permitted by law, City agrees to pay and discharge any judgment or award entered or made against the Funding Agencies, the State, and/or the County with respect to any such claim or action, and any settlement, compromise or other voluntary resolution. The provisions of this section shall survive the term of this Agreement.

17. OVERSIGHT. No authorization, oversight, input, or requirement other than the authority granted by this Agreement shall be necessary from County, other than that which is otherwise required by law or this Agreement.

18. EXHIBITS, RECITALS, AND REFERENCED AGREEMENTS. The recitals and exhibits to this Agreement as well as the other agreements explicitly referenced herein are fully incorporated into and are integral parts of this Agreement.

19. ENTIRE AGREEMENT REPRESENTED. This Agreement represents the entire agreement between City and County as to its subject matter, and no prior oral or written understanding shall be of any force or effect except for those other agreements explicitly referenced herein. No part of this Agreement may be modified without the written consent of all parties.

20. HEADINGS. Section headings are provided for organizational purposes only and do not in any manner affect the scope, meaning or intent of the provisions under the headings.

21. JURISDICTION/VENUE. This Agreement will be interpreted and governed under the laws of the State of California without reference to California conflicts of law principles. Any litigation arising out of this Agreement must be brought in Tulare County, California. City waives the removal provisions of California code of Civil Procedure Section 394.

22. CONSTRUCTION. This Agreement reflects the contributions of all parties and accordingly the provisions of Civil Code Section 1654 will not apply to address and interpret any uncertainty.

23. WAIVERS. The failure of any parties to insist on strict compliance with any provision of this Agreement will not be considered a waiver of any right to do so, whether for that breach or any subsequent breach. The acceptance by any parties of either performance or payment will not be considered to be a waiver of any preceding breach of this Agreement by the other parties.

24. CONFLICT WITH LAWS OR REGULATIONS/SEVERABILITY. This Agreement is subject to all applicable laws and regulations. If any provision of this Agreement is found by any court or other legal authority, or is agreed by the parties, to be in conflict with any code or regulation governing its subject, the conflicting provision will be considered null and void. If the effect of nullifying any conflicting provision is such that a material benefit of this Agreement to either party is lost, this Agreement may be terminated at the option of the affected party. In all other cases the remainder of this Agreement will continue in full force and effect.

25. FURTHER ASSURANCES. Each party agrees to execute any additional documents and to perform any further acts which may be reasonably required to effect the purposes of this Agreement.

26. CONFLICT OF INTEREST. County and City are subject to state and federal conflict of interest laws. Failure to comply with these laws, including business and financial disclosure provisions, will result in this Agreement being declared void. Other legal action may also be taken. Applicable statutes include, but are not limited to, Government Code Section 1090 and Public Contract Code Sections 10410 and 10411, for state conflict of interest requirements.

27. WATER CONSERVATION AND EFFICIENCY PROGRAMS. City acknowledges that it has appropriate water conservation and efficiency programs in place, and that this provision constitutes a condition of the grant award. A web link with examples of water conservation and

efficiency programs is available at: http://www.waterboards.ca.gov/waterrights/water_issues/programs/drought/conservation.shtml.

28. WATER RIGHTS: City certifies that it is in compliance with part 5.1 of division 2 of the Water Code and, if applicable, that it has filed and will continue to file its required Statements of Diversion and Use with the State Water Board in accordance with sections 5101 and 5103 of the Water Code.

29. AS-BUILT PLANS. County will provide City with a hardcopy and a digital copy in the PDF format on a flash drive of all as-built plans prepared as part of this project. City shall register the Project with the relevant underground utility regional notification center.

30. UTILITY TRANSFER. City shall switch utility services with Southern California Edison for all expenses associated with operating the Facilities. City shall cover any past electrical bills received by the County for the operation of the Facilities.

31. FLOOD FACILITY OPERATIONS. There is equipment and facilities located on or touching the Parcel which are used for flood control purposes (the “Flood Control Facilities”) and owned by the County or by the Tulare County Flood Control District, a dependent special district of the County, and operated by the County. County intends to and hereby transfers these facilities to City as part of this Agreement. City shall be responsible for operating and maintaining the Flood Control Facilities, including serving the tributary area currently served by same in perpetuity until such time as the Flood Control Facilities and tributary area are annexed or otherwise included in the City’s boundary. If necessary, the City and/or County shall enter into a separate agreement with the Tulare County Flood Control District to effect this provision.

32. OTHER NON-DISCRIMINATION. During the performance of this Agreement, City and its contractors shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, sexual orientation, race, religion, color, national origin, ancestry, religious creed, physical disability (including HIV and AIDS), mental disability, medical condition (cancer), age (over 40), marital status, or denial of family-care leave. City and its contractors shall ensure that the evaluation and treatment of their employees and applicants for employment are free of such discrimination and harassment. City and its contractors shall comply with the provisions of the Fair Employment and Housing Act (Government Code Section 12990 (a-f) et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, Title 2, Section 7285 et seq.). The applicable regulations of the Fair Employment and Housing commission implementing Government Code Section 12990 (a-f), set

forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations, are incorporated into this agreement by reference and made a part hereof as if set forth in full.

City and its contractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. City shall include the nondiscrimination and compliance provisions of this clause in all contracts to perform work at this Project.

33. NO THIRD PARTY BENEFICIARIES. Unless specifically set forth, the parties to this Agreement do not intend to provide any other party with any benefit or enforceable legal or equitable right or remedy.

EXHIBIT A – SCOPE OF WORK AND SCHEDULE

A.1. PROJECT PURPOSE AND DESCRIPTION.

The Project is for the benefit of the Recipient and has a Useful Life of at least 40 years. The funding under this Agreement shall be used to provide the residents of two small disadvantaged communities currently served by Akin Water Company (Akin WC) and Central Mutual Water Company (Central MWC) with a sustainable source of safe drinking water.

A.2. SCOPE OF WORK.

The Recipient agrees to do the following: consolidate with Akin WC and Central MWC. Recipient also agrees to construct a new production well, estimated to produce between 1,300 and 1,800 gallons per minute, to provide the needed source capacity for the consolidation of Akin WC, the consolidation of Central MWC, as well as satisfy the remainder of East Porterville residents' capacity needs.

The Recipient agrees to do the following for the Akin WC service area: construct approximately 1,500 feet of 8-inch waterline to provide water service to each customer currently served by Akin WC; install approximately three new fire hydrants and twenty-six new service laterals and meters; and destroy Akin WC's two existing wells.

The Recipient agrees to do the following for the Central MWC service area: construct approximately 1,400 feet of 6-inch waterline to provide water service to each customer currently served by Central MWC; install approximately four new fire hydrants and thirty-four new service laterals and meters; and destroy Central MWC's existing well.

Upon Completion of Construction, the Recipient must expeditiously initiate Project operations.

A.3 SIGNAGE

The Recipient must place a professionally prepared sign at least four feet tall by eight feet wide made of ¾ inch thick exterior grade plywood or other approved material in a prominent location on the Project site and must maintain the sign in good condition for the duration of Project implementation. The sign may include another agency's required information and must include, prominently displayed, the following disclosure statement and color logos (available from the Division):

"Funding for this project has been provided in full or in part under the Drinking Water State Revolving Fund, which may include capitalization funding from the United States Environmental Protection Agency through an agreement with the State Water Resources Control Board."

A.4 SCHEDULE.

Failure to provide items by the due dates indicated in the table below may constitute a material violation of this Agreement. The Project Manager may adjust the dates in the "Estimated Due Date" column of this table, but Critical Due Date adjustments will require an amendment to this Agreement. The Recipient

must complete and submit all work in time to be approved by the Division prior to the Project Completion Date. As applicable for specific submittals, the Recipient must plan adequate time to solicit, receive, and address comments prior to submitting the final submittal. The Recipient must submit the final Reimbursement Request prior to the Final Reimbursement Request Date set forth on the Cover Page.

ITEM	DESCRIPTION OF SUBMITTAL	CRITICAL DUE DATE	ESTIMATED DUE DATE
EXHIBIT A – SCOPE OF WORK			
A.	ADDITIONAL SUBMITTAL(S) TO DIVISION		
1.	Final Plans and Specifications		September 1, 2021
2.	Final Budget Approval Package		February 1, 2022
3.	Completion of Construction	October 1, 2023	
B.	REPORTS		
1.	Progress Reports		Quarterly
2.	Final Inspection and Certification		October 1, 2023
3.	Project Completion Report		December 1, 2023
4.	As Needed Reports		TBD
EXHIBIT B – REIMBURSEMENTS, BUDGET DETAIL, AND REPORTING PROVISIONS			
A.	REIMBURSEMENTS		
1.	Reimbursement Requests		Quarterly
2.	Final Reimbursement Request	April 1, 2024	

The Recipient must award the prime construction contract and begin construction timely. The Recipient must deliver any request for extension of the Completion of Construction Date no less than 90 days prior to the Completion of Construction Date.

A.5 PROGRESS REPORTS.

The Recipient must provide a progress report to the Division each quarter, beginning no later than 90 days after execution of this Agreement. The Recipient must provide a progress report with each Reimbursement Request. Failure to provide a complete and accurate progress report may result in the withholding of Project Funds, as set forth in Exhibit B. A progress report must contain the following information:

- 1) A summary of progress to date including a description of progress since the last report, percent construction complete, percent contractor invoiced, and percent schedule elapsed;
- 2) A description of compliance with environmental requirements;
- 3) A listing of change orders including amount, description of work, and change in contract amount and schedule; and
- 4) Any problems encountered, proposed resolution, schedule for resolution, and status of previous problem resolutions.

A.6 SPECIAL REPORTS.

(a) The Recipient must submit a Project Completion Report to the Division with a copy to the appropriate District Office on or before the due date established by the Division and the Recipient at the time of final project inspection. The Project Completion Report must include the following:

- i. Description of the Project,
- ii. Description of the water quality problem the Project sought to address,
- iii. Discussion of the Project's likelihood of successfully addressing that water quality problem in the future, and
- iv. Summary of compliance with applicable environmental conditions.

(b) If the Recipient fails to submit a timely Project Completion Report, the State Water Board may stop processing pending or future applications for new financial assistance, withhold reimbursements under this Agreement or other agreements, and begin administrative proceedings.

(c) The Recipient must report Disadvantaged Business Enterprise (DBE) utilization to the Division on the DBE Utilization Report, State Water Board Form DBE UR334. The Recipient must submit such reports to the Division annually within ten (10) calendar days following October 1 until such time as the "Notice of Completion" is issued. The Recipient must comply with 40 CFR § 33.301 and require its contractors and subcontractors on the Project to comply.

A.7 FINAL PROJECT INSPECTION AND CERTIFICATION.

Upon completion of the Project, the Recipient must provide for a final inspection and must certify that the Project has been completed in accordance with this Agreement, any final plans and specifications submitted to the State Water Board, and any amendments or modifications thereto. If the Project involves the planning, investigation, evaluation, design, or other work requiring interpretation and proper application of engineering, or other professionals, the final inspection and certification must be conducted by a California Registered Civil Engineer or other appropriate California registered professional. The results of the final inspection and certification must be submitted to the Project Manager.

EXHIBIT B – FUNDING AMOUNTS

B.1 ESTIMATED REASONABLE COST AND PROJECT FUNDS.

The estimated reasonable cost of the total Project is set forth on the Cover Page of this Agreement and is greater than or equal to the funding anticipated to be provided by the State Water Board under this Agreement. Subject to the terms of this Agreement, the State Water Board agrees to provide Project Funds not to exceed the amount of the Project Funding Amount set forth on the Cover Page of this Agreement.

B.2 RECIPIENT CONTRIBUTIONS.

(a) The loan component of this Agreement is forgiven. The estimated amount of principal that will be due to the State Water Board from the Recipient under this Agreement is Zero dollars and no cents (\$0.00).

(b) The Recipient must pay any and all costs connected with the Project including, without limitation, any and all Project Costs. If the Project Funds are not sufficient to pay the Project Costs in full, the Recipient must nonetheless complete the Project and pay that portion of the Project Costs in excess of available Project Funds, and shall not be entitled to any reimbursement therefor from the State Water Board.

(c) If the Recipient recovers funds from any responsible parties, the Recipient shall immediately notify the Division. The amount of this Agreement may be reduced to reflect the recovered funds.

B.3 VERIFIABLE DATA.

Upon request by the Division, the Recipient must submit verifiable data to support deliverables specified in the Scope of Work. The Recipient's failure to comply with this requirement may be construed as a material breach of this Agreement.

B.4 BUDGET COSTS

Budget costs are contained in the Summary Project Cost Table below:

LINE ITEM	TOTAL ESTIMATED COST	PROJECT FUNDING AMOUNT
Construction	\$3,194,720	\$3,194,720
Pre-Purchased Material/Equipment	\$0	\$0
Purchase of Land	\$0	\$0
Contingency	\$638,944	\$638,944
Allowances (Soft Costs)	\$954,000	\$954,000
TOTAL	\$4,787,664	\$4,787,664

The Division's Final Budget Approval and related Form 259 and Form 260 will document a more detailed budget of eligible Project Costs and Project funding amounts.

The Recipient is prohibited from requesting disbursement amounts that represent Recipient's mark-ups to costs invoiced or otherwise requested by consultants or contractors.

Reasonable indirect costs may be allowable upon approval by the Division.

B.5 LINE ITEM ADJUSTMENTS.

Upon written request by the Recipient, the Division may adjust the line items of the Summary Project Cost Table at the time of Division's Final Budget Approval. Upon written request by the Recipient, the Division may also adjust the line items of the Summary Project Cost Table as well as the detailed budget at the time of Recipient's submittal of its final claim. Any line item adjustments to the Summary Project Cost Table that are due to a change in scope of work will require an Agreement amendment. The sum of adjusted line items in both the Summary

Project Cost Table and the detailed budget must not exceed the Project Funding Amount. The Division may also propose budget adjustments.

Under no circumstances may the sum of line items in the budget approved through the Final Budget Approval process exceed the Project Funding Amount. Any increase in the Project Funding Amount will require an Agreement amendment.

B.6 REIMBURSEMENT PROCEDURE.

(a) Except as may be otherwise provided in this Agreement, reimbursements will be made as follows:

1. Upon execution and delivery of this Agreement by both parties, the Recipient may request immediate reimbursement of any eligible incurred costs as specified below through submission to the State Water Board of the Reimbursement Request Form 260 and Form 261, or any amendment thereto, duly completed and executed.
2. The Recipient must submit a Reimbursement Request for costs incurred prior to the date this Agreement is executed by the State Water Board no later than ninety (90) days after this Agreement is executed by the State Water Board. Late Reimbursement Requests may not be honored.
3. Additional Project Funds will be promptly disbursed to the Recipient upon receipt of Reimbursement Request Form 260 and Form 261, or any amendment thereto, duly completed and executed by the Recipient for incurred costs consistent with this Agreement, along with receipt of progress reports due under Exhibit A.
4. The Recipient must not request reimbursement for any Project Cost until such cost has been incurred and is currently due and payable by the Recipient, although the actual payment of such cost by the Recipient is not required as a condition of reimbursement. Supporting documentation (e.g., receipts) must be submitted with each Reimbursement Request. The amount requested for Recipient's administration costs must include a calculation formula (i.e., hours or days worked times the hourly or daily rate = total amount claimed). Reimbursement of Project Funds will be made only after receipt of a complete, adequately supported, properly documented, and accurately addressed Reimbursement Request. Upon request by the Division, supporting documents for professional and administrative services must include the employees' names, classifications, labor rates, hours worked, and descriptions of the tasks performed. Reimbursement Requests submitted without supporting documents may be wholly or partially withheld at the discretion of the Division.
5. The Recipient must spend Project Funds within 30 days of receipt. If the Recipient earns interest earned on Project Funds, it must report that interest immediately to the State Water Board. The State Water Board may deduct earned interest from future reimbursements.
6. The Recipient shall not request a reimbursement unless that Project Cost is allowable, reasonable, and allocable.
7. Notwithstanding any other provision of this Agreement, no reimbursement shall be required at any time or in any manner which is in violation of or in conflict with federal or state laws, policies, or regulations.

(b) Notwithstanding any other provision of this Agreement, the Recipient agrees that the State Water Board may retain an amount equal to ten percent (10%) of the Project Funding Amount until Project Completion. Any retained amounts due to the Recipient will be promptly disbursed to the Recipient, without interest, upon Project Completion.

(c) Except as follows, construction costs and disbursements are not available until after the Division has approved the final budget form submitted by the Recipient. The Deputy Director of the Division may authorize the disbursement of up to ten percent (10%) of Project Funds for the reimbursement of eligible construction costs and pre-purchased materials prior to Division approval of the final budget form submitted by the Recipient. All other construction costs are not eligible for reimbursement until after this the Division has approved the final budget form submitted by the Recipient. Construction costs incurred prior to the Eligible Construction Start Date are not eligible for reimbursement.

B.7 REVERTING FUNDS AND DISENCUMBRANCE.

In the event the Recipient does not submit Reimbursement Requests for all funds encumbered under this Agreement by the Final Reimbursement Request Date, any remaining funds revert to the State. The State Water Board may notify the Recipient that the project file is closed, and any remaining balance will be disencumbered and unavailable for further use under the Agreement.

EXHIBIT C – GENERAL TERMS AND CONDITIONS 2019-NOV

GENERAL TERMS AND CONDITIONS 2019-NOV is incorporated by reference and is posted at
https://www.waterboards.ca.gov/water_issues/programs/grants_loans/general_terms.html

EXHIBIT D – SPECIAL CONDITIONS

1. Notwithstanding Exhibit C, the following terms have no meaning for the purposes of this Agreement:
 - Work Completion
 - Work Completion Date
2. Each capitalized term used in this Agreement has the following meaning:
 - "Allowance" means an amount based on a percentage of the accepted bid for an eligible project to help defray the planning, design, and construction engineering and administration costs of the Project.
 - "Authorized Representative" means the duly appointed representative of the Recipient as set forth in the certified original of the Recipient's authorizing resolution that designates the authorized representative by title.
 - "Completion of Construction" means the date, as determined by the Division after consultation with the Recipient, that the work of building and erection of the Project is substantially complete, and is established on the Cover Page of this Agreement.
 - "District Office" means District Office of the Division of Drinking Water of the State Water Board.
 - "Division of Drinking Water" means the Division of Drinking Water of the State Water Board.
 - "Eligible Construction Start Date" means the date set forth on the Cover Page of this Agreement, establishing the date on or after which construction costs may be incurred and eligible for reimbursement hereunder.
 - "Eligible Work Start Date" means the date set forth on the Cover Page of this Agreement, establishing the date on or after which any non-construction costs may be incurred and eligible for reimbursement hereunder.
 - "Enterprise Fund" means the enterprise fund of the Recipient in which Revenues are deposited.
 - "Event of Default" means, in addition to the meanings set forth in Exhibit C, the occurrence of any of the following events:
 - a) A material adverse change in the condition of the Recipient, the Revenues, or the System, which the Division reasonably determines would materially impair the Recipient's ability to satisfy its obligations under this Agreement.
 - b) Failure to operate the System or the Project without the Division's approval;
 - "Final Budget Approval" means the Division-approved final budget for the Project, as set forth in Exhibit B.
 - "Indirect Costs" means those costs that are incurred for a common or joint purpose benefiting more than one cost objective and are not readily assignable to the Project (i.e., costs that are not directly related to the Project). Examples of Indirect Costs include, but are not limited to: central service costs; general administration of the Recipient; non-project-specific accounting and personnel services performed within the Recipient organization; depreciation or use allowances on buildings and equipment; the costs of operating and maintaining non-project-specific facilities; tuition and conference fees; generic overhead or markup; and taxes.
 - "Initiation of Construction" means the date that notice to proceed with work is issued for the Project, or, if notice to proceed is not required, the date of commencement of building and erection of the Project.
 - "Net Revenues" means, for any Fiscal Year, all Revenues received by the Recipient less the Operations and Maintenance Costs for such Fiscal Year.
 - "Operations and Maintenance Costs" means the reasonable and necessary costs paid or incurred by the Recipient for maintaining and operating the System, determined in accordance with GAAP, including all

reasonable expenses of management and repair and all other expenses necessary to maintain and preserve the System in good repair and working order, and including all reasonable and necessary administrative costs of the Recipient that are charged directly or apportioned to the operation of the System, such as salaries and wages of employees, overhead, taxes (if any), the cost of permits, licenses, and charges to operate the System and insurance premiums; but excluding, in all cases depreciation, replacement, and obsolescence charges or reserves therefor and amortization of intangibles.

- "Reimbursement Request" means the Recipient's request for Project Funds from the State Water Board as set forth in Exhibit B.
- "Revenues" means, for each Fiscal Year, all gross income and revenue received or receivable by the Recipient from the ownership or operation of the System, determined in accordance with GAAP, including all rates, fees, and charges (including connection fees and charges) as received by the Recipient for the services of the System, and all other income and revenue howsoever derived by the Recipient from the ownership or operation of the System or arising from the System, including all income from the deposit or investment of any money in the Enterprise Fund or any rate stabilization fund of the Recipient or held on the Recipient's behalf, and any refundable deposits made to establish credit, and advances or contributions in aid of construction.
- "System" means all drinking water collection, transport, treatment, storage, and delivery facilities, including land and easements thereof, owned by the City of Porterville, or its successor agency, and all other properties, structures, or works hereafter acquired and constructed by the Recipient and determined to be a part of the System, together with all additions, betterments, extensions, or improvements to such facilities, properties, structures, or works, or any part thereof hereafter acquired and constructed.
- "Useful Life" means the economically useful life of the Project beginning at Project Completion and is set forth in Exhibit A.

3. Acknowledgements.

The Recipient must include the following acknowledgement in any document, written report, or brochure to be shared with the general public prepared in whole or in part pursuant to this Agreement:

"Funding for this project has been provided in full or in part under the Drinking Water State Revolving Fund, which may include capitalization funding from the United States Environmental Protection Agency through an agreement with the State Water Resources Control Board. The contents of this document do not necessarily reflect the views and policies of the foregoing, nor does mention of trade names or commercial products constitute endorsement or recommendation for use."

4. Rates and Charges. The Recipient must, to the extent permitted by law, fix, prescribe and collect rates, fees and charges for the System during each Fiscal Year which are reasonable, fair, and nondiscriminatory and which will be sufficient to generate Revenues in the amounts necessary to cover Operations and Maintenance Costs, and must ensure that Net Revenues are in an amount necessary to meet its obligations under this Agreement. The Recipient may make adjustments from time to time in such fees and charges and may make such classification thereof as it deems necessary, but shall not reduce the rates, fees and charges then in effect unless the Net Revenues from such reduced rates, fees, and charges will at all times be sufficient to meet the requirements of this section.
5. [RESERVED]
6. [RESERVED].

7. Environmental/Technical Special Conditions

Technical:

1. The Recipient shall submit its professional engineering services contract to the Division prior to disbursement of funds for costs incurred under such contract.
2. The Recipient shall not solicit bids, award a contract, or commence construction activities until final plans and specifications are approved by the Division of Drinking Water Tulare District Office Engineer and the Project Manager.
3. The Recipient must submit final consolidation agreements with Akin WC and Central MWC, in a form satisfactory to the Division, and receive written approval from the Project Manager to proceed before Project Funds may be disbursed for any Project Costs under the Agreement.
4. Upon completion of the Project the Recipient shall submit a water supply permit amendment request for review to the Division of Drinking Water Tulare District Office.

Environmental:

1. The documents identified below are incorporated by reference and the Recipient shall comply with the conditions and recommendations therein:
 - a. The Mitigation Monitoring and Reporting Program adopted by the State Water Board on June 16, 2016 for the Project. The Recipient shall implement all mitigation measures therein.
 - b. The letter dated February 12, 2020, from Patricia Cole of the United States Fish and Wildlife Service, San Joaquin Valley Division to Douglas E. Eberhardt of the United States Environmental Protection Agency, including, but not limited to, the following:
 - i. Implement Avoidance and Minimization Measures and Best Management Practices prior to and during construction activities to minimize and avoid effects to the San Joaquin kit fox.
 - c. The Mitigation Monitoring and Reporting Program adopted by the City of Porterville on April 21, 2020 for the Central Mutual Water Company Consolidation Project. The Recipient shall implement all mitigation measures therein.
2. In the Recipient's Quarterly Reports submitted pursuant to this Agreement, the Recipient shall include a discussion of the status of its compliance with environmental measures identified in this Exhibit D, with separate sections clearly labeled and titled, discussing the status of Recipient's compliance.
3. In the Recipient's Project Completion Report submitted pursuant to this Agreement, the Recipient shall include a discussion of its compliance with environmental measures identified in this Exhibit D, with separate sections clearly labeled and titled, discussing the status of Recipient's compliance.
8. [RESERVED].
9. Appointment of Receiver/Custodian. Upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the State Water Board under this Agreement, the State Water Board may make application for the appointment of a receiver or custodian of the Revenues, pending such proceeding, with such power as the court making such appointment may confer.
10. [RESERVED].
11. Damages for Breach of Federal Conditions. In the event that any breach of any of the provisions of this Agreement by the Recipient results in the failure of Project Funds to be used pursuant to the provisions of this Agreement, or if such breach results in an obligation on the part of the State or any subdivision or agency thereof to reimburse the federal government, the Recipient must immediately reimburse the State or any subdivision or agency thereof in an amount equal to any damages paid by or loss incurred by the State or any subdivision or agency thereof due to such breach.

12. [RESERVED].

13. Operation and Maintenance. The Recipient shall sufficiently and properly staff, operate, and maintain the facility and structures constructed or improved as part of the project throughout the term of this Agreement, consistent with the purposes of this Agreement. The Recipient assumes all operations and maintenance costs of the facilities and structures; the State Water Board shall not be liable for any cost of such maintenance, management or operation.

14. Insurance. The Recipient will procure and maintain or cause to be maintained insurance on the System and Project with responsible insurers, or as part of a reasonable system of self-insurance, in such amounts and against such risks (including damage to or destruction of the System or Project) as are usually covered in connection with systems similar to the System or Project. Such insurance may be maintained by a self-insurance plan so long as such plan provides for (i) the establishment by the Recipient of a separate segregated self-insurance fund in an amount determined (initially and on at least an annual basis) by an independent insurance consultant experienced in the field of risk management employing accepted actuarial techniques and (ii) the establishment and maintenance of a claims processing and risk management program. In the event of any damage to or destruction of the System or Project caused by the perils covered by such insurance, the net proceeds thereof shall be applied to the reconstruction, repair or replacement of the damaged or destroyed portion of the System or Project. The Recipient must begin such reconstruction, repair or replacement as expeditiously as possible, and must pay out of such net proceeds all costs and expenses in connection with such reconstruction, repair or replacement so that the same must be completed and the System and Project must be free and clear of all claims and liens. Recipient agrees that for any policy of insurance concerning or covering the construction of the Project, it will cause, and will require its contractors and subcontractors to cause, a certificate of insurance to be issued showing the State Water Board, its officers, agents, employees, and servants as additional insured; and must provide the Division with a copy of all such certificates prior to the commencement of construction of the Project.

15. Notice Events. Upon the occurrence of any of the following events, the Recipient must notify the Division's Deputy Director and Party Contacts by phone and email within the time specified below:

- a. The Recipient must notify the Division within 24 hours by phone at (916) 327-9978 and by email to DrinkingWaterSRF@waterboards.ca.gov of any discovery of any potential tribal cultural resource and/or archaeological or historical resource. Should a potential tribal cultural resource and/or archaeological or historical resource be discovered during construction or Project implementation, the Recipient must ensure that all work in the area of the find will cease until a qualified archaeologist has evaluated the situation and made recommendations regarding preservation of the resource, and the Division has determined what actions should be taken to protect and preserve the resource. The Recipient must implement appropriate actions as directed by the Division.
- b. The Recipient must notify the Division promptly of the occurrence of any of the following events:
 - i. Bankruptcy, insolvency, receivership or similar event of the Recipient, or actions taken in anticipation of any of the foregoing;
 - ii. Change of ownership of the Project (no change of ownership may occur without written consent of the Division);
 - iii. Loss, theft, damage, or impairment to Project;
 - iv. Events of Default, except as otherwise set forth in this section;

- v. A proceeding or action by a public entity to acquire the Project by power of eminent domain.
- vi. Any litigation pending or threatened with respect to the Project or the Recipient's technical, managerial or financial capacity or the Recipient's continued existence;
- vii. Consideration of dissolution, or disincorporation;
- viii. Enforcement actions by or brought on behalf of the State Water Board or Regional Water Board.
- ix. The discovery of a false statement of fact or representation made in this Agreement or in the application to the Division for this funding, or in any certification, report, or request for reimbursement made pursuant to this Agreement, by the Recipient, its employees, agents, or contractors;
- x. Any substantial change in scope of the Project. The Recipient must undertake no substantial change in the scope of the Project until prompt written notice of the proposed change has been provided to the Division and the Division has given written approval for the change;
- xi. Any circumstance, combination of circumstances, or condition, which is expected to or does delay Completion of Construction for a period of ninety (90) days or more;
- xii. Any Project monitoring, demonstration, or other implementation activities required in this Agreement;
- xiii. Any public or media event publicizing the accomplishments and/or results of this Agreement and provide the opportunity for attendance and participation by state representatives with at least ten (10) working days' notice to the Division;
- xiv. Any event requiring notice to the Division pursuant to any other provision of this Agreement.
- xv. Completion of work on the Project.
- xvi. The Recipient must promptly notify the Division and Party Contacts of cessation of all major construction work on the Project where such cessation of work is expected to or does extend for a period of thirty (30) days or more;
- xvii. The Recipient must promptly notify the Division and Party Contacts of the discovery of any unexpected endangered or threatened species, as defined in the federal Endangered Species Act. Should a federally protected species be unexpectedly encountered during implementation of the Project, the Recipient agrees to promptly notify the Division. This notification is in addition to the Recipient's obligations under the federal Endangered Species Act;
- xviii. The Recipient must promptly notify the Division and Party Contacts of Completion of Construction, and Project Completion;
- xix. The Recipient must promptly notify the Division and Party Contacts of the award of the prime construction contract for the Project; and the Recipient must promptly notify the Division and Party Contacts of Initiation of construction of the Project.

xx. The occurrence of a material breach or event of default under any Recipient obligation that results in the acceleration of principal or interest or otherwise requires immediate prepayment, repurchase or redemption.

xxi. [RESERVED].

16. Continuous Use of Project; No Lease, Sale, Transfer of Ownership, or Disposal of Project. The Recipient agrees that, except as provided in this Agreement, it will not abandon, substantially discontinue use of, lease, sell, transfer ownership of, or dispose of all or a significant part or portion of the Project during the Useful Life of the Project without prior written approval of the Division. Such approval may be conditioned as determined to be appropriate by the Division, including a condition requiring repayment of all disbursed Project Funds or all or any portion of all remaining funds covered by this Agreement together with accrued interest and any penalty assessments that may be due.
17. State Cross-Cutters. Recipient represents that, as applicable, it complies and covenants to maintain compliance with the following for the term of the Agreement:
- a) The California Environmental Quality Act (CEQA), as set forth in Public Resources Code 21000 et seq. and in the CEQA Guidelines at Title 14, Division 6, Chapter 3, Section 15000 et seq.
 - b) Water Conservation requirements, including regulations in Division 3 of Title 23 of the California Code of Regulations.
 - c) Monthly Water Diversion Reporting requirements, including requirements set forth in Water Code section 5103.
 - d) Public Works Contractor Registration with Department of Industrial Relations requirements, including requirements set forth in Sections 1725.5 and 1771.1 of the Labor Code.
 - e) Volumetric Pricing & Water Meters requirements, including the requirements of Water Code sections 526 and 527.
 - f) Urban Water Management Plan requirements, including the Urban Water Management Planning Act (Water Code, § 10610 et seq.).
 - g) Urban Water Demand Management requirements, including the requirements of Section 10608.56 of the Water Code.
 - h) Delta Plan Consistency Findings requirements, including the requirements of Water Code section 85225 and California Code of Regulations, title 23, section 5002.
 - i) Agricultural Water Management Plan Consistency requirements, including the requirements of Water Code section 10852.
 - j) Charter City Project Labor Requirements, including the requirements of Labor Code section 1782 and Public Contract Code section 2503.
 - k) The Recipient agrees that it will, at all times, comply with and require its contractors and subcontractors to comply with directives or orders issued pursuant to Division 7 of the Water Code.
18. Financial Management Systems. The Recipient must comply with federal standards for financial management systems. The Recipient agrees that, at a minimum, its fiscal control and accounting procedures will be sufficient to permit preparation of reports required by the federal government and tracking of Project funds to a level of expenditure adequate to establish that such funds have not been

used in violation of federal or state law or the terms of this Agreement. To the extent applicable, the Recipient is bound by, and must comply with, the provisions and requirements of the federal Single Audit Act of 1984 and 2 CFR Part 200, subpart F, and updates or revisions, thereto.

19. Access and Inspection. In addition to the obligations set forth in section 2 of the General Terms and Conditions incorporated in Exhibit C of this Agreement, the Recipient must ensure that the United States Environmental Protection Agency, the Office of Inspector General, any member of Congress, or any authorized representative of the foregoing, will have safe and suitable access to the Project site at all reasonable times during the term of the Agreement.
20. Fraud, Waste, and Abuse. The Recipient shall prevent fraud, waste, and the abuse of Project Funds, and shall cooperate in any investigation of such activities that are suspected in connection with this Agreement. The Recipient understands that discovery of any evidence of misrepresentation or fraud related to reimbursement requests, invoices, proof of payment of invoices, or other supporting information, including but not limited to double or multiple billing for time, services, or any other eligible cost, may result in referral to the Attorney General's Office or the applicable District Attorney's Office for appropriate action. The Recipient further understands that any suspected occurrences of false claims, misrepresentation, fraud, forgery, theft or any other misuse of Project Funds may result in withholding of reimbursements and/or the termination of this Agreement requiring the immediate repayment of all funds disbursed hereunder.
21. Disputes. The Recipient must continue with the responsibilities under this Agreement during any dispute. The Recipient may, in writing, appeal a staff decision within 30 days to the Deputy Director of the Division or designee, for a final Division decision. The Recipient may appeal a final Division decision to the State Water Board within 30 days. The Office of the Chief Counsel of the State Water Board will prepare a summary of the dispute and make recommendations relative to its final resolution, which will be provided to the State Water Board's Executive Director and each State Water Board Member. Upon the motion of any State Water Board Member, the State Water Board will review and resolve the dispute in the manner determined by the State Water Board. Should the State Water Board determine not to review the final Division decision, this decision will represent a final agency action on the dispute. This provision does not preclude consideration of legal questions, provided that nothing herein shall be construed to make final the decision of the State Water Board, or any official or representative thereof, on any question of law. This section relating to disputes does not establish an exclusive procedure for resolving claims within the meaning of Government Code sections 930 and 930.4.
22. Additional Representations and Warranties. The Recipient makes the following representations and warranties:
 - a. [RESERVED].
 - b. The Recipient has not made any untrue statement of a material fact in its application for this financial assistance, or omitted to state in its application, a material fact that makes the statements in its application not misleading.
 - c. The Recipient agrees to fulfill all assurances, declarations, representations, and commitments in its application, accompanying documents, and communications filed in support of its request for funding under this Agreement.
 - d. The execution, delivery, and performance by Recipient of this Agreement, including all incorporated documents, do not violate any provision of any law or regulation in effect as of the date set forth on the first page hereof, or result in any breach or default under any contract, obligation, indenture, or other instrument to which Recipient is a party or by which Recipient is bound as of the date set forth on the Cover Page.

- e. Except as set forth in this paragraph, there are, as of the date of execution of this Agreement by the Recipient, no pending or, to Recipient's knowledge, threatened actions, claims, investigations, suits, or proceedings before any governmental authority, court, or administrative agency which materially affect the financial condition or operations of the Recipient, the Revenues, and/or the Project.
 - f. There are no proceedings, actions, or offers by a public entity to acquire by purchase or the power of eminent domain any of the real or personal property related to or necessary for the Project.
 - g. The Recipient is duly organized and existing and in good standing under the laws of the State of California. Recipient must at all times maintain its current legal existence and preserve and keep in full force and effect its legal rights and authority. Within the preceding ten years, the Recipient has not failed to demonstrate compliance with state or federal audit disallowances.
 - h. Any financial statements or other financial documentation of Recipient previously delivered to the State Water Board as of the date(s) set forth in such financial statements or other financial documentation: (a) are materially complete and correct; (b) present fairly the financial condition of the Recipient; and (c) have been prepared in accordance with GAAP. Since the date(s) of such financial statements or other financial documentation, there has been no material adverse change in the financial condition of the Recipient, nor have any assets or properties reflected on such financial statements or other financial documentation been sold, transferred, assigned, mortgaged, pledged or encumbered, except as previously disclosed in writing by Recipient and approved in writing by the State Water Board.
 - i. The Recipient is current in its continuing disclosure obligations associated with its material debt, if any.
 - j. The Recipient has no conflicting or material obligations, except as set forth in this paragraph.
 - k. The Recipient legally possesses all real property rights necessary for the purposes of this Agreement, not subject to third party revocation, which rights extend at least to the Records Retention End Date of this Agreement, except as set forth in this paragraph.
 - l. The Recipient and its principals, to the best of the Recipient's knowledge and belief, are not presently debarred, suspended, proposed for debarment, declared ineligible, or otherwise excluded from participation in any work overseen, directed, funded, or administered by the State Water Board program for which this grant funding is authorized; nor have they engaged or permitted the performance of services covered by this Agreement from parties that are debarred or suspended or otherwise excluded from or ineligible for participation in any work overseen, directed, funded, or administered by the State Water Board program for which this grant funding is authorized.
 - m. The Recipient possesses all water rights necessary for this Project.
23. Federal SRF Requirements. The Recipient acknowledges, warrants compliance with, and covenants to continuing compliance with the following federal terms and conditions for the Useful Life of the Project:
- a. Unless the Recipient has obtained a waiver from USEPA on file with the State Water Board or unless this Project is not a project for the construction, alteration, maintenance or repair of a public water system or treatment work, the Recipient shall not purchase "iron and steel products" produced outside of the United States on this Project. Unless the Recipient has obtained a waiver from USEPA on file with the State Water Board or unless this Project is not a project for the construction, alteration, maintenance or repair of a public water system or treatment work, the

Recipient hereby certifies that all "iron and steel products" used in the Project were or will be produced in the United States. For purposes of this section, the term "iron and steel products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and construction materials. "Steel" means an alloy that includes at least 50 percent iron, between .02 and 2 percent carbon, and may include other elements.

- b. The Recipient must include in full the Wage Rate Requirements (Davis-Bacon) language incorporated by reference in Section 2 of this Agreement in all construction contracts and subcontracts.
- c. The Recipient shall notify the State Water Board and the USEPA contact of public or media events publicizing the accomplishment of significant events related to this Project and provide the opportunity for attendance and participation by federal representatives with at least ten (10) working days' notice.
- d. The Recipient shall comply with applicable EPA general terms and conditions found at <http://www.epa.gov/ogd>.
- e. No Recipient may receive funding under this Agreement unless it has provided its DUNS number to the State Water Board.
- f. [RESERVED]
- g. The Recipient represents and warrants that it and its principals are not excluded or disqualified from participating in this transaction as such terms are defined in Parts 180 and 1532 of Title 2 of the Code of Federal Regulations (2 CFR). If the Recipient is excluded after execution of this Agreement, the Recipient shall notify the Division within ten (10) days and shall inform the Division of the Recipient's exclusion in any request for amendment of this Agreement. The Recipient shall comply with Subpart C of Part 180 of 2 CFR, as supplemented by Subpart C of Part 1532 of 2 CFR. Such compliance is a condition precedent to the State Water Board's performance of its obligations under this Agreement. When entering into a covered transaction as defined in Parts 180 and 1532 of 2 CFR, the Recipient shall require the other party to the covered transaction to comply with Subpart C of Part 180 of 2 CFR, as supplemented by Subpart C of Part 1532 of 2 CFR.
- h. To the extent applicable, the Recipient shall disclose to the State Water Board any potential conflict of interest consistent with USEPA's Final Financial Assistance Conflict of Interest Policy at <https://www.epa.gov/grants/epas-final-financial-assistance-conflict-interest-policy>. A conflict of interest may result in disallowance of costs.
- i. USEPA and the State Water Board have the right to reproduce, publish, use and authorize others to reproduce, publish and use copyrighted works or other data developed under this assistance agreement.
- j. Where an invention is made with Project Funds, USEPA and the State Water Board retain the right to a worldwide, nonexclusive, nontransferable, irrevocable, paid-up license to practice the invention owned by the Recipient. The Recipient must utilize the Interagency Edison extramural invention reporting system at <http://Edison.gov> and shall notify the Division when an invention report, patent report, or utilization report is filed.

- k. The Recipient agrees that any reports, documents, publications or other materials developed for public distribution supported by this Agreement shall contain the Disclosure statement set forth in Exhibit A.
- l. The Recipient acknowledges that it is encouraged to follow guidelines established under Section 508 of the Rehabilitation Act, codified at 36 CFR Part 1194, with respect to enabling individuals with disabilities to participate in its programs supported by this Project.
- m. The Recipient, its employees, contractors and subcontractors and their employees warrants that it will not engage in severe forms of trafficking in persons, procure a commercial sex act during the term of this Agreement, or use forced labor in the performance of this Agreement. The Recipient must include this provision in its contracts and subcontracts under this Agreement. The Recipient must inform the State Water Board immediately of any information regarding a violation of the foregoing. The Recipient understands that failure to comply with this provision may subject the State Water Board to loss of federal funds. The Recipient agrees to compensate the State Water Board for any such funds lost due to its failure to comply with this condition, or the failure of its contractors or subcontractors to comply with this condition. The State Water Board may unilaterally terminate this Agreement if the Recipient that is a private entity is determined to have violated the foregoing.
- n. The Recipient certifies to the best of its knowledge and belief that:
 - i. No federal appropriated funds have been paid or will be paid, by or on behalf of the Recipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - ii. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress in connection with this Agreement, the Recipient shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions, and notify the State Water Board.
 - iii. The Recipient shall require this certification from all parties to any contract or agreement that the Recipient enters into and under which the Recipient incurs costs for which it seeks disbursements under this Agreement.
- o. The Recipient must comply with the following federal non-discrimination requirements:
 - i. Title VI of the Civil Rights Act of 1964, which prohibits discrimination based on race, color, and national origin, including limited English proficiency (LEP).
 - ii. Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination against persons with disabilities.
 - iii. The Age Discrimination Act of 1975, which prohibits age discrimination.
 - iv. Section 13 of the Federal Water Pollution Control Act Amendments of 1972, which prohibits discrimination on the basis of sex.
 - v. 40 CFR Part 7, as it relates to the foregoing.
 - vi. Executive Order 13798, including, to the greatest extent practicable and to the extent permitted by law, the requirement to respect and protect the freedom of persons and organizations to engage in political and religious speech
 - vii. All applicable federal civil rights regulations, including statutory and national policy requirements (2 CFR section 200.300).

- p. Executive Order No. 11246. The Recipient shall include in its contracts and subcontracts related to the Project the following provisions:

"During the performance of this contract, the contractor agrees as follows:"(a) The contractor will not discriminate against any employee or applicant for employment because of race, creed, color, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, creed, color, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

"(b) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, creed, color, or national origin.

"(c) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under Section 202 of Executive Order No. 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

"(d) The contractor will comply with all provisions of Executive Order No. 11246 of Sept. 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

"(e) The contractor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

"(f) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be cancelled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order No. 11246 of Sept 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order No. 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

"(g) The contractor will include the provisions of Paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of Sept. 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the contracting agency may direct as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, That in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States."

- q. The Recipient agrees to comply with the requirements of USEPA's Program for Utilization of Small, Minority and Women's Business Enterprises as set forth in this Agreement.
- r. Procurement Prohibitions under Section 306 of the Clean Air Act and Section 508 of the Clean Water Act, including Executive Order 11738, Administration of the Clean Air Act and the Federal Water Pollution Control Act with Respect to Federal Contracts, Grants, or Loans; 42 USC § 7606; 33 USC § 1368. Except where the purpose of this Agreement is to remedy the cause of the violation, the Recipient may not procure goods, services, or materials from suppliers excluded under the federal System for Award Management: <http://www.sam.gov/>.
- s. Uniform Relocation and Real Property Acquisition Policies Act, Pub. L. 91-646, as amended; 42 USC §§4601-4655. The Recipient must comply with the Act's implementing regulations at 49 CFR 24.101 through 24.105.
- t. The Recipient agrees that if its network or information system is connected to USEPA networks to transfer data using systems other than the Environmental Information Exchange Network or USEPA's Central Data Exchange, it will ensure that any connections are secure.
- u. All geospatial data created pursuant to this Agreement that is submitted to the State Water Board for use by USEPA or that is submitted directly to USEPA must be consistent with Federal Geographic Data Committee endorsed standards. Information on these standards may be found at www.fgdc.gov.
- v. If the Recipient is a water system that serves 500 or fewer persons, the Recipient represents that it has considered publicly-owned wells as an alternative drinking water supply.
- w. The Recipient represents that it is not a corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability; and it is not a corporation that was convicted of a felony criminal violation under a Federal law within the preceding 24 months.
- x. The Recipient agrees to immediately notify the Project Manager in writing about any allegation of research misconduct involving research activities that are supported in whole or in part with EPA funds under this Project, including fabrication, falsification, or plagiarism in proposing, performing, or reviewing research, or in reporting research results, or ordering, advising, or suggesting that subordinates engage in research misconduct.
- y. The Recipient agrees to comply with, and require all contractors and subcontractors to comply with, EPA's Scientific Integrity Policy, available at <https://www.epa.gov/osa/policy-epa-scientific-integrity>, when conducting, supervising, and communicating science and when using or applying the results of science. For purposes of this condition scientific activities include, but are not limited to, computer modelling, economic analysis, field sampling, laboratory experimentation, demonstrating new technology, statistical analysis, and writing a review article on a scientific issue.
- z. The Recipient shall not suppress, alter, or otherwise impede the timely release of scientific findings or conclusions; intimidate or coerce scientists to alter scientific data, findings, or professional opinions or exert non-scientific influence on scientific advisory boards; knowingly misrepresent, exaggerate, or downplay areas of scientific uncertainty; or otherwise violate the EPA's Scientific Integrity Policy. The Recipient must refrain from acts of research misconduct, including publication or reporting, as described in EPA's Policy and Procedures for Addressing Research Misconduct, Section 9.C, and must ensure scientific findings are generated and

disseminated in a timely and transparent manner, including scientific research performed by contractors and subcontractors.

- aa. The Recipient agrees to comply with the Animal Welfare Act of 1966 (7 USC 2131-2156). Recipient also agrees to abide by the "U.S. Government Principles for the Utilization and Care of Vertebrate Animals used in Testing, Research, and Training," available at <http://grants.nih.gov/grants/olaw/references/phspol.htm#USGovPrinciples>.
- bb. The Recipient certifies that no Project Funds will be used on:
 - i. Video surveillance or telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities), telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities);
 - ii. Telecommunications or video surveillance services produced by such entities;
 - iii. Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country; or
 - iv. Other telecommunications or video surveillance services or equipment in violation of [2 CFR 200.216](#).

United States Department of Agriculture

Office of the Secretary
Washington, D.C. 20250

March 5, 2021

The Honorable Gavin Newsom
Governor
State of California
Sacramento, California 95814

Dear Governor Newsom:

In accordance with 7 CFR 759.5(a), I am designating 50 California counties as primary natural disaster areas due to a recent drought.

According to the U.S. Drought Monitor (see <http://droughtmonitor.unl.edu/>), these counties suffered from a drought intensity value during the growing season of 1) D2 Drought-Severe for 8 or more consecutive weeks or 2) D3 Drought-Extreme or D4 Drought-Exceptional.

In accordance with section 321(a) of the Consolidated Farm and Rural Development Act, additional areas of your state and adjacent states are named as contiguous disaster counties. Enclosed you will find documentation that provides a detailed list of all primary and contiguous counties impacted by this disaster.

A Secretarial disaster designation makes farm operators in primary counties and those counties contiguous to such primary counties eligible to be considered for certain assistance from the Farm Service Agency (FSA), provided eligibility requirements are met. This assistance includes FSA emergency loans. Farmers in eligible counties have 8 months from the date of a Secretarial disaster declaration to apply for emergency loans. FSA considers each emergency loan application on its own merits, taking into account the extent of production losses on the farm and the security and repayment ability of the operator.

Local FSA offices can provide affected farmers with further information.

Sincerely,

A handwritten signature in blue ink, reading "Tom J. Vilsack", is positioned above the printed name of the Secretary.

Thomas J. Vilsack
Secretary

EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA

State of Emergency Proclamation

WHEREAS climate change is intensifying the impacts of droughts on our communities, environment and economy, and California must therefore improve drought resiliency and prepare to respond to more frequent, prolonged, and intense dry periods; and

WHEREAS much of the West is experiencing severe to exceptional drought and California is in a second consecutive year of dry conditions, resulting in drought or near-drought throughout many portions of the State; and

WHEREAS these drought conditions can result in degraded water quality, fallowing of productive farmland, setbacks to vulnerable and rural communities through job losses and longer-lasting recoveries, significant impacts to tribal, commercial, and recreational salmon fisheries, constraints on access to traditional lifeways, loss of aquatic and terrestrial biodiversity, and ecosystem impacts; and

WHEREAS drought conditions vary across the State and some watersheds, including the Russian River and Klamath Basin, are extremely dry and are facing substantial water supply and ecosystem challenges; and

WHEREAS it is necessary to expeditiously mitigate the effects of the drought conditions within the Russian River Watershed, located within Mendocino and Sonoma counties, to ensure the protection of health, safety, and the environment; and

WHEREAS experience in the last drought has demonstrated the value of preparing earlier for potential sustained dry conditions, the need to improve our monitoring and forecasting capabilities, and many other lessons that are captured in the Administration's *Report to the Legislature on the 2012-2016 Drought*; and

WHEREAS the State and its many partners have strengthened drought resilience since the last drought including state investments in water management systems, implementation of the Sustainable Groundwater Management Act, establishment of the Safe and Affordable Fund for Equity and Resilience Program, development of the Administration's *Water Resilience Portfolio*, and continued water conservation by Californians whose current statewide urban water use is 16% lower than at the beginning of the last drought; and

WHEREAS state agencies have been actively responding to current drought conditions and preparing for the possibility of a third dry year including through convenings of the interagency drought team, which was established at my direction, to organize, focus, and track changing conditions, coordinate state agency responses, and work closely with partners across the State; and

WHEREAS under the provisions of Government Code section 8558(b), I find that the conditions caused by the drought conditions, by reason of their magnitude, are or are likely to be beyond the control of the services, personnel, equipment, and facilities of any single local government and require the combined forces of a mutual aid region or regions to appropriately respond; and

WHEREAS under the provisions of Government Code section 8625(c), I find that local authority is inadequate to cope with the drought conditions; and

WHEREAS to protect public health and safety, it is critical the State take certain immediate actions without undue delay to prepare for and mitigate the effects of, the drought conditions within the Russian River Watershed, and under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this Proclamation would prevent, hinder, or delay the mitigation of the effects of the drought conditions of the Russian River Watershed, located within Mendocino and Sonoma counties.

NOW THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes, including the California Emergency Services Act, and in particular, section 8625, **HEREBY PROCLAIM A STATE OF EMERGENCY** to exist in Mendocino and Sonoma counties due to drought conditions in the Russian River Watershed.

IT IS HEREBY ORDERED THAT:

1. To further the success of California's water conservation efforts and increase our drought preparedness, state agencies shall partner with local water districts and utilities to make all Californians aware of drought, and encourage actions to reduce water usage by promoting the Department of Water Resources' Save Our Water campaign (<https://saveourwater.com>) and other water conservation programs.
2. To continue coordination with partners across the State for the potential of prolonged drought impacts, the Department of Water Resources, the State Water Resources Control Board (Water Board), the Department of Fish and Wildlife, and the Department of Food and Agriculture shall work with regional and local governments, including groundwater sustainability agencies, to identify watersheds, communities, public water systems, and ecosystems that may require coordinated state and local actions to address issues stemming from continued dry conditions, to ensure that we can respond to water shortages and protect people, natural resources and economic activity.
3. To continue partnership and coordination with Californian Native American tribes, state agencies shall engage in consultation, collaboration, and communication with California Native American tribes to assist them in necessary preparation and response to drought conditions on tribal lands and potential impacts to cultural and traditional resources within ancestral lands.
4. To prioritize drought response and preparedness resources, the Department of Water Resources, the Water Board, the Department of Fish and Wildlife and the Department of Food and Agriculture, in consultation with the Department of Finance, shall:
 - a. Accelerate funding for water supply enhancement, water conservation, or species conservation projects.
 - b. Identify unspent funds that can be repurposed to enable projects to address drought impacts to people, ecosystems, and economic activities.
 - c. Recommend additional financial support for water resilience infrastructure projects and actions for potential inclusion in the upcoming May Revision.

5. To increase resilience of our water supplies during drought conditions, the Department of Water Resources shall:
 - a. Work with counties to encourage reporting of household water shortages, such as dry residential wells, on the website the Department maintains for that purpose, to enable tracking of drought impacts.
 - b. Work with counties, and groundwater sustainability agencies as appropriate, to help ensure that well drillers submit required groundwater well logs for newly constructed and deepened wells in a timely manner.
 - c. Work with agricultural water suppliers and agricultural water users to provide technical assistance, including implementation of efficient water management practices and use of technology such as the California Irrigation Management Information System.
 - d. Work with urban and agricultural water suppliers to encourage timely submittal by water districts and public posting of urban water management and water shortage contingency plans and agricultural water management and drought plans.
 - e. Accelerate updating the land subsidence data it is providing to support implementation of the Sustainable Groundwater Management Act.
6. To increase resilience of our water systems during drought conditions, the Water Board shall:
 - a. Use its authority, provide technical assistance, and where feasible provide financial assistance, to support regular reporting of drinking water supply well levels and reservoir water levels where the Water Board determines that there is risk of supply failure because of lowering groundwater levels or reservoir levels that may fall below public water system intakes.
 - b. Prioritize the permitting of public water systems that anticipate the need to activate additional supply wells where water quality is a concern and treatment installation needs to proceed to relieve a system's potential supply concerns.
 - c. Provide annual water demand data, information on water right priority, and other communications on water availability on its website.
 - d. Identify watersheds where current diversion data is insufficient to evaluate supply impacts caused by dry conditions, and take actions to ensure prompt submittal of missing data in those watersheds.
7. To address the acutely dry conditions in the Russian River Watershed, the Water Board shall consider:
 - a. Modifying requirements for reservoir releases or diversion limitations in that watershed to ensure adequate, minimal water supplies for critical purposes.
 - b. Adopting emergency regulations to curtail water diversions when water is not available at water rights holders' priority of right or to protect releases of stored water.

For purposes of carrying out this directive, Public Resources Code, Division 13 (commencing with section 21000) and regulations adopted pursuant to that Division are suspended in the counties of Mendocino and Sonoma to the extent necessary to address the impacts of the drought in the Russian River Watershed. The Water Board shall identify the projects

eligible for the suspensions pursuant to this paragraph and maintain on its websites a list of the activities or approvals for which these provisions are suspended.

8. To ensure that equipment and services necessary for drought response in the Russian River Watershed can be procured quickly, the provisions of the Government Code and the Public Contract Code applicable to procurement, state contracts, and fleet assets, including, but not limited to, advertising and competitive bidding requirements, are hereby suspended to the extent necessary to address the effects of the drought in the Russian River Watershed, located within Mendocino and Sonoma counties. Approval of the Department of Finance is required prior to the execution of any contract entered into pursuant to this provision.
9. To increase the resilience of our natural habitats to protect vulnerable species during drought conditions, the Department of Fish and Wildlife shall:
 - a. Evaluate and take actions to protect terrestrial and aquatic species and, wherever possible, work with water users and other parties on voluntary measures to protect species.
 - b. Work to improve State hatcheries and increase water use efficiency on State wildlife areas and ecological reserves to maintain habitat for vulnerable species.
 - c. Respond to human-wildlife interactions related to ongoing dry conditions and increase public messaging and awareness.
 - d. Work with commercial and recreational salmon fishing and tribal representatives to anticipate and develop strategies to mitigate and respond to salmon fishery impacts, with particular emphasis on addressing impacts to salmon fisheries in the Klamath Basin.
10. To support our agricultural economy and food security during drought conditions, the Department of Food and Agriculture shall:
 - a. Provide technical assistance to support conservation planning, on-farm water and energy conservation practices and technologies, including augmenting the State Water Efficiency and Enhancement Program.
 - b. Conduct an economic analysis of drought impacts to agriculture, including land use, jobs, and rural food economies, expanding on existing research done in the last drought to include thorough regional analysis especially in the Central Valley, and in the implementation of the Sustainable Groundwater Management Act and alternative land uses for fallowed land.
 - c. Maintain a web page with drought resources for farmers and ranchers, including the United States Department of Agriculture and other federal and state resources.
 - d. Work with federal agencies to assist Klamath Basin farmers and ranchers contending with reduced water supplies.
11. To ensure the potential impacts of drought on communities are anticipated and proactively addressed, the Department of Water Resources, in coordination with the Water Board, shall develop groundwater management principles and strategies to monitor, analyze, and minimize impacts to drinking water wells.
12. To provide critical information on the different drought conditions across the State, the Department of Water Resources, in consultation with the Department of Fish and Wildlife, the Department of Food and Agriculture,

and the Water Board, shall develop a California Drought Monitor by December 31, 2021, as recommended in the Administration's Report to the Legislature on the 2012-2016 Drought.

13. To prepare for potential salinity issues in the Delta, the Department of Water Resources, in consultation with the Water Board, the Department of Fish and Wildlife, the Delta Stewardship Council, and the Central Valley Flood Protection Board, shall initiate actions necessary to prepare for and address potential Delta salinity issues during prolonged drought conditions.

14. To prepare for potential impacts of drought conditions on species, the Water Board and the Department of Fish and Wildlife shall work with federal agency partners to manage temperature conditions for the preservation of fish in the Sacramento River downstream of Shasta Dam while balancing water supply needs.

This Proclamation is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

I FURTHER DIRECT that as soon as hereafter possible, this Proclamation be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Proclamation.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 21st day of April 2021

ATTEST:

DR. SHIRLEY WEBER
Secretary of State

RESOLUTION PROCLAIMING A LOCAL EMERGENCY BY THE BOARD OF SUPERVISORS COUNTY OF TULARE, STATE OF CALIFORNIA

IN THE MATTER OF A)
LOCAL EMERGENCY DUE TO)
SEVERE DROUGHT CONDITIONS)

RESOLUTION NO. 2021-0290

WHEREAS, California's most recent drought spanning from approximately 2012 to 2018 required the proclamation of a Local Emergency by the County of Tulare from February 2014 to November 2019, as well as a Governor's State of Emergency and the combined resources of multiple local, state, and federal agencies, commercial entities, and non-profit organizations to mitigate; and

WHEREAS, over 3,000 failed or dry wells – including private domestic, community, and agricultural wells – were reported to Tulare County from 2014 to 2017 as a result of the prior drought, causing significant health, safety, and economic issues for Tulare County residents and businesses; and

WHEREAS, well over \$100 million in emergency relief and permanent infrastructure projects were expended to mitigate the effects of the prior drought; and

WHEREAS, a hydrological year ("water year") runs from October 1 to September 30 of the following year; and

WHEREAS, the current water year beginning October 1, 2020 is, to date, the third-driest on record, with potential to become the driest on record without significant additional precipitation which is unlikely to occur during the traditionally dry months; and

WHEREAS, the United States Drought Monitor shows that 94.51% of Tulare County is currently experiencing "Extreme Drought" (D3) conditions and the remaining 5.49% is in "Severe Drought" (D2) conditions, and the County of Tulare anticipates that these conditions will progress to "Exceptional Drought" (D4) conditions as occurred in the prior drought based on the current Southern Sierra snowpack measured at only 15% of historical average for April 1st, drastically reduced surface water allocations on the State Water Project and Central Valley Project, and correspondingly low water levels in local reservoirs; and

WHEREAS, surface water supply constraints create a demonstrable and unsustainable increase in demand for groundwater which is likely to cause additional dry wells for community water systems, private domestic wells, and agricultural wells, creating economic hardships and conditions of extreme peril to the health and safety of individuals within Tulare County requiring the combined forces of all levels of government to mitigate; and

WHEREAS, California Government Code section 8630 empowers the Board of Supervisors to proclaim the existence or threatened existence of a local emergency; and

WHEREAS, Section 1-15-1005 of the Tulare County Ordinance Code defines "emergency" to include "the actual or threatened existence of conditions of disaster or of

extreme peril to the safety of persons and property within [Tulare] County caused by such conditions as air pollution, fire, flood, storm, epidemic, riot, earthquake, or other conditions, ... which conditions are or are likely to be beyond the control of the services, personnel, equipment, and facilities of [Tulare] County, requiring the combined forces of other political subdivisions to combat"; and

NOW, THEREFORE, IT IS HEREBY PROCLAIMED that a local emergency now exists throughout said Tulare County due to drought which has created conditions of disaster and extreme peril to the safety of persons and property within the County, and that such conditions are or are likely to be beyond the control of the services, personnel, equipment, and/or facilities of this County, thus requiring the combined forces of other political subdivisions to combat; and

IT IS FURTHER PROCLAIMED that this local emergency is proclaimed pursuant to the California Emergency Services Act, California Government Code §8550 et seq.; and

IT IS REQUESTED that the Governor of the State of California find and proclaim Tulare County to be in a State of Emergency, and make available any and all material and financial support and resources necessary to combat the conditions of disaster, including but not limited to California Disaster Assistance Act funding for emergency protective measures and increased funding to relevant programs of the State Water Resources Control Board and Department of Water Resources; and

IT IS FURTHER REQUESTED that the Governor waive and all regulations and statutes that may hinder response to this emergency; and

IT IS PROCLAIMED AND ORDERED that during the existence of said local emergency, the powers, functions, and duties of the emergency organization of Tulare County shall be those prescribed by State law, by ordinances and resolutions of Tulare County, and by the Tulare County Operational Area Emergency Operations Plan, as approved by the Board of Supervisors.

UPON MOTION OF SUPERVISOR MICARI, SECONDED BY SUPERVISOR TOWNSEND, THE FOLLOWING WAS ADOPTED BY THE BOARD OF SUPERVISORS, AT AN OFFICIAL MEETING HELD APRIL 27, 2021, BY THE FOLLOWING VOTE:

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Modification to Conditional Use Permit PRC 2021-019 Arco Car Wash

SOURCE: Community Development

COMMENT: The applicant is requesting approval for Modification to Conditional Use Permit (CUP) PRC 2011-024-C to allow the development of a self-serve automated car wash facility to be located at 700 S. Jaye Street as part of the existing ARCO/AMPM convenience store and service station. The project is located within the Jaye Street Crossing Shopping Center. The use of Automobile/Vehicle Washing is a permitted use within the CR (Retail Centers) zone district with approval of a conditional use permit.

At its meeting on February 21, 2012, the City Council approved Resolution No. 20-2012, Conditional Use Permit PRC 2011-024-C, which entitled the development of an AMPM convenience store with alcohol sales, quick serve restaurant, ARCO gasoline station and an automated car wash facility. The CUP entitlement for the self-serve car wash facility became null and void because the development of the car wash facility was not undertaken within two years of approval. On May 26, 2021, the Project Review Committee (PRC) deemed the project consistent with the City of Porterville General Plan Land Use Policies and Guidelines. The proposed car wash facility compliments the existing uses and meets the CR zone district and the Development Ordinance.

On May 26, 2021, the Environmental Coordinator made a preliminary determination that the project is exempt from the California Environmental Quality Act pursuant to Section 15061(b) (2), of the California Code of Regulation (CEQA Guidelines), under the general rule that the project is exempt pursuant to a categorical exemption (15332 In-Fill Development Projects).

RECOMMENDATION: That the City Council adopt the draft Resolution approving Modification No. 1 of Conditional Use Permit (PRC 2011-024-C) subject to conditions of approval.

RESOLUTION NO. __-2021

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PORTERVILLE
CONTAINING FINDINGS IN SUPPORT OF APPROVAL OF A MODIFICATION No. 1 TO
CONDITIONAL USE PERMIT (PRC 2011-024-C) TO ALLOW FOR THE DEVELOPMENT
OF A SELF SERVE AUTOMATED CAR WASH FACILITY.

WHEREAS: The Jaye Street Crossing Commercial Center received initial approval in February of 2007, when the City Council authorized entitlements for a 75,000± square foot commercial center, including a general plan amendment, zone change, and vesting parcel maps for a 10.7± acre site at the northeast corner of Jaye Street and State Route 190; and

WHEREAS: On June 3, 2008, the City Council adopted Resolution 49-2008 containing findings and conditions in support of Design “D” Overlay Site Review 02-2008 to facilitate the development of the 75,00 square foot Jaye Street Crossing commercial center. Included in the resolution were design and architectural features as well as colors and tones of materials to be used; and

WHEREAS: On February 21, 2012, the City Council adopted Resolution 20-2012 containing findings and conditions in support of Conditional; Use Permit PRC 2011-024-C and Resolution 21-2012 containing findings in support of a Variance PRC 2011-024-V to allow the construction of an AMPM convenience store with alcohol sales, quick serve restaurant, ARCO gasoline station and automated car wash; and

WHEREAS: On May 26, 2021, the Project Review Committee reviewed proposed project for the construction of a new 1,800± square feet self-serve automated car wash facility

WHEREAS: The City Council of the City of Porterville at its scheduled meeting of July 20, 2021, held a public hearing and received public comment related to the proposed use permit; and

WHEREAS: The City Council considered the following findings in its review of the circumstances for this project:

1. The project is consistent with the goals, policies, and land use designation of the Porterville 2030 General Plan, which designates the site as Retail Centers as supported by the current CR (Retail Centers) zoning. The proposed self-serve automated car wash facility is a permitted use in the CR Zone District with the requested Conditional Use Permit. The project supports and complies with the following General Plan guiding policies:

LU-G-1: Promote a sustainable, balanced land use pattern that responds to existing needs and future needs of the City.

LU-G-11 Foster strong, visually attractive regional commercial centers with a mix of tenants to serve both local and regional needs.

ED-G-7 Create an image for Porterville that will attract and retain economic activity.

NOW, THEREFORE, BE IT RESOLVED: That the City Council of the City of Porterville does hereby approve Modification No. 1 for Conditional Use Permit (PRC 2011-024-C) subject to the following conditions:

1. Unless otherwise expressly modified, all conditions of approval within the subject site Conditional Use Permit (Resolution 20-2012) are to remain valid and are still in effect.
2. New structures and/or buildings shall comply with Resolution 49-2008 and with the PMC Chapter 21 § 203.03.
 - 203.03(a) Articulated Facades. Buildings shall provide adequate architectural articulation and detail to avoid a bulky and “box like” appearance. If new buildings or substantial remodel are proposed, the building façade shall be articulated with measures such as, indentation in plane, change of materials in a complimentary manner, sensitive composition and juxtaposition of opening and solid wall and/or building frame, and projecting elements, such as awnings or marquees, to provide shade and shelter. Strip malls are prohibited.
3. Development of the Auto service stations/car washes are shall comply with PMC Chapter 21 § 301.05(10) Specifically, please note the following subsections:
 - Washing Facilities: No building or structure shall be located within ten feet (10') of the property line or within twenty feet (20') of any interior lot line of a residential use or an R district.
 - Hours Of Operation: Automobile/vehicle washing facilities are limited to seven o'clock (7:00) A.M. to ten o'clock (10:00) P.M., seven (7) days a week. When abutting an R district, the hours of operation shall be eight o'clock (8:00) A.M. to eight o'clock (8:00) P.M., seven (7) days a week unless modified otherwise by a conditional use permit.
 - Application Review And Findings For Approval: In reviewing proposals, emphasis shall be placed on quality design of building materials and landscape features. The following standards shall be incorporated:
 - i. The project shall be designed so that form and scale are harmonious and consistent with the character of the specific site, the adjacent uses and structures, and the surrounding neighborhood.
 - ii. The site design, including the location and number of driveways, shall promote safe and efficient on site and off site traffic circulation.
 - iii. Service bay openings shall be designed to minimize the visual intrusion on surrounding streets and properties.
 - iv. Lighting shall be designed to be low profile, indirect or diffused, create a pleasing appearance, and avoid adverse impacts on surrounding uses.

- v. Conditions Of Approval: Conditions of approval of a conditional use permit may address operational characteristics of the use; impose restrictions on outdoor storage and display, location of pump islands, canopies and service bay openings; and/or require buffering, screening, lighting, planting areas, or other site elements, in order to avoid adverse impacts on properties in the surrounding area.
4. Parking Requirements are regulated by Chapter 304, and Parking Area Design and Development Standards are addressed in §304.10. The site plan as proposed does not meet certain conditions. Specifically, please note the following subsections:
 - §304.04(h) Queuing Area. The number of parking spaces required by Table 304.04(A) does not include queuing space that may be required for vehicles and customers waiting in vehicles for service at drive-through facilities, pump stations, auto service bays, or similar uses. Queuing Area shall provide space for six (6) vehicles (restaurants shall provide spacing from the menu board). In lieu of this standard, a focused traffic study which models vehicular queuing may be prepared subject to Zoning Administrator approval. The stacking area shall not interfere with other on-site circulation and parking facilities. Where required, queuing area shall be measured as twenty (20) feet per car.
 - §304.10(c) Size of Parking Spaces and Maneuvering Aisles. Parking spaces and maneuvering aisles shall be provided to meet the minimum dimensions required by this subsection. Screening walls, roof support posts, columns, or other structural members shall not intrude into the required dimensions for parking spaces.
 - §304.10(i) Landscaping. Landscaping of parking areas shall be provided and maintained according to the general standards of Chapter 303, Landscaping, as well as the standards of this subsection. This is a sizeable section and will not be included in the letter, but please review this section in the Development Code.
5. In addition to the landscaping provisions identified in §304.10(i) referenced above, Landscaping shall comply with PMC Chapter 21 §303 Landscaping (see specifically §303.04) and with PMC Chapter 25, Article I, Division 6, as it relates to water conservation irrigation. Landscaping shall not be installed prior to submittal and approval of a landscaping plan.
6. All signage, permanent and temporary are subject to PMC Ch. 21 §305. Please see Table 305.09 for sign types and area allowance. Also, specifically note the following subsections:
 - §305.05(d) [Exempt Signs include} Signs, not more than four (4) square feet in area, incorporated into displays, machinery or equipment by a manufacturer, distributor or vendor, such as signs customarily fixed to automated teller machines (ATMs), gasoline pumps, vending machines, menu boards and umbrellas, such as those represented in Figure 305.05(D).
 - §305.07(e) Changeable Copy. Changeable copy shall cover no more than forty percent (40%) of the total sign allowance for manually changeable signs. For

electronic message center signs with copy that can be changed or altered by electric, electromechanical, electronic, or any other artificial energy means, the changeable portion of the sign shall cover no more than forty percent (40%) of the total sign allowance. *The following uses are exempt from this restriction:* religious institutions, cinemas, government or civic uses, *gas station uses*, indoor theaters, schools, and colleges.

7. Lighting and Illumination shall comply with PMC Chapter 21 § 300.07.
 - Maximum height for light fixtures in the CG zone district shall be 40 feet.
 - Parking lot lighting shall comply with PMC Chapter 21 § 304.10(g)
8. Trash Enclosure shall be developed per PMC Chapter 21 § 300.13.
9. Development shall comply with PMC Chapter 21 § 306 Performance Standards.
 - 306.07 Lighting and Glare
 - 306.08 Maintenance
10. The developer/applicant shall submit four (4) complete sets of plans, signed by licensed Architect or Engineer, including four (4) sets of energy calculations and structural calculations.
11. Plan submittals shall comply with current access laws (both State and Federal). The most stringent Code shall prevail.
12. Plan submittals shall comply with all current applicable Codes.
13. The developer/applicant shall make payment of the required plan check fees at the time of building permit plan submittal.
14. The developer/applicant shall provide soil compaction test(s) as required by the applicable building code sections.
15. The developer/applicant shall pay School Development fees and all other City fees at the time table determined by current City Ordinance.
16. The developer/applicant shall pay all fees according to the Municipal Code and State Law.
17. The developer/applicant shall obtain plan approval from the Tulare County Health Department and provide proof of said approval to the City of Porterville Building Department prior to the issuance of the building permit.
18. Restrooms, main entrance/s, and paths of travel from designated parking stalls shall comply with current access laws (both State and Federal). The most stringent Code shall prevail.

19. Plan submittals shall include the installation of bike racks if the occupant load is ten (10) or more. (Per California Green Code.)
20. Plan submittals shall include the installation of Clean Air parking stall(s) if ten (10) or more parking stalls are required for the project. (Per California Green Code.)
21. Plan submittals shall include a Commissioning Plan for all buildings over 10,000 sq ft. (Per California Green Code.)
22. Compliance forms and worksheets are required to be included on all plan submittals. (Per California Green Code.)
23. All construction offices, storage containers, etc. planned and/or intended for temporary use during construction must receive approval from the Chief Building Official through a separate permit process prior to their installation and/or placement on the property and must be removed from the jobsite prior to final occupancy being requested and/or approved.
24. The developer/applicant shall submit a racking plan with supporting engineering calculations, if applicable to the project.
25. Signs require separate plan submittal and separate permit per the Development Ordinances.
26. Tulare County Health Department must conduct their inspection and provide approval of the building construction prior to final occupancy being requested/granted by the City of Porterville
27. The Building Official has designated the proposed construction to be an Occupancy Classification.
28. Allow four (4) weeks review time for the initial plan check submittal and an additional four (4) weeks review time for each subsequent re-submittal.
29. See attached plan check list.
30. NO DEFERRED ITEMS. Plans submitted with deferred items will automatically be rejected and are not guaranteed a complete plan review prior to said rejection.
31. A back-flow device is required on the water meter.
32. A grease trap or grease interceptor is required.
33. The developer/applicant shall comply with the City standard for "backflow" prevention pursuant to Resolution No. 9615.

34. The developer/applicant shall comply with Ordinance No. 1636 regarding Waste Water Discharge requirements and shall complete and submit the following:
- Wastewater Discharge Permit application, Part “A”; and If monitoring is required, based on the responses to questions in Part “A” of the Wastewater Discharge Permit, then the developer/applicant shall complete and submit the remainder of the application along with the Permit Fee, and provide monitoring facilities to allow inspection, sampling, and flow measurement of the flows in the sewer and drainage system.
35. An oil, sand, and silt separator, with a capacity of at least 1,000 gallons, will be required for this car wash development. Capacity calculations shall be provided with the building permit application. City also requests that the developer/applicant consider enhancing the water recycling and water conservation capabilities of the proposed car wash facility.
36. The developer/applicant shall install a refuse container enclosure according to City standards. Enclosure location to be approved by City prior to issuance of building permit. Enclosure should be oriented for direct stab pick up. The developer/ applicant shall also sign a waiver of liability for refuse truck damage to the parking lot if the refuse container location requires refuse trucks to travel on the parking lot.
37. The Conditional Use Permit shall become null and void if not undertaken within two years of approval.
38. That the subject site will be developed/maintained in accordance with the plans labeled Exhibit A and Exhibit B.

PASSED, APPROVED AND ADOPTED this 20th day of July, 2021.

RESOLUTION NO. 20 -2012

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PORTERVILLE
CONTAINING FINDINGS IN SUPPORT OF CONDITIONAL USE PERMIT
PRC 2011-24-C TO ALLOW THE CONSTRUCTION OF AN AM/PM CONVENIENCE
STORE WITH ALCOHOL SALES, QUICK SERVE RESTAURANT,
ARCO GASOLINE STATION AND AUTOMATED CAR WASH

WHEREAS: On February 20, 2007, the City Council adopted Resolution 8-2007 certifying the Final Environmental Impact Report (EIR) evaluating the environmental impacts, mitigation measures and land use changes necessary to facilitate the development of a 10.7± acre site with a 75,000± square foot commercial center known as Jaye Street Crossing; and

WHEREAS: On June 3, 2008, the City Council adopted Resolution 49-2008 containing findings and conditions in support of Design "D" Overlay Site Review 02-2008 to facilitate the development of the 75,000 square foot Jaye Street Crossing commercial center. Included in the resolution were design and architectural features as well as colors and tones of materials to be used; and

WHEREAS: The City Council of the City of Porterville, at its regularly scheduled meeting of February 21, 2012, reviewed and considered the application material for the proposed AM/PM convenience store, quick serve restaurant, ARCO gasoline station and automated car wash to be located on the southeast corner of Jaye Street and Vandalia Avenue, in the Jaye Street Crossing commercial center. Pursuant to Chapter 203 of the Porterville Development Ordinance a service station and an automobile/vehicle washing facility require a conditional use permit (CUP) in the CR zone and pursuant to §301.03 a conditional use permit is required for alcoholic beverage sales as well; and

WHEREAS: The City Council made the following findings:

1. That the proposed project will advance the goals and objectives of and is consistent with the policies of the General Plan and any other applicable plan that the City has adopted.
 - a. The project supports and complies with the following General Plan guiding policies:
 - LU-G-1: Promote a sustainable, balanced land use pattern that responds to existing needs and future needs of the City.
 - LU-G-3 Promote sustainability in the design and development of public and private development projects.
 - LU-G-21 Attract and retain specialty retail and restaurant businesses that will enhance Porterville's unique character.

ED-G-7 Create an image for Porterville that will attract and retain economic activity.

- b. All structures on the site are consistent with the approved architectural theme required in the Jaye Street Crossing master conditions of approval as found in Resolution 49-2008.
2. That the location, size, design, and operating characteristics of the proposed project are consistent with the purposes of the district where it is located and conforms in all significant respects with the General Plan and with any other applicable plan adopted by the City Council.
- a. The site complies with all standards of the Development Ordinance except those for which variances are sought.
 - b. With the exception of the minimum dimension of the landscape planter on the corner of Vandalia Avenue and Kessing Street, the design of the site exceeds Development Ordinance requirements for parking and landscaping.

NOW, THEREFORE, BE IT RESOLVED: That the City Council of the City of Porterville does hereby approve Conditional Use Permit PRC 2011-24-C subject to the following conditions:

1. The following conditions are specific to the Alcoholic Beverage license:
- a. Any future change in operation which substantially alters the condition or nature of the subject business will require approval by the City Council if such modification involves sales area expansion.
 - b. No advertising of alcoholic beverages shall be placed on the exterior of the building, nor seen from the public right of way (i.e. no window advertising or digital signage) and shall further comply with the Jaye Street Crossing Master Sign Program.
 - c. That the applicant shall operate the establishment in such a manner as to preserve the public safety, health and welfare, to prevent the use from becoming a nuisance and operate the business in compliance with all laws, ordinances and regulations regarding the sale of alcohol. In the event that this or any other condition of approval is violated, the City Council may modify or revoke the conditional use permit as provided in Section 601.12 of the Porterville Development Ordinance.
 - d. No more than twenty-five (25) percent of the sales floor area may be dedicated to the sales of alcoholic beverages.
 - e. That the on-site consumption of alcoholic beverages shall be prohibited.

- f. The conditional use permit, approving off-site alcohol sales, will be subject to modification or revocation if the off-sale license is sanctioned by the State of California.
 - g. The use shall be conducted in compliance with all applicable local, state and federal regulations.
2. That the applicant/owner shall implement the mitigation measures incorporated into the project approval of the certified Final EIR (Resolution 8-2007) for the project.
 3. The project requires a parcel merger and lot line adjustment. No building permits will be issued prior to recordation.
 4. The applicant and adjacent property owner must have signed a reciprocal ingress/egress agreement recorded prior to issuance of a building permit.
 5. Any exterior mechanical or utility equipment must be screened from public view in a manner that is architecturally integrated into the building, and automated car wash openings shall be screened from public streets to a height of forty (40) inches. Screening devices shall consist of walls and/or berms with supplemental plant materials.
 6. Landscaping Plan. A full size print (22 x 34) of a landscaping plan of the site, including the size and species of plants, a layout of the sprinkler system for maintaining the landscaping, and a maintenance and watering schedule, shall be submitted to the Community Development Department for approval prior to issuance of the building permit, and the approved plan shall be implemented prior to occupancy of the premises under the permit. The landscape plan shall be in accordance with the requirements of the Municipal Code and Chapter 303 of the Porterville Development Ordinance. Landscaping should be of a low water demand nature. Backflow prevention devices shall be screened with plant material and located to maximize aesthetics. An automatic irrigation system incorporating time clocks and/or moisture sensors shall be installed.
 7. Landscape Maintenance. All landscaping areas on the property and in the public parkway shall be permanently maintained with healthy, growing plant material, free from weeds, as shown on the approved landscape plan. Landscaping shall be watered in accordance with the approved maintenance and watering schedule that is incorporated into the landscape plan. At no time shall landscape areas be permitted to show lack of fresh green color or a loss of resilience due to lack of water. Lawn areas shall be mowed and maintained so that the grass does not exceed four (4) inches in height, and/or does not develop seed.

NOTE: Clumping grasses that are meant to be left in their natural state and are not meant to be mowed, such as creeping red fescue, are excepted from this condition.

Lawn areas shall be edged to prevent grass from overhanging public or private sidewalks. Litter and plant trimmings shall be removed from the site within one week of date of

notice by Community Development Department. Dead or dying plant material shall be replaced within one month of notice by Community Development Department. Failure to comply with this condition is a public nuisance and is subject to the adopted Citation Ordinance of the City of Porterville.

8. The developer/applicant shall design and improve the parking lot in conformance with Chapter 304 of the Development Code.
9. Jaye Street Crossing has a Master Sign Program in place and all signage must comply accordingly.
10. The project shall comply with the additional requirements of §301.06 Auto Service Stations and Car Washing.
11. A pre-construction survey for migratory birds shall be performed if construction occurs between February 1 and September 15.
12. Unless otherwise noted, the developer/applicant shall comply with the City Master Plans, Standard Specifications for Public Works Construction (2009 Edition), and Standard Plans and Specifications (2007 Edition), except where they are in conflict with the Americans with Disabilities Act and the 2010 California Building Code, the Tulare County Hazardous Waste Management Plan, the California Manual on Uniform Traffic Control Devices, the Porterville Circulation Element, or the Tulare County Congestion Management Program.
13. The developer/applicant shall pay all applicable fees according to the Municipal Code and State law. The developer/applicant is hereby notified that you have the right to pay fees, dedications, reservations or other exactions, under protest, pursuant to Government Code Section 66020(a). You have 90 days from the date fees are paid to file a written protest.
14. The developer/applicant shall comply with Appendix J, "Grading" of the 2010 California Building Code, including provision of a grading and drainage plan signed by a licensed civil engineer or architect.
15. The developer/applicant shall comply with City Retaining Wall Standards (adopted by City Council on January 3, 1989).
16. A Soils Report is on file with the Chief Building Official in conformance with Chapter 18 of the California Building Code. The developer/applicant may need to provide additional information prior to the issuance of the building permit should the Engineering and Building Division feel it is necessary to address specific needs of the project.
17. The developer/applicant shall construct and/or repair street, curb, gutter, sidewalk, etc. along the Jaye Street, Vandalia Avenue and Kessing Street frontages, except where they exist and are in good condition in the opinion of the City Engineer (Ord. No. 1306).

18. The developer/applicant shall comply with driveway vehicular sight distance requirements per Section 300.16 of the Development ordinance.
19. The developer/applicant shall design the parking lot in conformance with Section 304 of the Development Ordinance. Minimum cross slopes within the parking lot shall be 1.5% for asphalt concrete or 1% for concrete paving areas.
20. The developer/applicant shall construct full-width (25 feet minimum) pavement improvements that straddle the south property line in accordance with Section 304 of the Development Ordinance, inclusive of a fully constructed driveway (curb return to curb return) for egress and ingress on Kessing Street. An asphalt concrete dike shall be constructed along the south edge of pavement between Jaye Street and Kessing Street. No parking or vehicular circulation is allowed on unpaved portions of the site.
21. The developer shall construct a driveway aisle that aligns with the existing ingress/egress improvements on Jaye Street.
22. The developer/applicant shall be aware that certain project improvements and existing frontage improvements along Jaye Street, Vandalia Avenue and Kessing Street were previously constructed by the City. Right of way purchases and other pertinent development requirements shall conform to a fully executed agreement between the property owner and the City of Porterville. A copy will be delivered to the developer/applicant upon request.
23. The developer/applicant shall construct drainage facilities as required to serve the property (Ord. No. 1306). Staff is requesting that the parking lot be designed to convey water to the City drainage system without crossing driveways.
24. The developer/applicant shall provide streetlights on Marbelite poles following Southern California Edison Company specifications, as approved by the City Engineer. The use of wood poles is prohibited without prior written approval of the City Engineer. A map was provided during the PRC meeting illustrating a single 16000 lumen street light on the east side of the property to be developed (Kessing Street frontage).
25. The developer/applicant shall, under City inspection, remove all existing abandoned and unnecessary items to the satisfaction of the City Engineer before the issuance of a certificate of occupancy (for example: foundations, septic tanks, irrigation pipes, etc.).
26. The developer/applicant shall abandon existing wells, if any, after first getting an abandonment permit from the Tulare County Environmental Health Department and provide the City Engineer with proof of compliance with County regulations before performing any grading or issuance of the building permit, whichever comes first.
27. The developer/applicant is advised that he/she is obligated to comply with the National Pollutant Discharge Elimination System (NPDES) General Permit No. CAS000002 for

Discharges of Storm Water Associated with Construction Activity (except operations that result in disturbance of less than one acre of total land area and which are not a part of a larger common plan of development or sale). Before construction begins, the proponent must submit a Notice of Intent (NOI) to comply with the permit, a site map, and appropriate fee to the State Water Resources Control Board (SWRCB). The proponent must also prepare a Storm Water Pollution Prevention Plan (SWPPP) for the entire project before construction begins. The SWPPP must contain at a minimum all items listed in Section A of the permit, including descriptions of measures to be taken to prevent or eliminate unauthorized non-storm water discharges and both temporary (e.g., fiber rolls, silt fences, etc.) and permanent (e.g., vegetated swales, detention basins, etc.) best management practices that will be implemented to prevent pollutants from discharging with storm water into water of the United States. If portions of the project area are to be sold off before the entire project is completed, the proponent must submit to the California Regional Water Quality Control Board a change of information form identifying the new owners along with a revised site map clearly depicting those portions that were sold and those that are remaining. The proponent is also responsible for informing each new owner of their responsibility to submit their own NOI, site map, and appropriate fee to the SWRCB and to prepare their own SWPPP.

28. The developer/applicant shall assure compliance with applicable San Joaquin Valley Unified Air Pollution Control District Rules (e.g., Numbers 8010, 8020 and 8030), regarding fugitive dust by obtaining a Dust Control Permit, as well as Section 7-8, Project Site Maintenance of the Standard Specifications. The developer/applicant shall provide a street sweeper as necessary to comply. During grading operations, the "Supervising Civil Engineer" shall be responsible for enforcing the dust control provisions of Section 7-8 or the developer/applicant shall pay inspection fees on the grading cost to compensate the City for dust control inspection. The improvement plans shall show a designated wash out area for concrete trucks, and a sign designating it as such. The developer/applicant shall remove and properly dispose of waste concrete deposited in this area.

The project must also comply with Rules 9510 and 3180 – Indirect Source Review (ISR). Effective March 1, 2006, the San Joaquin Valley Air Pollution Control District will enforce the Indirect Source Rule (ISR). ISR applies to projects that are at least: 2,000 square feet of commercial space.

It is the applicants' responsibility to file an application (found at <http://www.valleyair.org/ISR/ISR.htm>) with the District. For more information regarding the Indirect Source Rule, please contact the San Joaquin Valley Air Pollution Control District at (559) 230-6000. The Central Region office in Fresno is leading the ISR enforcement.

29. The developer/applicant shall comply with Ordinance No. 1636 regarding Wastewater Discharge requirements and shall complete and submit the following: Wastewater Discharge Permit Application, Part "A"; and if monitoring is required, based on the responses to questions in Part "A" of the Wastewater Discharge Permit, then the

developer/applicant shall complete and submit the remainder of the application along with the Permit Fee, and provide monitoring facilities to allow inspection, sampling, and flow measurement of the flows in the sewer and drainage system.

30. An oil, sand, and silt separator with a capacity of at least 1,000 gallons will be required for this car wash development. Calculations will be required at the building permit submittal stage to verify that the interceptor is correctly sized.
31. The developer/applicant shall construct the pipe connecting to on-site fire hydrants to City water main standards and shall provide easements for maintenance to the on-site water mains.
32. The developer/applicant is hereby notified that the installation of an additional water meter, servicing the irrigation system would be beneficial for monitoring actual water usage. The City will monitor actual water usage for one year and will bill the owner the impact fees based on the actual water usage.
33. The developer/applicant shall design on-site water systems meeting the requirements of California Plumbing Code and Fire Code. It shall be noted that the City water system complies with Title 22 of the California Administrative Code and any assurance to effectively provide water pressure for multi-story buildings is a the sole responsibility of the owner/builder.
34. A back-flow device is required on the water meter. The developer/applicant shall comply with the City standard for "backflow" prevention pursuant to Resolution No. 9615.
35. A grease trap or grease interceptor is required if the store has a hot deli.
36. The developer/applicant shall install a refuse container enclosure which will accommodate solid waste and recyclable materials removal or collection according to City standards (Sec 13-15). Enclosure location is to be approved by City prior to issuance of building permit. Enclosure should be oriented for direct pick up. The developer/applicant shall also sign a waiver of liability for refuse truck damage to the parking lot if the refuse container location requires refuse trucks to travel on the parking lot.
37. Submit three (3) complete sets of plans, signed by a licensed Architect or Engineer, to include two (2) sets of energy calculations and structural calculations.
38. Compliance with all applicable codes is required.
39. Compliance with access laws (both State and Federal) is required.
40. Restrooms and main entrance must comply with disabled access laws.
41. Plan check fees are required at time of building permit submittal.

42. Soil and compaction reports required at the time of building permit submittal.
43. School Development fees and all other City fees are due as determined by City Ordinance.
44. One (1) Van & one (1) regular ADA parking stalls are required.
45. Bike racking required per Green Code. (Minimum five (5) bikes).
46. One (1) Clean Air parking stall shall be required per Green Code.
47. Compliance forms and worksheets required on plans. (Green Code)
48. All construction offices, storage containers, etc. for temporary use must receive Chief Building Official approval.
49. The developer/applicant shall pay all fees according to the Municipal Code and State Law.
50. There are no deferred items allowed.
51. Based on the occupancy classification, an automatic fire sprinkler system may be required.
52. Depending on the location of the existing fire hydrant(s), additional fire hydrants may be required. All hydrants must be in place and accepted by the Fire Department prior to any combustibles being brought onto the site.
53. The City will test and maintain all fire hydrants in the City whether on private property or not. This requires an easement from the owner.
54. Fire hydrant spacing shall be as follows:
In Commercial development, one hydrant shall be installed at 300-foot intervals;
In Residential development, one hydrant shall be installed at 500-foot intervals.
55. Access roads shall be provided for every facility, building or portion of a building, when any portion of the facility or portion of an exterior wall is located more than 150 feet from a fire apparatus access as measured by an approved route around the exterior of the building.
56. All dead-end access roads in excess of 150 feet must be provided with an approved turn-around complying with City standards.
57. Project must meet minimum fire flow requirements per the table in Appendix B & C of the California Fire Code. Fire flow for the project as proposed would be 1,750 GPM.

58. Areas identified as "Fire Lanes" must be identified as such by red painted curbs and identified per requirements set forth in the California Vehicle Code Section 22500.1.
59. A Knox box shall be required. An application may be obtained from the Fire Department.
60. The Conditional Use Permit shall become null and void if not undertaken within two years of approval.
61. That the subject site will be developed/maintained in accordance with the plans labeled Exhibit A through E.

PASSED, APPROVED AND ADOPTED this 21ST day of February 2012.

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Establishing Landscape and Lighting Maintenance Districts and Tax Assessments for Parcels Within Summit Estates II Phase 2 and Royal Oaks

SOURCE: Parks and Leisure Services

COMMENT: New subdivisions within the City are required to petition for the formation of a Landscape and Lighting Maintenance Assessment District. The districts are formed to secure funding from parcels within the subdivisions for operational and maintenance expenses of any public lighting and any public landscape areas. The City utilizes the authority governed by the 1972 Lighting and Landscape Assessment Act to create a district for each subdivision. Thereafter, every year a process must be followed of evaluating maintenance needs and establishing an assessment to be placed upon the tax rolls for every parcel within each district.

The attached Resolution is necessary to initiate the process of creating new districts for two subdivisions. The Resolution orders the formation of the new districts, approves the Engineer's Report which accompanies this report, and declares the intent to levy and collect tax assessments.

RECOMMENDATION: That the City Council:

1. Conduct the Public Hearing to receive public comment on establishing Landscape and Lighting Maintenance District Numbers 55 and 56; and
2. Adopt the draft Resolution approving the Engineer's Report and assessment method.

RESOLUTION NO. -2021

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PORTERVILLE,
COUNTY OF TULARE, STATE OF CALIFORNIA,
ESTABLISHING LANDSCAPE AND LIGHTING MAINTENANCE DISTRICTS 55 and 56,
APPROVING ENGINEER'S REPORT FOR SAID DISTRICT, AND
APPROVING THE METHOD AND LEVY OF ASSESSMENTS**

WHEREAS, the City Council of the City of Porterville did on the 6th day of July 2021, adopt Resolution No. 28-2021 declaring its intention to order the formation of Landscape and Lighting Maintenance District numbers 55-56; and

WHEREAS, the public hearing on the consolidation has been set on July 20, 2021, subject to the Landscape and Lighting Act of 1972; and

WHEREAS, a duly noticed public hearing has been held to receive objections to the formation of said Districts, or the levy of assessments.

NOW THEREFORE, BE IT RESOLVED, by the City Council of the City of Porterville as follows:

- (1) The public interest, convenience and necessity require the formation of Landscape and Lighting Maintenance District numbers 55 and 56, and that the Districts shall hereby be formed.
- (2) The Engineer's Reports and diagrams for Districts 55 and 56 are hereby approved, and the work as set forth therein is to be done.
- (3) That the method of assessment and the levy of assessments as indicated within said Engineer's Reports are hereby approved.

CITY OF PORTERVILLE
ENGINEER'S REPORT FOR LANDSCAPING AND LIGHTING
MAINTENANCE DISTRICT NO. 55

SECTION 1. Authority for Report

This report is prepared by order of the City Council of the City of Porterville Resolution No. 26-2021. The report is in compliance with the requirement of Article 4, Chapter 1, Division 15 of the Streets and Highways Code, State of California (Landscape and Lighting Act of 1972).

SECTION 2. General Description

The City Council has elected to include landscape and lighting at Summit Estates II Phase 2 Subdivision into the Landscape and Lighting Maintenance District No. 55. The City Council has determined that the areas to be landscaped and lighted will have an effect upon all parcels within the proposed boundaries of the District. The areas for street lights are included on all streets within the subdivision.

SECTION 3. Plans and Specifications

The plans and specifications for the lighting were prepared by the developer and are in conformance with the requirements of the City of Porterville. All lights to be maintained will be shown on the subdivision maps as roadway rights-of-way, or easements to be granted to the City of Porterville. The total street lights to be maintained are 41. Maintenance activities within the Landscape and Lighting Maintenance District No. 55 are to only include lighting maintenance.

SECTION 4. Improvements

Landscape and lighting improvements were made by the developer of Summit Estates II Phase 2.

SECTION 5. Estimated Costs

The construction cost will be borne by the developer and will not be assessed. The subdivision map has been filed for record and the improvements have been installed and certain maintenance on the areas will be necessary during fiscal year 2021-2022. It is appropriate that the assessments be made in advance of the anticipated expenditure to provide working capital for the maintenance effort. In this District assessments will be made during the 2021-2022 Fiscal Year.

SECTION 6. Assessment Diagram

A copy of the proposed assessment diagram entitled "Landscape and Lighting Maintenance District No. 55 is attached to this report and by reference is made part thereof.

SECTION 7. Assessment

The initial cost of constructing improvements has been borne by the developer. The improvement areas are established for the benefit of all properties within the proposed Landscape and Lighting Maintenance District No. 55. The establishment and maintenance of the improvements is a vital part of the development of Summit Estates II Phase 2 Subdivision. The City Council of Porterville has determined that to insure satisfactory levels of maintenance for the landscape and lighting at Summit Estates II Phase 2 Subdivision, it should become Landscape and Lighting Maintenance District No. 55. The subdivision consists of 118 Lots.

Landscape and Lighting Maintenance District No. 55 will consist of an area comprising approximately 15.7 acres. A total of 118 lots are proposed to be developed. The improvements will consist of those improvements described in Section 4 of this report. The maintenance of the improvements is a vital part of the development for the protection or safety, economic and humanistic values. The City Council has determined that, for the preservation of values

incorporated within this development, all lots will receive equal benefit from the landscaping and street lighting.

The determination of benefits takes into consideration the following facts:

1. The purpose of the improvements is to provide a favorable aesthetic appearance of the area.
2. Properly maintained landscaping and lighting benefits all properties in the development.
3. The lots not adjacent to the landscaping and lighting facility improvements benefit for the maintenance equally to those lots adjacent to the improvements.

Estimated 2021-2022 Assessment

Assessment (A) = \$ 13,117.34

Number of Lots 118

A = $\frac{\$ 13,117.34}{118}$ = \$ 111.16 per lot for Summit Estates II Phase 2 Subdivision

Total Assessment for 2021-2022 = \$ 13,117.34

Total developed lot count is 118 lots.

SECTION 8. Order of Events

CITY OF PORTERVILLE
ENGINEER'S REPORT FOR LANDSCAPING AND LIGHTING
MAINTENANCE DISTRICT NO. 56

SECTION 1. Authority for Report

This report is prepared by order of the City Council of the City of Porterville Resolution No. 26-2021. The report is in compliance with the requirement of Article 4, Chapter 1, Division 15 of the Streets and Highways Code, State of California (Landscape and Lighting Act of 1972).

SECTION 2. General Description

The City Council has elected to include landscape and lighting at Royal Oaks Subdivision 1A into the Landscape and Lighting Maintenance District No. 56. The City Council has determined that the areas to be landscaped and lighted will have an effect upon all parcels within the proposed boundaries of the District. The areas for street lights are included on all streets within the subdivision. The landscaping includes a landscaped area along South Indiana Street and Brown Avenue. The landscape maintenance includes: irrigation, mowing, pruning, vegetation and rodent control, and a set amount aside for replacement.

SECTION 3. Plans and Specifications

The plans and specifications for the lighting were prepared by the developer and are in conformance with the requirements of the City of Porterville. All lights to be maintained will be shown on the subdivision maps as roadway rights-of-way, or easements to be granted to the City of Porterville. The total street lights to be maintained are 18. Total landscaped area to be maintained is 16,686 square feet. Maintenance activities within the Landscape and Lighting Maintenance District No. 56 are to include landscape and lighting maintenance.

SECTION 4. Improvements

Landscape and lighting improvements were made by the developer of Royal Oaks.

SECTION 5. Estimated Costs

The construction cost will be borne by the developer and will not be assessed. The subdivision map has been filed for record and the improvements have been installed and certain maintenance on the areas will be necessary during fiscal year 2021-2022. It is appropriate that the assessments be made in advance of the anticipated expenditure to provide working capital for the maintenance effort. In this District, assessments will be made during the 2021-2022 Fiscal Year:

Estimated Assessment 2021-2022

Estimated Cost Per Year \$ 11,770.06			

SECTION 6. Assessment Diagram

A copy of the proposed assessment diagram entitled "Landscape and Lighting Maintenance District No. 56 is attached to this report and by reference is made part thereof.

SECTION 7. Assessment

The initial cost of constructing improvements has been borne by the developer. The improvement areas are established for the benefit of all properties within the proposed Landscape and Lighting Maintenance District No. 56. The establishment and maintenance of the improvements is a vital part of the development of Royal Oaks Subdivision. The City Council of Porterville has determined that to insure satisfactory levels of maintenance for the landscape and lighting at Royal Oaks Subdivision, it should become Landscape and Lighting Maintenance District No. 56. The subdivision consists of 69 Lots. The Landscape area, which benefits the 69 lots, is located along South Indiana Street and Brown Avenue.

Landscape and Lighting Maintenance District No. 56 will consist of an area comprising approximately 0.383 acres. A total of 69 lots are proposed to be developed. The improvements will consist of those improvements described in Section 4 of this report. The maintenance of the improvements is a vital part of the development for the protection or safety, economic and humanistic values. The City Council has determined that, for the preservation of values

incorporated within this development, all lots will receive equal benefit from the landscaping and street lighting.

The determination of benefits takes into consideration the following facts:

1. The purpose of the improvements is to provide a favorable aesthetic appearance of the area.
2. Properly maintained landscaping and lighting benefits all properties in the development.
3. The lots not adjacent to the landscaping and lighting facility improvements benefit for the maintenance equally to those lots adjacent to the improvements.

ORDINANCE NO. 1886

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF PORTERVILLE
APPROVING A DEVELOPMENT AGREEMENT BETWEEN
THE CITY OF PORTERVILLE AND COAST TO COAST CAREGIVERS CORP. DBA
CULTURE CANNABIS CLUB AND JOVITA FRANKLIN RELATING TO
THE DEVELOPMENT OF A RETAIL CANNABIS DISPENSARY**

WHEREAS, to strengthen the public planning process, encourage private participation in comprehensive planning and reduce the economic risk of development, the California State Legislature adopted Government Code Sections 65864 et seq. (the “Development Agreement Statute”) which authorizes cities to enter in agreements for the development of real property with any person having a legal or equitable interest in such property in order to establish certain development rights in such property;

WHEREAS, in accordance with the Development Agreement Statute, the City of Porterville has enacted regulations to implement procedures for the processing and approval of development agreements in accordance with the Development Agreement Statute;

WHEREAS, in accordance with Chapter 15, Article VII of the Porterville Municipal Code, the City of Porterville awarded, via a Request for Proposals process, an opportunity to Coast to Coast Caregivers Corp. (dba Culture Cannabis Club) and Jovita Franklin to negotiate a Development Agreement and apply for a Cannabis Business regulatory permit for the establishment of a Retail Cannabis Dispensary;

WHEREAS, Pursuant to Chapter 15, Article VII, Section 15-87, subsection C. of the Porterville Municipal Code, no approval for a cannabis business regulatory permit may be granted unless the City Council, prior to or concurrently with such approval, also approves a Development Agreement, setting forth the terms and conditions under which the commercial cannabis activity will operate in addition to the requirements of Article VII of Chapter 15, all other local ordinances and regulations, state law and such other requirements promulgated by the City in order to protect and promote the public health, safety and welfare.

WHEREAS, the City and Coast to Coast Caregivers Corporation (dba Culture Cannabis Club) have duly met, negotiated, and agreed upon the terms and conditions for said operation of the commercial cannabis business, to be operated at 230-232 North Main Street, Porterville, California;

WHEREAS, the Development Agreement will assure the City and its residents and the Developer that the Development will proceed as proposed and that the public improvements and other amenities and funding obligations, will be accomplished as proposed; and

WHEREAS, pursuant to Section 65867 of the California Government Code, and the City’s Development Agreement regulations, the City Council on July 6, 2021, held a duly noticed public hearing concerning whether to adopt the Development Agreement, during which public hearing, the Council received any comments from the Developer, City staff, and members of the public.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PORTERVILLE HEREBY ORDAINS as follows:

SECTION 1. This Ordinance incorporates, and by this reference makes a part hereof, the Development Agreement attached hereto as Exhibit A, subject to the provisions of Section 5 hereof.

SECTION 2. This Ordinance is adopted under the authority of California Government Code Section 65854 et seq., and pursuant to the City's Development Agreement regulations.

SECTION 3. In accordance with the City's Development Agreement regulations, the City Council hereby finds and determines, as follows:

(a) The Development Agreement is consistent with the objectives, policies, general land uses and programs specified in the General Plan, in that it establishes certain development rights, obligations and conditions for the implementation of the subject property;

(b) The Development Agreement is compatible with the uses authorized in, and the regulations prescribed for, the general plan designations which will apply to the subject property;

(c) The Development Agreement is in conformity with public convenience, general welfare and good land use practice;

(d) The Development Agreement will not be detrimental to the public health, safety and general welfare; and

(e) The Development Agreement will not adversely affect the order development of property or preservation of property values.

SECTION 4. The foregoing findings and determinations are based upon the following:

(a) The Recitals set forth in this Ordinance, which are deemed true and correct;

(b) The City's General Plan, and any applicable amendments thereto.

(c) All City staff reports (and all other public reports and documents) prepared for the City Council, related to the Development Agreement, and other actions relating to the subject property;

(d) All documentary and oral evidence received at the public hearing or submitted to the City during the comment period relating to the Development Agreement, and other actions relating to the subject property; and

(e) All other matters of common knowledge to the City Council, including but not limited to the City's fiscal and financial status, City general ordinances, policies and regulations.

SECTION 5. The City Council hereby approves the Development Agreement, attached hereto as Exhibit A, subject to such minor, conforming and clarifying changes consistent with the terms thereof as may be approved by the City Manager, in consultation with the City Attorney prior to execution thereof, including completion of references and status of planning

approvals, and completion and conformity of all exhibits thereto, as approved by the City Council.

SECTION 6. CEQA REVIEW. The City Council hereby finds that this ordinance is not subject to review under the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines section 15061(b)(3) [there is no possibility the activity in question may have a significant affirmative effect on the environment]. In addition to the foregoing general exemption, the City Council further finds that the ordinance is categorically exempt from review under CEQA Guidelines section 15303 [conversion of an existing structure from one use to another in conjunction with minor changes to the facility]. The City Manager is hereby directed to ensure that a *Notice of Exemption* is filed pursuant to CEQA Guidelines section 15062 [14 C.C.R. § 15062].

SECTION 7. Upon the effective date of this Ordinance as provided in Section 11 hereof, the Mayor and City Clerk are hereby authorized and directed to execute the Development Agreement on behalf of the City of Porterville.

SECTION 8. The City Manager is hereby authorized and directed to perform all acts authorized to be performed by the City Manager in the administration of the Development Agreement pursuant to the terms of the Agreement.

SECTION 9. SEVERABILITY. If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this ordinance, or its application to any person or circumstance, is for any reason held to be invalid or unenforceable, such invalidity or unenforceability shall not affect the validity or enforceability of the remaining sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases of this ordinance, or its application to any other person or circumstance. The City Council of the City of Porterville hereby declares that it would have adopted each section, subsection, subdivision, paragraph, sentence, clause or phrase hereof, irrespective of the fact that any one or more other sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases hereof be declared invalid or unenforceable.

SECTION 10. CONSTRUCTION. The City Council intends this ordinance to supplement, not to duplicate or contradict, applicable state and federal law and this ordinance shall be construed in light of that intent.

SECTION 11. EFFECTIVE DATE. The foregoing ordinance shall take effect thirty (30) days from the date of the passage and adoption. Prior to the expiration of fifteen (15) days from the enactment hereof a certified copy of this ordinance shall be posted in the office of the City Clerk pursuant to Government Code section 36933(c)(1) and a summary shall be published once in the Porterville Recorder, a newspaper printed and published in the City of Porterville, State of California, together with the names of the Council members voting for and against the same.

PASSED, APPROVED AND ADOPTED this 20th day of July, 2021.

**COMMERCIAL CANNABIS DISPENSARY DEVELOPMENT
AGREEMENT BETWEEN THE CITY OF PORTERVILLE AND
[NAME OF OPERATOR/DEVELOPER], [TYPE OF LEGAL ENTITY]**

THIS DEVELOPMENT AGREEMENT (this "Agreement") is made and entered into this 19th day of August, 2021, (the "Execution Date"), by and between the **CITY OF PORTERVILLE**, a California municipal corporation ("City") Coast to Coast Caregivers Corp. dba Culture Cannabis Club ("CCC" or "Owner") and Jovita Franklin ("Franklin" or "Property Owner"). City and Owner are sometimes referenced together herein as the "Parties." In instances when a provision hereof applies to each of the Parties individually, either may be referenced as a "Party." The Parties hereby jointly render the following statement as to the background facts and circumstances underlying this Agreement:

RECITALS

WHEREAS, the State of California enacted California Government Code Sections 65864 et seq. ("Development Agreement Statutes") to authorize municipalities to enter into development agreements with those having legal or equitable interests in real property to strengthen the public planning process, encourage private participation in comprehensive planning, and reduce the economic risk of development in connection with the development of real property within their jurisdiction;

WHEREAS, the purpose of the Development Agreement Statutes is to authorize municipalities, in their discretion, to establish certain development rights in real property for a period of years regardless of intervening changes in land use regulations, to vest certain rights in the Owner, and to meet certain public purposes of the local government;

WHEREAS, the City has adopted Municipal Code Article 609, establishing the procedures and requirements for the consideration of development agreements with the City;

WHEREAS, Owners currently hold legal or equitable interest in real property considered in this Agreement which has a development area approximately **4,120** square feet located at 230-232 North Main Street, City of Porterville, State of California

(the "Site"). The Site includes Assessor's Parcel Number: 253-197-08, and is more fully described in Exhibit A. The exhibit is being attached hereto and incorporated herein by this reference;

WHEREAS, presently, Owner has a leased interest in the Site for the purpose of commercial cannabis related activities, specifically the development and operation of a commercial cannabis dispensary. Additionally, the Property Owner is a Director and CFO of Owner. Such Commercial Cannabis facilities shall operate in accordance with all applicable provisions of Business and Professions Code §§26000-26231.2; California Health and Safety Code Safety Code §§ 11357-11362.9 and 11362.7- 11362.85; Revenue and Taxation Code §§ 34010-34021.5; Vehicle Code §§ 2429.7 and 23222; Water Code §§ 1831, 1847, and 13276; the City of Porterville Municipal Code as it applies to such facilities (collectively the "Applicable Cannabis Laws"), and all Resolutions and procedures adopted or authorized by the City in accordance with those laws and regulations. Prior to operating a commercial dispensary Owner shall be required to obtain a Commercial Cannabis Permit from the City, and all related permits and licenses prior to the operation of same, pursuant to Chapter 15, Article VII and Chapter 21, Article 609 of the Porterville Municipal Code.

WHEREAS, Owner has obtained or will obtain a California State License issued, pursuant to Applicable Cannabis Laws, to operate a commercial storefront dispensary at the Site. The definition of "Property Owner" hereunder shall mean and refer to the fee simple owner of the property. The definition of "Owner" hereunder shall mean and refer to any authorized tenant of the Site to the extent such party holds or is covered by a Commercial Cannabis Permit;

WHEREAS, Owner has applied to this City for a Commercial Cannabis Permit (*hereinafter* "CCP") to conduct Commercial Cannabis Activities. No such activities are allowed or authorized without a Development Agreement, a Commercial Cannabis Permit, and all requirements pursuant to the above-referenced City regulations.

WHEREAS, Owner presently intends to develop and open a commercial storefront dispensary on the Site consistent with the Applicable Cannabis Laws and Project Approvals (known as the "Project").

WHEREAS, the Project will consist of: one commercial building totaling approximately 4,120 square feet.

WHEREAS, in 2019, Ordinance Nos. 1853 and 1854 came into effect authorizing specified Commercial Cannabis Activities within the City of Porterville, in strict compliance with related State of California laws, regulations and policies, under specified conditions and provisions;

WHEREAS, all procedures of the California Environmental Quality Act ("CEQA"), California Public Resources Code §21000 et seq., and the CEQA guidelines, title 14 of

the California Code of Regulations, chapter 3, §15000 et seq. have been satisfied;

WHEREAS, the City has given public notice of its intention to adopt this Agreement and has conducted public hearings thereon pursuant to California Government Code §65867. The City has found that the provisions of this Agreement and its purposes are consistent with the objectives, policies, general land uses and programs specified in City's General Plan, zoning code and municipal ordinances;

WHEREAS, the City, in entering into this Agreement, acknowledges that certain City obligations hereby assumed shall survive beyond the terms of the present Council members, that this Agreement will serve to bind City and future Councils to the obligations hereby undertaken, and that this Agreement shall limit the future exercise of certain governmental and proprietary powers of City. By approving this Agreement, the Council has elected to exercise certain governmental powers at the time of entering into this Agreement rather than defer its actions to some undetermined future date. The terms and conditions of this Agreement have undergone extensive review by City and the Council and have been found to be fair, just and reasonable. City has concluded that the pursuit of the Project will serve the best interests of its citizens and that the public health, safety and welfare are best served by entering into this obligation. Owner(s) has represented to City that it would not consider or engage in the Project absent City approving this Agreement;

WHEREAS, the City agrees that Owner's land use entitlements for the Project shall vest for the term of this Agreement as described below;

WHEREAS, in conjunction with the City's applicable ordinances and resolutions, the Zoning Administrator of the City reviewed, considered and recommended environmental clearance and recommended approval of the execution of this Agreement to the City Council. The Zoning Administrator found the Project: consistent with the objectives, policies, general land uses and programs specified in the general plan; compatible with the uses authorized in the City's zoning laws; in conformity with the public necessity, public convenience, general welfare and good land use practices; will not be detrimental to the health, safety and general welfare of the city; will not adversely affect the orderly development of property or the preservation of property values; and will have a positive fiscal impact on the City;

WHEREAS, after conducting a duly noticed hearing on July 6, 2021, in conjunction with the City's applicable ordinances and resolutions, and after independent review and consideration, the City Council approved the execution of this Agreement. The City Council found the Project: consistent with the objectives, policies, general land uses and programs specified in the general plan; compatible with the uses authorized in the City's zoning laws; in conformity with good land use practices; will not be detrimental to the health, safety and general welfare of the City; and is in the best interest of the City of Porterville and its residents.

NOW, THEREFORE, in consideration of the mutual covenants and agreements

contained herein, and other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, the Parties do hereby agree as follows:

1. Government Code and Municipal Code Required Elements

- Description of Property. Land situated in the City of Porterville, County of Tulare, State of California; whose street address is 230-232 North Main Street, City of Porterville, State of California (the "Site"). The Site includes Assessor's Parcel Number: 253-197-08.
- Owner and Other Person with Legal or Equitable Interest.

Owner: Coast to Coast Caregivers Corp., dba Culture Cannabis Club

Nature of Interest: *Lease for 5 years with two Options to Renew for an additional 5 years each.*

If Owner is not the fee simple owner of the Site, check box below:

[X] Owner represents and warrants that the property owner has consented in writing to the execution and recordation of this Agreement against the Site. See attached Landlord Consent agreement, incorporated herein by this reference (Exhibit A). Additionally, the Property Owner is a Director and CFO of Owner and majority Shareholder and is a party to this Agreement.

- Permitted Uses. The subject property may be used for [DESCRIPTION: commercial storefront cannabis dispensary] as presently authorized under City Chapter 15, Article VII of the Porterville Municipal Code, §§ 15-85 through 15-105 and Chapter 21, Section 301.23, and 609.01 through 609.11, and for any other use as authorized under applicable provisions of the Porterville Municipal Code.
- Zoning. Owner shall guarantee that such activities outlined in Owner's Commercial Cannabis Permit Application ("Application") conducted pursuant to this Agreement and under the Commercial Cannabis Permit shall comply with the City's municipal code, including the above-referenced zoning regulations and any and all development and construction requirements contained therein. Owner shall not conduct any business under this Agreement or under the Commercial Cannabis Permit without having obtained all necessary permits, licenses, and approvals from the City and State of California.
- Reservation or Dedication of Land for Public Purposes. If needed, sufficient roadway, sidewalk, and utility easements shall be reserved or dedicated to City for such purposes.

2. Term

This Agreement shall commence on the Effective Date and it shall end **ten (10)** years from the starting date, and it shall remain in full force and effect so long as the subject property is used for a commercial cannabis facility as authorized under City Ordinance Nos. 1853 and 1854; provided, however, such use is not abandoned for a period of more than ninety (90) days. This Agreement [SHALL] be extended for up to 2 additional **5** year periods following the expiration of the initial **ten (10)** year term upon the occurrence of all of the following:

(i) The Owner shall give written notice to the City no later than one hundred twenty (120) days before the expiration of the initial ten year term that the Owner desires to extend this Agreement for an additional **5** year period;

(ii) The Owner shows adequate evidence to the City that it has a legal and/or equitable interest in the Property and/or will have such interests for the duration of the extended term of the Agreement;

(iii) The Owner shall deposit all fees required by the City necessary for processing the extension request and drafting necessary documentation;

(iv) The Owner shall be in compliance with all provisions of Ordinance Nos. 1853 and 1854, and all terms imposed by the City-issued Commercial Cannabis Permit; and

(v) The Owner shall not be in default of any provision of any agreement between City and Owner relative to the development of the Property or of any condition of approval imposed upon any entitlement granted by the City relative to the development of the Property for which Owner has been given a written notice to cure by the City and for which Owner has not cured or commenced to cure such default within thirty (30) days, if and as provided by such agreement or condition of approval.

3. **General Business/Store and Offices** – The facility will maintain hours of operation consistent with Section 15-87.L. of the Municipal Code, with generally a minimum of eight employees per shift. The parties may agree to a different number if warranted by the business volume.
4. **Parking/Loading Access.** The proposed project is located in Downtown Parking District 1 Zone A, which does not require parking spaces for businesses within it, if the building is three (3) floors or less. Loading may take place on-site within an existing loading space accessed on the east side of the structure. Loading may occur through the use of the alley on the east side of the structure, unless the City determines that the use is presenting a security issue; in that event the Owner will be required to secure approval of the use of the sally port/loading area adjacent to the business. Within the site, access to the structures will be through the secured front office entrance. Pedestrian walkways within the structure and on

the west side of the structure allow pedestrian circulation throughout the site. The project complies with the CALGreen Tier 1 by incorporating storm water pollution prevention measures, installing energy- and water-efficient equipment, and planting native and drought-tolerant landscaping at the front of the property

5. **Security:** The project will secure the facility against unauthorized entry by installing security lights on the exterior of the building to illuminate the side areas and parking area, installing commercial-grade locks, installing an alarm and video surveillance system, establishing procedures for identifying authorized persons, establish inventory controls, and install a secure surveillance vault to maintain the integrity of records. Further, the project shall have a separately secured, limited access area, where all persons must be at least 21 years of age and have a business reason for entering the area; non-employees with authorized access must be escorted, and an access log must be maintained. In addition, the applicant will engage a licensed security company to provide an operational security plan in compliance with applicable City Regulations and policies.

6. **Owner's Site and Floor Plans**

- Owner's site plan and floor plan for the facility are attached hereto as Exhibit B and incorporated into the Application.
- A preliminary landscape plan shall be prepared and reviewed and approved by the City Manager, the Community Development Director, the Engineering and Project Management Director, and/or their respective designees. A final landscape plan shall be prepared and submitted in conjunction with building and site improvement plans prior to issuance of building permits for construction activities.
- An exterior signage plan shall be prepared and reviewed and approved by the appropriate City staff in accordance with the procedures and requirements of the Porterville Municipal Code.

7. **Facility Operations**

- **Standard Operating Procedures.** Owner is a lawful entity that will only transact business with other legally permitted persons and entities under the California Cannabis Laws. Prior to operating a dispensary, Owner shall be required to obtain a Commercial Cannabis Permit, and all requirements pursuant to said permit, from the City pursuant to City Ordinance Nos. 1853 and 1854. Further, and notwithstanding anything to the contrary, Owner may operate such cannabis-related activities as permitted in accordance with California state laws and regulations, as may be amended, including without limitation, as long as such activity is not inconsistent with Ordinance Nos. 1853 and 1854, this Development Agreement, the City-issued Commercial Cannabis Permit, and the Porterville

Municipal Code.

During the term of its CCP and the term of this Agreement, Owner shall lawfully operate in accordance with all state and local laws. Owner shall employ exemplary operating procedures to comply with state and local laws. Owner's facility shall employ safety and security measures for the safety and security of its employees, visitors, vendors, and neighboring communities and properties.

Owner shall fully comply with the minimum Operating Standards regulating the proposed Commercial Cannabis Activity as set forth in Article Chapter 15, Article 15, Sections 15-85 through 15-105 of the Porterville Municipal Code, and those required by Ordinance No. 1853.

- Security Plan. Owner shall secure approval of its proposed security plan by the City prior to operating, and has attached its draft plan as Exhibit C. The security plan shall include, at a minimum and as appropriate, provisions for video surveillance, perimeter fencing and/or security, protection of the building(s) from vehicle intrusion, cash handling procedures, internal accounting controls, product handling and storage procedures, and a professionally monitored alarm system. Equipment and systems used for video surveillance and building alarms shall be approved by City. See Porterville Municipal Code Section 15-87, subsections (N) and (O), for minimum security requirements.

Video surveillance shall include, at a minimum, all site and facility entrances and access points, all spaces accessible by the public, all secured areas of the facility with restricted access, all interior spaces and rooms where cannabis products are handled, shipping and receiving areas, cash storage areas, and other areas necessary to protect the safety of employees and the public and to ensure cannabis products are received, handled, stored, and sold in compliance with applicable state and local laws and regulations. The video surveillance system shall be web-based with direct access provided to the City of Porterville Police Department upon request.

The security system shall also include sensors to detect entry and exit from all secure areas, panic buttons in appropriate locations, and a professionally monitored alarm system with glass breakage sensors and motion detectors.

Owner shall employ properly trained and licensed third-party security personnel to protect the welfare and safety of Owner and employees, and to ensure public safety to the neighboring community. Owner shall use security personnel during all hours of business operations. Security personnel may be armed so long as proper licensing and insurance requirements are followed and met by the third-party operator providing such security services.

Further, the project shall have a separately secured, limited access area, where all persons must be at least 21 years of age and have a business reason for

entering the area; non-employees with authorized access must be escorted, and an access log must be maintained. The (nonlimited access) reception area shall be completely separated and secured from the dispensary operations, and shall be operated in conformity with all applicable laws and regulations, and by an employee at least 21 years of age, with concurrent monitoring by onsite security personnel.

- Fire Department Approval. Owner shall not operate any facility, and no permit, license, or other approval issued by City shall be valid unless and until the Porterville Fire Department has approved Owner's site plan, floor plan, safety plan, and any other plans that require its approval.

- Possession of Firearms. Except for licensed and bonded security personnel, no person employed or contracted by Owner shall be in possession of any firearm while on the premises or location without having first obtained a license from the appropriate state or local agency authorizing the person to be in possession of such firearm. Every such person in possession of a firearm while on the premises or location must provide the City Manager and the Porterville Police Department, ten (10) days before bringing the firearm onto the premises, with the following:

- 1) A copy of the license issued to the person by the appropriate state or local agency authorizing him or her to possess such firearm;
- 2) A copy of his or her law enforcement identification (if he or she is employed by a law enforcement agency);
- 3) A copy of his or her California driver's license or California identification card; and
- 4) Any other information reasonably required by the Porterville Police Department to show that the individual is in compliance with the provisions of all laws regarding the possession and use of a firearm.

- Identification Display. Each owner, manager, employee, and individual member engaged in the operation of the business shall at all times while engaged in the duties of his or her position wear in plain sight, on his or her person and at chest level, a valid identification badge, issued by Owner.

- Employee Background Checks and Procedures for Inventory Control to Prevent Non-Medical Diversion of Medical Cannabis. Only employees who receive the required background clearance pursuant to Section 15-89 of the Porterville Municipal Code shall be permitted to enter Owner's facility. Each employee will have to meet a criminal background investigation as required by the City, which at minimum shall include a LiveScan criminal history check, which

City shall make a good faith effort to facilitate within a reasonable time following the issuance of a Commercial Cannabis Permit(s) or license(s) to Owner.

Owner shall take all necessary and reasonable steps to prevent the sale or distribution of any of its cannabis products to minors; prevent revenue from the sale or distribution of its cannabis and/or infused products from going to criminal enterprises, gangs and cartels; prevent the diversion of cannabis from California to any other state; prevent state-authorized cannabis activity from being used as a cover or pretext for the trafficking of other illegal drugs or other illegal activity; prevent violence and the use of firearms in the sale of cannabis; discourage and educate against drugged driving and the exacerbation of other adverse public health consequences associated with cannabis use; disavow growing cannabis on public lands that creates attendant public safety and environmental dangers posed by such illegal uses; and discourage and educate against cannabis possession or use on federal property.

- Point of Sale Tracking System. Owner shall maintain an inventory control and reporting system that accurately documents the cannabis products. The inventory control and reporting system shall comply with the track and trace program required by California Cannabis Law and regulations issued thereunder.

Owner shall employ an electronic point of donation/sale system approved by the State of California for all point of donations/sales tracking from seed or inception to product distribution to other licensed commercial cannabis facilities. Such approved system shall track all commercial cannabis products, each edible, harvested flower, and/or manufactured concentrate, as well as gross sales (by weight and sale). Owner's point of sale system shall have the capacity to produce historical transactional data in accordance with City's requirements.

- Record Keeping. Owner shall maintain records for all commercial cannabis and/or infused products. Owner shall comply with all record-keeping responsibilities that are set forth in Ordinance No. 1853, Section 15-87(O) of the Porterville Municipal Code, including complete and up-to-date records regarding the amount of commercial cannabis delivered and sold, and applicable State law.
- Commercial cannabis sales shall not create offensive odors; create excessive dust, heat, noise, smoke, traffic, or other impacts that are disturbing to people of normal sensitivity residing or present on adjacent or nearby property or areas open to the public; or be hazardous due to use or storage of materials, processes, products, or wastes.

Owner shall store its commercial cannabis and/or commercial cannabis products in a locked safe room with T-card identification access for management only. The safe room shall be constructed of fire-rate walls with numerous cameras installed to view all entries and exits from the safe room, as well as all other activities performed within Owner's facility. Owner will not conduct outdoor operations

except as related to lawful delivery and transportation of commercial cannabis and infused products. Owner will not store commercial cannabis or related products in its delivery vehicle outside normal operating hours of the facility.

Any excess or contaminated product will be securely stored on-site until it is properly disposed. Disposal may include composting, incineration, land-fill disposal through the local waste management hauler, or other disposal methodology in accordance with state and county health and safety codes and regulations.

- Description of Banking Plan. Owner shall seek to open a bank account under the name of Owner or its associated management company to provide transparency for funds received, operational costs, including payroll, tax payments to the state and federal governments. Should a bank account not be forthcoming, Owner shall implement other industry standard banking and/or other industry standard transactional mechanisms.
- Transportation and Delivery Plan. Owner shall comply with all state and local law regarding transportation and delivery, including the rules governing delivery service. Owner shall retain a list of names and cellular contact numbers for all employees engaged in transportation and/or delivery of commercial cannabis products and provide it to the applicable oversight authority, keeping the list current and up to date.

Owner will keep complete and up-to-date records documenting each delivery, including the amount/product(s) provided, the date and time provided, the name of the employee making the delivery, the name and address of the individual corporation to whom delivery is made, and the amount of the related sale/monetary transaction.

8. Community Relations, Employment, and Wages

- Public Outreach and Education Program. The Owner shall coordinate and cooperate with City and any other Owners of commercial cannabis dispensaries located within City of Porterville in the establishment and implementation of appropriate public outreach and education programs. The public outreach and education programs shall be approved by City.
- Community Benefits Program. The Owner shall coordinate and cooperate with the City and other Owners of commercial cannabis facilities located within the City of Porterville in the City Council's establishment and implementation, and the Owners' funding of a community benefits program which could include such items as senior citizen programs, City beautification efforts, funding for enforcement against illegal cannabis operations, public safety, housing programs, economic development, infrastructure, capital improvements, including expansion and/or improvement to existing facilities or other physical

improvements that provide a benefit to the community, support of holiday and special community events, and support of local public service, public safety, and special social and community organizations. This community benefits program may be implemented by the City. The City may invite public participation in the decision-making process for identifying and prioritizing community needs and benefits, and identifying appropriate projects to be funded by the entity implementing this community benefits program. All projects under the community benefits program must be approved by the City.

Owner agrees, as a business expense, to pay the City the yearly sum of \$ of \$30,000.00 or 1% of Owner's annual gross receipts, whichever amount is greater, from the commercial operation on the Premises. Unless otherwise agreed to in writing by the parties the above amount shall be paid over the course of the calendar year on a quarterly basis, with payments due within 30 days of the end of each quarter. The first payment shall be due at within 30 days of the end of the first quarter for which the commercial operation at the Premises was operational and prorated to account for when during the quarter the opening occurred.

- Designation of Community Relations Liaison. At the time of this Agreement, Owner's day-to-day operations manager, **Devon Julian**, will be responsible for community inquiries and complaints and on-site management during normal business hours.
- Interface with City of Porterville Police / Inspections. Owner's day-to-day operations manager, and/or the Owner's Community Relations Liaison, **Devon Julian**, will interface with the Porterville Police Department's assigned designee to ensure its operation complies with state and local laws and regulations. The City Manager, or designee, or the Porterville Police Department's assigned designee acting at the City Manager's request and per his specific and limiting instructions, shall have the right to enter all Premises from time to time unannounced during hours of operation for the purpose of making reasonable inspections to observe and enforce compliance with this Agreement and state and local laws and regulations, without the requirement of a search warrant, subpoena, or court order, and subject to appropriate cost recovery fees set forth in this Agreement, or adopted by the City. See, Ordinance No. 1853, as well as Porterville Municipal Code Section 15-87, 15-96.

_____ Owner's Initials

- Local Recruitment, Hiring, and Training Programs. Owner is committed to making a good-faith effort to recruit, hire, and train City residents for employment by Owner. A good-faith effort means Owner shall take the following or similar actions to recruit and employ City residents: 1) Contact local recruitment sources, including the Employment Connection, to identify qualified individuals who are

City (or City area) residents, 2) Advertise for qualified City residents in trade papers and newspapers of general circulation in the area, and 3) Develop a written plan to recruit and employ City residents as a part of the its workforce. The Owner commits to a local annual hiring goal of 50% of total operational jobs for permanent and apprentice employees. This goal shall apply horizontally, across all departments and managerial positions. The Owner shall not be penalized or deemed in default under this Agreement if it is unable to achieve such a goal. "Local" is defined as within a 3-mile radius of the boundaries of the City's boundaries. The Owner shall contact and work with a job referral agency (e.g. the Employment Connection) assigned by the City Manager to implement a local hiring policy for permanent and apprentice employees. The purpose of the hiring policy is to facilitate the training and employment of local and disadvantaged job applicants for jobs within the City's jurisdiction, and 3-mile radius of City boundaries. Applicants for jobs shall not be disqualified from hiring solely on the basis of an arrest or conviction for a Cannabis-related crime that occurred prior to November 8, 2016, and could have been prosecuted as a misdemeanor or citation under current California law. The Owner shall report on compliance with the local hiring goals as part of its annual audit report.

9. Public Art Feature/Element. Owner agrees to provide a historical/artistic feature as a component of its project, located at or near the Property (for example, the completion of a mural located on the second story of the building along Putnam Avenue). The artistic feature will be subject to the review of the City Cannabis Ad Hoc Committee and City of Porterville Arts Commission, and the approval of the City Council, prior to the commencement of work on the feature. Work on the feature must be commenced within one year of the opening of the business.

10. Indemnification Agreement by each Cannabis Permittee

Pursuant to Ordinance Nos.1853 and 1854, and including Porterville Municipal Code Section 15-87(T), to the fullest extent permitted by local, state and/or federal law, the City of Porterville shall not assume any liability whatsoever with respect to having issued a Commercial Cannabis Permit or executed a Development Agreement pursuant Ordinance No. 1853 and Chapter 609 of the Development Code, or otherwise approving the operation of any commercial cannabis business. As a condition to the approval of any Commercial Cannabis Permit and to the execution and approval of a Development Agreement, the Owner shall be required to meet all the conditions enumerated in Porterville Municipal Code Sections 15-85 through 15-105, before this Agreement may be executed, and before they can receive the Commercial Cannabis Permit. The City Manager shall require the Owner and Property Owner/each Commercial Cannabis Permittee to execute a separate Indemnification Agreement prepared by the City that fully indemnifies the City for all liabilities associated with the Commercial Cannabis Permit, the Commercial Cannabis Permittee's Commercial Cannabis Activities, and any action taken by the Cannabis Permittee, and/or arising out of Owner's or Property Owner's obligations under this Agreement. The Indemnification Agreement shall

include the defense of the City and reimbursement of all fees, costs and expenses incurred by the City related to any action arising from this Agreement. Attached as Exhibit E, and incorporated herein by this reference, is true and correct copy of a fully executed Indemnification Agreement.

11. Fees, Costs, and Taxes

- **Permit Fees.** Owner agrees to pay all permit fees and charges authorized and referenced in Ordinance Nos. 1853 and 1854, all amounts adopted by City Council and as required by applicable laws and regulations, and any fees set forth in this Agreement. Permit application, processing, and renewal fees shall be due and payable at the time application is made or renewed.
- **Cannabis Business Tax.** Owner shall comply with all provisions of Ordinance No. 1875, and Porterville Municipal Code Chapter 22, Article VI, which requires every person engaged in a Commercial Cannabis Business in the City to pay an annual Commercial Cannabis Business tax at a rate established by resolution of the City Council, but no more than 10% of annual gross receipts. Resolution No. 99-2020, adopted by the City Council on December 15, 2020, has currently set the rate at 7% of annual gross receipts per fiscal year.

Copies of Tax Filings. Owner shall additionally provide the City with courtesy copies of each and every report Owner is required to provide to the County of Tulare or the State of California for sales, use, or other tax purposes at the time such filings are made.

12. Insurance

- **Insurance.** Owner shall require all persons doing work on the Project, including its contractors and subcontractors (collectively, "Owner" for purposes of this Article 6 only), to obtain and maintain insurance of the types and in the amounts described in this section and its subsections with carriers reasonably satisfactory to City.
- **General Liability Insurance.** Owner shall maintain commercial general liability insurance or equivalent form with a limit of not less than One Million Dollars (\$1,000,000) per claim and One Million Dollars (\$1,000,000) each occurrence. Such insurance shall also:
 - 1) Name City, its elected and appointed councils, boards, commissions, officers, agents, employees, and representatives as "Additional Insureds" by endorsement with respect to performance of this Agreement. The coverage shall contain no special limitations on the scope of its protection afforded to the above-listed additional insured.
 - 2) Be primary with respect to any insurance of self-insurance programs covering City, its officials, employees, agents, and representatives.

3) Contain standard separation of insured provisions.

- **Automotive Liability Insurance.** Owner shall maintain business automobile liability insurance or equivalent form with a limit of not less than One Million Dollars (\$1,000,000) for each accident for the vehicles Owner operates in connection with its cannabis business. Such insurance shall include coverage for owned, hired, and non-owned automobiles. Such insurance shall also:

1) Name City, and work in good faith with the City and the insurers to name additional insureds as deemed reasonably necessary. "Additional Insureds" by endorsement with respect to performance of this Agreement. The coverage shall contain no special limitations on the scope of its protection afforded to the above-listed additional insureds;

2) Be primary with respect to any insurance or self-insurance programs covering City, its officials, employees, agents, and representatives;

3) Contain standard separation of insured provisions.

- **Workers' Compensation Insurance.** Owner shall take out and maintain during the term of this Agreement, workers' compensation insurance for all of Owner's employees employed at or on the Project, and in the event any of the work is subcontracted, Owner shall require any general contractor or subcontractor similarly to provide workers' compensation insurance for such contractor's or subcontractor's employees, unless such employees are covered by the protection afforded by Owner. In case any class of employee engaged in work on the Project is not protected under any workers' compensation law, Owner shall provide and shall cause each contractor and subcontractor to provide adequate insurance for the protection of employees not otherwise protected. Owner hereby indemnifies City for any damage resulting from failure of Owner, its agents, employees, contractors, or subcontractors to take out or maintain such insurance. Workers' compensation insurance with statutory limits and employer's liability insurance with limits of not less than One Million Dollars (\$1,000,000) each accident shall be maintained.

- **Other Insurance Requirements.** Owner shall do all of the following:

1) Prior to taking any actions under this Agreement, furnish City with properly executed certificates of insurance that clearly evidenced all insurance required in this Article, including evidenced that such insurance will not be canceled, allowed to expire, or be materially reduced in coverage without thirty (30) days prior written notice to City.

2) Provide to City, upon request, and within seven (7) calendar days of said request, certified copies of endorsements and policies, and properly

executed certificates of insurance evidencing the insurance required herein.

3) Replace or require the replacement of certificates, policies and endorsements for any insurance required herein expiring prior the termination of this Agreement.

4) Maintain all insurance required herein from the Effective Date of this Agreement to the earlier of the expiration of the term or the mutual written termination of this Agreement.

5) Place all insurance required herein with insurers licensed to do business in California with a current Best's Key Rating Guide reasonably acceptable to City.

13. Termination

- Termination Upon End of Term. This Agreement shall terminate upon the expiration of the term, unless it is terminated earlier pursuant to the terms of this Agreement. Upon termination of this Agreement, City shall record a notice of such termination and this Agreement shall be of no further force or effect except as otherwise set forth in this Agreement.
- Effect of Termination on Owner's Obligations. Termination of this Agreement shall eliminate any further obligation of Owner to comply with this Agreement, or some portion thereof, if such termination relates to only part of the Site or Project. Termination of this Agreement, in whole or in part, shall not, however, eliminate the rights of Owner to seek any applicable and available remedies or damages based upon acts or omissions occurring before termination.
- Effect of Termination on City's Obligations. Termination of this Agreement shall eliminate any further obligation of City to comply with this Agreement, or some portion thereof. Termination of this Agreement shall not, however, eliminate the rights of City to seek any applicable and available remedies or damages based upon acts or omissions occurring before termination.
- Survival After Termination. The rights and obligations of the Parties set forth in this Agreement which, by its express terms or nature and context is intended to survive termination of this Agreement, will survive any such termination.

14. Resources Efficiency

Owner shall endeavor to reduce its environmental impact when possible. The design of the facility shall include reasonable water and energy conservation measures in

accordance with applicable State regulations.

15. Standard Conditions for Construction

During any on-site construction activities related to development of the project site and any buildings thereon, or renovation or remodeling of existing buildings, Owner shall comply with all state and local building and construction laws, regulations, and guidelines. The Project shall comply with the applicable parking standards established by the City for these particular cannabis activities.

16. Defaults and Remedies

- Remedies in general. It is acknowledged by the parties that City would not have entered into this Agreement if it were to be liable in damages under this Agreement, or with respect to this Agreement or the application thereof, except as hereinafter expressly provided. Subject to extensions of time by mutual consent in writing, failure to delay by either party to perform any term or provision of this Agreement beyond a reasonable notice and cure period shall constitute a default. In the event of alleged default or breach of any terms or conditions of this Agreement, the party alleging such default or breach shall give the other party not less than thirty (30) day notice in writing specifying the nature of the alleged default and the manner in which said default may be satisfactorily cured during any such thirty (30) day period, the party charged shall not be considered in default for purposes of termination or institution of legal proceedings. Notwithstanding the foregoing to the contrary, if the alleged default is of such a nature that it cannot be cured within thirty (30) days, the alleged defaulting party shall not be deemed in default as long as such party commences to cure such default within such thirty (30) day period and thereafter diligently prosecutes such cure to completion.

After notice and expiration of the thirty (30) day period, the other party to this Agreement, at its option, may institute legal proceedings pursuant to this Agreement.

In general, each of the parties hereto may pursue any remedy at law or equity available for the breach of any provision of this Agreement, except that City shall not be liable in monetary damages, unless expressly provided for this Agreement, to Owner, to any mortgagee or lender, or to any successors in interest of Owner or mortgagee or lender, or to any other person, and Owner covenants on behalf of itself and all successors in interest to the Property or any portion thereof, not to sue for damages or claim any damages.

- 1) For any breach of this Agreement or for any cause of action which arises out of this Agreement; or
- 2) For the impairment or restriction of any right or interest conveyed or provided under, with, or pursuant to this Agreement, including, without

limitation, any impairment or restriction which Owner characterizes as a regulatory taking or inverse condemnation; or

3) Arising out of or connected with any dispute, controversy or issue regarding the application or interpretation or effect of the provisions of this Agreement.

Nothing contained herein shall modify or abridge Owner's rights or remedies (including its rights for damages, if any) resulting from the exercise by City of its power of eminent domain. Nothing contained herein shall modify or abridge Owner's rights or remedies (including its rights for damages, if any) resulting from bad faith intentional acts, the grossly negligent or malicious acts of City and its officials, officers, agents and employees. Nothing herein shall modify or abridge any defenses or immunities available to City and its employees pursuant to the Government Liability Act and all other applicable statutes and decisional law.

Except as set forth in the preceding paragraph relating to eminent domain, Owner's remedies shall be limited to those set forth in this Section.

Notwithstanding anything to the contrary contained herein, City covenants as provided in Civil Code Section 3300 not to sue for or claim any consequential damages or, in the event all or a portion of the Property is not developed, for lost profits or revenues which would have accrued to City as a result of the development of the Property.

- **Specific Performance.** The parties acknowledge that money damages and remedies at law are inadequate, and specific performance and other non-monetary relief are particularly appropriate remedies for the enforcement of this Agreement and should be available to all parties for the following reasons:

- 1) Except as provided in this Agreement, money damages are unavailable against City.

- 2) Due to the size, nature and scope of the Project, it may not be practical or possible to restore the Property to its natural condition once implementation of this Agreement has begun. After such implementation, Owner may be foreclosed from other choices it may have had to use the Property or portions thereof. Owner has invested significant time and resources and performed extensive planning and processing of the Project in agreeing to the terms of this Agreement and will be investing even more significant time and resources in implementing the Project in reliance upon the terms of this Agreement, and it is not possible to determine the sum of money which would adequately compensate Owner for such efforts; the parties acknowledge and agree that any injunctive relief may be ordered on an expedited, priority basis.

- Release. Except for those remedies set forth in this Agreement, Owner, for itself, its successors and assignees, hereby releases City, its officers, agents and employees from any and all claims, demands, actions, or suits of any kind or nature arising out of any liability, known or unknown, present or future, based or asserted, pursuant to Article 1, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution, or any other law or ordinance which seeks to impose any other liability or damage, whatsoever, upon City because it entered into this Agreement or because of the terms of this Agreement.

Owner acknowledges that it may have suffered, or may suffer, damages and other injuries that are unknown to it, or unknowable to it, at the time of its execution of this Agreement. Such fact notwithstanding, Owner agrees that the release provided in this Section shall apply to such unknown or unknowable claims and damages. Without limiting the generality of the foregoing, Owner acknowledges the provisions of California Civil Code Section 1542, which provide:

“A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.”

Owner hereby waives, to the maximum legal extent, the provisions of California Civil Code Section 1542 and all other statutes and judicial decisions of similar effect.

Owners' Initials

- Termination of Agreement for Default of City. Owner may terminate this Agreement in the event of a default by City in the performance of a material term of this Agreement and only after providing written notice to City of default setting forth the nature of the default and the actions, if any, required by City to cure such default and, where the default can be cured, City has failed to take such actions and cure such default within sixty (60) days after the effective date of such notice or, in the event that such default cannot be cured within such sixty (60) day period but can be cured within a longer time, has failed to commence the actions necessary to cure such default within such sixty (60) day period and to diligently proceed to complete such actions and cure such default. Notwithstanding anything to the contrary, in the event that Owner deem it is necessary and/or advisable to cease operations in Porterville, then Owner may terminate this Agreement, and such termination shall be effective upon the date of written notice to the City.
- Attorneys' Fees and Costs. In any action or proceeding between City and Owner brought to interpret or enforce this Agreement, or which in any way arises out of the existence of this Agreement or is based upon any term or provision contained herein, the “prevailing party” in such action or proceeding shall be

entitled to recover from the non-prevailing party, in addition to all other relief to which the prevailing party may be entitled pursuant to this Agreement, the prevailing party's reasonable attorneys' fees and litigation costs, in an amount to be determined by the court. The prevailing party shall be determined by the court in accordance with California Code of Civil Procedure Section 1032. Fees and costs recoverable pursuant to this Section include those incurred during any appeal from an underlying judgment and in the enforcement of any judgment rendered in any such action or proceeding.

- Owner Default. No building permit shall be issued or building permit application accepted for any structure on the Property after Owner is determined by City to be in default of the terms and conditions of this Agreement until such default thereafter is cured by Owner or is waived by City. If City terminates this Agreement because of Owner's default, then City shall retain any and all benefits, including money or land received by City hereunder.

17. Third Party Litigation

- General Plan Litigation. City has determined that this Agreement is consistent with its General Plan. Owner has reviewed the General Plan and concurs with City's determination.

City shall have no liability under this Agreement or otherwise for any failure of City to perform under this Agreement, or for the inability of Owner to develop the Property as contemplated by the **Agreement**, which failure to perform or inability to develop is as the result of a judicial determination that the General Plan, or portions thereof, are invalid or inadequate or not in compliance with law, or that this Agreement or any of City's actions in adopting it were invalid, inadequate, or not in compliance with the law.

- Hold Harmless Agreement. To the fullest extent permitted by law, Owner hereby agrees to, and shall hold City, its elective and appointive boards, commissions, officers, agents, attorney's, contractors, consultants and employees harmless from any liability for damage or claims for damage for personal injury, including death, as well as from claims for property damage which may arise from Owner or Owner's contractors, subcontractors, agents, or employees' operations under this Agreement, whether such operations be by Owner, or by any of Owner's contractors, subcontractors, agents, or employees operations under this Agreement, whether such operations be by Owner, or by any of Owner's contractors, subcontractors, or by any one or more persons directly or indirectly employed by, or acting as agent for Owner or any of Owner's contractors or subcontractors. Owner agrees to and shall defend City and its elective and appointive boards, commissions, officers, agents and employees from any suits or actions at law or in equity for damage caused, or alleged to have been caused, by reason of any of the aforesaid operations.

- Indemnification. To the fullest extent permitted by law, Owner shall defend, indemnify, and hold harmless City and its elective and appointive boards, commissions, officers, agents, attorney's, contractors, consultants and employees against and from any and all liabilities, demands, claims, actions or proceedings and costs and expenses incidental thereto (including costs of defense, settlement and reasonable attorneys' fees), which any or all of them may suffer, incur, be responsible for or pay out as a result of or in connection with any challenge to the legality, validity or adequacy of any of the following: (i) this Agreement and the concurrent and subsequent permits, licenses and entitlements approved for the Project or Property; (ii) the environmental impact report, mitigated negative declaration or negative declaration, as the case may be, prepared in connection with the development of the Property; (iii) any claims based on or alleging inverse condemnation by any person or entity with an interest in the Property; and (iv) the proceedings undertaken in connection with the adoption or approval of any of the above. In the event of any legal or equitable action or other proceeding instituted by any third party (including a governmental entity or official) challenging the validity of any provision of this Agreement or any portion thereof as set forth herein, the parties shall mutually cooperate with each other in defense of said action or proceeding. Notwithstanding the above, City, at its sole option, may tender the complete defense of any third-party challenge as described herein. In the event City elects to contract with special counsel to provide for such a defense, City shall meet and confer with Owner regarding the selection of counsel, and Owner shall pay all costs related to retention of such counsel. This Indemnification is provided in addition to that set forth in Section 7.

- Environmental Contamination. To the fullest extent permitted by law, Owner shall indemnify and hold City, its elective and appointive boards, commissions, officers, agents, attorney's, contractors, consultants and employees free and harmless from any liability, based or asserted, upon any act or omission of Owner, its officers, agents, employees, subcontractors, predecessors in interest, successors, assigns and independent contractors, excepting and acts or omissions of City as successor to any portions of the Property dedicated or transferred to City by Owner, for any violation of any federal, state or local law, ordinance or regulation relating to industrial hygiene or to environmental conditions on, under or about the Property, including, but not limited to, soil and groundwater conditions, and Owner shall defend, at its expense, including attorneys' fees, City, its officers, agents and employees in any action based or asserted upon any such alleged act or omission. City may in its discretion participate in the defense of any such claim, action or proceeding. This Indemnification is provided in addition to that set forth in Section 7.

The provisions of this Section do not apply to environmental conditions that predate Owner's ownership or control of the Property or applicable portion; provided, however, that the foregoing limitation shall not operate to bar, limit or modify any of Owner's statutory or equitable obligations as an owner or seller of the Property.

- City to Approve Counsel. With respect to this Section, City reserves the right to approve the attorney(s) which Owner selects, hires or otherwise engages to defend City hereunder, which approval shall not be unreasonably withheld.
- Accept Reasonable Good Faith Settlement. With respect to this Section, City shall not reject any reasonable good faith settlement. If City does reject a reasonable, good faith settlement that is acceptable to Owner, Owner may enter into a settlement of the action, as it relates to Owner, and City shall thereafter defend such action (including appeals) at its own cost and be solely responsible for any judgment rendered in connection with such action. This Section applies exclusively to settlements pertaining to monetary damages or damages which are remedial by the payment of monetary compensation. Owner and City expressly agree that this Section does not apply to any settlement that requires an exercise of City's police powers, limits City's exercise of its police powers, or affects the conduct of City's municipal operations.
- Survival. The provisions of this Section inclusive, shall survive the termination or expiration of the Agreement.

18. California Environmental Quality Act

Owner shall pay all fees and reimburse City for any and all costs incurred by City related to project review under the California Environmental Quality Act (CEQA), Public Resources Code, §§21000-21189.3, and the Guidelines for California Environmental Quality Act, California Code of Regulations, Title 14, §§15000-15387. If reasonably requested by City, Owner shall conduct and pay for any required CEQA reviews and analyses. The City has found that the proposed Project is Categorically Exempt from California Environmental Quality Act (CEQA) requirements under provisions of CEQA Guidelines **Section 15301** – Existing Facilities. This exemption applies to projects characterized as alterations to existing facilities meeting the conditions described in **Section 15301**.

19. Rules, Regulations, and Official Policies

Except as otherwise provided in this Agreement, the rules, regulations, and official policies of City governing permitted uses of the land, governing density, and governing the design, improvements, and construction standards and specifications applicable to the development of the Project subject of this Agreement, shall be those rules, regulations, and official policies of City in force at the time of the execution of this Agreement. This Agreement does not prevent City, in subsequent actions applicable to the property, from applying new rules, regulations, and policies which do not conflict with those rules, regulations, and policies applicable to the property as set forth herein, nor does this Agreement prevent City from denying or conditionally approving any subsequent development project application based on such existing or new rules, regulations, or policies.

20. Commercial Cannabis Permit Conditions of Approval

Owner shall comply with all conditions of approval of the City-issued Commercial Cannabis Permit.

21. Periodic Reviews

This Agreement shall be subject to annual review. Owner shall demonstrate good faith compliance with the terms of this Agreement. If, as a result of such periodic review, City finds and determines, based on substantial evidence, that Owner, or successor in interest thereto, has not complied in good faith with the terms or conditions of this Agreement, City may terminate or modify this Agreement (except no modification shall increase Owner's liability nor reduce Owner's rights), provided that City shall first provide Owner notice of its intent to terminate, with a detailed explanation as to why, and provide Owner the reasonable right to cure the same.

- **Periodic Review.** City Council shall review this Agreement annually, on or before each anniversary of the Effective Date, in order to ascertain Owner's good faith compliance with this Agreement. During the periodic review Owner shall be required to demonstrate good faith compliance with the terms of the Agreement, through submitting an annual monitoring report, records, or equivalent written materials to the Community Development Department. The Department will schedule a hearing on the periodic review of the Development Agreement on or following the anniversary of the Effective Date, but Owner has no obligation to compel such hearing, and no implication will be made to Owner's detriment if a hearing is not in fact held. Owner shall document any request for an extension of the term due to delays beyond the control of Owner (see Section 25, "Force Majeure").
- **Conditional Use Permit.** For all intents and purposes, the Commercial Cannabis Permit to be issued under this Agreement shall be treated as if it were a Conditional Use Permit issued to Owner for the establishment and operation of its business. The operation of the business at all times shall be required to comply with the terms of this Agreement.
- **Special Review.** City Council may order a special review of compliance with this Agreement at any time. The Community Development Director or his or her designee shall conduct such special review. During a special review, Owner shall be required to demonstrate good faith compliance with the terms of the Agreement. The burden of proof on this issue shall be on Owner.
- **Review Hearing.** At the time and place set for the review hearing, Owner shall be given an opportunity to be heard. If City Council finds, based upon substantial evidence, that Owner has not complied in good faith with the terms or conditions of this Agreement, City Council may terminate this Agreement notwithstanding any other provision of this Agreement to the contrary, or modify this Agreement and impose such conditions as are reasonably necessary to

protect the interests of City. The decision of City Council shall be final, subject only to judicial review pursuant to Code of Civil Procedure Section 1094.5.

- **Certificate of Agreement Compliance.** If, after a periodic or special review, Owner is found to be in compliance with this Agreement, and if Owner requests it, City shall issue a Certificate of Agreement Compliance ("Certificate") to Owner stating that after the most recent periodic or special review, and based upon the information known or made known to the Planning Director and City Council, that (i) this Agreement remains in effect and (ii) Owner is not in default.

City shall not be bound by a Certificate if a default existed at the time of the periodic or special review, but was concealed from or otherwise not known to the Planning Director and City Council, regardless of whether the Certificate is relied upon by assignees or other transferees or Owner.

- **Failure to Conduct Review.** City's failure to conduct a periodic review of this Agreement shall not constitute a breach of this Agreement.

22. Assignment

Assignment by Owner. Owner shall not transfer, delegate, sublet or assign its interest, rights, duties, and obligations under this Agreement. Any assignment, delegation, or subletting shall be null and void.

23. Operating Commercial Cannabis Facility

Any party to this Agreement, shall not operate a commercial cannabis facility authorized under the municipal code unless it is the holder of a valid applicable State Cannabis License and a Commercial Cannabis Permit issued by City in accordance with the procedures and requirements of Chapter 15, Article VII of the Porterville Municipal Code.

24. Notice

Any notice or communication required hereunder between City and Owner must be in writing, and may be given either personally, by registered or certified mail (return receipt requested), or by Federal Express, UPS or other similar couriers providing overnight delivery. If personally delivered, a notice shall be deemed to have been given when delivered to the Party to whom it is addressed. If given by registered or certified mail, such notice or communication shall be deemed to have been given and received on the first to occur of (i) actual receipt by any of the addressees designated below as the party to whom notices are to be sent, or (ii) five (5) days after a registered or certified letter containing such notice, properly addressed, with postage prepaid, is deposited in the United States mail. If given by Federal Express or similar courier, a notice or communication shall be deemed to have been given and received on the date delivered, as shown on a receipt issued by the courier. Any Party hereto may at any time, by giving ten (10) days written notice to the other Party hereto, designate any other address in substitution of the address to which such notice or communication shall be given. Such

notices or communications shall be given to the Parties at their addresses set forth below:

25. Miscellaneous Provisions

- Amendment or Cancellation. This Agreement may be amended, or canceled in whole or in part, only by the written mutual consent of the parties to this Agreement or their successors in interest.
- Waiver. Waiver by City of any one or more of the terms or conditions of this Agreement shall not be construed as waiver of any other term or condition under this Agreement.
- Enforcement/Reserved Powers. Unless amended or canceled pursuant hereto, this Agreement shall be enforceable by any party hereto, or successor in interest thereto, notwithstanding any subsequent change in any applicable general or specific plan, zoning, subdivision or building regulation, or municipal

code amendment adopted by City that conflicts with the terms of this Agreement. However, this Agreement is subject to the City's "Reserved Powers." For purposes of this Agreement, "Reserved Powers" means the rights and authority excepted from this Agreement's restrictions on the City's police powers and which are instead reserved to the City. The Reserved Powers include the powers to enact regulations or take future discretionary actions after the Effective Date of this Agreement that: (1) are necessary to protect the public health and safety, and are generally applicable on a City-wide basis (except in the event of natural disasters as found by the City Council such as floods, earthquakes and similar acts of God); (2) are amendments to California Marijuana Laws or California Uniform Codes, as adopted by the City of Porterville, and/or the Porterville Municipal Code, as applicable, regarding the construction, engineering and design standards for private and public improvements to be constructed on the Site; (3) are necessary to comply with state or federal laws and regulations; or (4) involve sign and parking ordinances and guidelines, changes to the City's zoning laws, Specific Plan or the City's General Plan, whether adopted previous or subsequent to the Effective Date of this Agreement).

If any City ordinance, rule or regulation or addition to the Porterville Municipal Code is enacted or imposed by a citizen-sponsored initiative or referendum after the Effective Date that would conflict with this Agreement or an associated Commercial Cannabis Permit, business license or other authorizations and City approvals, or reduce development rights or assurances provided to the Owner in this Agreement, then such changes, additions or deletions to the Porterville Municipal Code shall not be applied to the Site or Project; provided, however, the parties acknowledge that the City's approval of this Agreement is a legislative action subject to referendum. The parties shall cooperate with each other and undertake such reasonable actions as may be appropriate to ensure this Agreement remains in full force and effect and is implemented in accordance with its terms and to the fullest extent permitted by state or federal law.

Notwithstanding anything to the contrary in this Agreement, site improvements contemplated by this Agreement shall be completed pursuant to the City's development standards and design guidelines.

- **Joint and Several Liability.** CCC shall be jointly and severally liable for any amount due under this Agreement, and any breach of this Agreement of failure to pay by one Party shall also constitute a breach of this Agreement by the other Party.
- **Severability.** If any part of this Agreement is found to conflict with applicable state laws or regulations, such part shall be inoperative, null, and void insofar as it conflicts with said laws or regulations, or modified or suspended as may be necessary to comply with such state laws or regulations, but the remainder of this Agreement shall continue to be in full force and effect.

- Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. The execution of this Agreement may be by actual, facsimile, or electronic signature.
- Jurisdiction. The law governing this Agreement shall be that of the State of California. The parties agree that this Agreement is entered into and to be performed in Tulare County, California.
- Disclaimer. Despite California's commercial cannabis laws and the terms and conditions of this Agreement, or any Commercial Cannabis Permit issued pertaining to Owner or the property specified herein, California commercial cannabis possessors or business operators may still be subject to arrest by state or federal officers and prosecuted under state or federal law. The Federal Controlled Substances Act, 21 USC § 801, prohibits the manufacture, distribution, and possession of cannabis without any exemptions for medical use.
- Force Majeure. If delays are caused by unforeseen events beyond the control of Owner, such delays will entitle Owner to an extension of time as provided in this section. Such unforeseen events ("Force Majeure") shall mean war, insurrection, acts of God, local, state or national emergencies, strikes and other labor difficulties beyond the party's control, or any default by City hereunder, which Force Majeure event substantially interferes with the development, construction or operation of the Project.
- Constructive Notice and Acceptance. Every person who after the Effective Date and recording of this Agreement owns or acquires any right, title, or interest to any portion of the Site, is and shall be conclusively deemed to have consented and agreed to every provision contained herein, whether or not any reference to this Agreement is contained in the instrument by which such person acquired an interest in the Site, and all rights and interests of such person in the Site shall be subject to the terms, requirements, and provisions of this Agreement.
- Binding Effect of Agreement. The Parties agree that the Recitals above are true and correct and intend to be bound by same. Except as otherwise provided, the burdens of this Agreement are binding upon, and the benefits of this Agreement inure to, all authorized successors-in-interest of the Parties and constitute covenants which run with the Site. In order to provide constructive notice thereof, the City Clerk will record this Agreement with the Tulare County Recorder within the period required by Government Code Section 65868.5.
- Project as a Private Undertaking. It is specifically understood and agreed by and between the parties hereto that the development of the Project is a private development, that neither party is acting as the agent of the other in any respect hereunder, and that each party is an independent contracting entity with respect

to the terms, covenants and conditions contained in this Agreement. No partnership, joint venture or other association of any kind is formed by this Agreement. The only relationship between the City and the Owner is that of a government entity regulating the development of private property and the owner of such property.

- **Changes to Project.** The parties acknowledge that changes to the Project or Development Plans and related approvals may be appropriate and mutually desirable to carry out the intent and purpose of this Agreement. This Agreement shall not prevent the City from applying, with the consent or at the request of the Owner, *Subsequent Land Use Regulations* or *Subsequent Development Approvals* that do not directly conflict with the Project, Site or Development Plan authorized under this Agreement. The granting of one such change or request shall not obligate the City to grant other similar changes or requests. As used herein, "*Subsequent Development Approvals*" include, without limitation, all excavation, grading, building, construction, demolition, encroachment or street improvement permits, occupancy certificates, utility connection authorizations, or other non-discretionary permits or approvals necessary, convenient or appropriate for the Project. As used herein, "*Subsequent Land Use Regulations*" means ordinances, resolutions and codes adopted or approved by the City after the Effective Date of this Agreement governing the development and use of the land, including general plan amendments, zone changes, variances or conditional use permits affecting the permitted use of the land including density or intensity of use, subdivision requirements, the maximum height and size of proposed buildings, the provisions of reservation or Dedication of land for public purposes, and the design, improvement and construction and initial occupancy standards and specifications applicable to the Development of the Property.

- **Conflicting Federal or State Rules.** In the event that any conflicting federal or state laws or regulations, enacted after the Effective Date, prevent or preclude compliance with one or more provisions of this Agreement or require changes in plans, maps or permits approved by the City, *this Agreement shall remain in full force and effect as to those provisions not affected*; and

- (i) **Notice of Conflict.** Either party, upon learning of any such matter, will provide the other party with written notice thereof and provide a copy of any such law, regulation or policy together with a statement of how any such matter conflicts with the provisions of this Agreement; and

- (ii) **Modification Conferences.** The parties shall, within thirty (30) days of the notice referenced to in the preceding subsection, meet and confer in good faith and attempt to modify this Agreement to bring it into compliance with any such federal or state law or regulation.

- (iii) **City Council Hearings.** In the event the City believes that an amendment to this Agreement is necessary due to the effect of any federal or

state law or regulation, the proposed amendment shall be scheduled for hearing before the City Council. The City Council shall determine the exact nature of the amendment necessitated by such federal or state law or regulation. Owner shall have the right to offer oral and written testimony at the hearing. Any modification ordered by the City Council pursuant to such hearing is subject to judicial review in accordance with California law.

(iv) City Cooperation. The City shall cooperate with Owner in securing any City permits, licenses or other authorizations that may be required as a result of any amendment resulting from actions initiated by the City. As required by this Agreement, Owner shall be responsible to pay all applicable fees in connection with securing of such permits, licenses or other authorizations.

Effective Date. "Effective Date" means the date on which all of the following are true: (i) thirty (30) days have elapsed since the second reading of the Ordinance adopting and approving this Development Agreement and (ii) all Exhibits to this Agreement are finalized, executed and notarized by all affected parties (if applicable) and attached hereto; provided, however, that if these conditions have not been fully satisfied by the Owner the Effective Date may not thereafter occur and this Agreement may not thereafter become effective.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the day and year first above written.

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Second Reading - Ordinance No. 1887 - Approving a Development Agreement Between the City of Porterville and Haven #7 LLC

SOURCE: Administrative Services

COMMENT: Ordinance No. 1887, an Ordinance approving a Development Agreement Between the City of Porterville and Haven #7 LLC Relating To The Development Of A Retail Cannabis Dispensary located at 1 W. Morton Avenue, Porterville, California, was given first reading by the City Council at its meeting on July 6, 2021, and has been printed.

RECOMMENDATION: That the City Council give Second Reading to Ordinance No. 1887, waive further reading, and adopt said Ordinance.

ATTACHMENTS: 1. Ordinance No. 1887

Appropriated/Funded:

Review By:

Department Director:

Patrice Hildreth, Deputy City Manager

Final Approver: John Lollis, City Manager

ORDINANCE NO. 1887

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF PORTERVILLE APPROVING A DEVELOPMENT AGREEMENT BETWEEN THE CITY OF PORTERVILLE AND HAVEN #7 LLC RELATING TO THE DEVELOPMENT OFA RETAIL CANNABIS DISPENSARY

WHEREAS, to strengthen the public planning process, encourage private participation in comprehensive planning and reduce the economic risk of development, the California State Legislature adopted Government Code Sections 65864 et seq. (the "Development Agreement Statute") which authorizes cities to enter in agreements for the development of real property with any person having a legal or equitable interest in such property in order to establish certain development rights in such property;

WHEREAS, in accordance with the Development Agreement Statute, the City of Porterville has enacted regulations to implement procedures for the processing and approval of development agreements in accordance with the Development Agreement Statute;

WHEREAS, in accordance with Chapter 15, Article VII of the Porterville Municipal Code, the City of Porterville awarded, via a Request for Proposals process, an opportunity to HAVEN #7 LLC to negotiate a Development Agreement and apply for a Cannabis Business regulatory permit for the establishment of a Retail Cannabis Dispensary;

WHEREAS, Pursuant to Chapter 15, Article VII, Section 15-87, subsection C. of the Porterville Municipal Code, no approval for a cannabis business regulatory permit may be granted unless the City Council, prior to or concurrently with such approval, also approves a Development Agreement, setting forth the terms and conditions under which the commercial cannabis activity will operate in addition to the requirements of Article VII of Chapter 15, all other local ordinances and regulations, state law and such other requirements promulgated by the City in order to protect and promote the public health, safety and welfare.

WHEREAS, the City and Haven #7 LLC have duly met, negotiated, and agreed upon the terms and conditions for said operation of the commercial cannabis business, to be operated at 1 West Morton Avenue, Porterville, California;

WHEREAS, the Development Agreement will assure the City and its residents and the Developer that the Development will proceed as proposed and that the public improvements and other amenities and funding obligations, will be accomplished as proposed; and

WHEREAS, pursuant to Section 65867 of the California Government Code, and the City's Development Agreement regulations, the City Council on July 6, 2021, held a duly noticed public hearing concerning whether to adopt the Development Agreement, during which public hearing, the Council received any comments from the Developer, City staff, and members of the public.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PORTERVILLE HEREBY ORDAINS as follows:

SECTION 1. This Ordinance incorporates, and by this reference makes a part hereof, the Development Agreement attached hereto as Exhibit A, subject to the provisions of Section 5 hereof.

SECTION 2. This Ordinance is adopted under the authority of California Government Code Section 65854 et seq., and pursuant to the City's Development Agreement regulations.

SECTION 3. In accordance with the City's Development Agreement regulations, the City Council hereby finds and determines, as follows:

(a) The Development Agreement is consistent with the objectives, policies, general land uses and programs specified in the General Plan, in that it establishes certain development rights, obligations and conditions for the implementation of the subject property;

(b) The Development Agreement is compatible with the uses authorized in, and the regulations prescribed for, the general plan designations which will apply to the subject property;

(c) The Development Agreement is in conformity with public convenience, general welfare and good land use practice;

(d) The Development Agreement will not be detrimental to the public health, safety and general welfare; and

(e) The Development Agreement will not adversely affect the order development of property or preservation of property values.

SECTION 4. The foregoing findings and determinations are based upon the following:

(a) The Recitals set forth in this Ordinance, which are deemed true and correct;

(b) The City's General Plan, and any applicable amendments thereto.

(c) All City staff reports (and all other public reports and documents) prepared for the City Council, related to the Development Agreement, and other actions relating to the subject property;

(d) All documentary and oral evidence received at the public hearing or submitted to the City during the comment period relating to the Development Agreement, and other actions relating to the subject property; and

(e) All other matters of common knowledge to the City Council, including but not limited to the City's fiscal and financial status, City general ordinances, policies and regulations.

SECTION 5. The City Council hereby approves the Development Agreement, attached hereto as Exhibit A, subject to such minor, conforming and clarifying changes consistent with the terms thereof as may be approved by the City Manager, in consultation with the City Attorney prior to execution thereof, including completion of references and status of planning approvals, and completion and conformity of all exhibits thereto, as approved by the City Council.

SECTION 6. CEQA REVIEW. The City Council hereby finds that this ordinance is not subject to review under the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines section 15061(b)(3) [there is no possibility the activity in question may have a significant affirmative effect on the environment]. In addition to the foregoing general exemption, the City Council further finds that the ordinance is categorically exempt from review under CEQA Guidelines section 15303 [conversion of an existing structure from one

use to another in conjunction with minor changes to the facility]. The City Manager is hereby directed to ensure that a *Notice of Exemption* is filed pursuant to CEQA Guidelines section 15062 [14 C.C.R. § 15062].

SECTION 7. Upon the effective date of this Ordinance as provided in Section 11 hereof, the Mayor and City Clerk are hereby authorized and directed to execute the Development Agreement on behalf of the City of Porterville.

SECTION 8. The City Manager is hereby authorized and directed to perform all acts authorized to be performed by the City Manager in the administration of the Development Agreement pursuant to the terms of the Agreement.

SECTION 9. SEVERABILITY. If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this ordinance, or its application to any person or circumstance, is for any reason held to be invalid or unenforceable, such invalidity or unenforceability shall not affect the validity or enforceability of the remaining sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases of this ordinance, or its application to any other person or circumstance. The City Council of the City of Porterville hereby declares that it would have adopted each section, subsection, subdivision, paragraph, sentence, clause or phrase hereof, irrespective of the fact that any one or more other sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases hereof be declared invalid or unenforceable.

SECTION 10. CONSTRUCTION. The City Council intends this ordinance to supplement, not to duplicate or contradict, applicable state and federal law and this ordinance shall be construed in light of that intent.

SECTION 11. EFFECTIVE DATE. The foregoing ordinance shall take effect thirty (30) days from the date of the passage and adoption. Prior to the expiration of fifteen (15) days from the enactment hereof a certified copy of this ordinance shall be posted in the office of the City Clerk pursuant to Government Code section 36933(c)(1) and a summary shall be published once in the Porterville Recorder, a newspaper printed and published in the City of Porterville, State of California, together with the names of the Council members voting for and against the same.

PASSED, APPROVED AND ADOPTED this 20th day of July, 2021.

COMMERCIAL CANNABIS DISPENSARY DEVELOPMENT
AGREEMENT BETWEEN THE CITY OF PORTERVILLE AND
HAVEN #7 LLC

THIS DEVELOPMENT AGREEMENT (this "Agreement") is made and entered into this 19th day of August, 2021, (the "Execution Date"), by and between the **CITY OF PORTERVILLE**, a California municipal corporation ("City") Haven #7 LLC ("Haven" or "Owner"). City and Owner are sometimes referenced together herein as the "Parties." In instances when a provision hereof applies to each of the Parties individually, either may be referenced as a "Party." The Parties hereby jointly render the following statement as to the background facts and circumstances underlying this Agreement:

RECITALS

WHEREAS, the State of California enacted California Government Code Sections 65864 et seq. ("Development Agreement Statutes") to authorize municipalities to enter into development agreements with those having legal or equitable interests in real property to strengthen the public planning process, encourage private participation in comprehensive planning, and reduce the economic risk of development in connection with the development of real property within their jurisdiction;

WHEREAS, the purpose of the Development Agreement Statutes is to authorize municipalities, in their discretion, to establish certain development rights in real property for a period of years regardless of intervening changes in land use regulations, to vest certain rights in the Owner, and to meet certain public purposes of the local government;

WHEREAS, the City has adopted Municipal Code Article 609, establishing the procedures and requirements for the consideration of development agreements with the City;

WHEREAS, Owners currently hold legal or equitable interest in real property

considered in this Agreement which has a development area approximately **3940** square feet located at 1 West Morton Avenue, City of Porterville, State of California (the "Site"). The Site includes Assessor's Parcel Number: 253-201-002, and is more fully described in Exhibit A. The exhibit is being attached hereto and incorporated herein by this reference;

WHEREAS, presently, Owner has a leased interest the Site for the purpose of commercial cannabis related activities, specifically the development and operation of a commercial cannabis dispensary. Such Commercial Cannabis facilities shall operate in accordance with all applicable provisions of Business and Professions Code §§26000-26231.2; California Health and Safety Code Safety Code §§ 11357-11362.9 and 11362.7- 11362.85; Revenue and Taxation Code §§ 34010-34021.5; Vehicle Code §§ 2429.7 and 23222; Water Code §§ 1831, 1847, and 13276; the City of Porterville Municipal Code as it applies to such facilities (collectively the "Applicable Cannabis Laws"), and all Resolutions and procedures adopted or authorized by the City in accordance with those laws and regulations. Prior to operating a commercial dispensary Owner shall be required to obtain a Commercial Cannabis Permit from the City, and all related permits and licenses prior to the operation of same, pursuant to Chapter 15, Article VII and Chapter 21, Article 609 of the Porterville Municipal Code.

WHEREAS, Owner has obtained or intends upon obtaining a California State License issued, pursuant to Applicable Cannabis Laws, to operate a commercial storefront dispensary at the Site. The definition of "Property Owner" hereunder shall mean and refer to the fee simple owner of the property. The definition of "Owner" hereunder shall mean and refer to any authorized tenant of the Site to the extent such party holds or is covered by a Commercial Cannabis Permit;

WHEREAS, Owner has applied to this City for a Commercial Cannabis Permit (*hereinafter* "CCP") to conduct Commercial Cannabis Activities. No such activities are allowed or authorized without a Development Agreement, a Commercial Cannabis Permit, and all requirements pursuant to the above-referenced City regulations.

WHEREAS, Owner presently intends to develop and open a commercial storefront dispensary on the Site consistent with the Applicable Cannabis Laws and Project Approvals (known as the "Project");

WHEREAS, the Project will consist of: one commercial building totaling approximately 3,940 square feet;

WHEREAS, in 2019, Ordinance Nos. 1853 and 1854 came into effect authorizing specified Commercial Cannabis Activities within the City of Porterville, in strict compliance with related State of California laws, regulations and policies, under specified conditions and provisions;

WHEREAS, all procedures of the California Environmental Quality Act ("CEQA"), California Public Resources Code §21000 et seq., and the CEQA

guidelines, title 14 of the California Code of Regulations, chapter 3, §15000 et seq. have been satisfied;

WHEREAS, the City has given public notice of its intention to adopt this Agreement and has conducted public hearings thereon pursuant to California Government Code §65867. The City has found that the provisions of this Agreement and its purposes are consistent with the objectives, policies, general land uses and programs specified in City's General Plan, zoning code and municipal ordinances;

WHEREAS, the City, in entering into this Agreement, acknowledges that certain City obligations hereby assumed shall survive beyond the terms of the present Council members, that this Agreement will serve to bind City and future Councils to the obligations hereby undertaken, and that this Agreement shall limit the future exercise of certain governmental and proprietary powers of City. By approving this Agreement, the Council has elected to exercise certain governmental powers at the time of entering into this Agreement rather than defer its actions to some undetermined future date. The terms and conditions of this Agreement have undergone extensive review by City and the Council and have been found to be fair, just and reasonable. City has concluded that the pursuit of the Project will serve the best interests of its citizens and that the public health, safety and welfare are best served by entering into this obligation. Owner(s) has represented to City that it would not consider or engage in the Project absent City approving this Agreement;

WHEREAS, the City agrees that Owner's land use entitlements for the Project shall vest for the term of this Agreement as described below;

WHEREAS, in conjunction with the City's applicable ordinances and resolutions, the Zoning Administrator of the City reviewed, considered and recommended environmental clearance and recommended approval of the execution of this Agreement to the City Council. The Zoning Administrator found the Project: consistent with the objectives, policies, general land uses and programs specified in the general plan; compatible with the uses authorized in the City's zoning laws; in conformity with the public necessity, public convenience, general welfare and good land use practices; will not be detrimental to the health, safety and general welfare of the city; will not adversely affect the orderly development of property or the preservation of property values; and will have a positive fiscal impact on the City;

WHEREAS, after conducting a duly noticed hearing on July 6, 2021, in conjunction with the City's applicable ordinances and resolutions, and after independent review and consideration, the City Council approved the execution of this Agreement. The City Council found the Project: consistent with the objectives, policies, general land uses and programs specified in the general plan; compatible with the uses authorized in the City's zoning laws; in conformity with good land use practices; will not be detrimental to the health, safety and general welfare of the City; and is in the best interest of the City of Porterville and its residents.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, the Parties do hereby agree as follows:

1. Government Code and Municipal Code Required Elements

a. Description of Property. Land situated in the City of Porterville, County of Tulare, State of California; whose street address is 1 West Morton, City of Porterville, State of California (the "Site"). The Site includes Assessor's Parcel Number: 253-201-002.

b. Owner and Other Person with Legal or Equitable Interest.

Owner: **Haven #7 LLC**

Nature of Interest: *Lease for a term of 15 years.*

If Owner is not the fee simple owner of the Site, check box below:

[X] Owner represents and warrants that the property owner has consented in writing to the execution and recordation of this Agreement against the Site. See attached Landlord Consent agreement, incorporated herein by this reference (Exhibit A).

c. Permitted Uses. The subject property may be used for a commercial storefront cannabis dispensary as presently authorized under Chapter 15, Article VII of the Porterville Municipal Code, §§ 15-85 through 15-105 and Chapter 21, Section 301.23, and 609.01 through 609.11, and for any other use as authorized under applicable provisions of the Porterville Municipal Code.

d. Zoning. Owner shall guarantee that such activities outlined in Owner's Commercial Cannabis Permit Application ("Application") conducted pursuant to this Agreement and under the Commercial Cannabis Permit shall comply with the City's municipal code, including the above-referenced zoning regulations and any and all development and construction requirements contained therein. Owner shall not conduct any business under this Agreement or under the Commercial Cannabis Permit without having obtained all necessary permits, licenses, and approvals from the City and State of California.

e. Reservation or Dedication of Land for Public Purposes. If needed, sufficient roadway, sidewalk, and utility easements shall be reserved or dedicated to City for such purposes.

2. Term

This Agreement shall commence on the Effective Date and it shall end **fifteen (15)** years from the starting date, and it shall remain in full force and effect so long

as the subject property is used for a commercial cannabis facility as authorized under City Ordinance Nos. 1853 and 1854; provided, however, such use is not abandoned for a period of more than ninety (90) days. This Agreement [SHALL] be extended for up to 1 additional **five-year** period following the expiration of the initial **fifteen (15)** year term upon the occurrence of all the following:

The Owner shall give written notice to the City no later than one hundred twenty (120) days before the expiration of the initial term that the Owner desires to extend this Agreement for an additional **five-year** period;

(i) The Owner shows adequate evidence to the City that it has a legal and/or equitable interest in the Property and/or will have such interests for the duration of the extended term of the Agreement;

(ii) The Owner shall deposit all fees required by the City necessary for processing the extension request and drafting necessary documentation;

(iii) The Owner shall be in compliance with all provisions of Ordinance Nos. 1853 and 1854, and all terms imposed by the City-issued Commercial Cannabis Permit; and

(iv) The Owner shall not be in default of any provision of any agreement between City and Owner relative to the development of the Property or of any condition of approval imposed upon any entitlement granted by the City relative to the development of the Property for which Owner has been given a written notice to cure by the City and for which Owner has not cured or commenced to cure such default within thirty (30) days, if and as provided by such agreement or condition of approval.

3. **General Business/Store and Offices** – The facility will maintain hours of operation consistent with Section 15-87.L. of the Municipal Code, with generally a minimum of 4 employees per shift. The parties may agree to a lesser number if warranted by the business volume.
4. **Parking/Loading/Access:** The proposed project provides 19 parking spaces, including 1 accessible van space(s). Loading will take place on-site within a loading space accessed on the east side of the structure. In no event will loading occur within the public right-of-way. Vehicular access to the site will be through an existing driveway on Morton Avenue. Within the site, access to the structures will be through the secured front office entrance. Pedestrian walkways within the structure and on the north side of the structure allow pedestrian circulation throughout the site. The project complies with the CALGreen Tier 1 by incorporating stormwater pollution prevention measures, installing energy and water-efficient equipment, and planting native and drought-tolerant landscaping at the front of the property
5. **Security:** The project will secure the facility against unauthorized entry by installing

security lights on the exterior of the building to illuminate the side areas and parking area, installing commercial-grade locks, installing an alarm and video surveillance system, establishing procedures for identifying authorized persons, establish inventory controls, and install a secured system rack to maintain the integrity of records. Further, the project shall have a separately secured, limited access area, where all persons must be at least 21 years of age and have a business reason for entering the area; non-employees with authorized access must be escorted, and an access log must be maintained. In addition, the applicant will engage a licensed security company to provide an operational security plan in compliance with applicable City Regulations and policies.

6. Owner's Site and Floor Plans

a. Owner's site plan and floor plan for the facility are attached hereto as Exhibit B and incorporated into the Application.

b. A preliminary landscape plan shall be prepared and reviewed and approved by the City Manager, the Community Development Director, the Engineering and Project Management Director, and/or their respective designees. A final landscape plan shall be prepared and submitted in conjunction with building and site improvement plans prior to issuance of building permits for construction activities.

c. An exterior signage plan shall be prepared and reviewed and approved by the appropriate City staff in accordance with the procedures and requirements of the Porterville Municipal Code.

d. The site elevations shall comply with the City's standards applicable to the Downtown area.

7. Facility Operations

a. Standard Operating Procedures. Owner is a lawful entity that will only transact business with other legally permitted persons and entities under the California Cannabis Laws. Prior to operating a dispensary, Owner shall be required to obtain a Commercial Cannabis Permit, and all requirements pursuant to said permit, from the City pursuant to City Ordinance Nos. 1853 and 1854. Further, and notwithstanding anything to the contrary, Owner may operate such cannabis-related activities as permitted in accordance with California state laws and regulations, as may be amended, including without limitation, as long as such activity is not inconsistent with Ordinance Nos. 1853 and 1854, this Development Agreement, the City-issued Commercial Cannabis Permit, and the Porterville Municipal Code.

During the term of its CCP and the term of this Agreement, Owner shall lawfully operate in accordance with all state and local laws. Owner shall employ exemplary operating procedures to comply with state and local laws. Owner's facility shall employ safety and security measures for the safety and security of its

employees, visitors, vendors, and neighboring communities and properties.

Owner shall fully comply with the minimum Operating Standards regulating the proposed Commercial Cannabis Activity as set forth in Article Chapter 15, Article 15, Sections 15-85 through 15-105 of the Porterville Municipal Code, and those required by Ordinance No. 1853.

b. Security Plan. Owner shall secure approval of its proposed security plan by the City prior to operating, and has attached its draft plan as Exhibit C. The security plan shall include, at a minimum and as appropriate, provisions for video surveillance, perimeter fencing and/or security, protection of the building(s) from vehicle intrusion, cash handling procedures, internal accounting controls, product handling and storage procedures, and a professionally monitored alarm system. Equipment and systems used for video surveillance and building alarms shall be approved by City. See Porterville Municipal Code Section 15-87, subsections (N) and (O), and for minimum security requirements.

Video surveillance shall include, at a minimum, all site and facility entrances and access points, all spaces accessible by the public, all secured areas of the facility with restricted access, all interior spaces and rooms where cannabis products are handled, shipping and receiving areas, cash storage areas, and other areas necessary to protect the safety of employees and the public and to ensure cannabis products are received, handled, stored, and sold in compliance with applicable state and local laws and regulations. The video surveillance system shall be web-based with direct access provided to the City of Porterville Police Department upon request.

The security system shall also include sensors to detect entry and exit from all secure areas, panic buttons in appropriate locations, and a professionally monitored alarm system with glass breakage sensors and motion detectors.

Owner shall employ properly trained and licensed third-party security personnel to protect the welfare and safety of Owner and employees, and to ensure public safety to the neighboring community. Owner shall use security personnel during all hours of business operations. Security personnel may be armed so long as proper licensing and insurance requirements are followed and met by the third-party operator providing such security services.

Further, the project shall have a separately secured, limited access area, where all persons must be at least 21 years of age and have a business reason for entering the area; non-employees with authorized access must be escorted, and an access log must be maintained. The (nonlimited access) reception area shall be completely separate and secured from the dispensary operations, and shall be operated in conformity with all applicable laws and regulations, and by an employee at least 21 years of age, with concurrent monitoring by onsite security personnel.

c. Fire Department Approval. Owner shall not operate any facility, and no permit, license, or other approval issued by City shall be valid unless and until the Porterville Fire Department has approved Owner's site plan, floor plan, safety plan, and any other plans that require its approval.

d. Possession of Firearms. Except for licensed and bonded security personnel, no person employed or contracted by Owner shall be in possession of any firearm while on the premises or location without having first obtained a license from the appropriate state or local agency authorizing the person to be in possession of such firearm. Every such person in possession of a firearm while on the premises or location must provide the City Manager and the Porterville Police Department, ten (10) days before bringing the firearm onto the premises, with the following:

- 1) A copy of the license issued to the person by the appropriate state or local agency authorizing him or her to possess such firearm;
- 2) A copy of his or her law enforcement identification (if he or she is employed by a law enforcement agency);
- 3) A copy of his or her California driver's license or California identification card; and
- 4) Any other information reasonably required by the Porterville Police Department to show that the individual is in compliance with the provisions of all laws regarding the possession and use of a firearm.

e. Identification Display. Each owner, manager, employee, and individual member engaged in the operation of the business shall at all times while engaged in the duties of his or her position wear in plain sight, on his or her person and at chest level, a valid identification badge, issued by Owner.

f. Employee Background Checks and Procedures for Inventory Control to Prevent Non-Medical Diversion of Medical Cannabis. Only employees who receive the required background clearance pursuant to Section 15-89 of the Porterville Municipal code shall be permitted to enter Owner's facility. Each employee will have to meet a criminal background investigation as required by the City, which at minimum shall include a LiveScan criminal history check, which City shall make a good faith effort to facilitate within a reasonable time following the issuance of a Commercial Cannabis Permit(s) or license(s) to Owner.

Owner shall take all necessary and reasonable steps to prevent the sale or distribution of any of its cannabis products to minors; prevent revenue from the sale or distribution of its cannabis and/or infused products from going to criminal

enterprises, gangs and cartels; prevent the diversion of cannabis from California to any other state; prevent state-authorized cannabis activity from being used as a cover or pretext for the trafficking of other illegal drugs or other illegal activity; prevent violence and the use of firearms in the sale of cannabis; discourage and educate against drugged driving and the exacerbation of other adverse public health consequences associated with cannabis use; disavow growing cannabis on public lands that creates attendant public safety and environmental dangers posed by such illegal uses; and discourage and educate against cannabis possession or use on federal property.

g. Point of Sale Tracking System. Owner shall maintain an inventory control and reporting system that accurately documents the cannabis products. The inventory control and reporting system shall comply with the track and trace program required by California Cannabis Law and regulations issued thereunder.

Owner shall employ an electronic point of donation/sale system approved by the State of California for all point of donations/sales tracking from seed or inception to product distribution to other licensed commercial cannabis facilities. Such approved system shall track all commercial cannabis products, each edible, harvested flower, and/or manufactured concentrate, as well as gross sales (by weight and sale). Owner's point of sale system shall have the capacity to produce historical transactional data in accordance with City's requirements.

h. Record Keeping. Owner shall maintain records for all commercial cannabis and/or infused products. Owner shall comply with all record-keeping responsibilities that are set forth in Ordinance No. 1853, Section 15-87(O) of the Porterville Municipal Code, including complete and up-to-date records regarding the amount of commercial cannabis delivered and sold, and applicable State law.

i. Commercial cannabis sales shall not create offensive odors; create excessive dust, heat, noise, smoke, traffic, or other impacts that are disturbing to people of normal sensitivity residing or present on adjacent or nearby property or areas open to the public; or be hazardous due to use or storage of materials, processes, products, or wastes.

Owner shall store its commercial cannabis and/or commercial cannabis products in a locked safe room with T-card identification access for management only. The safe room shall be constructed of fire-rate walls with numerous cameras installed to view all entries and exits from the safe room, as well as all other activities performed within Owner's facility. Owner will not conduct outdoor operations except as related to lawful delivery and transportation of commercial cannabis and infused products. Owner will not store commercial cannabis or related products in its delivery vehicle outside normal operating hours of the facility.

Any excess or contaminated product will be securely stored on-site until it is properly disposed. Disposal may include composting, incineration, land-fill

disposal through the local waste management hauler, or other disposal methodology in accordance with state and county health and safety codes and regulations.

j. Odor Control. All structures shall have ventilation and filtration systems installed that prevent commercial cannabis plant odors from exiting the interior of the structure. The ventilation and filtration system shall be approved by the Building Official and installed prior to commencing sales within the allowable structure. Facility air intake, exhaust, and recirculating system shall be of industrial grade. Activated charcoal, recirculating, and closed loop aeration systems will be utilized as necessary for effective odor control and management. Owner's draft Odor Control Plan is attached hereto as Ex. D.

k. Description of Banking Plan. Owner shall seek to open a bank account under the name of Owner or its associated management company to provide transparency for funds received, operational costs, including payroll, tax payments to the state and federal governments. Should a bank account not be forthcoming, Owner shall implement other industry standard banking and/or other industry standard transactional mechanisms.

l. Transportation and Delivery Plan. Owner shall comply with all state and local law regarding transportation and delivery, including the rules governing delivery service. Owner shall retain a list of names and cellular contact numbers for all employees engaged in transportation and/or delivery of commercial cannabis products and provide it to the applicable oversight authority, keeping the list current and up to date.

Owner will keep complete and up-to-date records documenting each delivery, including the amount/product(s) provided, the date and time provided, the name of the employee making the delivery, the name and address of the individual corporation to whom delivery is made, and the amount of the related sale/monetary transaction.

8. Community Relations, Employment, and Wages

a. Public Outreach and Education Program. The Owner shall coordinate and cooperate with City and any other Owners of commercial cannabis dispensaries located within City of Porterville in the establishment and implementation of appropriate public outreach and education programs. The public outreach and education programs shall be approved by City.

b. Community Benefits Program. The Owner shall coordinate and cooperate with the City and other Owners of commercial cannabis facilities located within the City of Porterville in the City Council's establishment and implementation, and the Owners' funding of a community benefits program which could include such

items as senior citizen programs, City beautification efforts, funding for enforcement against illegal cannabis operations, public safety, housing programs, economic development, infrastructure, capital improvements, including expansion and/or improvement to existing facilities or other physical improvements that provide a benefit to the community, support of holiday and special community events, and support of local public service, public safety, and special social and community organizations. This community benefits program may be implemented by the City. The City may invite public participation in the decision-making process for identifying and prioritizing community needs and benefits, and identifying appropriate projects to be funded by the entity implementing this community benefits program. All projects under the community benefits program must be approved by the City.

Owner agrees, as a business expense, to pay the City the yearly sum of \$30,000.00 or 1% of Owner's annual gross receipts, whichever amount is greater, from the commercial operation on the Premises. Unless otherwise agreed to in writing by the parties the above amount shall be paid over the course of the calendar year on a quarterly basis, with payments due within 30 days of the end of each quarter. The first payment shall be due at within 30 days of the end of the first quarter for which the commercial operation at the Premises was operational and prorated to account for when during the quarter the opening occurred.

c. Designation of Community Relations Liaison. At the time of this Agreement, Owner's day-to-day operations manager, Hussain Rayani, will be responsible for community inquiries and complaints and on-site management during normal business hours.

d. Interface with City of Porterville Police / Inspections. Owner's day-to-day operations manager, and/or the Owner's Community Relations Liaison, Hussain Rayani will interface with the Porterville Police Department's assigned designee to ensure its operation complies with state and local laws and regulations. The City Manager, or designee, or the Porterville Police Department's assigned designee acting at the City Manager's request and per his specific and limiting instructions, shall have the right to enter all Premises from time to time unannounced during hours of operation for the purpose of making reasonable inspections to observe and enforce compliance with this Agreement and state and local laws and regulations, without the requirement of a search warrant, subpoena, or court order, and subject to appropriate cost recovery fees set forth in this Agreement, or adopted by the City. See, Ordinance No. 1853, as well as Porterville Municipal Code Section 15-87, 15-96.

_____ Owner's Initials

e. Local Recruitment, Hiring, and Training Programs. Owner is committed to making a good-faith effort to recruit, hire, and train City residents for employment

by Owner. A good-faith effort means Owner shall take the following or similar actions to recruit and employ City residents: 1) Contact local recruitment sources, including the Employment Connection, to identify qualified individuals who are City (or City area) residents, 2) Advertise for qualified City residents in trade papers and newspapers of general circulation in the area, and 3) Develop a written plan to recruit and employ City residents as a part of the its workforce. The Owner commits to a local annual hiring goal of 50% of total operational jobs for permanent and apprentice employees. This goal shall apply horizontally, across all departments and managerial positions. The Owner shall not be penalized or deemed in default under this Agreement if it is unable to achieve such a goal. "Local" is defined as within a 3-mile radius of the boundaries of the City's boundaries. The Owner shall contact and work with a job referral agency (e.g. the Employment Connection) assigned by the City Manager to implement a local hiring policy for permanent and apprentice employees. The purpose of the hiring policy is to facilitate the training and employment of local and disadvantaged job applicants for jobs within the City's jurisdiction, and 3-mile radius of City boundaries. Applicants for jobs shall not be disqualified from hiring solely on the basis of an arrest or conviction for a Cannabis-related crime that occurred prior to November 8, 2016, and could have been prosecuted as a misdemeanor or citation under current California law. The Owner shall report on compliance with the local hiring goals as part of its annual audit report.

9. Public Art Feature/Element. Owner agrees to provide a historical/artistic feature as a component of its project, located at or near the Property. The artistic feature will be subject to the review of the City Cannabis Ad Hoc Committee and City of Porterville Arts Commission, and the approval of the City Council, prior to the commencement of work on the feature. Work on the feature must be commenced within one year of the opening of the business.

10. Indemnification Agreement by each Cannabis Permittee

Pursuant to Ordinance Nos.1853 and 1854, and including Porterville Municipal Code Section 15-87(T), to the fullest extent permitted by local, state and/or federal law, the City of Porterville shall not assume any liability whatsoever with respect to having issued a Commercial Cannabis Permit or executed a Development Agreement pursuant Ordinance No. 1853 and Chapter 609 of the Development Code, or otherwise approving the operation of any commercial cannabis business. As a condition to the approval of any Commercial Cannabis Permit and to the execution and approval of a Development Agreement, the Owner shall be required to meet all the conditions enumerated in Porterville Municipal Code Sections 15-85 through 15-105, before this Agreement may be executed, and before they can receive the Commercial Cannabis Permit. The City Manager shall require the Owner and each Commercial Cannabis Permittee to execute a separate Indemnification Agreement prepared by the City that fully indemnifies the City for all liabilities associated with the Commercial Cannabis Permit, the Commercial Cannabis Permittee's Commercial Cannabis Activities, and any action taken by

the Cannabis Permittee, and/or arising out of Owner's obligations under this Agreement. The Indemnification Agreement shall include the defense of the City and reimbursement of all fees, costs and expenses incurred by the City related to any action arising from this Agreement. Attached as Exhibit E, and incorporated herein by this reference, is true and correct copy of a fully executed Indemnification Agreement.

11. Fees, Costs, and Taxes

a. Permit Fees. Owner agrees to pay all permit fees and charges authorized and referenced in Ordinance Nos. 1853 and 1854, all amounts adopted by City Council and as required by applicable laws and regulations, and any fees set forth in this Agreement. Permit application, processing, and renewal fees shall be due and payable at the time application is made or renewed.

b. Cannabis Business Tax. Owner shall comply with all provisions of Ordinance No. 1875, and Porterville Municipal Code Chapter 22, Article VI, which requires every person engaged in a Commercial Cannabis Business in the City to pay an annual Commercial Cannabis Business tax at a rate established by resolution of the City Council, but no more than 10% of annual gross receipts. Resolution No. 99-2020, adopted by the City Council on December 15, 2020, has currently set the rate at 7% of annual gross receipts per fiscal year.

Copies of Tax Filings. Owner shall additionally provide the City with courtesy copies of each and every report Owner is required to provide to the County of Tulare or the State of California for sales, use, or other tax purposes at the time such filings are made.

12. Insurance

a. Insurance. Owner shall require all persons doing work on the Project, including its contractors and subcontractors (collectively, "Owner" for purposes of this Article 6 only), to obtain and maintain insurance of the types and in the amounts described in this section and its subsections with carriers reasonably satisfactory to City.

b. General Liability Insurance. Owner shall maintain commercial general liability insurance or equivalent form with a limit of not less than One Million Dollars (\$1,000,000) per claim and One Million Dollars (\$1,000,000) each occurrence. Such insurance shall also:

1) Name City, its elected and appointed councils, boards, commissions, officers, agents, employees, and representatives as "Additional Insureds" by endorsement with respect to performance of this Agreement. The coverage shall contain no special limitations on the scope of its protection afforded to the above-listed additional insured.

- 2) Be primary with respect to any insurance or self-insurance programs covering City, its officials, employees, agents, and representatives.

- 3) Contain standard separation of insured provisions.

c. Automotive Liability Insurance. Owner shall maintain business automobile liability insurance or equivalent form with a limit of not less than One Million Dollars (\$1,000,000) for each accident for the vehicles Owner operates in connection with its cannabis business. Such insurance shall include coverage for owned, hired, and non-owned automobiles. Such insurance shall also:

- 1) Name City, and work in good faith with the City and the insurers to name additional insureds as deemed reasonably necessary. "Additional Insureds" by endorsement with respect to performance of this Agreement. The coverage shall contain no special limitations on the scope of its protection afforded to the above-listed additional insureds;

- 2) Be primary with respect to any insurance or self-insurance programs covering City, its officials, employees, agents, and representatives;

- 3) Contain standard separation of insured provisions.

d. Workers' Compensation Insurance. Owner shall take out and maintain during the term of this Agreement, workers' compensation insurance for all of Owner's employees employed at or on the Project, and in the event any of the work is subcontracted, Owner shall require any general contractor or subcontractor similarly to provide workers' compensation insurance for such contractor's or subcontractor's employees, unless such employees are covered by the protection afforded by Owner. In case any class of employee engaged in work on the Project is not protected under any workers' compensation law, Owner shall provide and shall cause each contractor and subcontractor to provide adequate insurance for the protection of employees not otherwise protected. Owner hereby indemnifies City for any damage resulting from failure of Owner, its agents, employees, contractors, or subcontractors to take out or maintain such insurance. Workers' compensation insurance with statutory limits and employer's liability insurance with limits of not less than One Million Dollars (\$1,000,000) each accident shall be maintained.

e. Other Insurance Requirements. Owner shall do all of the following:

- 1) Prior to taking any actions under this Agreement, furnish City with properly executed certificates of insurance that clearly evidenced all insurance required in this Article, including evidenced that such insurance will not be canceled, allowed to expire, or be materially reduced in coverage without thirty (30) days prior written notice to City.

- 2) Provide to City, upon request, and within seven (7) calendar days of said request, certified copies of endorsements and policies, and properly executed certificates of insurance evidencing the insurance required herein.
- 3) Replace or require the replacement of certificates, policies and endorsements for any insurance required herein expiring prior the termination of this Agreement.
- 4) Maintain all insurance required herein from the Effective Date of this Agreement to the earlier of the expiration of the term or the mutual written termination of this Agreement.
- 5) Place all insurance required herein with insurers licensed to do business in California with a current Best's Key Rating Guide reasonably acceptable to City.

13. Termination

- a Termination Upon End of Term. This Agreement shall terminate upon the expiration of the term, unless it is terminated earlier pursuant to the terms of this Agreement. Upon termination of this Agreement, City shall record a notice of such termination and this Agreement shall be of no further force or effect except as otherwise set forth in this Agreement.
- b Effect of Termination on Owner's Obligations. Termination of this Agreement shall eliminate any further obligation of Owner to comply with this Agreement, or some portion thereof, if such termination relates to only part of the Site or Project. Termination of this Agreement, in whole or in part, shall not, however, eliminate the rights of Owner to seek any applicable and available remedies or damages based upon acts or omissions occurring before termination.
- c Effect of Termination on City's Obligations. Termination of this Agreement shall eliminate any further obligation of City to comply with this Agreement, or some portion thereof. Termination of this Agreement shall not, however, eliminate the rights of City to seek any applicable and available remedies or damages based upon acts or omissions occurring before termination.
- d Survival After Termination. The rights and obligations of the Parties set forth in this Agreement which, by its express terms or nature and context is intended to survive termination of this Agreement, will survive any such termination.

14. Resources Efficiency

Owner shall endeavor to reduce its environmental impact when possible. The design of the facility shall include reasonable water and energy conservation measures in accordance with applicable State regulations.

15. Standard Conditions for Construction

During any on-site construction activities related to development of the project site and any buildings thereon, or renovation or remodeling of existing buildings, Owner shall comply with all applicable state and local building and construction laws, regulations, and guidelines. The Project shall comply with the applicable parking standards established by the City for these particular cannabis activities.

16. Defaults and Remedies

a. Remedies in general. It is acknowledged by the parties that City would not have entered into this Agreement if it were to be liable in damages under this Agreement, or with respect to this Agreement or the application thereof, except as hereinafter expressly provided. Subject to extensions of time by mutual consent in writing, failure to delay by either party to perform any term or provision of this Agreement beyond a reasonable notice and cure period shall constitute a default. In the event of alleged default or breach of any terms or conditions of this Agreement, the party alleging such default or breach shall give the other party not less than thirty (30) day notice in writing specifying the nature of the alleged default and the manner in which said default may be satisfactorily cured during any such thirty (30) day period, the party charged shall not be considered in default for purposes of termination or institution of legal proceedings. Notwithstanding the foregoing to the contrary, if the alleged default is of such a nature that it cannot be cured within thirty (30) days, the alleged defaulting party shall not be deemed in default as long as such party commences to cure such default within such thirty (30) day period and thereafter diligently prosecutes such cure to completion.

After notice and expiration of the thirty (30) day period, the other party to this Agreement, at its option, may institute legal proceedings pursuant to this Agreement.

In general, each of the parties hereto may pursue any remedy at law or equity available for the breach of any provision of this Agreement, except that City shall not be liable in monetary damages, unless expressly provided for this Agreement, to Owner, to any mortgagee or lender, or to any successors in interest of Owner or mortgagee or lender, or to any other person, and Owner covenants on behalf of itself and all successors in interest to the Property or any portion thereof, not to sue for damages or claim any damages.

1) For any breach of this Agreement or for any cause of action which arises out of this Agreement; or

2) For the impairment or restriction of any right or interest conveyed or provided under, with, or pursuant to this Agreement, including, without limitation, any impairment or restriction which Owner characterizes as a regulatory taking or inverse condemnation; or

3) Arising out of or connected with any dispute, controversy or issue regarding the application or interpretation or effect of the provisions of this Agreement.

Nothing contained herein shall modify or abridge Owner's rights or remedies (including its rights for damages, if any) resulting from the exercise by City of its power of eminent domain. Nothing contained herein shall modify or abridge Owner's rights or remedies (including its rights for damages, if any) resulting from bad faith intentional acts, the grossly negligent or malicious acts of City and its officials, officers, agents and employees. Nothing herein shall modify or abridge any defenses or immunities available to City and its employees pursuant to the Government Liability Act and all other applicable statutes and decisional law.

Except as set forth in the preceding paragraph relating to eminent domain, Owner's remedies shall be limited to those set forth in this Section.

Notwithstanding anything to the contrary contained herein, City covenants as provided in Civil Code Section 3300 not to sue for or claim any consequential damages or, in the event all or a portion of the Property is not developed, for lost profits or revenues which would have accrued to City as a result of the development of the Property.

b. Specific Performance. The parties acknowledge that money damages and remedies at law are inadequate, and specific performance and other non-monetary relief are particularly appropriate remedies for the enforcement of this Agreement and should be available to all parties for the following reasons:

1) Except as provided in this Agreement, money damages are unavailable against City.

2) Due to the size, nature and scope of the Project, it may not be practical or possible to restore the Property to its natural condition once implementation of this Agreement has begun. After such implementation, Owner may be foreclosed from other choices it may have had to use the Property or portions thereof. Owner has invested significant time and resources and performed extensive planning and processing of the Project in agreeing to the terms of this Agreement and will be investing even more significant time and resources in implementing the Project in reliance upon the terms of this Agreement, and it is not possible to determine the sum of money which would adequately compensate Owner for such efforts; the parties acknowledge and agree that any injunctive relief may be ordered

on an expedited, priority basis.

c. Release. Except for those remedies set forth in this Agreement, Owner, for itself, its successors and assignees, hereby releases City, its officers, agents and employees from any and all claims, demands, actions, or suits of any kind or nature arising out of any liability, known or unknown, present or future, based or asserted, pursuant to Article 1, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution, or any other law or ordinance which seeks to impose any other liability or damage, whatsoever, upon City because it entered into this Agreement or because of the terms of this Agreement.

Owner acknowledges that it may have suffered, or may suffer, damages and other injuries that are unknown to it, or unknowable to it, at the time of its execution of this Agreement. Such fact notwithstanding, Owner agrees that the release provided in this Section shall apply to such unknown or unknowable claims and damages. Without limiting the generality of the foregoing, Owner acknowledges the provisions of California Civil Code Section 1542, which provide:

“A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.”

Owner hereby waives, to the maximum legal extent, the provisions of California Civil Code Section 1542 and all other statutes and judicial decisions of similar effect.

Owners' Initials

d. Termination of Agreement for Default of City. Owner may terminate this Agreement in the event of a default by City in the performance of a material term of this Agreement and only after providing written notice to City of default setting forth the nature of the default and the actions, if any, required by City to cure such default and, where the default can be cured, City has failed to take such actions and cure such default within sixty (60) days after the effective date of such notice or, in the event that such default cannot be cured within such sixty (60) day period but can be cured within a longer time, has failed to commence the actions necessary to cure such default within such sixty (60) day period and to diligently proceed to complete such actions and cure such default. Notwithstanding anything to the contrary, in the event that Owner deem it is necessary and/or advisable to cease operations in Porterville, then Owner may terminate this Agreement, and such termination shall be effective upon the date of written notice to the City.

e. Attorneys' Fees and Costs. In any action or proceeding between City and Owner brought to interpret or enforce this Agreement, or which in any way arises

out of the existence of this Agreement or is based upon any term or provision contained herein, the “prevailing party” in such action or proceeding shall be entitled to recover from the non-prevailing party, in addition to all other relief to which the prevailing party may be entitled pursuant to this Agreement, the prevailing party’s reasonable attorneys’ fees and litigation costs, in an amount to be determined by the court. The prevailing party shall be determined by the court in accordance with California Code of Civil Procedure Section 1032. Fees and costs recoverable pursuant to this Section include those incurred during any appeal from an underlying judgment and in the enforcement of any judgment rendered in any such action or proceeding.

f. Owner Default. No building permit shall be issued or building permit application accepted for any structure on the Property after Owner is determined by City to be in default of the terms and conditions of this Agreement until such default thereafter is cured by Owner or is waived by City. If City terminates this Agreement because of Owner’s default, then City shall retain any and all benefits, including money or land received by City hereunder.

17. Third Party Litigation

a. General Plan Litigation. City has determined that this Agreement is consistent with its General Plan. Owner has reviewed the General Plan and concurs with City’s determination.

City shall have no liability under this Agreement or otherwise for any failure of City to perform under this Agreement, or for the inability of Owner to develop the Property as contemplated by the **Agreement**, which failure to perform or inability to develop is as the result of a judicial determination that the General Plan, or portions thereof, are invalid or inadequate or not in compliance with law, or that this Agreement or any of City’s actions in adopting it were invalid, inadequate, or not in compliance with the law.

b. Hold Harmless Agreement. To the fullest extent permitted by law, Owner hereby agrees to, and shall hold City, its elective and appointive boards, commissions, officers, agents, attorney’s, contractors, consultants and employees harmless from any liability for damage or claims for damage for personal injury, including death, as well as from claims for property damage which may arise from Owner or Owner’s contractors, subcontractors, agents, or employees’ operations under this Agreement, whether such operations be by Owner, or by any of Owner’s contractors, subcontractors, agents, or employees’ operations under this Agreement, whether such operations be by Owner, or by any of Owner’s contractors, subcontractors, or by any one or more persons directly or indirectly employed by, or acting as agent for Owner or any of Owner’s contractors or subcontractors. Owner agrees to and shall defend City and its elective and appointive boards, commissions, officers, agents and employees from any suits or actions at law or in equity for damage caused, or alleged to have been caused, by reason of any of the aforesaid operations.

c. Indemnification. To the fullest extent permitted by law, Owner shall defend, indemnify, and hold harmless City and its elective and appointive boards, commissions, officers, agents, attorney's, contractors, consultants and employees against and from any and all liabilities, demands, claims, actions or proceedings and costs and expenses incidental thereto (including costs of defense, settlement and reasonable attorneys' fees), which any or all of them may suffer, incur, be responsible for or pay out as a result of or in connection with any challenge to the legality, validity or adequacy of any of the following: (i) this Agreement and the concurrent and subsequent permits, licenses and entitlements approved for the Project or Property; (ii) the environmental impact report, mitigated negative declaration or negative declaration, as the case may be, prepared in connection with the development of the Property; (iii) any claims based on or alleging inverse condemnation by any person or entity with an interest in the Property; and (iv) the proceedings undertaken in connection with the adoption or approval of any of the above. In the event of any legal or equitable action or other proceeding instituted by any third party (including a governmental entity or official) challenging the validity of any provision of this Agreement or any portion thereof as set forth herein, the parties shall mutually cooperate with each other in defense of said action or proceeding. Notwithstanding the above, City, at its sole option, may tender the complete defense of any third-party challenge as described herein. In the event City elects to contract with special counsel to provide for such a defense, City shall meet and confer with Owner regarding the selection of counsel, and Owner shall pay all costs related to retention of such counsel. This Indemnification is provided in addition to that set forth in Section 7.

d. Environmental Contamination. To the fullest extent permitted by law, Owner shall indemnify and hold City, its elective and appointive boards, commissions, officers, agents, attorney's, contractors, consultants and employees free and harmless from any liability, based or asserted, upon any act or omission of Owner, its officers, agents, employees, subcontractors, predecessors in interest, successors, assigns and independent contractors, excepting and acts or omissions of City as successor to any portions of the Property dedicated or transferred to City by Owner, for any violation of any federal, state or local law, ordinance or regulation relating to industrial hygiene or to environmental conditions on, under or about the Property, including, but not limited to, soil and groundwater conditions, and Owner shall defend, at its expense, including attorneys' fees, City, its officers, agents and employees in any action based or asserted upon any such alleged act or omission. City may in its discretion participate in the defense of any such claim, action or proceeding. This Indemnification is provided in addition to that set forth in Section 7.

The provisions of this Section do not apply to environmental conditions that predate Owner's ownership or control of the Property or applicable portion; provided, however, that the foregoing limitation shall not operate to bar, limit or modify any of Owner's statutory or equitable obligations as an owner or seller of the Property.

e. City to Approve Counsel. With respect to this Section, City reserves the

right to approve the attorney(s) which Owner selects, hires or otherwise engages to defend City hereunder, which approval shall not be unreasonably withheld.

f. Accept Reasonable Good Faith Settlement. With respect to this Section, City shall not reject any reasonable good faith settlement. If City does reject a reasonable, good faith settlement that is acceptable to Owner, Owner may enter into a settlement of the action, as it relates to Owner, and City shall thereafter defend such action (including appeals) at its own cost and be solely responsible for any judgment rendered in connection with such action. This Section applies exclusively to settlements pertaining to monetary damages or damages which are remedial by the payment of monetary compensation. Owner and City expressly agree that this Section does not apply to any settlement that requires an exercise of City's police powers, limits City's exercise of its police powers, or affects the conduct of City's municipal operations.

g. Survival. The provisions of this Section inclusive, shall survive the termination or expiration of the Agreement.

18. California Environmental Quality Act

Owner shall pay all fees and reimburse City for any and all costs incurred by City related to project review under the California Environmental Quality Act (CEQA), Public Resources Code, §§21000-21189.3, and the Guidelines for California Environmental Quality Act, California Code of Regulations, Title 14, §§15000-15387. If reasonably requested by City, Owner shall conduct and pay for any required CEQA reviews and analyses. The City has found that the proposed Project is Categorical Exempt from California Environmental Quality Act (CEQA) requirements under provisions of CEQA Guidelines **Section 15301** – Existing Facilities. This exemption applies to projects characterized as alterations to existing facilities meeting the conditions described in **Section 15301**.

19. Rules, Regulations, and Official Policies

Except as otherwise provided in this Agreement, the rules, regulations, and official policies of City governing permitted uses of the land, governing density, and governing the design, improvements, and construction standards and specifications applicable to the development of the Project subject of this Agreement, shall be those rules, regulations, and official policies of City in force at the time of the execution of this Agreement. This Agreement does not prevent City, in subsequent actions applicable to the property, from applying new rules, regulations, and policies which do not conflict with those rules, regulations, and policies applicable to the property as set forth herein, nor does this Agreement prevent City from denying or conditionally approving any subsequent development project application based on such existing or new rules, regulations, or policies.

20. Commercial Cannabis Permit Conditions of Approval

Owner shall comply with all conditions of approval of the City-issued Commercial Cannabis Permit.

21. Periodic Reviews

This Agreement shall be subject to annual review. Owner and Landlord executing this Agreement shall demonstrate good faith compliance with the terms of this Agreement. If, as a result of such periodic review, City finds and determines, based on substantial evidence, that Owner or Landlord executing this Agreement, or successor in interest thereto, has not complied in good faith with the terms or conditions of this Agreement, City may terminate or modify this Agreement (except no modification shall increase Owner's liability nor reduce Owner's rights), provided that City shall first provide Owner notice of its intent to terminate, with a detailed explanation as to why, and provide Owner the reasonable right to cure the same.

a. Periodic Review. City Council shall review this Agreement annually, on or before each anniversary of the Effective Date, in order to ascertain Owner's good faith compliance with this Agreement. During the periodic review Owner shall be required to demonstrate good faith compliance with the terms of the Agreement, through submitting an annual monitoring report, records, or equivalent written materials to the Community Development Department. The Department will schedule a hearing on the periodic review of the Development Agreement on or following the anniversary of the Effective Date, but Owner has no obligation to compel such hearing, and no implication will be made to Owner's detriment if a hearing is not in fact held. Owner shall document any request for an extension of the term due to delays beyond the control of Owner (see Section 25.i., "Force Majeure").

b. Conditional Use Permit. For all intents and purposes, the Commercial Cannabis Permit to be issued under this Agreement shall be treated as if it were a Conditional Use Permit issued to Owner for the establishment and operation of its business. The operation of the business at all times shall be required to comply with the terms of this Agreement.

c. Special Review. City Council may order a special review of compliance with this Agreement at any time. The Community Development Director or his or her designee shall conduct such special review. During a special review, Owner shall be required to demonstrate good faith compliance with the terms of the Agreement. The burden of proof on this issue shall be on Owner.

d. Review Hearing. At the time and place set for the review hearing, Owner shall be given an opportunity to be heard. If City Council finds, based upon substantial evidence, that Owner has not complied in good faith with the terms or conditions of this Agreement, City Council may terminate this Agreement notwithstanding any other provision of this Agreement to the contrary, or modify this Agreement and impose such conditions as are reasonably necessary to protect the interests of City. The decision of City Council shall be final, subject

only to judicial review pursuant to Code of Civil Procedure Section 1094.5.

e. Certificate of Agreement Compliance. If, after a periodic or special review, Owner is found to be in compliance with this Agreement, and if Owner requests it, City shall issue a Certificate of Agreement Compliance ("Certificate") to Owner stating that after the most recent periodic or special review, and based upon the information known or made known to the Planning Director and City Council, that (i) this Agreement remains in effect and (ii) Owner is not in default.

City shall not be bound by a Certificate if a default existed at the time of the periodic or special review, but was concealed from or otherwise not known to the Planning Director and City Council, regardless of whether the Certificate is relied upon by assignees or other transferees or Owner.

f. Failure to Conduct Review. City's failure to conduct a periodic review of this Agreement shall not constitute a breach of this Agreement.

22. Assignment

Assignment by Owner. Owner shall not transfer, delegate, sublet or assign its interest, rights, duties, and obligations under this Agreement. Any assignment, delegation, or subletting shall be null and void.

23. Operating Commercial Cannabis Facility

Any party to this Agreement, shall not operate a commercial cannabis facility authorized under the municipal code unless it is the holder of a valid applicable State Cannabis License and a Commercial Cannabis Permit issued by City in accordance with the procedures and requirements of Chapter 15, Article VII of the Porterville Municipal Code.

24. Notice

Any notice or communication required hereunder between City and Owner must be in writing, and may be given either personally, by registered or certified mail (return receipt requested), or by Federal Express, UPS or other similar couriers providing overnight delivery. If personally delivered, a notice shall be deemed to have been given when delivered to the Party to whom it is addressed. If given by registered or certified mail, such notice or communication shall be deemed to have been given and received on the first to occur of (i) actual receipt by any of the addressees designated below as the party to whom notices are to be sent, or (ii) five (5) days after a registered or certified letter containing such notice, properly addressed, with postage prepaid, is deposited in the United States mail. If given by Federal Express or similar courier, a notice or communication shall be deemed to have been given and received on the date delivered, as shown on a receipt issued by the courier. Any Party hereto may at any time, by giving ten (10) days written notice to the other Party hereto, designate any other address in substitution of the address to which such notice or communication

shall be given. Such notices or communications shall be given to the Parties at their addresses set forth below:

25. Miscellaneous Provisions

a. Amendment or Cancellation. This Agreement may be amended, or canceled in whole or in part, only by the written mutual consent of the parties to this Agreement or their successors in interest.

b. Waiver. Waiver by City of any one or more of the terms or conditions of this Agreement shall not be construed as waiver of any other term or condition under this Agreement.

c. Enforcement/Reserved Powers. Unless amended or canceled pursuant hereto, this Agreement shall be enforceable by any party hereto, or successor in

interest thereto, notwithstanding any subsequent change in any applicable general or specific plan, zoning, subdivision or building regulation, or municipal code amendment adopted by City that conflicts with the terms of this Agreement. However, this Agreement is subject to the City's "Reserved Powers." For purposes of this Agreement, "Reserved Powers" means the rights and authority excepted from this Agreement's restrictions on the City's police powers and which are instead reserved to the City. The Reserved Powers include the powers to enact regulations or take future discretionary actions after the Effective Date of this Agreement that: (1) are necessary to protect the public health and safety, and are generally applicable on a City-wide basis (except in the event of natural disasters as found by the City Council such as floods, earthquakes and similar acts of God); (2) are amendments to California Marijuana Laws or California Uniform Codes, as adopted by the City of Porterville, and/or the Porterville Municipal Code, as applicable, regarding the construction, engineering and design standards for private and public improvements to be constructed on the Site; (3) are necessary to comply with state or federal laws and regulations; or (4) involve sign and parking ordinances and guidelines, changes to the City's zoning laws, Specific Plan or the City's General Plan, whether adopted previous or subsequent to the Effective Date of this Agreement).

If any City ordinance, rule or regulation or addition to the Porterville Municipal Code is enacted or imposed by a citizen-sponsored initiative or referendum after the Effective Date that would conflict with this Agreement or an associated Commercial Cannabis Permit, business license or other authorizations and City approvals, or reduce development rights or assurances provided to the Owner in this Agreement, then such changes, additions or deletions to the Porterville Municipal Code shall not be applied to the Site or Project; provided, however, the parties acknowledge that the City's approval of this Agreement is a legislative action subject to referendum. The parties shall cooperate with each other and undertake such reasonable actions as may be appropriate to ensure this Agreement remains in full force and effect and is implemented in accordance with its terms and to the fullest extent permitted by state or federal law.

Notwithstanding anything to the contrary in this Agreement, site improvements contemplated by this Agreement shall be completed pursuant to the City's development standards and design guidelines.

d. **Joint and Several Liability.** Owner shall be jointly and severally liable for any amount due under this Agreement, and any breach of this Agreement or failure to pay by one Party shall also constitute a breach of this Agreement by the other Party.

e. **Severability.** If any part of this Agreement is found to conflict with applicable state laws or regulations, such part shall be inoperative, null, and void insofar as it conflicts with said laws or regulations, or modified or suspended as may be

necessary to comply with such state laws or regulations, but the remainder of this Agreement shall continue to be in full force and effect.

f. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. The execution of this Agreement may be by actual, facsimile, or electronic signature.

g. Jurisdiction. The law governing this Agreement shall be that of the State of California. The parties agree that this Agreement is entered into and to be performed in Tulare County, California.

h. Disclaimer. Despite California's commercial cannabis laws and the terms and conditions of this Agreement, or any Commercial Cannabis Permit issued pertaining to Owner or the property specified herein, California commercial cannabis possessors or business operators may still be subject to arrest by state or federal officers and prosecuted under state or federal law. The Federal Controlled Substances Act, 21 USC § 801, prohibits the manufacture, distribution, and possession of cannabis without any exemptions for medical use.

i. Force Majeure. If delays are caused by unforeseen events beyond the control of Owner, such delays will entitle Owner to an extension of time as provided in this section. Such unforeseen events ("Force Majeure") shall mean war, insurrection, acts of God, local, state or national emergencies, strikes and other labor difficulties beyond the party's control, or any default by City hereunder, which Force Majeure event substantially interferes with the development, construction or operation of the Project.

j. Constructive Notice and Acceptance. Every person who after the Effective Date and recording of this Agreement owns or acquires any right, title, or interest to any portion of the Site, is and shall be conclusively deemed to have consented and agreed to every provision contained herein, whether or not any reference to this Agreement is contained in the instrument by which such person acquired an interest in the Site, and all rights and interests of such person in the Site shall be subject to the terms, requirements, and provisions of this Agreement.

k. Binding Effect of Agreement. The Parties agree that the Recitals above are true and correct and intend to be bound by same. Except as otherwise provided, the burdens of this Agreement are binding upon, and the benefits of this Agreement inure to, all authorized successors-in-interest of the Parties and constitute covenants which run with the Site. In order to provide constructive notice thereof, the City Clerk will record this Agreement with the Tulare County Recorder within the period required by Government Code Section 65868.5.

l. Project as a Private Undertaking. It is specifically understood and agreed by and between the parties hereto that the development of the Project is a private

development, that neither party is acting as the agent of the other in any respect hereunder, and that each party is an independent contracting entity with respect to the terms, covenants and conditions contained in this Agreement. No partnership, joint venture or other association of any kind is formed by this Agreement. The only relationship between the City and the Owner is that of a government entity regulating the development of private property and the owner of such property.

m. Changes to Project. The parties acknowledge that changes to the Project or Development Plans and related approvals may be appropriate and mutually desirable to carry out the intent and purpose of this Agreement. This Agreement shall not prevent the City from applying, with the consent or at the request of the Owner, *Subsequent Land Use Regulations* or *Subsequent Development Approvals* that do not directly conflict with the Project, Site or Development Plan authorized under this Agreement. The granting of one such change or request shall not obligate the City to grant other similar changes or requests. As used herein, "*Subsequent Development Approvals*" include, without limitation, all excavation, grading, building, construction, demolition, encroachment or street improvement permits, occupancy certificates, utility connection authorizations, or other non-discretionary permits or approvals necessary, convenient or appropriate for the Project. As used herein, "*Subsequent Land Use Regulations*" means ordinances, resolutions and codes adopted or approved by the City after the Effective Date of this Agreement governing the development and use of the land, including general plan amendments, zone changes, variances or conditional use permits affecting the permitted use of the land including density or intensity of use, subdivision requirements, the maximum height and size of proposed buildings, the provisions of reservation or Dedication of land for public purposes, and the design, improvement and construction and initial occupancy standards and specifications applicable to the Development of the Property.

n. Conflicting Federal or State Rules. In the event that any conflicting federal or state laws or regulations, enacted after the Effective Date, prevent or preclude compliance with one or more provisions of this Agreement or require changes in plans, maps or permits approved by the City, *this Agreement shall remain in full force and effect as to those provisions not affected*; and

(i) Notice of Conflict. Either party, upon learning of any such matter, will provide the other party with written notice thereof and provide a copy of any such law, regulation or policy together with a statement of how any such matter conflicts with the provisions of this Agreement; and

(ii) Modification Conferences. The parties shall, within thirty (30) days of the notice referenced to in the preceding subsection, meet and confer in good faith and attempt to modify this Agreement to bring it into compliance with any such federal or state law or regulation.

(iii) City Council Hearings. In the event the City believes that an amendment to this Agreement is necessary due to the effect of any federal or state law or regulation, the proposed amendment shall be scheduled for hearing before the City Council. The City Council shall determine the exact nature of the amendment necessitated by such federal or state law or regulation. Owner shall have the right to offer oral and written testimony at the hearing. Any modification ordered by the City Council pursuant to such hearing is subject to judicial review in accordance with California law.

(iv) City Cooperation. The City shall cooperate with Owner in securing any City permits, licenses or other authorizations that may be required as a result of any amendment resulting from actions initiated by the City. As required by this Agreement, Owner shall be responsible to pay all applicable fees in connection with securing of such permits, licenses or other authorizations.

Effective Date. "Effective Date" means the date on which all of the following are true: (i) thirty (30) days have elapsed since the second reading of the Ordinance adopting and approving this Development Agreement and (ii) all Exhibits to this Agreement are finalized, executed and notarized by all affected parties (if applicable) and attached hereto; provided, however, that if these conditions have not been fully satisfied by the Owner the Effective Date may not thereafter occur and this Agreement may not thereafter become effective.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the day

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Approval for Community Civic Event - Porterville Chamber of Commerce - KJUG Concert Series 2021 - July 22, 2021 and a Date to be Determined in August 2021

SOURCE: Finance

COMMENT: The Porterville Chamber of Commerce is requesting approval to hold the KJUG Concert Series 2021 at Centennial Park on Thursday, July 22, 2021 and another date yet to be determined in August 2021. The Chamber is requesting the use of the Park and the closure of the following streets from 4:00 P.M. to 10:00 P.M.:

Street closures

Main Street, from Harrison Avenue to Cleveland Avenue

Thurman Avenue, from Division Street to the East Alley behind the Park

Cleveland Avenue, from Division Street to the East Alley behind the Park

It is estimated that each concert will draw between 500 and 1000 attendees. There will be no VIP section, no alcohol sales and no vendors except for the Chamber selling water during the events. Adequate ADA parking and restroom facilities should be made available during the concert. Sufficient traffic barriers will need to be provided as an event safety precaution. The Police Department will monitor the events but no special or exclusive provisions will be made. Event organizers are required to adhere to all State and local guidelines and limitations pertaining to COVID-19.

City Fire, Police and Public Works Departments staff have evaluated the anticipated event attendees and requested street closures, and if approved by the City Council, recommend the closure of Main Street between Cleveland and Thurman Avenues, the closure of Cleveland Avenue between Main and Second Streets, and the closure of the alley between Cleveland and Thurman Avenues. The Police Department would station a vehicle at the northeast corner of the Main Street/Cleveland Avenue intersection and monitor traffic.

This request is made under the Community Civic Events Ordinance No. 1326, as amended. The application has been routed according to the Ordinance regulations and reviewed by all Departments involved. The requirements are listed on the attached copy of the application and agreement, Exhibit A and Exhibit B.

RECOMMENDATION: That the City Council:

1. Consider the Porterville Chamber of Commerce request for street closures for the Community Civic Event, KJUG Concert Series 2021; and
2. Consider the Community Civic Event Application and Agreement from the Porterville Chamber of Commerce, subject to the Restrictions and Requirement contained in the Application and Agreement, Exhibit A and Exhibit B of the Community Civic Event Application.

CITY OF PORTERVILLE

APPLICATION AND AGREEMENT FOR A PERMIT TO HOLD A COMMUNITY CIVIC EVENT OR OTHER ACTIVITY TO BE HELD ON PUBLIC PROPERTY

What constitutes a Community Civic Event?

A non-profit organization wishes to sponsor an event that is open to the community at large and will utilize public property. Most of the time, Community Civic Events require street or sidewalk closures. This application must be submitted NO LESS THAN 30 DAYS PRIOR to the date of the event in order to obtain City Council approval.

All City Code requirements are described in ordinance 15-20 (e) 1-23 and as amended in ordinance 1613. For a full description please visit our City of Porterville website at www.ci.porterville.ca.us/govt/CityClerk/, Porterville Municipal Codes. For questions or concerns please call 559-782-7451 or 559-782-7457. Any person who violates the provisions in this code, shall be deemed guilty of either a misdemeanor or an infraction, with penalties of one hundred (\$100) for the first violation.

Liability insurance: The sponsoring organization/applicant agrees to provide and keep in force during the term of this permit a policy of liability and property damage insurance against liability for personal injury, including accidental death, as well as liability for property damage which may arise in any way during the term of this permit. The sponsoring organization/applicant's insurance coverage shall apply as primary to, and on a non-contributory basis with, any other available coverage of the City. The City of Porterville and Successor Agency to the Porterville Redevelopment Agency shall be named as additional insured. A Certificate of Liability Insurance and Additional Insured Endorsement sample forms are enclosed for your convenience. This original certificate and endorsement shall be submitted to the Finance Department with the application. The council shall condition the granting of a CCE permit upon the sponsoring entity's filing with the council a policy of public liability insurance in which the city has been named as insured or coinsured with the permittee. The policy of insurance shall insure the city, its officers, and its employees against all claims arising out of, or in connection with, the issuance of the CCE permit or the operation of the permittee or its agents or representatives, pursuant to the permit. The policy of insurance shall provide coverage of no less than two million dollars (\$2,000,000.00) per occurrence of bodily injury and property damage, combined single limit. (Ordinance 15-20(e) 18)

Alcohol liability insurance: Organization/Applicant will obtain an alcohol permit if any alcoholic beverages are to be served. The insurance policy shall be endorsed to include full liquor liability in an amount not less than one million dollars (\$1,000,000) per occurrence. The City of Porterville shall be named as additional insured against all claims arising out of or in connection with the issuance of this permit or the operation of the permitted, his/her agents or representatives pursuant the permit. Claims-made policies are not acceptable.

Health permit: Organization/Applicant will obtain or ensure that all participants obtain a 'Temporary Food Facilities' permit(s) from the Tulare County Public Health Department, if any food is to be served in connection with this Community Civic Event. To contact the Tulare County Environmental Health Department located at 5957 S. Mooney Blvd., Visalia, CA, 93277, call 559-733-6441, or fax information to 559-733-6932; or visit their website: www.tularehhsa.org.

First aid station: Organization/Applicant will establish a first aid station, with clearly posted signs, to provide basic emergency care, such as ice/hot packs, bandages, and compresses.

Toilet rental service: Applicant shall have care, custody and control of the equipment and shall bear responsibility and liability for all loss and damage to the equipment and for its contents while at the City's location. Applicant shall not overload, move or alter the equipment and shall use the equipment for its intended purpose. Applicant shall be responsible for any damages to City's property resulting from company's provision of services hereunder. Applicant shall confirm with the service company the number of portable toilets, standard and handicap, and wash sinks needed for the number of expected attendees.

Agreement: The sponsoring organization/applicant agrees to comply with all provisions of the Community Civic Event Ordinance 15-20(e), as amended, and the terms and conditions set forth by City Council and stated in Exhibit 'A.' The sponsoring organization/applicant agrees, during the term of this permit, to secure and hold the City free and harmless from all loss, liability, and claims for damages, costs and charges of any kind or character arising out of, relating to, or in any way connected with his/her performance of this permit. Said agreement to hold harmless shall include and extend to any injury to any person or persons, or property of any kind whatsoever and to whomever belonging, including, but not limited to, said organization/applicant, and shall not be liable to the City for any injury to persons or property which may result solely or primarily from the action or non-action of the City or its directors, officers, or employees. Approval of the Community Civic Events Permit by the Porterville City Council pertains only to authorized activities conducted at designated locations within the incorporated area of the City of Porterville, and such approval shall not be construed or interpreted to authorize sponsor utilization of public right-of-ways outside of the jurisdiction of the City of Porterville.

KJUG Concert Series 2021: July 22, 2021 / 4:00PM – 10:00PM

Location: Centennial Park

Proposed Conditions/Requirements for Downtown Event:

- City Council approval is required for all street closures.
- On all streets approved for closure, ensure adequate barricades/barriers are used to warn motorists of non-access and prevent vehicle access to those designated areas.
- If the sale of alcohol is undertaken, a primary location for this purpose shall be established. Event organizers shall ensure only patrons wearing clearly displayed authorized wristbands, as provided by event organizers, can purchase and consume alcoholic beverages.
- At no time shall alcoholic beverages be possessed or consumed outside park or designated area for the event.
- Event organizers shall have been granted a temporary license to sell alcohol from the California Department of Alcoholic Beverage Control.
- If event organizers anticipate the need for removal of parked vehicles from public roadways related to the event, the affected public roadways must be posted by organizer with appropriate signage no less than 24 hours in advance of the event. Said signs and associated posting must meet minimum requirements as established by the California Vehicle Code. (Recommend event organizers contact Sergeant Erik Martinez of the Porterville Police Department/Traffic Unit in order to ensure that signs meet the requirements as established by law).
- Food vendors should provide inspection certificates from the Tulare County Health Department to members of the organizing committee, to ensure food product safety.
- An Outside Amplifier Permit has been approved and granted. However, event organizers shall not allow music to be played so loud as to unreasonably disturb the peace and good order of any residents or business establishments in the surrounding area.
- At conclusion of event, event organizers shall ensure streets are promptly cleared of any vehicles, equipment, booths or anything that could present a hazard to pedestrians or vehicles traveling through this area.

- Event organizers shall contact Police Department Lieutenants Ron Moore, Mark Azevedo or Rick Carrillo (559-782-7410 or 559-782-7400) to coordinate and schedule the appropriate number of law enforcement officers to provide security and ensure safety during the event.

Section 18-9

It shall be unlawful for any person within the city to use or operate or cause to be operated or to play any radio, phonograph, jukebox, record player, loudspeaker, musical instrument, mechanical device, machine, apparatus, or instrument for intensification or amplification of the human voice or any sound or noise in a manner so loud as to be calculated to disturb the peace and good order of the neighborhood or sleep of ordinary persons in nearby residences or to loud as to unreasonably disturb and interfere with the peace and comfort of the occupants of nearby residences.

The operation of any such instrument, phonograph, jukebox, machine or device in such manner as to be plainly audible at a distance of one hundred feet (100') from the building, structure, vehicle, or place in which, or on which it is situated or located shall be prima facie evidence of a violation of this section. (Ord. Code § 8311)

Section 18-14

It shall be unlawful for any person to maintain, operate, connect or suffer or permit to be maintained, operated, or operated, or connected any or sound amplifier in such a manner as to cause any sound to be projected outside of any building or out of doors in any part of the city, except as may be necessary to amplify sound for the proper presentation of moving picture shows, or exhibiting for the convenience hearing of patrons within the building or enclosure in which the show or or exhibition is given, without having first procured a permit from the chief of police, which permit shall be granted at the will of the chief of police upon application in writing therefor, but which permit, when granted, shall be revocable by the city council whenever any such loudspeaker or sound amplifier shall by the council be deemed objectionable, and any such permit may be so revoked with or without notice, or with or without a formal hearing, at the option of the council, and in the event of the revocation of any such permit, the same shall not be renewed, except upon application as the first instance. (Ord. Code § 8312)

Penal Code Section 416 (2): Any of the following persons shall be punished by imprisonment in the county jail for a period of not more than 90 days, a fine of not more than four hundred dollars (\$400), or both such imprisonment and fine. (2) Any person who maliciously and wilfully disturbs another person by loud and unreasonable noise.

I hereby certify that I have read and answered all statements on this registration form and that they are true and correct.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED – DESIGNATED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s):

Any person or organization that you are required to add as an additional insured on this policy, under a written contract or agreement currently in effect, or becoming effective during the term of this policy. The additional insured status will not be afforded with respect to liability arising out of or related to your activities as a real estate manager for that person or organization.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A. Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:
1. In the performance of your ongoing operations; or
 2. In connection with your premises owned by or rented to you.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

- B. With respect to the insurance afforded to these additional insureds, the following is added to Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or
2. Available under the applicable Limits of Insurance shown in the Declarations; whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Bid Results - Public Safety Building Storage Project

SOURCE: Engineering and Project Management

COMMENT: On July 14, 2021, staff received two bids for the Public Safety Building Storage Project. The project includes the construction of a 636-square foot insulated metal storage building addition to the Public Safety Building that is to be used for evidence storage.

The bid results are as follows:

<u>Contractor</u>	<u>Bid Amount</u>
S&B Sons, Inc Bakersfield, CA	\$158,000
Dayco Construction Porterville, CA	\$226,683

The Engineer's estimate of probable cost for this project is \$125,000. The low bid presented by S&B Sons, Inc of Bakersfield is \$158,000, which is 26.4% higher than the Engineer's Estimate. An additional \$15,800 (10%) is necessary for construction contingencies and an additional \$2,231 is required for construction management, quality control, and inspection services. The required fire protection apparatuses are to be designed and installed as approved by City Council on June 15, 2021, by Wilson Fire Protection for \$5,269, for a total project cost of \$181,300.00

It has been the City Council's policy to reject all bids when the bid exceeds ten percent (10%) of the Engineer's Estimate. Although the possibility exists that the City will receive favorable bids if re-advertised, the indicators in the current market suggest the chances of such are very small. Staff believes that the higher than anticipated bid amount is due to the increase in construction material costs in the last year that continue to rise steadily; especially for steel and wood products. Prices in the market are expected to continue to increase in the months to come.

Funding for this project was approved in the Fiscal Year 2021-2022 Fiscal Year Budget, with Measure I funding in the amount of \$131,500. An additional \$49,800 is required to fully fund this project should Council determine to award the project.

RECOMMENDATION:

That City Council consider:

- 1) Award of the Public Safety Building Storage Project to S&B Sons, Inc. in the amount of \$158,000;
- 2) Authorize progress payments up to ninety-five percent (95%) of the contract amount;
- 3) Authorize a ten percent (10%) contingency to cover unforeseen construction costs;
- 4) Authorize \$2,231 for construction management;
- 5) Authorize an additional appropriation of \$49,800 from Measure I funds to fully fund the project.

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Designation of Voting Delegate and Alternates for League of California Cities Annual Conference - September 22-24, 2021

SOURCE: Administrative Services

COMMENT: The League of California Cities' Annual Conference is scheduled to take place September 22-24, 2021, in Sacramento. In addition to the training sessions offered, an important aspect of the League's Conference is the Annual Business Meeting, during which the membership considers and takes action on resolutions that establish official League policy. This year, the business meeting is scheduled to take place on Friday, September 24, 2021.

In order to vote at this meeting, the City Council must designate a voting delegate. In the event the voting delegate is unable to serve in that capacity, the League's Bylaws also allow for the designation of up to two alternates.

The estimated cost for attendance at the Conference is approximately \$1,200 per Council Member. This cost includes conference registration and materials, accommodations, mileage and meals. Funding is currently available in the Council's travel budget.

RECOMMENDATION: That the City Council designate a Council Member to serve as the voting delegate, and up to two Council Members to serve as the alternate voting delegate(s), at the League of California Cities' Annual Conference scheduled for September 22-24, 2021 in Sacramento, CA.

CITY: PORTERVILLE

**2021 ANNUAL CONFERENCE
VOTING DELEGATE/ALTERNATE FORM**

Please complete this form and return it to Cal Cities office by Wednesday, September 15, 2021. Forms not sent by this deadline may be submitted to the Voting Delegate Desk located in the Annual Conference Registration Area. Your city council may designate one voting delegate and up to two alternates.

To vote at the Annual Business Meeting (General Assembly), voting delegates and alternates must be designated by your city council. Please attach the council resolution as proof of designation. As an alternative, the Mayor or City Clerk may sign this form, affirming that the designation reflects the action taken by the council.

Please note: Voting delegates and alternates will be seated in a separate area at the Annual Business Meeting. Admission to this designated area will be limited to individuals (voting delegates and alternates) who are identified with a special sticker on their conference badge. This sticker can be obtained only at the Voting Delegate Desk.

Annual Conference Voting Procedures

1. **One City One Vote.** Each member city has a right to cast one vote on matters pertaining to Cal Cities policy.
2. **Designating a City Voting Representative.** Prior to the Annual Conference, each city council may designate a voting delegate and up to two alternates; these individuals are identified on the Voting Delegate Form provided to the Cal Cities Credentials Committee.
3. **Registering with the Credentials Committee.** The voting delegate, or alternates, may pick up the city's voting card at the Voting Delegate Desk in the conference registration area. Voting delegates and alternates must sign in at the Voting Delegate Desk. Here they will receive a special sticker on their name badge and thus be admitted to the voting area at the Business Meeting.
4. **Signing Initiated Resolution Petitions.** Only those individuals who are voting delegates (or alternates), and who have picked up their city's voting card by providing a signature to the Credentials Committee at the Voting Delegate Desk, may sign petitions to initiate a resolution.
5. **Voting.** To cast the city's vote, a city official must have in their possession the city's voting card and be registered with the Credentials Committee. The voting card may be transferred freely between the voting delegate and alternates, but may not be transferred to another city official who is neither a voting delegate or alternate.
6. **Voting Area at Business Meeting.** At the Business Meeting, individuals with a voting card will sit in a designated area. Admission will be limited to those individuals with a special sticker on their name badge identifying them as a voting delegate or alternate.
7. **Resolving Disputes.** In case of dispute, the Credentials Committee will determine the validity of signatures on petitioned resolutions and the right of a city official to vote at the Business Meeting.

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Consideration of Council Appointments to Boards and Committees

SOURCE: City Manager's Office

COMMENT: With the change in the composition of the City Council due to the resignation of Council Member Peñaloza and the appointment of Council Member Tate, it would now be an appropriate time to consider Council appointments to the various boards and committees on which selected Council Members serve. For Council's consideration, attached is a current list of the current appointments.

RECOMMENDATION: That the City Council consider appointments to its Boards and Committees.

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Review of Sign Ordinance

SOURCE: Administrative Services

COMMENT: During Other Matters of the City Council's meeting of June 15, 2021, Vice Mayor Flores requested that the Council consider an item to review the City's Sign Ordinance. At its meeting on July 6, 2021, the Council approved Vice Mayor Flores' request that the subject be considered as a Scheduled Matter at the Council's meeting of July 20, 2021.

Chapter 21, Article 305 of the municipal code addresses the City's sign regulations, which have been attached for reference. In particular, Vice Mayor Flores spoke to the proliferation of pop-up signage and feather banners, which are generally considered temporary signs and addressed and regulated in Article 305.11.

RECOMMENDATION: That the City Council consider the review of the City's Sign regulations for potential amendments, and provide direction as determined.

305.13: Master Sign Program

305.14: Nonconforming Signs

305.15: Abatement And Removal Of Illegal Signs

305.01: PURPOSE:

The purpose of this chapter is to establish regulations to ensure the orderly display of signs as a city-wide information system, consistent with State and Federal law. These regulations recognize the desire and need of each individual, business, firm or corporation to identify its place of residence, business or service, and realizing that the indiscriminate erection, location, illumination, coloring, size, and lack of proper maintenance of signs and advertising structures constitutes a significant contributing factor detrimental to the well-being and continuing activity of a city's people and economy. Specifically, these regulations are intended to:

- A. Assure that all signs and advertising structures are designed, erected and maintained in a manner to enhance, rather than detract from, the ultimate design and appearance of the affected locality, and do not impair the view of nearby or adjacent signs;
- B. Prohibit the installation and maintenance of signs or advertising structures that unduly distract motorists' attention from driving, and which detract from attention to traffic movement and to signs and signals promoting traffic safety;
- C. Prevent the installation and maintenance of signs or advertising structures that individually or collectively have an injurious effect on the morale of the people and the economic well-being of the city;
- D. Assure that size and location of signs and advertising structures do not constitute an obstacle to effective fire protection and firefighting techniques; nor constitute a direct or potential danger to vehicular or pedestrian traffic, especially in the event of structural failure during the period of inclement weather and earthquakes or in the event of impaired vision due to improper size or location; and
- E. Otherwise protect the public health, safety, morale, and promote the public welfare. (Ord. 1866, 11-19-2019)

305.02: POLICIES:

The policies and principles stated in this Section apply to all signs within the regulatory scope of this Chapter, and to all procedures set forth in, or invoked by, this Chapter. These policies are to prevail over any other provision to the contrary, even if more specific.

- A. Permit Requirement. Unless expressly exempted by a provision of this Chapter, or by other applicable law, signs within the regulatory scope of this Chapter may be displayed only pursuant to a permit issued by the City.
- B. Message Neutrality. It is the City's policy to regulate signs in a constitutional manner, which is content neutral as to noncommercial signs and viewpoint neutral as to commercial signs.
- C. Regulatory Interpretations. All regulatory interpretations of this Chapter are to be exercised in light of the City's message neutrality policy. Where a particular type of sign is proposed in a permit application, and the type is neither expressly allowed nor prohibited by this Chapter, or wherever a sign does not qualify as a "structure" as defined in the Building Code, then the Zoning Administrator shall approve, conditionally approve, or disapprove the application based on the most similar sign type that is expressly regulated by this Chapter.
- D. Substitution of Messages. Subject to the property owner's consent, a noncommercial message of any type may be substituted for any duly permitted or allowed noncommercial message, provided that the sign structure or mounting device is legal without consideration of the message content. Such substitution of message may be made without any additional approval or permitting. This provision prevails over any more specific provision to the contrary within this Chapter. The purpose of this provision is to prevent any inadvertent favoring of commercial speech over any other noncommercial message. This provision does not create the right to

increase the total amount of signage on a parcel, lot or land use; does not affect the requirement that a sign structure or mounting device be properly permitted; does not allow a change in the physical structure of a sign or its mounting device; does not allow the substitution of an off-site commercial message in place of an on-site commercial message; and does not allow one particular on-site commercial message to be substituted for another without a permit.

E. Rules for Non-communicative Aspects of Signs. All rules and regulations concerning the non-communicative aspects of signs, such as location, size, height, illumination, spacing, orientation, etc., stand enforceable independently of any permit or approval process.

F. Situs of Non-commercial Message Signs. The onsite/offsite distinction applies only to commercial messages on signs.

G. Property Owner's Consent. No sign may be displayed without the consent of the legal owner(s) of the property on which the sign is mounted or displayed. For purposes of this policy, "owner" means the holder of the legal title to the property and all parties and persons holding a present right to possession, control or use of the property.

H. Legal Nature of Signage Rights and Duties. As to all signs attached to property, real or personal, the signage rights, duties and obligations arising from this Chapter attach to and travel with the land or other property on which a sign is mounted or displayed. This provision does not modify or affect the law of fixtures, sign-related provisions in private leases regarding signs (so long as they are not in conflict with this Chapter), or the ownership of sign structures.

I. Sign Programs. Sign programs for specific developments, as well as special sign districts or special sign overlay zones, when approved by the Approving Authority, may modify the rules stated herein as to sign size, height, number, illumination, spacing, orientation or other non-communication aspects of signs, but may not override or modify any of the Basic Policies stated in this Section. All the provisions of this Section shall automatically apply to, and be deemed a part of, any sign program after the date on which this provision is initially adopted.

J. Severance. If any section, sentence, clause, phrase, word, portion or provision of this Chapter is held invalid, or unconstitutional, or unenforceable by any court of competent jurisdiction, such holding shall not affect, impair, or invalidate any other section, sentence, clause, phrase, word, portion, or provision of this Chapter which can be given effect without the invalid portion. In adopting this Chapter, the City Council affirmatively declares that it would have approved and adopted the Chapter even without any portion which may be held invalid or unenforceable. (Ord. 1866, 11-19-2019)

305.03: APPLICABILITY:

The requirements and development standards in this chapter apply to signs in all zoning districts, unless otherwise specified. (Ord. 1866, 11-19-2019)

305.04: DESIGN PRINCIPLES:

A. Architectural Compatibility. A sign (including its supporting structure, if any) shall be designed as an integral design element of a building's architecture and architecturally compatible, including color and scale, with any building to which the sign is to be attached and with surrounding structures. A sign that spills over "natural" boundaries or architectural features and obliterates parts of upper floors of buildings, or is detrimental to visual order is not permitted.

B. Consistency with Area Character. A sign shall be consistent with distinct area or district characteristics and incorporate common design elements such as sign materials or themes. Where a sign is located in close proximity to a residential area, the sign shall be designed and located so it has little or no impact on adjacent residential neighborhoods.

C. Legibility. The proportion of the elements of the sign's message, including logos, letters, icons and other graphic images, shall be selected based on the anticipated distance and travel speed of the viewer. Colors chosen for the sign text and/or graphics shall have sufficient contrast with the sign background in order to be easily read during both day and night hours.

D. Finish. Signs shall have finished edges with a clean, smooth, consistent surface. Lettering on the sign is to be of complementary size, proportion and font and either carved, routed, painted or applied.

E. Visibility. A sign shall be conspicuous and readily distinguishable from its surroundings. (Ord. 1866, 11-19-2019)

305.05: EXEMPT SIGNS:

The following signs are exempt from the permit requirements of this chapter, and they do not count toward the total sign number or area limit for a site, provided that they conform to the specified standards and obtain building permits when required by law.

A. Signs for historical or memorial buildings, when constructed of bronze or other incombustible materials or cut into any masonry surface and installed by a civic organization recognized by the City Council.

B. A temporary attachment or covering of wood, plastic, or canvas over a permanent sign may be displayed no longer than thirty (30) days following the change of ownership, or up to ninety (90) days following issuance of a building permit. The sign shall be no larger than the previously permitted permanent sign.

C. One (1) sign, with a maximum sign area of thirty-two (32) square feet, per street frontage on real property where construction, structural alteration or repair is to take place, or is taking place. Construction signs shall be removed upon final building inspection.

D. Signs, not more than four (4) square feet in area, incorporated into displays, machinery or equipment by a manufacturer, distributor or vendor, such as signs customarily fixed to automated teller machines (ATMs), gasoline pumps, vending machines, menu boards and umbrellas, such as those represented in Figure 305.05(D).

FIGURE 305.05D: EQUIPMENT SIGNS

- E. Flags. Flags with the display of only noncommercial speech.
- F. Handbills. Handbills, Advertising Circulars, Etc., must comply with the standards and licensing contained in Chapter 3, Article II, of the Porterville Municipal Code.
- G. A maximum of one sign per apartment house, boarding or rooming house, or similar use, not exceeding six (6) square feet in area.
- H. A maximum of two signs per building within six feet of the building entrances for commercial, industrial, and office uses, not exceeding six square feet per building. Government uses, in addition to the aforementioned six square feet per building, may include not more than one shadowbox with not more than ten square feet of display area.
- I. Up to two on-site signs for public or private developments, not exceeding four (4) square feet in area per face, and not exceeding forty-eight inches in height, provided such signs are not prohibited or further regulated by other sections of this or any other chapter of the Porterville Municipal Code. Uses that include a drive-through service window are allowed one additional sign per this exemption.
- J. Properties or lease spaces may display not more than one (1) on-site sign with a maximum size of six (6) square feet (excluding rider signs no larger than a total of six (6) square feet) and a maximum height of six (6) feet in the R districts, and a maximum size of thirty-two (32) square feet and a maximum height of eight (8) feet in all other districts, per street frontage of a parcel when the property is currently for sale or rent. Such signs shall be removed within 5 days following close of escrow or finalization of sale, rental or lease.
- K. Reader Panels. Permanent reader panels for public, charitable, or religious institutions provided said reader panels are located on the property to which such reader panels pertain and do not exceed twenty (20) square feet in total area per face nor more than ten (10) feet in height, and further provided said reader panels are located in such a manner as not to constitute a hazard to vehicular or pedestrian traffic. Electronic reader boards which otherwise comply with the signage requirements of the zone in which they are located, and do not include animation, characters, flashing, or similar rapid movements, and which are programmed to change messages no more frequently than once every three (3) seconds shall also be allowed as exempt signs for public, charitable or religious institutions.
- L. One sign per business provided by said business, which sponsors and contributes to the sports activities upon public premises, not to exceed thirty-six (36) square feet in area, per site shall be permitted for a period not to exceed ninety (90) days preceding the event or season. Such sign shall be removed within fifteen (15) days after the event or season.
- M. Bus stop, shelter, and bench advertisement displays as permitted by the Transit Advertising Policy.
- N. Up to four (4) signs placed by the City of Porterville and owned or funded by the City, around the periphery of the city limit at major transportation routes, within public rights of way, or on property owned by a third party, as authorized by that party. (Ord. 1866, 11-19-2019)

305.06: PROHIBITED SIGNS:

The following types of signs and devices are specifically prohibited:

- A. Animated, Flashing or Moving Signs. Signs that incorporate, flashing, moving, rotating, pulsating or intermittent lighting, with the exception of changeable copy message center display signs and barber poles, except as allowed elsewhere in this chapter. Any sign that, because of brilliant lighting, interferes with the enjoyment of surrounding residential property or interferes with traffic, vehicular or pedestrian, is prohibited.
- B. Balloons, Banners, Streamers and Pennants. Signs, balloons, banners, pennants, or any other advertising display constructed of cloth, canvas, light fabric, paper, cardboard, wallboard or other light materials, except awnings or as allowed for Automobile/Vehicle Sales and Leasing establishments, or in Section 305.11, Temporary Signs.
- C. Billboards. Any sign directing attention to a business, service, or product that is not conducted, sold, produced, or offered by any use on the same lot, or which identifies by brand name a product which, although sold on the premises, does not constitute one (1) of the principal items for sale on the premises unless otherwise provided by the California Outdoor Advertising Act (Business and Professions Code Sections 5200 - 5486, inclusive).
- D. Emissions. Signs that produce noise in excess of forty (40) decibels, excluding voice units at drive-through facilities, and signs that emit odor or visible smoke, vapor or particles.
- E. Fence Signs. Signs attached or painted on fences or freestanding walls that are not part of a building, except for subdivision entry signs as allowed in Section 305.08 (b).
- F. Obscenities. Signs that depict, describe or relate to "specified sexual activities" or "specified anatomical areas" as defined in Chapter 700, Terms and Definitions.
- G. Obstructions to Exits. Signs erected, constructed or maintained which obstruct any firefighting equipment, fire escape, required exit or door opening intended as a means of egress, unless approved by the Fire Marshal.
- H. Obstructions to Driver Visibility. Signs in corner cut-offs and lines of sight in accordance with the provisions of Section 300.16, Visibility at Driveways and Intersections.
- I. Obstructions to Ventilation. Signs that interfere with any opening required for ventilation.
- J. Portable Signs. Signs not permanently attached to, mounted upon or affixed to a building, structure or the ground, except as otherwise provided herein.
- K. Posters. Posters of a temporary character that are tacked, painted, pasted or otherwise placed or affixed and made visible from

a public way, on the walls of buildings, on barns, sheds, trees, fences, utility poles or other structures, sidewalks or patios, except as otherwise provided in this chapter. This section excludes signs placed in windows per Section 305.10 (e).

L. **Roof Signs.** Signs erected or painted upon, over or above the roof of a building or structure, or any sign affixed to the wall of a building so that it projects above the ridge line or top of parapet, except as allowed in this chapter.

FIGURE 305.06L: ROOF SIGNS

M. **Signs Creating Traffic Hazards.** Signs that simulate in color, size or design any traffic control sign, signal or device, or that make use of words, symbols or characters in a manner that interferes with, misleads or confuses pedestrian or vehicular traffic. No sign, light or advertising structure shall be located in such a manner as to constitute a hazard to pedestrian or vehicular traffic, or in such a manner as to obstruct free and clear vision, at any location where, by reason of the position, shape, color or movement may interfere with, obstruct the view of, or be confused with any authorized traffic sign, signal or device.

N. **Signs of public property.** Signs located on public lands, including but not limited to public rights of way, parks, public buildings, storm drainage basins, and facilities are prohibited. When associated with rental or reservation of such facility, signs may be placed during the event for which the reservation was made; however, such signs must be removed at the end of the reservation period. (Ord. 1866, 11-19-2019)

305.07: GENERAL STANDARDS:

This section establishes general physical standards and requirements. More detailed standards applicable to specific sign types (e.g. wall signs, awning signs) are in Section 305.10, Standards for Specific Sign Types. In addition to these general standards, all signs shall conform to the specifications of Municipal Code Chapter 3, Advertising and Signs.

A. **Maximum Allowable Sign Area.** All signs shall conform to the maximum area requirements specified in Table 305.09, unless a different limit is approved under a Master Sign Program.

B. **Measuring Sign Area.** Sign area includes the entire face of a framed sign, but does not include the supporting structure. Individual letters attached to a building shall be measured by the area enclosed by a continuous line outlining the perimeter of the words, emblems, and logos.

FIGURE 305.07B: MEASURING SIGN AREA

Sign Area = Height x Width

1. Double-Faced Signs. For double-faced signs, only one (1) side shall be counted as the total area. Where the faces are not equal in size, the larger sign face shall be used as the basis for calculating sign area.

2. Multi-faced Signs. The sign area of signs with three (3) or more sign faces shall be calculated as the sum of two (2) sign faces. Where the faces are not equal in size, the larger sign faces shall be used as the basis for calculating sign area.

3. Three-dimensional Signs. Signs that consist of, or have attached to them, one (1) or more three-dimensional objects (i.e. balls, cubes, clusters of objects, sculpture, or statue-like trademarks), shall have a sign area of the sum of two (2) adjacent sides or sign faces.

FIGURE 305.07B3: THREE-DIMENSIONAL SIGNS

Sign Area = Sum of Two Adjacent Sides

C. Abandoned Signs. Any sign, including its supporting structure, which no longer identifies the current occupant after a lapse of ninety (90) days, shall be deemed an abandoned sign and shall be removed by the owner of the property on which it is located. When a wall sign is removed, the wall behind the sign shall be repaired and painted to match the rest of the building wall. Any signs not removed or made blank within this time shall be removed pursuant to the removal procedures set forth in this chapter.

D. Building Frontage. Building frontage shall be considered the wall of a building that faces and is roughly parallel with a public street, excluding an alley. The linear dimension of that building frontage shall be used to calculate allowable signage. Buildings with walls facing more than one public street shall be allowed signage for each building frontage in accordance with Table 305.09. Buildings located on interior lots (not on a corner) and that are oriented perpendicular to a public street shall be allowed signage based on the longer of the front or side building elevation. All, or a percentage, of the allowable sign area may be transferred to the other building elevations provided the sign area on any wall shall not exceed the maximum allowable for that wall in accordance with Table 305.09. For buildings that have no public street frontage, building frontage shall be determined by the Zoning Administrator.

E. Changeable Copy. Changeable copy shall cover no more than forty (40) percent of the total sign allowance for manually changeable signs. For electronic message center signs with copy that can be changed or altered by electric, electro-mechanical, electronic, or any other artificial energy means, the changeable portion of the sign shall cover no more than forty (40) percent of the total sign allowance. The following uses are exempt from this restriction: religious institutions, cinemas, government or civic uses, gas station uses, indoor theaters, schools, and colleges.

F. Clearance from Utilities. Signs and their supporting structures shall maintain clearance from and not interfere with electrical conductors, communications equipment or lines, surface and underground facilities and conduits for water, sewage, gas, electricity and communications equipment or lines. Signs shall not be placed in public utility easements unless express written permission from the affected public utility is obtained.

G. Construction and Maintenance:

1. Unless exempt, signs and supporting structures shall be installed in accordance with the latest adopted Building Code.
2. All signs, together with all supporting structures, shall be maintained in the following manner:
 - a. Signs shall be kept free of rust, dirt and chipped, cracked or peeling paint.
 - b. All hanging, dangling, torn or frayed parts of signs shall be promptly repaired, and graffiti and unauthorized attachments shall be removed.
 - c. Failed, damaged, or blinking illumination shall be promptly replaced.
 - d. Sign areas shall be kept free and clear of all noxious substances, rubbish and weeds.
 - e. Discolored or faded panels on plastic faces shall be restored to their original condition and color.

H. Encroachment into Public Street or Sidewalk. Any sign projecting into a public right of way requires an encroachment agreement approved by the City Engineer.

I. Illumination. Channel letters, internally illuminated signs and neon signs are permitted. Bare bulbs visible from the public right of way are prohibited. On signs with external illumination, lights shall be provided with proper reflectors to concentrate the illumination on the area of the sign to prevent glare on the street or adjacent properties. All sign illumination shall adhere to the performance standards for lighting and glare in Chapter 306, Performance Standards.

J. Materials. Paper, cardboard, untreated plywood and other materials subject to rapid deterioration shall be limited to signs displayed for no more than (30) days. (Ord. 1866, 11-19-2019)

305.08: SIGN STANDARDS FOR RESIDENTIAL DISTRICTS:

A. Religious facilities, multi-family residential projects, schools, civic uses and other nonresidential uses in R districts are allowed one (1) building-mounted sign and one (1) monument sign with a maximum cumulative sign area of thirty-two (32) square feet.

B. Residential subdivisions are allowed one (1) monument sign or wall sign per street frontage for entry into the subdivision. Each sign shall not exceed a maximum size of thirty-two (32) square feet. (Ord. 1866, 11-19-2019)

305.09: SIGN STANDARDS FOR NONRESIDENTIAL DISTRICTS:

Signage in non-residential districts shall comply with the standards in Table 305.09 unless a different sign area allowed for a specific use is described elsewhere in this code. Buildings without clearly defined tenant space frontage shall share total sign area allowed per building as determined in Table 305.09. All properties in non-residential districts shall be allowed a minimum sign area of twenty (20) square feet.

305.10: STANDARDS FOR SPECIFIC TYPES OF SIGNS:

A. Awning and Canopy Signs. Signs painted on awnings, canopies, arcades, or similar attachments or structures are allowed. Awning and canopy signs are subject to the specific zoning district standards and the following standards:

1. Maximum Sign Area Per Awning or Canopy Sign:
 - a. Downtown, CMX, and CN districts: twenty-four (24) square feet
 - b. CG, CR, and Employment districts: sixty (60) square feet
2. Sign Clearance. Minimum of eight (8) feet.
3. Height Limit. Twenty-five (25) feet.
4. Number of Signs. Four (4) maximum per building façade, which includes any wall signs.

B. Marquee Signs. A sign permanently affixed to a marquee is allowed in conjunction with theaters, museums, galleries, and similar uses. Removable copy may be changed on the face of permitted marquee signs without securing a permit. Marquee signs are subject to the specific zoning district standards and the following standards:

1. Maximum Number of Signs: One (1) marquee sign per site.
2. Maximum Sign Area Per Sign: One and one-half (1.5) square feet per linear foot of building frontage.
3. Sign Clearance. Minimum of eight (8) feet.

FIGURE 305.10B: MARQUEE SIGNS

C. Projecting Signs. Signs under canopies or covers in conjunction with pedestrian walkways, or signs projecting from the building wall are allowed, subject to the specific zoning district standards and the following standards:

1. Maximum Number of Signs: One (1) projecting sign per building façade or tenant space frontage.
2. Maximum Sign Area Per Sign: Sixteen (16) square feet; except the maximum sign area per sign is eight (8) square feet when the sign is located under a canopy or awning.
3. Sign Clearance. Minimum of eight (8) feet.
4. Height. A projecting sign shall be erected in such a manner as not to create a traffic hazard to vehicles or pedestrians. Projecting signs shall not extend higher than twenty (20) feet above ground level or above an eave or roof, whichever is lower.
5. Projection:
 - a. A projecting sign cannot extend more than three (3) feet from the building to which it is attached.
 - b. An under-canopy sign, attached to and hanging from an awning or canopy shall be located completely under the canopy or awning and shall not project beyond its edge. An under-canopy sign shall not count towards the sign area allowed.

FIGURE 305.10C: PROJECTING OR UNDER CANOPY SIGNS

D. Wall Signs. Wall signs include any sign attached to, erected against or painted upon the wall of a building or structure, the face of which is in a single plane parallel to the plane of the wall. Wall signs also include signs on a parapet or mansard roof. Wall signs attached to the fascia shall be channel letters and shall be architecturally consistent with other signage in the development. No wall sign may cover wholly or partially any required wall opening. Wall signs are also subject to the specific zoning district standards and the following standards:

1. Maximum Number of Signs. Four (4) maximum per building façade or tenant space frontage, which includes any awning or canopy signs.
2. Maximum Sign Area Per Sign: Three hundred (300) square feet.
3. Height. Wall signs shall not be mounted or placed higher than the second story and shall not extend higher than the building wall upon which they are attached.
4. Coverage. Wall sign copy shall not occupy more than seventy-five (75) percent of the length of the wall to which the sign is attached.
5. Projection. Wall signs cannot extend more than twelve (12) inches beyond the face of the wall to which they are attached.
6. Design. Wall signs shall be oriented to achieve balance composition and harmony with other architectural elements of a building façade.

E. Window Signs. Window signs painted or otherwise adhered directly onto a window are exempt from the permit requirements of this chapter and do not count towards the total sign area limit for a site, but are subject to the specific zoning district standards and the following standards:

1. Coverage. Window signs shall cover no more than fifty (50) percent of the total glass window area along each building façade.
2. Height. Window signs shall not be mounted or placed on windows higher than the second story.

F. Monument Signs. Freestanding signs erected on the ground or on a monument base designed as an architectural unit are allowed, subject to the specific zoning district standards and the following standards:

1. Maximum Number of Signs. One (1) monument sign per frontage per site.
2. Maximum Sign Area Per Sign:
 - a. D-PO, D-PS, D-GC, CMX, and CN districts: thirty-two (32) square feet.
 - b. CG, CR, and Employment districts: sixty (60) square feet
 - c. PS, REC and PK districts: thirty-two (32) square feet.
3. Height. A maximum of seven (7) feet.
4. Landscaping. All monument signs shall require automatic irrigated landscaping at the base equivalent to the area of the sign copy.

FIGURE 305.10F: MONUMENT SIGNS

G. Freestanding Signs. Freestanding signs are allowed subject to the specific zoning district standards and the following standards:

1. Maximum Number of Signs: One (1) freestanding sign per site.
2. Allowable Sign Area Per Sign. The area of any freestanding sign shall be included in the maximum allowed sign area per Table 305.09.
3. Architectural Treatment. Freestanding signs shall be architecturally compatible in style, finish and color with the adjacent building or development. Structural supports, poles, angle bars, iron pipes, I-beams or similar structural members shall be architecturally encased with finished metal cladding, stucco, or similar material at least one foot in diameter, subject to approval by the Zoning Administrator as to proportion and architectural compatibility.
4. Landscaping. Freestanding signs shall be placed within a landscaped planter with at least twenty-four (24) square feet of planting area. As a condition of any permit for a pole sign, additional landscaping of the property may be required where needed to better integrate sign appearance with the site through scale and softening effects.
5. Height:
 - a. A maximum of twenty (20) feet; thirty-five (35) feet within five hundred (500) feet of a freeway right of way. Pole signs shall have a minimum clearance of fourteen (14) feet over parking lots and driveways, and eight (8) feet over interior pedestrian walkways.
 - b. A maximum of twelve (12) feet in the CMX, CN and PO zone districts.
6. Projection. Freestanding signs shall not project beyond the property line.

FIGURE 305.10G: FREESTANDING SIGNS

H. Other Sign Types

1. Commercial Center Identification Signs. One Commercial Center Identification sign per Center may be erected in the Commercial and Employment districts, subject to the following limitations:
 - a. Allowable Areas. The center shall consist of a commercial or industrial development with an integrated site and design plan creating a single unified development with four (4) or more uses.
 - b. Area Not Counted. The area of the sign shall not count towards the sign area allowed for the individual tenant space or building on the lot.
 - c. Sign Area Allowed. The maximum sign area may be no more than one (1) square foot for each linear foot of street frontage,

but in no case shall the total sign area exceed two hundred (200) square feet. If more than one (1) entrance to the lot exists, the maximum sign area permitted will be divided among the number of entryways and signs requested.

d. Sign Height. The maximum sign height shall not exceed twenty (20) feet in the CMX, CN and PO zone districts; thirty-five (35) feet in all other Commercial and Employment zone districts.

e. Sign Base. The sign base is to be located within a planter box or planting area at least twenty-four (24) square feet in area and the design and location is to be approved by the Zoning Administrator.

2. A-Frame/Sandwich Board Signs. Temporary, portable A-frame or sandwich board signs may be erected in all nonresidential zone districts, subject to the following limitations:

a. Area Not Counted. The area of the sign shall not count towards the permissible sign area of the individual lot.

b. Maximum Number of Signs. One (1) A-frame/sandwich board sign per tenant space.

c. Maximum Sign Area. The total sign area shall not exceed a maximum of six (6) square feet per side.

d. Location. Such sign may encroach into the right of way up to two (2) feet from the property line provided there remains a five (5) foot wide walkable area when the sign is in place.

e. Removal. Such sign is to be removed during non-operational hours.

3. Mobile Signs. Signs pulled on a trailer or otherwise mounted to a vehicle may be allowed subject to the following limitations:

a. Permit process. Only three such signs shall be permitted at a given time. A party wishing to present signage in a mobile or semi-mobile manner may apply for a conditional use permit. The conditional use permit will be valid for a term of one year. The three terms will initiate on a rotational basis, beginning in January, May, and September of each year. A lottery will be held in December, April, and August of each year for the respective terms.

b. Materials. A mobile sign permitted per this section shall be developed of materials as prescribed in Section 305.07, and shall include any additional design considerations to assure that such signs are securely and safely affixed to the host vehicle in consideration of its use on local streets and roadways.

c. Size. Signs may not exceed the height of the vehicle to which they are affixed by more than eighteen inches, and may not extend beyond the horizontal dimensions of the trailer on which they are mounted.

d. Exemptions. Decals, paint, stickers, and similar treatments affixed directly to the exterior of the host vehicle, or to a trailer, are exempted from this ordinance, provided that:

(1) Lighting, changeable copy, and digital signs are not permissible exemptions.

(2) In order for signage on a trailer to be exempt, the trailer shall meet the standard minimum dimensions established by the U.S. Department of Transportation, Federal Highway Administration, in the Federal Size Regulations for Commercial Motor Vehicles.

e. Signs placed or displayed on vehicles parked in a conspicuous location that do not otherwise suit the above noted exemptions shall be considered mobile signage and are subject to this section. (Ord. 1866, 11-19-2019)

305.11: TEMPORARY SIGNS:

The following types of temporary signs are permitted, provided that they conform to the standards of this section:

A. Signs Associated with Non-Residential Uses: Banners, handheld signs, portable signs and other similar temporary advertising devices shall be prohibited, except for business openings, special events, promotional events and new subdivisions being developed in the City and are subject to the following:

1. A temporary sign permit shall be secured prior to the installation or display of any such sign. Issuance of a temporary sign permit may be contingent upon the overall permissible area available for temporary signs within a geographic area as identified in subsection (a)(6) of this section. In addition, the application would be reviewed in light of other temporary sign permit applications submitted for the same area, which may put such signs in conflict with subsection (a)(6) of this section.

2. A temporary sign permit shall be granted for any one business or building for a period of three (3) calendar months. A temporary sign permit shall authorize the business to display a banner, handheld sign, portable sign or inflatable sign for the duration of the sign permit. A maximum of two (2) such signs may be permitted with a single application.

3. No more than one temporary sign permit shall be in effect simultaneously for any business.

4. Each business shall be limited to a maximum of four (4) temporary sign permits in any calendar year. A temporary sign is not intended to be in lieu of a permanent sign. A temporary sign permit shall not be permitted longer than one (1) year before a permanent sign is installed.

5. Each business shall be limited to a maximum of one temporary sign permit during a "going out of business sale," or the equivalent in any calendar year.

6. Unless otherwise authorized by a master sign program, freestanding temporary signs for multiple tenants of any one building, shopping center, office complex, or unified development shall be separated by a minimum of one hundred (100) feet.

7. All banners, regardless of their ratio allowance of signage to linear building frontage, shall not exceed forty (40) square feet in size.

8. A-frame signs are not considered temporary and as such do not apply to this section.

9. No temporary sign shall be mounted on or above roofs or mansards or otherwise extend above a parapet wall or ridge line of a structure.

10. During the period of time beginning sixty (60) days before a general, special, primary, or runoff election, and ending fifteen (15) days after such election, one additional temporary sign may be permitted without a temporary use permit, subject to the following size limitations:

a. Size Limitations in a Residential Zone District. The following size limitations apply:

(1) Four (4) square feet of cumulative signage when located on private property with frontage on a local street as designated in the General Plan.

(2) Eight (8) square feet of cumulative signage when located on private property with frontage on an Arterial or Collector Street as designated in the General Plan.

b. Size Limitations in a Non-Residential Zone District. The following size limitations apply:

(1) Sixteen (16) square feet of cumulative signage when located on private property.

(2) Four (4) square feet of cumulative signage when located within the public right of way.

B. Signs Associated With Residential Uses. On residential uses, non-illuminated temporary signs, with the size restrictions as specified below may be displayed at any time. However, during the period of time beginning sixty (60) days before a general, special, primary or runoff election, and ending fifteen (15) days after such election, the amount of display area may be doubled. Flags do not count toward the signage allowed under this provision.

1. Size Limitations in a Residential Zone District. The following size limitations apply:

a. Four (4) square feet of cumulative signage when located on private property with frontage on a local street as designated in the General Plan.

b. Eight (8) square feet of cumulative signage when located on private property with frontage on an Arterial or Collector Street as designated in the General Plan.

2. Size Limitations in a Non-Residential Zone District. The following size limitations apply:

a. Sixteen (16) square feet of cumulative signage when located on private property.

b. Four (4) square feet of cumulative signage when located within the public right of way.

3. Violations. Violation to any of the above regulatory conditions shall be deemed a public nuisance and may be summarily abated as such, and each day that such violation continues shall be regarded as a new and separate offense.

C. Developers of a new subdivision being developed in the City may be permitted signs subject to the following requirements:

1. One (1) sign per street frontage with a maximum of three (3) temporary signs may be permitted on the subdivision site in accordance with the following:

a. Maximum Sign Area. The maximum sign area may be no more than one hundred (100) square feet (total of all signs).

b. Height. A maximum of ten (10) feet .

c. Duration. Signs shall be removed twelve (12) months from the date the permit for same is issued, or within one year of the date that the most recent building permit was issued for a new house within the subdivision.

d. Letter of Agreement. A Letter of Agreement from the property owners giving the City right of entry to remove signs in the event the above stipulations are not complied with shall be submitted to the Zoning Administrator prior to the issuance of a sign permit. If at any time the property on which the signs are located is sold, the signs shall be removed, or a new Letter of Agreement shall be submitted from the buyer to permit the signs to remain and granting the City right to enter the property and remove the signs.

2. Up to four (4) off-site signs may be permitted in any zone, provided that:

a. Maximum Sign Area. The maximum sign area per sign may be no more than thirty-two (32) square feet.

b. Height. A maximum twelve (12) feet.

c. Duration. Said signs shall be removed twelve (12) months from the date the permit for same is issued, or within one year of the date that the most recent building permit was issued for a new house within the subdivision.

d. Consent of Landowner. A completed application form, including a notarized affidavit signed by each property owner of each site is required prior to issuance of a sign permit. (Ord. 1866, 11-19-2019)

305.12: PERMITS REQUIRED; REVIEW PROCESS:

A. Authority. Unless otherwise stated, the Zoning Administrator shall review and approve all signs as specified in this chapter.

B. Applicability. Except for certain signs exempted in compliance with Section 305.05, Exempt Signs, no sign shall be erected, re-erected, constructed or altered (excluding change of copy on a can or cabinet sign) without Zoning Administrator approval and a building permit is issued by the Building Division.

C. Applications for Filing, Processing and Review

1. Applicant. Sign owners or their designees shall apply for Building Permits for signs that require them.

2. Filing and Filing Fee. Application for such permits shall be made upon forms furnished by the Zoning Administrator and accompanied by the required fee and working drawings adequate to show the location, construction and design, including colors, materials, lighting, electrical elements, and advertising copy, of the sign in accordance with applicable sign design guidelines and the linear footage of building frontage owned or leased by the business

3. Compliance with Standards.

a. Upon acceptance of a sign application, the Zoning Administrator shall review the request for compliance with the locational and operational standards identified in this chapter, and with any standards established in a Master Sign Program pursuant to Section 305.13, Master Sign Program.

b. The Zoning Administrator's decision shall clearly state any conditions of approval or reasons for disapproval and applicable appeal provisions.

D. Appeals. Decisions by the Zoning Administrator may be appealed subject to the provisions of Chapter 612, Appeals. (Ord. 1866, 11-19-2019)

305.13: MASTER SIGN PROGRAM:

A. Purpose. The purpose of a Master Sign Program is to provide a method for an applicant to integrate the design and placement of signs within a project with the overall development design to achieve a more unified appearance. It is not the intent of this section to be used solely to request relief from the sign regulations in order to circumvent any requirements or purpose of this chapter.

B. Applicability. A Master Sign Program may be processed for any development. However, shown below are examples of when a Master Sign Program may be most appropriate:

1. Nonresidential developments of three (3) or more separate tenants that share either the same parcel or structure and use common access and parking facilities (e.g., shopping centers, malls, office complexes and industrial parks); or

2. Developments with multiple structures with limited frontage or no frontage on a public street; or

3. Businesses conducted primarily outside of a building; or

4. New multi-family residential developments of one hundred (100) or more units, or

5. Other developments where the strict application of the sign code unduly restricts the allowable signage that can be located on the parcel.

C. Application. Master Sign Program applications shall contain all written and graphic information needed to fully describe the proposed sign program, including the proposed location and dimension of each sign, as well as proposed color schemes, font types, materials, methods of attachment or support, and methods of illumination. A Master Sign Program application shall also include calculation of total allowed sign area, and total proposed sign area, for the site.

D. Allowable Modifications. A Master Sign Program may provide for additional sign area and other deviations from the standards of this chapter, provided that the Master Sign Program is consistent with the sections on design principles and general standards.

E. Review Authority. All Master Sign Programs are subject to review and approval of the Zoning Administrator, unless the signs are associated with a project that requires City Council review and approval; then the City Council shall review and approve it as part of the overall project approval.

F. Required Findings. In order to approve a Master Sign Program, the decision-making body shall find that all of the following are met, in addition to other applicable regulations in this section:

1. The proposed signs are compatible in style and character with any building to which the signs are to be attached, any surrounding structures and any adjoining signage on the site;

2. Future tenants will be provided with adequate opportunities to construct, erect or maintain a sign for identification;

3. Directional signage and building addressing is adequate for pedestrian and vehicular circulation and emergency vehicle access; and

4. Use of the Master Sign Program provides a more desirable functional and aesthetic appearance than would otherwise be provided by standard code requirements.

G. Lessees to Be Informed of Master Sign Program. Lessees within developments subject to the requirements of an approved Master Sign Program shall be made aware of the Master Sign Program in their lease.

H. Revisions to Master Sign Programs. Revisions to an approved Master Sign Program shall be approved by the Zoning Administrator. (Ord. 1866, 11-19-2019)

305.14: NONCONFORMING SIGNS:

A. All legal nonconforming signs are permitted to remain unless they are subject to a permit condition or development agreement providing for their removal after a fixed period of time.

B. Any changes to legal nonconforming signs or their structures in terms of location, orientation, size, or height other than routine maintenance and repair or change of sign copy shall require the signs to be brought into conformance with this chapter.

C. A legal nonconforming sign loses its legal nonconforming status when the activity, product, business, service, or other use which was being advertised has ceased or vacated the premises for one hundred eighty (180) days, at which time it shall be

considered an abandoned sign, subject to the requirements of Section 305.07(c), Abandoned Signs. (Ord. 1866, 11-19-2019)

305.15: ABATEMENT AND REMOVAL OF ILLEGAL SIGNS:

- A. Authority to Abate. The City has the authority to abate illegal and abandoned signs.
 - B. Illegal Signs in the Public Right-of-Way. Illegal signs posted in the public right-of-way or upon public property may be removed by the Zoning Administrator or officer without notice or hearing. Signs shall be retained by the City for a period of not less than thirty (30) days if identifiable. Thereafter, any unclaimed signs may be discarded.
 - C. Recovery of Costs. When the City is required to remove illegal or abandoned signs in compliance with this chapter, the reasonable cost of the removal may be assessed against the owner of the sign(s).
 - D. Sign Removal
 1. Any sign, including its supporting structure, which no longer identifies the current occupant or products currently sold, or which otherwise fails to serve its original purpose, or is not maintained in a safe, presentable, and good condition, including the replacement of defective parts, painting, repainting, and cleaning, shall be removed by the owner of the property within 30 calendar days after written notice to do so from the Building Division.
 2. Any sign which the Building Division establishes as unsafe or unsecure shall be corrected or removed, together with all supporting structures, by the owner of the property upon which the sign is located within thirty (30) days after written notice by the Building Division.
 3. Such notice shall state the location of the sign, the nature of the violation, and/or the manner in which the sign constitutes a public nuisance. The notice also shall require the removal or other abatement of the sign before the date specified in the notice. Further, the notice shall state that failure to comply may result in the removal of the sign by the City and that the cost of such removal may be imposed on the owner of the property. The notice shall also include instructions for the filing of an appeal of the determination of the Zoning Administrator that the sign is in violation of this chapter or constitutes a public nuisance. Such notice shall be served by posting on the property on which the sign is located and by registered or certified mail delivery, postage prepaid to the owner of the property, and, if known, the owner of the sign.
 4. After the periods specified in paragraphs (1) and (2) above, the Building Division may cause such sign to be removed, and the cost of such removal shall become a lien against the property.
 5. If a hazardous condition exists, the condition shall be corrected forthwith upon notice by the Building Division.
- If an appeal is received prior to the date specified in the notice, abatement proceedings shall be suspended, and any deadlines shall be suspended, pending the outcome of such appeal. (Ord. 1866, 11-19-2019)

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Review of Enforcement of Municipal Code Provisions Concerning the Parking of Recreational Vehicles and Boats in Residential Areas

SOURCE: Administrative Services

COMMENT: During Other Matters of the City Council's meeting of June 15, 2021, Mayor Reyes requested that the Council consider an item to review the City's Code Enforcement provisions concerning the parking of recreational vehicles and boats in residential areas. At its meeting on July 6, 2021, the Council approved Mayor Reyes' request that the subject would be considered as a Scheduled Matter at the Council's meeting of July 20, 2021.

Chapter 21, Article 304 of the municipal code addresses on-site parking and loading regulations, which Article 304.11 prohibits the parking and storing of recreational vehicles, boats, campers, trailers and similar vehicles for a period longer than seventy-two (72) hours in the front yard setback. Such vehicles may be stored in the side or rear yard behind a minimum six foot high, solid fence. In addition, at no time are recreational vehicles allowed to be occupied as residences.

The Porterville Fire Department's Fire Prevention/Code Enforcement Division is responsible for responding to and enforcing violations of the municipal code. Since January 1, 2020, Code Enforcement has responded to 118 reports in violation of this particular municipal code, which has resulted in eighty-three (83) instances of voluntary compliance, with thirty-five (35) reports remaining open for compliance. Of the 118 reported violations, nine of the reported instances resulted in the vehicle being abated through disposal due to being inoperable.

RECOMMENDATION: That the City Council consider enforcement of municipal code provisions regarding recreational vehicles and boats parked within residential neighborhoods, and provide direction as determined.

Department Director:

Patrice Hildreth, Deputy City Manager

Final Approver: John Lollis, City Manager

304.11: PARKING AND STORAGE OF RECREATIONAL AND LARGE VEHICLES:

Parking and storing of recreational vehicles, boats, campers, trailers and similar vehicles are prohibited from being stored for a period longer than seventy-two hours (72) hours in the front yard setback. They may be stored in the side or rear yard behind a minimum six (6) foot high, solid fence. At no time are recreational vehicles allowed to be occupied as residences. Connection to any combination of electrical, water, cable, or sewer facilities is considered prima fascia evidence of occupation as a residence. At no time shall commercial vehicles greater than a one-ton rating be parked or stored on residentially zoned properties. Storage on the street is limited pursuant to Sections 17-10.4, 17-11.7, 17-11.8, and 17-11.9 of the Porterville Municipal Code. (Ord. 1866, 11-19-2019)

CITY COUNCIL AGENDA – JULY 20, 2021

SUBJECT: Status and Review of Proclamation of Local Emergency: COVID-19

SOURCE: City Manager's Office

COMMENT: At its meeting of March 17, 2020, the City Council took action to approve a Resolution of Proclamation of Existence of a Local Emergency for the novel coronavirus (COVID-19), which staff also initiated a soft-opening of its Emergency Operations Center (EOC) on Friday, March 20, 2020. At its meeting on July 6, 2021, the Council reviewed the status of existence of local emergency, and acted to continue its Resolution of Proclamation.

On March 4, 2020, Governor Newsom issued a Proclamation of a State of Emergency, President Trump issued a Proclamation on Declaring a National Emergency on March 13, 2020, and the Tulare County Board of Supervisors adopted a Resolution of Proclamations of Local Emergencies on March 17, 2020. The Tule River Tribal Council also adopted a Resolution of Declaration of State of Emergency on March 13, 2020. Subsequent to his Proclamation at the time of this report, Governor Newsom has issued sixty-one (61) Executive Orders in support of the State addressing and mitigating COVID-19 impacts, several of which are pertinent to the City. On June 11, 2021, Governor Newsom issued two Executive Orders to terminate the Stay-at-Home Order (Executive Order N-07-21), as well as to begin the wind down of other previous Executive Orders related to the pandemic (Executive Order N-08-21).

Governor Newsom's Executive Order N-25-20, issued on March 12, 2020, provided restrictions on mass gatherings of no more than 250, as well as provided accommodations to the Brown Act to encourage remote participation and social distancing. At its meeting of March 17, 2020, the Council gave direction of local gatherings not to exceed twenty-five (25), which staff responded to complaints and incidents accordingly. Both President Trump and the Centers for Disease Control (CDC) had recommended mass gatherings not exceed ten (10), which with Easter approaching on Sunday, April 12, 2020, the Council acted at its meeting on April 7, 2020, to limit local gatherings to no more than ten (10) individuals, allowing also for 6' social distancing. On October 9, 2020, apparently in consideration of the approaching holidays (e.g. Halloween, Thanksgiving, Christmas, etc.), the State issued guidance to allow up to three households to gather outdoors, including in a public park or outdoor space, allowing for social distancing, hand hygiene and wearing of face coverings unless eating or drinking, and not to exceed two hours in duration. On December 3, 2020, in response to rapidly increasing positive cases and hospitalizations (especially requiring ICU care), the State issued new stay home

Orders that prohibited all gatherings with members of other households. On January 25, 2021, the State ended its stay home Orders, removing the prohibited gathering restriction. On April 12, 2021, the State issued new guidance for activities and business tiers consistent with the Blueprint for a Safer Economy, which continues to strongly discourage indoor gatherings, but does allow for outdoor social gatherings not to exceed fifty (50) individuals in the Orange (Moderate) Tier - Tulare County's current tier status. On May 21, 2021, the State issued new guidance for activities and business referred to as "Beyond the Blueprint" that became effective June 15, 2021, eliminating limitations on capacity and allowing large gatherings both outdoors (recommended vaccine verification or negative testing) and indoors (required vaccine verification or negative testing).

The County and most cities across the county either closed or instituted soft-closings of its parks, including the closing of arbors, playgrounds and restrooms. At its meeting of April 7, 2020, the Council acted to soft-close City parks, including arbors, playgrounds, skatepark and sports courts (keeping restrooms open for hygiene purposes) and that gatherings of any size not occur. Consistent with the State and County's modified Orders regarding outdoor recreation and operating restrictions, at its meeting of May 5, 2020, the Council acted to reopen the City's golf course (including requiring participants to wear face coverings), OHV Park and tennis courts. On June 5, 2020, the State announced guidelines for the opening of outdoor recreation, including public swimming pools and aquatic venues, beginning June 12, 2020. At its meeting on June 16, 2020, the Council provided approval for the opening of the Murry Park swimming pool and Fallen Heroes Park splash pad consistent with the State's guidelines and necessary precautions and preparations. With continued limitations on team-oriented recreation activities, staff prepared new individual outdoor recreation opportunities for the community, such as cross-country running. On June 5, 2020, the State also provided guidance on the opening of day camps beginning June 12, 2020, which staff also prepared for opening consistent with the State's guidelines and necessary precautions and preparations, and subsequently was completed on July 31, 2020. On September 28, 2020, the State allowed public playgrounds to reopen with guidance and restrictions, which at its meeting on October 6, 2020, the Council acted to keep playgrounds closed until further action. In its regional stay at home order issued on December 3, 2020, the State ordered the closing of all indoor and outdoor playgrounds, but did encourage residents to experience outdoor recreation without gathering with anyone outside their immediate household. On December 9, 2020, the State changed its guidance on outdoor playgrounds, allowing to remain open to facilitate physically distanced personal health and wellness through outdoor exercise. At its meeting on February 2, 2021, the Council acted to reopen the City's public playgrounds and skatepark in accordance with State guidance and restrictions. On February 19, 2021, the State released new guidance for both indoor and outdoor youth and recreational adult sports, effective February 26, 2021. Adhering and consistent with State guidance, the City began offering the reservation of park arbors and pavilions on March 27, 2021, and reopened the Zalud House Museum on March 25, 2021.

Due to the pandemic and to avoid mass gatherings, the community has suffered from the cancellation in the prior calendar year of the Iris Festival, Cinco de Mayo Parade, Porterville Fair, Military Banner Ceremony, KJUG Summer Concert Series, Freedom Fest, Pioneer Days, Veterans Day Parade, Christmas Tree-Lighting Ceremony and the Children's Christmas Parade (December), which further cancellations in the current calendar year potentially to occur.

Governor Newsom's Executive Order N-28-20, issued on March 16, 2020, strongly advised that both private and public utilities not shutoff utilities or charge late fees for lack of payment until May 31, 2020, and directed the California Public Utilities Commission to review both private and public utilities for conformance. At its meeting on March 17, 2020, the Council acted to suspend the shutoff of utilities and the charging of late fees for lack of payment until at least its meeting of April 21, 2020 for review. Governor Newsom issued Executive Order N-42-20 on April 2, 2020, which mandated that private and public water utilities not shutoff service due to non-payment, retroactive to March 4, 2020 - the Order did not reference the charging of late fees. Given the suspension of shutoff and charging of late fees, the City initially experienced a dramatic increase in accounts not making payment since the Council's action, which staff reinforced the message to customers that regular payments must still be made and has led to now generally usual payment, although has begun to accumulate. Since the Council's action on March 17, 2020 and as of June 30, 2021, there was \$1,058,169 in unpaid City utility accounts (water: \$503,738; sewer: \$292,298; and refuse: \$262,132), with the corresponding total loss in late fees of \$296,031 - more than double the City's experience prior to the Governor's Executive Order. At its meeting on April 21, 2020, the Council acted to continue the moratorium of utility turnoff for non-payment consistent with the Executive Order, and to continue to not charge late fees until further action by the Council.

Governor Newsom's Executive Order N-32-20, issued on March 18, 2020, appropriated \$150 million in emergency homeless funding, of which \$284,403 was allocated to Tulare County between \$147,734 to the Continuum of Care (CoC) and \$136,669 to the County. The CoC initially indicated its appropriation to the City of approximately \$40,000 based upon recent homeless population counts, which City staff recommended be the funding source for the daily homeless lunch program the City initiated on March 27, 2020, with the closure of the local non-profit (Helping Hands of Porterville Inc.) due to pandemic concerns earlier that same week. Staff estimated that the \$40,000 would allow the daily lunch program to continue through the month of April 2020. Subsequently, the CoC indicated it was attempting to match its funding allocation with the County's as the required 25% match to larger federal FEMA funding of approximately \$1.2 million. The County has indicated its allocation will be utilized in assisting with providing shelter for homeless individuals that are identified high-risk or in need of quarantine due to COVID-19 (Project Roomkey), which the County is working with two local hotels in the leasing of approximately thirty (30) rooms. At the time of this report, the County reports there are currently ninety (90) total hotel rooms available to homeless individuals participating in the Project Roomkey program across the county,

with sixty-one (61) of the rooms occupied. The County also reports that a Street Medicine event occurred in Porterville on June 29, 2020, during which twelve (12) individuals were tested for COVID-19 and all were negative, as well as another Street Medicine event that occurred in the Porterville area on May 7, 2021. On July 1, 2020, Helping Hands of Porterville resumed its daily homeless lunch program, thus relieving the City and its staff of the deliver of this program. However, Helping Hands recently decided to close its program in October 2020 due to limited donations and participation.

The City's contract operator of the planned navigation center, Turning Point of Central California, had been issued building permits and was making necessary improvements for anticipated opening in the month of July, with the installation of the fire monitoring and suppression system the final improvement needed to be completed. Turning Point had previously indicated that due to the current pandemic, occupancy of the navigation center when opened would be at half-capacity to allow adequate physical distancing given group housing, but now believes the center can open with two-thirds capacity and meet State guidelines for healthy and safe operations. Given the delay in the installation of the fire monitoring and suppression system, at its meeting on August 4, 2020, the Council gave staff direction to consider opening the navigation center restricted to providing services without housing, which Turning Point opened and began offering daily services only on August 18, 2020. With the final completion of the requisite fire suppression and monitoring system, Turning Point began offering emergency shelter and transitional housing on November 15, 2020. For those served by the navigation center, a vaccine event occurred on May 7, 2021.

Governor Newsom's Executive Order N-33-20, issued on March 19, 2020, ordered that state residents shelter-at-home, and that only identified essential businesses remain open and associated workforce. Much confusion reverberated throughout the state in clarifying essential businesses, which staff both responded to complaints and acted proactively in following the State's guidelines of essential businesses (attached). To assist in this ever-changing subject, at its meeting on April 21, 2020, the Council acted to appoint Vice Mayor Reyes and Council Member Gurrola to form an Ad Hoc Committee to coordinate with the City Attorney and City Manager in the application of the State and County guidelines in regard to essential and non-essential businesses. The Committee has met intermittently in review of local complaints and compliance with modified State and County Orders. At its meeting on December 15, 2020, the Council acted to appoint Council Member Carrillo to replace former Council Member Gurrola on the Committee.

On Tuesday, April 28, 2020, Governor Newsom announced his 4 Stage plan for reopening the California economy and gradual modification of his stay-at-home Order, which his presentation is enclosed. The Governor indicated that moving from current Stage 1 to State 2 would likely occur in several weeks and allow non-essential "low-risk" retail to reopen with requisite 6' social distancing. The Governor indicated "high-risk" personal services would likely be allowed later during the Summer. On May 4, 2020, Governor Newsom issued Executive Order N-60-20, allowing the reopening of lower-risk businesses and spaces in

Stage 2 beginning May 8, 2020, including manufacturing, retailers (pick-up and delivery) and warehouses. The Order also allowed Counties to proceed more quickly through Stage 2 (Variation Attestation) given certain State-determined public health metrics were met, including: 1) sustained reduction or stability in new cases for fourteen (14) days; 2) adequate diagnostic testing capacity and test results, including the ability to test all individuals with COVID-19 symptoms, same-day testing widely available for hospitalized patients, healthcare workers and workers in essential roles, close contacts for confirmed cases, and outpatients with symptoms; 3) public health department's capacity to rapidly interview new cases, identify close contacts, and ensure isolation and quarantine are effective; and 4) health care system capacity to respond to potential surges.

At its meeting on May 12, 2020, the Tulare County Board of Supervisors considered its draft plan for compliance with the Executive Order (attached). Of note, the Tulare County Public Health Officer issued a health advisory on May 7, 2020, that county residents should wear face coverings when in public (attached). At its meeting on May 19, 2020, the Board of Supervisors acted to modify its draft plan for reopening, including advancing immediately through the State's Stage 3, rescinding the County's Public Health Officer's Order, halting all local civil enforcement of stay-at-home Orders, directing County guidance for Stage 3 businesses, and direct County efforts from meeting State metrics to supporting problem areas and populations including the elderly and health compromised individuals, skilled nursing facilities, hospitals, and businesses or agencies with reported outbreaks. On May 26, 2020, the County submitted its Variance Attestation to the State, which was approved and posted by the State on May 27, 2020, allowing the county to proceed through the State's Stage 2.

On May 25, 2020, the State announced that places of worship (25% capacity) and in-store retail were allowed to proceed immediately statewide, and on May 26, 2020, the Governor announced that barber and hair salons could reopen immediately in counties with approved Variance Attestations, which as previously stated Tulare County's was approved by the State on May 27th. On June 5, 2020, the State announced that additional previous Stage 3 activities would be allowed to reopen with provided guidance effective June 12, 2020, including bars and wineries, campgrounds and RV parks, family entertainment centers (i.e. bowling alleys and movie theaters), fitness facilities, and museums/galleries/zoos/aquariums.

Due to increasing positive cases across the state, on June 18, 2020, the State issued guidance that all individuals wear face coverings when in public (attached). At its meeting on July 7, 2020, the Council acted to approve and Order under its Proclamation of Local Emergency authorizing the City to enforce the State's mandatory face covering requirements through the City's administrative citation regulations and aggressive education efforts, and directed City staff to prepare an emergency Ordinance requiring face coverings consistent with the State requirements, which was scheduled for Public Hearing and was approved by the Council at its meeting of July 21, 2020. In

enforcement of the emergency Ordinance since adoption by Council, the Fire Department's Code Enforcement Division has eleven (11) documented business-oriented incidents, and the Police Department has 132 documented individual or group incidents. On June 9, 2021, the State released new face coverings guidance to take effect June 15, 2021, providing that face coverings are not required for fully vaccinated individuals except for: 1) on public transit; 2) indoors in K-12 education, childcare and youth settings; 3) healthcare settings; 4) state and local correctional and detention facilities; and 5) homeless, emergency and cooling centers. Unvaccinated individuals continue to be required to wear face coverings when indoors in public settings and businesses.

Due to increasing positive cases, testing positivity and COVID-19 hospitalizations, the State placed Tulare County on its monitoring list program for targeted engagement and potentially reinstituting community measures, which on June 28, 2020, the State directed all bars in Tulare County be closed again immediately by local health officer order. On July 1, 2020, the State further directed the closing of indoor activities for at least the succeeding three weeks, including restaurants, bowling alleys, movie theaters, card rooms, museums, wineries and zoos. On Monday, July 14, 2020, the State directed the immediate closure of all bars in California and cease in-restaurant dining, as well as the immediate closure of indoor activities or industries including barbershops, fitness centers, hair salons, malls, offices for non-essential sectors, personal care services (e.g. esthetic salons, nails salons, tattoo parlors), protests and places of worship for counties on the State's monitoring list (including Tulare County), unless the activity or industry can be modified to operate indoors or by pick-up. The State Board of Barbering and Cosmetology initially declared that barbershops and esthetic, hair and nails salons are required to operate indoors and may not operate outdoors and therefore must be closed, however, the State Board subsequently determined to allow these businesses to be open with modifications to operate outdoors.

On August 28, 2020, Governor Newsom announced that the State was implementing a new County Monitoring List system known as the Blueprint for a Safer Economy, incorporating standardized four tiers dependent upon a county's daily new cases per 100,000 population and testing positivity rates and the corresponding effect on economic sectors guidelines for operation. When the Blueprint for a Safer Economy was retired on June 15, 2021, Tulare County was in the Orange (Moderate) tier given its daily positive case rate per 100,000 population exceeded two (1.5 at the time of the report), however, the positivity rate met the Yellow (Minimal) tier requirement of less than two percent (1.5% at the time of the report). As of June 15, 2021, there were three counties in the Red (Substantial) tier, thirty-one (31) counties in the Orange (Moderate) tier and twenty-four (24) counties in the Yellow (Minimal) tier. Under the new system, the State allowed barber and hair salons to reopen indoor operations on August 31, 2020, and allowed nail salons to reopen indoor operations on September 22, 2020, if permitted by local county public health officials. The State further allowed expanded personal care services to reopen indoor operations on October 20, 2020, including esthetic, skin care, electrology, body art professionals, tattoo parlors, piercing shops and massage therapy (in non-healthcare settings).

On September 30, 2020, the State announced a new health equity metric to be included in the Blueprint for a Safer Economy, requiring that test positivity rates in disadvantaged communities that comprise the lowest quartile of a county's Healthy Places Index census tracts do not significantly lag behind overall county test positivity rates. In order to advance to the next less restrictive tier (e.g. Purple-widespread to Red-substantial), a county will need to meet an equity metric and/or demonstrate targeted investments to eliminate disparities in levels of transmission. According to Tulare County's report as of October 13, 2020, the lowest quartile does not include Porterville areas exceeding 8% positivity, with the census tracts of Cutler/Yettum (24.4%), Pixley/Teviston (18.9%), Earlimart (15.6%), Alpaugh/Allensworth/Richgrove (15.4%), South-Central Tulare (13.3%), Tipton/Woodville (12.5%), West-Central Tulare (11.8%) and Orosi (8.9%) being of greatest concern. As referenced by a Member of Council, at its meeting on October 6, 2020, the Tulare County Board of Supervisors adopted a Resolution, demanding clarity, consistency, and continuity from Governor Newsom regarding COVID-19 directives to counties.

On November 19, 2020, due to the observed significant rise in positive cases, the State announced a "Limited Stay At Home Order" that in all counties in the Purple (Widespread) tier under the State's Blueprint for a Safer Economy, requiring that all non-essential business and public activities cease to occur between 10:00 PM and 5:00 AM, effective November 21, 2020 through December 21, 2020 or as may be extended. On January 25, 2021, the State removed this Order effective immediately.

On December 3, 2020, due to the continued significant rise in positive cases and hospitalizations (especially ICU care), the State issued a "Regional Stay At Home Order" with the state separated into five regions by county and centered around maintaining a minimum of fifteen percent (15%) regional hospital ICU capacity, with Tulare County joining eleven (11) other counties in the "San Joaquin Valley" region. The San Joaquin Valley region experienced 14.1% ICU capacity on December 5th and 6.6% capacity on December 6th, causing the new regional order to go into effect in the San Joaquin Valley region at 11:59 P.M. on December 6th. As of June 15, 2021, the San Joaquin Valley region had 27.4% ICU capacity. The regional order modified business operations, including: 1) limit indoor retail to no more than twenty percent (20%) capacity; 2) limit restaurants to delivery/pick-up/take-out only; 3) limit worship and political expression to outdoor only; 4) limit outdoor recreation to no drink or food sales; 5) limit essential office work only when remote work is not possible; and 6) limit hotels and lodging to only supporting critical infrastructure. The regional order closes business operations, including: 1) barber and hair salons; 2) personal care services (esthetician, massage, nail and tattoo); and 3) museums. On January 25, 2021, the State removed this Order, returning to the State's Blueprint for a Safer Economy and the county tiers system.

The new State Blueprint also provided a waiver process to allow TK-6th Grade students to receive in-person instruction with prior County and State approval, which locally St. Anne's School received such approval and began instruction

on September 14, 2020. Also locally, Hope Elementary School received waiver approval and began in-person instruction on September 28, 2020, and Porterville Unified School District received waiver approval and began in-person instruction on December 1, 2020. Burton, Pleasant View Elementary and Rockford Elementary have each also received both County and State waiver approval and have begun in-person instruction.

At its meeting on August 4, 2020, the Council considered and gave direction to staff evaluate opportunities for local restaurants to operate outdoors in the City's public right-of-way. At its meeting on August 18, 2020, given City liability considerations, the Council gave direction to work with local restaurants individually through an application and guidelines developed in coordination with the Council's Ad Hoc Committee. On August 24, 2020, the Council Ad Hoc Committee met with staff to review draft guidelines for the opening of outdoor dining by restaurants in public right-of-way, which the final guidelines are provided as an attachment. Consistent with the guidelines and the proposed City's support for protecting restaurant patrons dining in the public right-of-way, at its meeting on September 1, 2020, the Council authorized an appropriation of \$100,000 from the City's Emergency/Catastrophic Reserve Fund for the purchase of necessary traffic and sidewalk barriers and other complimentary amenities, with any expenditure of funds to be documented for potential reimbursement should future federal and/or state funding be made available to mitigate COVID-19 activities. Nine entities had been approved to provide outdoor dining, including the Elks Lodge #1342, New China Restaurant, El Jacalito Taqueria, Pho Sho Fusion House, Pizza Factory, El Maguey Mexican Restaurant, Mariscos El-30, RJ's Cafe & Bakery, El Nuevo Mexicali II, Habi Sushi, Black Bear Diner and Birria Y Pollos El Guero, and several more were in the application process prior to outdoor dining being prohibited by the State's regional stay at home orders on December 3, 2020. On January 25, 2021, the State removed the regional stay at home Order, again allowing outdoor dining and the consideration of the outdoor dining permits that were in process. The Council's initial approval of the outdoor dining permit process was effective through January 31, 2021, which at its meeting on February 2, 2021, the Council acted to extend its outdoor dining permit process until June 30, 2021. Subsequently, an additional seven entities have been approved to provide outdoor dining, including Birria y Pupusas Las Favoritas, Denny's, El Nuevo Mexicali, El Tapatio, Landing 13, Taco Truck Cantina and The Mud House.

On June 3, 2021, Governor Newsom released a letter announcing the Eighth Notice of Regulatory Relief that allows restaurants and bars to maintain their expanded outdoor operations by providing regulatory relief through the end of 2021. The regulatory relief includes; on-sale retailers exercising off-sale privileges, sales of alcoholic beverages to-go, deliveries to consumers, free delivery, expansion of licensed footprint, on-sale licenses without kitchen facilities, virtual meet the winemaker or brewer dinners, renewal of relief for charitable promotions and sales, and relief from type-75 requirement to produce 100 barrels of beer annually. The letter also encourages local jurisdictions to continue to allow expanded outdoor dining opportunities. At the time of this report nineteen (19) entities have been approved to provide outdoor dining. One

restaurant requested that their permit closed and several other restaurants are no longer utilizing the temporary outdoor dining areas approved under the program. The Council's initial approval of the outdoor dining permit process through January 31, 2021, was extended on February 2, 2021 to June 30, 2021. At its meeting on June 15, 2021, the Council extended the outdoor dining permit through January 2, 2022.

Due to increasing virus spread in the Central Valley resulting in increased cases and hospitalizations, on July 27, 2020, the Governor announced the appropriation of \$52 million in support of the counties of Fresno, Kern, Kings, Madera, Merced, San Joaquin, Stanislaus and Tulare in the implementation of three Unified Support Teams to provide hands-on technical assistance in support of testing, contact tracing, isolation and quarantine efforts. On August 12 and 13, 2020, the State's Unified Support Team met with local representatives in developing strategies reducing community spread in Tulare County.

Most of the City's workforce has been deemed essential under the State's guidelines, which the City has directed its limited non-essential workers to remain at home and available for assignment if necessary, and has implemented a rotation of its essential workforce as much as possible to reduce employees public exposure. Employees required to be at work during the shelter-at-home Order are accrued special leave for later utilization and/or payment, as well as employees that are working from home. Given the State's reopening guidelines, all City employees returned to work effective June 1, 2020, and the special leave program was discontinued effective May 31, 2020. Compounding the challenge for the City's workforce was the temporary closure of local non-profit contractor Promoting Self Worth (PSW) due to its workforce being considered highly vulnerable to COVID-19, thus necessitating City staff to address the contracted essential services of graffiti removal and the care for a significant number of Landscape and Lighting Maintenance Districts (LMD). PSW returned to performing its contracted services with the City beginning the week of May 11, 2020.

Governor Newsom's Executive Order N-37-20, issued on March 27, 2020, established a moratorium on eviction of tenants in good standing as of the date of the Order through May 31, 2020, which had been an issue of discussion by the Council at its meeting on March 17, 2020. On May 29, 2020, Governor Newsom issued Executive Order N-66-20, extending the eviction moratorium through July 28, 2020. On June 30, 2020, the Governor issued Executive Order N-71-20, extending the eviction moratorium through September 30, 2020. On August 31, 2020, Governor Newsom signed legislation to extend protections for tenants from eviction from COVID-19-related back rent through February 1, 2021, as well as extended anti-foreclosure protections in the Homeowner Bill of Rights to small landlords, and on January 20, 2021, Governor Newsom signed legislation to extend the protections through June 30, 2021.

Governor Newsom's Executive Order N-39-20, issued on March 30, 2020, provided broad waivers of certifications and licensing for healthcare providers and locations to expand the provision of medical care in meeting an expected

patient surge. During his press conference announcing the Order, Governor Newsom mentioned that Porterville would play a role in meeting the expected patient surge, which staff has learned will involve the reactivation of a portion of the General Treatment Area of the Porterville Developmental Center (PDC), including caring for up to potentially 350 COVID-19 patients in four (4) categories: 1) patients too sick to recover at home, but do not need hospitalization; 2) patients who have been hospitalized and who are recovering and require less care; 3) skilled nursing facility patients who don't require acute care; and 4) developmentally-disabled group home patients. Preliminary construction improvements have been completed to prepare the facility's infrastructure, with no timeline yet provided for necessary medical improvements expected to begin. The City has repeatedly asked the State to keep it involved in its planning efforts, including any actions by Council that would be supportive of its operation. On May 8, 2020, the City received notice from the County that the State intended to immediately relocate approximately forty (40) foster youth from across the state with COVID-19 to PDC, however, on May 9, 2020, the County notified the City that the State had changed its plans and would not be relocating the youth to PDC, likely to ensure regional patient surge capacity. On July 2, 2020, the City received notification from the County that the State would activate PDC as a regional alternate site on Friday, July 3, 2020, treating low-acute COVID-19 patients transferred from impacted hospitals from across the Central Valley. On August 19, 2020, the State notified the County that State personnel were being assigned to support the large fires in northern California and now across the state, and that PDC would not be accepting any new patients until further notice. As of September 12, 2020, there were no patients being treated at PDC, with the State designating the "warm closure" of the facility that can be reactivated within seventy-two (72) hours if necessary. The State has indicated that due to rising hospitalizations, it anticipated that PDC would be reopened as a regional alternate site, which was activated on December 15, 2020, and at the time of this report is currently not treating any patients and has been returned to "warm closure" status.

As part of the Governor's commitment to broader testing in rural and under-served areas of the state, the State established a contracted large-scale testing facility at the Veterans Memorial Building, beginning operations on Tuesday, May 5, 2020. Up to 130 tests are expected to be performed each day (Monday - Friday) for the next several months, which testing will be available to everyone by appointment. Given initial low utilization, City staff initiated a local messaging campaign for local residents to be tested, which precipitated improved community response beyond minimum State testing thresholds. City staff had been notified by County staff that the Veterans Memorial administration has given notice to the State to terminate the testing at its facility effective July 31, 2020, so that it may again use the facility for other purposes, however, the State and the Veterans Memorial administration have agreed to continue testing for the next several months. In addition, the City has partnered with the County in providing free community walkup testing, occurring weekly on Tuesdays in the public parking lot south of the Centennial Plaza building, which the County made the determination to discontinue the testing site effective May 18, 2021.

The United States Food and Drug Administration (FDA) provided emergency use authorization for the Pfizer-BioNTech COVID-19 vaccine on December 11, 2020, the Moderna vaccine on December 18, 2020 and the Johnson & Johnson vaccine on February 27, 2021, which the State provided guidelines for the distribution of vaccines in three phases. Consistent with the State's identified Phase 1A/Tier 1 priority, Tulare County began vaccinations the week of December 14, 2020, with approximately 3,000 vaccines administered. At the time of this report, the County has received 331,725 vaccines and administered 174,145 vaccines to residents, and is available to all individuals age 12 or older. The County has identified large-scale community vaccination sites, with locations in Porterville (Porterville College), Tulare (Ag Center) and Visalia (College of the Sequoias), though the County plans to transition the Porterville vaccination site to the Porterville Fairgrounds in May 2021 due to a parking lot project planned at Porterville College. At its Special Meeting on April 13, 2021, the City Council approved a mass vaccination and resource fair event sponsored by the County at the Porterville Fairgrounds on Sunday, April 18th through Tuesday, April 20th, 2021, which a successor vaccination event at the Fairgrounds for Sunday, May 10th through Tuesday, May 12th, 2021

On March 27, 2020, President Trump signed the Coronavirus Aid, Relief, and Economic Security (CARES) Act, a \$2 trillion economic recovery stimulus package. The financial recovery package includes: 1) \$604 billion for individuals/families, including \$300 billion in cash payments, \$260 billion in unemployment payments and \$44 billion in student loan assistance; 2) \$500 billion for large corporations; 3) \$377 billion for small business; 4) \$340 billion for state and local governments; 5) and \$180 billion for public services, including \$100 billion for hospitals. Within the state and local government provisions, a local government's (county or city) population must exceed 500,000 to receive direct federal recovery, which local governments with population less than 500,000 would only receive federal recovery through a state if the state was agreeable to local government distributions. On April 24, 2020, President Trump signed the Paycheck Protection Program and Healthcare Enhancement Act (H.R. 266), which provided approximately \$400 billion in additional business assistance (\$321 billion) and medical support and testing (\$75 billion). Staff is focusing its efforts now in engaging with local businesses and financial institutions to ensure the emergency resources are made available to promote local economic stability upon the completion of the current state of emergency.

On December 27, 2020, President Trump signed a \$900 billion COVID-19 relief bill into law, which included enhanced unemployment benefits, direct cash payments, small business assistance, childcare and education funding, rental assistance, vaccine and hospital funding, and payroll tax repayment, but did not include local government funding. Tulare County has reported that it would be receiving \$13 million in direct funding for rental and utility assistance, which it opted to dedicate to the State under SB 91 legislation for matching funds of \$14 million, with the total estimated \$27 million to be administered by the Local Initiatives Support Corporation (LISC) through local non-profit

organizations beginning by March 15, 2021.

On March 11, 2021, President Biden signed the \$1.9 trillion American Rescue Plan Act, which includes \$65 billion in local government funding assistance, with recent estimates by adopted population formulas would provide \$19,984,717 in direct federal financial assistance to the City. Guidelines for the eligible use of funds are currently being drafted by the U.S. Department of the Treasury, which will administer the funds, who released the Interim Final Rule on May 10, 2021. The City's first allocation of \$9,992,358 was received on May 20, 2021, which the second allocation would be received twelve (12) months later in May 2022, with all funds required to be obligated by December 31, 2024, and expended by December 31, 2026. Pursuant to the Interim Final Rule, the funds may be used for: 1) support public health expenditures in response and mitigation of COVID-19, including public safety personnel; 2) address negative economic impacts caused by the public health emergency, including assistance to individuals, households, businesses and impacted industries (tourism, travel and hospitality); 3) replace lost public sector revenue; 4) provide premium pay for essential workers in critical infrastructure sectors; and 5) invest in water, sewer and broadband infrastructure. At its meeting on May 18, 2021, the Council provided direction that the priorities for funding be water infrastructure, homeless services, broadband and technology infrastructure, business assistance (restaurants in particular) and vaccine support.

At its meeting on May 5, 2020, the Council acted to amend its federal Community Development Block Grant (CDBG) 5-Year Action Plan and program the \$490,000 CDBG-CV business assistance funds received, and took additional action at its meeting on June 2, 2020, which staff received final approval from the Housing and Urban Development (HUD) Department on July 21, 2020, and begin providing local small business assistance. Although the City received approval of its CDBG-CV plan and program by HUD, on August 10, 2020, HUD released its final set of program rules, which staff had to review for consistency. On September 17, 2020, the City received notification from HUD of an additional \$393,000 in additional CDBG-CV funds, which City staff is still awaiting final approval from HUD on the use of funds. At its meeting of June 16, 2020, the Council took action to defer the collection of the biannual \$25 business license from July 2020 to January 2021 for local small businesses, which due to the State's current regional stay at home order, at its meeting on December 15, 2020, the Council acted to defer the biannual collection again until July 2021.

On December 3, 2020, given the new Regional Stay-at-Home Orders, the State announced that a new \$500 million in grants would be made available to assist small businesses impacted by the Orders, which the application period for the first round of funding opened on December 30, 2020, and closed on January 13, 2021. A second round of funding was committed to by the State, with the application period having opened on February 2 and closed on February 8, 2021. Four additional rounds of funding were announced by the State on March 3, 2021, with the third round (waitlisted applicants from the first and seconds

rounds only) having opened on March 5 and closed March 11, 2021, the fourth round (nonprofit cultural institutions only) opened on March 16 and closed on March 23, 2021, the fifth round (open to all eligible applicants) opened on March 25 and closed on March 31, 2021, and the sixth round (open to all eligible applicants) opened on April 28, 2021 and closed on May 4, 2021. Additional rounds of funding are expected to be announced soon, as the State has recognized an estimated \$75 billion budget surplus.

Given challenges of access and gaps in available small business assistance, some cities have developed self-funded small business assistance programs. As an example, the City of Whittier recently developed a \$500,000 small business assistance grant program, with eligible businesses required to have a valid business license, be independently owned and operated, and have a physical commercial location (home based businesses are not eligible). The program provides \$500 to personal care services providers (i.e. hair, massage, nail, skincare, tattoo), \$2,000 to businesses that generate less than \$250,000 in gross taxable sales, and \$2,500 to businesses that generate more than \$250,000 in gross taxable sales. Small businesses are defined as generating less than \$1.25 million in gross taxable sales.

From a City financial perspective, there is uncertainty as to how the pandemic would affect local sales tax and transient occupancy tax, which could be further compounded by a potential reassessment of property tax values. Fortunately, the conservative stewardship of the City has allowed it to have General Fund reserves for Catastrophic Emergencies (\$2.8 million) and Budget Stabilization (\$4.3 million), which in addition to the recent passage of Measure I, allows the City to purposefully address the current crisis and plan for budgetary accommodations that the City's essential services to the community can continue without current modification. The League of California Cities has estimated cities in California will collectively lose \$7 billion in revenue through the 2020-2021 fiscal year.

As a component of its 2020-2021 budget adoption, the State appropriated \$500 million of CARES Act funding to cities that were not allocated CARES Act funding directly by the federal government, including \$275 million to cities with a population of less than 300,000, which the City will receive approximately \$740,000.

On Friday, January 8, 2021, Governor Newsom announced the State's proposed \$227 billion budget for the upcoming 2021-2022 fiscal year, allocating \$15 billion for COVID-19 recovery and support, focused on vaccinations, safe reopening of schools, support for small businesses, and funding for California residents, but did not include financial support for cities.

On Tuesday, February 23, 2021, Governor Newsom signed the Golden State Stimulus legislation, that provides \$9.6 billion in financial assistance to eligible individuals and families, and economic aid to qualifying small businesses and non-profits.

RESOLUTION NO. 22-2020

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PORTERVILLE TO
PROCLAIM THE EXISTENCE OF A LOCAL EMERGENCY**

RESOLVED, by the City Council (the “Council”) of the City of Porterville (the “City”),
as follows:

WHEREAS, the novel coronavirus (COVID-19) is a respiratory disease which the
Centers for Disease Control and Prevention (CDC) considers to be a very serious public health
threat with outcomes ranging from mild to severe sickness and death; and

WHEREAS, COVID-19 is easily transmissible from person to person and has spread
globally to over 118 countries, infected more than 125,000, and killed more than 4,000 as of
March 11, 2020 per the World Health Organization (WHO); and

WHEREAS, on January 31, 2020, the United States Department of Public Health and
Human Services declared a public emergency for COVID-19 beginning on January 27, 2020;
and

WHEREAS, on March 4, 2020, Governor Gavin Newsom declared a state of emergency
in the State of California due to the number of confirmed cases of COVID-19 in the State; and

WHEREAS, on March 11, 2020, WHO made the assessment that COVID-19 can be
characterized as a pandemic; and

WHEREAS, on March 12, 2020, Tulare County declared an emergency due to the
confirmed case of COVID-19 at Sierra View Medical Center in the city of Porterville, thus
enabling Tulare County to take extraordinary measures; and

WHEREAS, on March 13, 2020, Governor Newsom announced that California public
health officials have determined that gatherings of more than 250 people should be postponed or
canceled across the State at least until the end of March; and

WHEREAS, COVID-19 therefore and will continue to cause conditions of peril to the
health, safety, and welfare of persons and property in the City of Porterville; and

WHEREAS, preparing for, responding to, mitigating, and recovering from the spread of COVID-19 requires the City to divert resources from normal day-to-day operations, and has and will continue to impose extraordinary requirements on and expenses to the City; and

WHEREAS, the City Council hereby finds that the above described conditions related to the COVID-19 outbreak does warrant and necessitate the proclamation of the existence of a local emergency in the city of Porterville.

NOW, THEREFORE, it is hereby **DECLARED** and **ORDERED**, as follows:

1. The proclamation of existence of a local emergency exists throughout the City of Porterville.
2. The local emergency shall be deemed to continue to exist until its termination is proclaimed by the City Council of the City of Porterville.
3. As required by law, the City Council shall review the need to continue the state of emergency every thirty (30) days until this Resolution is terminated.

PASSED, APPROVED, AND ADOPTED this 17th day of March, 2020.

**EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA**

PROCLAMATION OF A STATE OF EMERGENCY

WHEREAS in December 2019, an outbreak of respiratory illness due to a novel coronavirus (a disease now known as COVID-19), was first identified in Wuhan City, Hubei Province, China, and has spread outside of China, impacting more than 75 countries, including the United States; and

WHEREAS the State of California has been working in close collaboration with the national Centers for Disease Control and Prevention (CDC), with the United States Health and Human Services Agency, and with local health departments since December 2019 to monitor and plan for the potential spread of COVID-19 to the United States; and

WHEREAS on January 23, 2020, the CDC activated its Emergency Response System to provide ongoing support for the response to COVID-19 across the country; and

WHEREAS on January 24, 2020, the California Department of Public Health activated its Medical and Health Coordination Center and on March 2, 2020, the Office of Emergency Services activated the State Operations Center to support and guide state and local actions to preserve public health; and

WHEREAS the California Department of Public Health has been in regular communication with hospitals, clinics and other health providers and has provided guidance to health facilities and providers regarding COVID-19; and

WHEREAS as of March 4, 2020, across the globe, there are more than 94,000 confirmed cases of COVID-19, tragically resulting in more than 3,000 deaths worldwide; and

WHEREAS as of March 4, 2020, there are 129 confirmed cases of COVID-19 in the United States, including 53 in California, and more than 9,400 Californians across 49 counties are in home monitoring based on possible travel-based exposure to the virus, and officials expect the number of cases in California, the United States, and worldwide to increase; and

WHEREAS for more than a decade California has had a robust pandemic influenza plan, supported local governments in the development of local plans, and required that state and local plans be regularly updated and exercised; and

WHEREAS California has a strong federal, state and local public health and health care delivery system that has effectively responded to prior events including the H1N1 influenza virus in 2009, and most recently Ebola; and

WHEREAS experts anticipate that while a high percentage of individuals affected by COVID-19 will experience mild flu-like symptoms, some will have more serious symptoms and require hospitalization, particularly individuals who are elderly or already have underlying chronic health conditions; and

WHEREAS it is imperative to prepare for and respond to suspected or confirmed COVID-19 cases in California, to implement measures to mitigate the spread of COVID-19, and to prepare to respond to an increasing number of individuals requiring medical care and hospitalization; and

WHEREAS if COVID-19 spreads in California at a rate comparable to the rate of spread in other countries, the number of persons requiring medical care may exceed locally available resources, and controlling outbreaks minimizes the risk to the public, maintains the health and safety of the people of California, and limits the spread of infection in our communities and within the healthcare delivery system; and

WHEREAS personal protective equipment (PPE) is not necessary for use by the general population but appropriate PPE is one of the most effective ways to preserve and protect California's healthcare workforce at this critical time and to prevent the spread of COVID-19 broadly; and

WHEREAS state and local health departments must use all available preventative measures to combat the spread of COVID-19, which will require access to services, personnel, equipment, facilities, and other resources, potentially including resources beyond those currently available, to prepare for and respond to any potential cases and the spread of the virus; and

WHEREAS I find that conditions of Government Code section 8558(b), relating to the declaration of a State of Emergency, have been met; and

WHEREAS I find that the conditions caused by COVID-19 are likely to require the combined forces of a mutual aid region or regions to appropriately respond; and

WHEREAS under the provisions of Government Code section 8625(c), I find that local authority is inadequate to cope with the threat posed by COVID-19; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this order would prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes, including the California Emergency Services Act, and in particular, Government Code section 8625, **HEREBY PROCLAIM A STATE OF EMERGENCY** to exist in California.

IT IS HEREBY ORDERED THAT:

1. In preparing for and responding to COVID-19, all agencies of the state government use and employ state personnel, equipment, and facilities or perform any and all activities consistent with the direction of the Office of Emergency Services and the State Emergency Plan, as well as the California Department of Public Health and the Emergency Medical Services Authority. Also, all residents are to heed the advice of emergency officials with regard to this emergency in order to protect their safety.
2. As necessary to assist local governments and for the protection of public health, state agencies shall enter into contracts to arrange for the procurement of materials, goods, and services needed to assist in preparing for, containing, responding to, mitigating the effects of, and recovering from the spread of COVID-19. Applicable provisions of the Government Code and the Public Contract Code, including but not limited to travel, advertising, and competitive bidding requirements, are suspended to the extent necessary to address the effects of COVID-19.
3. Any out-of-state personnel, including, but not limited to, medical personnel, entering California to assist in preparing for, responding to, mitigating the effects of, and recovering from COVID-19 shall be permitted to provide services in the same manner as prescribed in Government Code section 179.5, with respect to licensing and certification. Permission for any such individual rendering service is subject to the approval of the Director of the Emergency Medical Services Authority for medical personnel and the Director of the Office of Emergency Services for non-medical personnel and shall be in effect for a period of time not to exceed the duration of this emergency.
4. The time limitation set forth in Penal Code section 396, subdivision (b), prohibiting price gouging in time of emergency is hereby waived as it relates to emergency supplies and medical supplies. These price gouging protections shall be in effect through September 4, 2020.
5. Any state-owned properties that the Office of Emergency Services determines are suitable for use to assist in preparing for, responding to, mitigating the effects of, or recovering from COVID-19 shall be made available to the Office of Emergency Services for this purpose, notwithstanding any state or local law that would restrict, delay, or otherwise inhibit such use.
6. Any fairgrounds that the Office of Emergency Services determines are suitable to assist in preparing for, responding to, mitigating the effects of, or recovering from COVID-19 shall be made available to the Office of Emergency Services pursuant to the Emergency Services Act, Government Code section 8589. The Office of Emergency Services shall notify the fairgrounds of the intended use and can immediately use the fairgrounds without the fairground board of directors' approval, and

notwithstanding any state or local law that would restrict, delay, or otherwise inhibit such use.

7. The 30-day time period in Health and Safety Code section 101080, within which a local governing authority must renew a local health emergency, is hereby waived for the duration of this statewide emergency. Any such local health emergency will remain in effect until each local governing authority terminates its respective local health emergency.
8. The 60-day time period in Government Code section 8630, within which local government authorities must renew a local emergency, is hereby waived for the duration of this statewide emergency. Any local emergency proclaimed will remain in effect until each local governing authority terminates its respective local emergency.
9. The Office of Emergency Services shall provide assistance to local governments that have demonstrated extraordinary or disproportionate impacts from COVID-19, if appropriate and necessary, under the authority of the California Disaster Assistance Act, Government Code section 8680 et seq., and California Code of Regulations, Title 19, section 2900 et seq.
10. To ensure hospitals and other health facilities are able to adequately treat patients legally isolated as a result of COVID-19, the Director of the California Department of Public Health may waive any of the licensing requirements of Chapter 2 of Division 2 of the Health and Safety Code and accompanying regulations with respect to any hospital or health facility identified in Health and Safety Code section 1250. Any waiver shall include alternative measures that, under the circumstances, will allow the facilities to treat legally isolated patients while protecting public health and safety. Any facilities being granted a waiver shall be established and operated in accordance with the facility's required disaster and mass casualty plan. Any waivers granted pursuant to this paragraph shall be posted on the Department's website.
11. To support consistent practices across California, state departments, in coordination with the Office of Emergency Services, shall provide updated and specific guidance relating to preventing and mitigating COVID-19 to schools, employers, employees, first responders and community care facilities by no later than March 10, 2020.
12. To promptly respond for the protection of public health, state entities are, notwithstanding any other state or local law, authorized to share relevant medical information, limited to the patient's underlying health conditions, age, current condition, date of exposure, and possible contact tracing, as necessary to address the effect of the COVID-19 outbreak with state, local, federal, and nongovernmental partners, with such information to be used for the limited purposes of monitoring, investigation and control, and treatment and coordination of care. The

notification requirement of Civil Code section 1798.24, subdivision (i), is suspended.

13. Notwithstanding Health and Safety Code sections 1797.52 and 1797.218, during the course of this emergency, any EMT-P licensees shall have the authority to transport patients to medical facilities other than acute care hospitals when approved by the California EMS Authority. In order to carry out this order, to the extent that the provisions of Health and Safety Code sections 1797.52 and 1797.218 may prohibit EMT-P licensees from transporting patients to facilities other than acute care hospitals, those statutes are hereby suspended until the termination of this State of Emergency.

14. The Department of Social Services may, to the extent the Department deems necessary to respond to the threat of COVID-19, waive any provisions of the Health and Safety Code or Welfare and Institutions Code, and accompanying regulations, interim licensing standards, or other written policies or procedures with respect to the use, licensing, or approval of facilities or homes within the Department's jurisdiction set forth in the California Community Care Facilities Act (Health and Safety Code section 1500 et seq.), the California Child Day Care Facilities Act (Health and Safety Code section 1596.70 et seq.), and the California Residential Care Facilities for the Elderly Act (Health and Safety Code section 1569 et seq.). Any waivers granted pursuant to this paragraph shall be posted on the Department's website.

I FURTHER DIRECT that as soon as hereafter possible, this proclamation be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this proclamation.

IN WITNESS WHEREOF I have
hereunto set my hand and caused
the Great Seal of the State of
California to be affixed this 4th day

Proclamation on Declaring a National Emergency Concerning the Novel Coronavirus Disease (COVID-19) Outbreak

Issued on: March 13, 2020

In December 2019, a novel (new) coronavirus known as SARS-CoV-2 (“the virus”) was first detected in Wuhan, Hubei Province, People’s Republic of China, causing outbreaks of the coronavirus disease COVID-19 that has now spread globally. The Secretary of Health and Human Services (HHS) declared a public health emergency on January 31, 2020, under section 319 of the Public Health Service Act (42 U.S.C. 247d), in response to COVID-19. I have taken sweeping action to control the spread of the virus in the United States, including by suspending entry of foreign nationals seeking entry who had been physically present within the prior 14 days in certain jurisdictions where COVID-19 outbreaks have occurred, including the People’s Republic of China, the Islamic Republic of Iran, and the Schengen Area of Europe. The Federal Government, along with State and local governments, has taken preventive and proactive measures to slow the spread of the virus and treat those affected, including by instituting Federal quarantines for individuals evacuated from foreign nations, issuing a declaration pursuant to section 319F-3 of the Public Health Service Act (42 U.S.C. 247d-6d), and releasing policies to accelerate the acquisition of personal protective equipment and streamline bringing new diagnostic capabilities to laboratories. On March 11, 2020, the World Health Organization announced that the COVID-19 outbreak can be characterized as a pandemic, as the rates of infection continue to rise in many locations around the world and across the United States.

The spread of COVID-19 within our Nation’s communities threatens to strain our Nation’s healthcare systems. As of March 12, 2020, 1,645 people from 47 States have been infected with the virus that

causes COVID-19. It is incumbent on hospitals and medical facilities throughout the country to assess their preparedness posture and be prepared to surge capacity and capability. Additional measures, however, are needed to successfully contain and combat the virus in the United States.

NOW, THEREFORE, I, DONALD J. TRUMP, President of the United States, by the authority vested in me by the Constitution and the laws of the United States of America, including sections 201 and 301 of the National Emergencies Act (50 U.S.C. 1601 *et seq.*) and consistent with section 1135 of the Social Security Act (SSA), as amended (42 U.S.C. 1320b-5), do hereby find and proclaim that the COVID-19 outbreak in the United States constitutes a national emergency, beginning March 1, 2020. Pursuant to this declaration, I direct as follows:

Section 1. Emergency Authority. The Secretary of HHS may exercise the authority under section 1135 of the SSA to temporarily waive or modify certain requirements of the Medicare, Medicaid, and State Children's Health Insurance programs and of the Health Insurance Portability and Accountability Act Privacy Rule throughout the duration of the public health emergency declared in response to the COVID-19 outbreak.

Sec. 2. Certification and Notice. In exercising this authority, the Secretary of HHS shall provide certification and advance written notice to the Congress as required by section 1135(d) of the SSA (42 U.S.C. 1320b-5(d)).

Sec. 3. General Provisions. (a) Nothing in this proclamation shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This proclamation shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This proclamation is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

IN WITNESS WHEREOF, I have hereunto set my hand this thirteenth day of March, in the year of our Lord two thousand twenty, and of the Independence of the United States of America the two hundred and forty-fourth.

SUBJECT: Ratify Proclamations of Emergency for COVID-19

REQUEST(S):

That the Board of Supervisors:

1. Ratify a Proclamation of Local Emergency issued by the County Coordinator of Emergency Services on March 11, 2020 due to COVID-19; and
2. Ratify a Proclamation of Local Health Emergency issued by the County Health Officer on March 11, 2020 due to COVID-19.

SUMMARY:

As has been widely covered in the media, the COVID-19 outbreak originated in China beginning in December 2019. The Tulare County Department of Public Health, in cooperation with all Tulare County departments and numerous healthcare and community partners, has been actively monitoring and proactively preparing for COVID-19 since early January 2020.

Since that time, cases have been reported worldwide along with numerous deaths resulting from the disease. California has had numerous cases resulting from travel, person-to-person contact, and community spread. On March 4, 2020, Governor Newsom proclaimed a State of Emergency for COVID-19 after the first COVID-19 related death in California. Since that date, confirmed cases have also occurred in neighboring Fresno and Madera Counties.

On March 11, 2020, Tulare County had its first confirmed positive COVID-19 case. As a result, the County implemented a contingency plan under which the County's Coordinator of Emergency Services proclaimed a Local Emergency, and the County

SUBJECT: Ratify Proclamations of Emergency due to COVID-19
DATE: March 17, 2020

Health Officer proclaimed a Local Health Emergency, to enable the County to take all necessary response actions to combat the effects of the disease. Pursuant to California Government Code section 8630(b), these proclamations must be ratified within seven (7) days by the Board of Supervisors in order to remain in effect.

The Governor's State of Emergency dated March 4, 2020, waives statutory requirements to renew emergency proclamations for COVID-19, so these local proclamations will remain in effect until terminated by the Tulare County Board of Supervisors.

As a matter of information, local public health emergencies due to the threat posed by COVID-19 also have been declared by the Counties of Santa Clara, San Diego, San Francisco, Orange, Solano, Alameda, Sonoma, Marin, Placer, Los Angeles, Mendocino, Butte, San Bernardino, San Benito, Yolo, Monterey, San Mateo, Yuba, Sutter, Contra Costa, Humboldt, Lake, and Sacramento, and by numerous California cities and Indian Tribes.

FISCAL IMPACT/FINANCING:

There is no cost associated with proclaiming or terminating a local emergency or local health emergency. The proclamation of local emergency contains a request for California Disaster Assistance Act funding, which may result in cost recovery of extraordinary response costs associated with this incident.

LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:

The County's five-year strategic plan includes the Safety and Security initiative, with a directive to plan and provide coordinated emergency preparedness, response, recovery and mitigation capabilities for both natural and man-made disasters. These proclamations support the County's emergency response and coordination efforts by ensuring all necessary actions can be taken to mitigate the spread of disease.

1. Ratified a Proclamation of Local Emergency issued by the County Coordinator of Emergency Services on March 11, 2020 due to COVID-19; and
2. Ratified a Proclamation of Local Health Emergency issued by the County Health Officer on March 11, 2020 due to COVID-19.

**PROCLAMATION OF A LOCAL EMERGENCY
BY THE DIRECTOR OF EMERGENCY SERVICES**

WHEREAS, Government Code section 8630 and Tulare County Ordinance Code section 1-15-1030 authorize the Director of Emergency Services to proclaim a local emergency when the County of Tulare ("County") is threatened by conditions of disaster or extreme peril to the safety of persons and property within the County that are or are likely to be beyond the control of the services, personnel, equipment, and facilities of the County, and the Board of Supervisors is not in session; and

WHEREAS, the Director of Emergency Services hereby finds:

Conditions of extreme peril to the safety of persons and property have arisen within the County due to the following:

A novel coronavirus (named "COVID-19") was first detected in Wuhan City, Hubei Province, China, in December 2019. The U.S. Centers for Disease Control and Prevention ("CDC") considers the virus to be a very serious public health threat, based on current information. In part, the virus is considered a serious public health threat because much is unknown. The exact modes of transmission, the factors facilitating human-to-human transmission, the extent of asymptomatic viral shedding, the groups most at risk of serious illness, the attack rate, and the case fatality rate all remain active areas of investigation. The CDC believes at this time that symptoms appear two to fourteen days after exposure. Currently, there is no vaccine or specific antiviral treatment for COVID-19.

The number of reported cases of COVID-19 has escalated dramatically over a short period of time. To date, worldwide there are over 125,000 confirmed cases of COVID-19 and over 4,600 deaths from COVID-19. Cases of COVID-19, though concentrated in China, have been reported in one hundred twenty-two countries, including the United States, and include individuals who never visited China. Transmission from an asymptomatic individual has been documented. In the U.S., there have been 939 total cases of COVID-19 confirmed to date in 41 different states, and at least 29 deaths reported.

The World Health Organization has declared the outbreak to be a global health emergency. Actions are being taken to protect public health and limit the spread of COVID-19 in the United States.

On March 4, 2020, Governor Newsom proclaimed a state of emergency to exist in California. There are now almost 200 confirmed cases in California spanning some 24 counties and at least four deaths have been reported in California due to COVID-19.

Local public health emergencies due to the threat posed by COVID-19 have been declared by the Counties of Santa Clara, San Diego, San Francisco, Orange, Solano, Alameda, Sonoma, Marin, Placer, Los Angeles, Mendocino, Butte, San Bernardino, San Benito, Yolo, Monterey, San Mateo, Yuba, Sutter, Contra Costa, Humboldt, Lake, and Sacramento, and by numerous California cities and Indian Tribes; and

Tulare County has a population of over 450,000 residents, many of whom travel frequently for business or personal reasons. The Health Officer of the County of Tulare has determined that there is an imminent and proximate threat to public health from the introduction of COVID-19 in Tulare County, and has declared a Local Health Emergency as a result.

These conditions are beyond the control of the services, personnel, equipment, and facilities of the County and require the combined forces of other political subdivisions to combat.

WHEREAS, on March 11, 2020, a Tulare County resident tested positive for COVID-19; and

WHEREAS, based on the experience of other California communities, it can reasonably be expected that other positive tests will soon follow; and

WHEREAS, the Board of Supervisors is not in session, and cannot immediately be called into session; and

WHEREAS, during a local emergency, the Director of Emergency Services or other individual authorized to serve in that capacity under Tulare County Ordinance Code sections 1-15-1031 and 1-15-1032 is empowered by Tulare County Ordinance Code section 1-15-1025 to issue rules and regulations on matters reasonably related to the protection of life and property as affected by such emergency; provided, however, that such rules and regulations must be confirmed at the earliest possible time by the Board of Supervisors; and

WHEREAS, the Director of Emergency Services is unavailable to issue a proclamation as he is currently outside of Tulare County and has authorized his successor, the County's Coordinator of Emergency Services (Assistant County Administrative Officer), as designated in Tulare County Ordinance Code sections 1-15-1010 (c) and 1-15-1030 (g) to exercise the powers of Director of Emergency Services as provided for in Tulare County Ordinance Code section 1-15-1030 (h) and thereby to issue this proclamation of local emergency; and

WHEREAS, the Tulare County Health Department must use all preventive measures, which will require access to available services, personnel, equipment, and facilities, to respond to COVID-19; and

NOW THEREFORE, the Tulare County Coordinator of Emergency Services hereby:

1. Proclaims that a local emergency, as defined in Government Code Section 8558 and Tulare County Ordinance Code Section 1-15-1005, now exists within the County due to the presence of COVID-19; and
2. Requests that the Governor of the State of California request a federal declaration to provide assistance, including, but not limited to, California Disaster Assistance Act ("CDAA"); and
3. Orders that the Tulare County Health Department must use all preventive measures, which will require access to available services, personnel, equipment, and facilities, to respond to COVID-19.

The local emergency shall not remain in effect for a period in excess of seven days unless it has been ratified by the Board of Supervisors.

**PROCLAMATION OF LOCAL HEALTH EMERGENCY
REGARDING NOVEL CORONAVIRUS (COVID-19)**

WHEREAS, California Health and Safety Code section 101080 and Tulare County Ordinance Code section 1-15-1033 authorize the local health officer to declare a local health emergency in the health officer's jurisdiction, or any part thereof, whenever the health officer reasonably determines that there is an imminent and proximate threat of the introduction of any contagious, infectious, or communicable disease, chemical agent, noncommunicable biologic agent, toxin, or radioactive agent; and

WHEREAS, the local health emergency shall not remain in effect after 7 days from the date of this declaration unless it has been ratified by the County of Tulare's Board of Supervisors; and

WHEREAS, the Health Officer of the County of Tulare makes the following findings:

A novel coronavirus (named "COVID-19") was first detected in Wuhan City, Hubei Province, China, in December 2019. The U.S. Centers for Disease Control and Prevention ("CDC") considers the virus to be a very serious public health threat, based on current information. The exact modes of transmission, the factors facilitating human-to-human transmission, the extent of asymptomatic viral shedding, the groups most at risk of serious illness, the attack rate, and the case fatality rate all remain active areas of investigation, but are poorly characterized at this time. The best information to date suggests that the virus is spread between people primarily via respiratory droplets produced when an infected person coughs or sneezes. Symptoms of the virus include fever, cough, and shortness of breath, and infected individuals have experienced a range of outcomes, from mild sickness to severe illness and death. The CDC believes at this time that symptoms appear two to fourteen days after exposure. Currently, there is no vaccine or specific antiviral treatment for COVID-19.

The number of reported cases of COVID-19 has escalated dramatically over a short period of time. To date, worldwide there are over 125,000 confirmed cases of COVID-19 and over 4,600 deaths from COVID-19. Cases of COVID-19, though concentrated in China, have been reported in 122 counties, including the United States. Confirmed cases of COVID-19 include individuals who never visited China. Transmission from an asymptomatic individual has been documented. The World Health Organization has declared the outbreak to be a global health emergency.

On March 4, 2020, Governor Newsom proclaimed a state of emergency to exist in California.

**DECLARATION OF LOCAL HEALTH EMERGENCY
REGARDING NOVEL CORONAVIRUS (COVID-19)**

There are now almost 200 confirmed cases in California spanning 24 counties, and 4 deaths have been reported in California due to COVID-19.

Local public health emergencies due to the threat posed by COVID-19 have been declared by the Counties of Santa Clara, San Diego, San Francisco, Orange, Solano, Alameda, Sonoma, Marin, Placer, Los Angeles, Mendocino, Butte, San Bernardino, San Benito, Yolo, Monterey, San Mateo, Yuba, Sutter, Contra Costa, Humboldt, Lake, and Sacramento, and by numerous California cities and Indian Tribes.

EXECUTIVE ORDER N-25-20

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS despite sustained efforts, the virus remains a threat, and further efforts to control the spread of the virus to reduce and minimize the risk of infection are needed; and

WHEREAS state and local public health officials may, as they deem necessary in the interest of public health, issue guidance limiting or recommending limitations upon attendance at public assemblies, conferences, or other mass events, which could cause the cancellation of such gatherings through no fault or responsibility of the parties involved, thereby constituting a force majeure; and

WHEREAS the Department of Public Health is maintaining up-to-date guidance relating to COVID-19, available to the public at <http://cdph.ca.gov/covid19>; and

WHEREAS the State of California and local governments, in collaboration with the Federal government, continue sustained efforts to minimize the spread and mitigate the effects of COVID-19; and

WHEREAS there is a need to secure numerous facilities to accommodate quarantine, isolation, or medical treatment of individuals testing positive for or exposed to COVID-19; and

WHEREAS, many individuals who have developmental disabilities and receive services through regional centers funded by the Department of Developmental Services also have chronic medical conditions that make them more susceptible to serious symptoms of COVID-19, and it is critical that they continue to receive their services while also protecting their own health and the general public health; and

WHEREAS individuals exposed to COVID-19 may be temporarily unable to report to work due to illness caused by COVID-19 or quarantines related to COVID-19 and individuals directly affected by COVID-19 may experience potential loss of income, health care and medical coverage, and ability to pay for housing and basic needs, thereby placing increased demands on already strained regional and local health and safety resources such as shelters and food banks; and

WHEREAS in the interest of public health and safety, it is necessary to exercise my authority under the Emergency Services Act, specifically Government Code section 8572, to ensure adequate facilities exist to address the impacts of COVID-19; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this order would prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567, 8571 and 8572, do hereby issue the following order to become effective immediately:

IT IS HEREBY ORDERED THAT:

1. All residents are to heed any orders and guidance of state and local public health officials, including but not limited to the imposition of social distancing measures, to control the spread of COVID-19.
2. For the period that began January 24, 2020 through the duration of this emergency, the Employment Development Department shall have the discretion to waive the one-week waiting period in Unemployment Insurance Code section 2627(b)(1) for disability insurance applicants who are unemployed and disabled as a result of the COVID-19, and who are otherwise eligible for disability insurance benefits.
3. For the period that began January 24, 2020 through the duration of this emergency, the Employment Development Department shall have the discretion to waive the one-week waiting period in Unemployment Insurance Code section 1253(d) for unemployment insurance applicants who are unemployed as a result of the COVID-19, and who are otherwise eligible for unemployment insurance benefits.
4. Notwithstanding Health and Safety Code section 1797.172(b), during the course of this emergency, the Director of the Emergency Medical Services Authority shall have the authority to implement additions to local optional scopes of practice without first consulting with a committee of local EMS medical directors named by the EMS Medical Directors Association of California.
5. In order to quickly provide relief from interest and penalties, the provisions of the Revenue and Taxation Code that apply to the taxes and fees administered by the Department of Tax and Fee Administration, requiring the filing of a statement under penalty of perjury setting forth the facts for a claim for relief, are suspended for a period of 60 days after the date of this Order for any individuals or businesses who are unable to file a timely tax return or make a timely payment as a result of complying with a state or local public health official's imposition or recommendation of social distancing measures related to COVID-19.
6. The Franchise Tax Board, the Board of Equalization, the Department of Tax and Fee Administration, and the Office of Tax Appeals shall use their administrative powers where appropriate to provide those individuals and businesses impacted by complying with a state or local public health official's imposition or recommendation of social

distancing measures related to COVID-19 with the extensions for filing, payment, audits, billing, notices, assessments, claims for refund, and relief from subsequent penalties and interest.

7. The Governor's Office of Emergency Services shall ensure adequate state staffing during this emergency. Consistent with applicable federal law, work hour limitations for retired annuitants, permanent and intermittent personnel, and state management and senior supervisors, are suspended. Furthermore, reinstatement and work hour limitations in Government Code sections 21220, 21224(a), and 7522.56(b), (d), (f), and (g), and the time limitations in Government Code section 19888.1 and California Code of Regulations, title 2, sections 300-303 are suspended. The Director of the California Department of Human Resources must be notified of any individual employed pursuant to these waivers.
8. The California Health and Human Services Agency and the Office of Emergency Services shall identify, and shall otherwise be prepared to make available—including through the execution of any necessary contracts or other agreements and, if necessary, through the exercise of the State's power to commandeer property – hotels and other places of temporary residence, medical facilities, and other facilities that are suitable for use as places of temporary residence or medical facilities as necessary for quarantining, isolating, or treating individuals who test positive for COVID-19 or who have had a high-risk exposure and are thought to be in the incubation period.
9. The certification and licensure requirements of California Code of Regulations, Title 17, section 1079 and Business and Professions Code section 1206.5 are suspended as to all persons who meet the requirements under the Clinical Laboratory Improvement Amendments of section 353 of the Public Health Service Act for high complexity testing and who are performing analysis of samples to test for SARS-CoV-2, the virus that causes COVID-19, in any certified public health laboratory or licensed clinical laboratory.
10. To ensure that individuals with developmental disabilities continue to receive the services and supports mandated by their individual program plans threatened by disruptions caused by COVID-19, the Director of the Department of Developmental Services may issue directives waiving any provision or requirement of the Lanterman Developmental Disabilities Services Act, the California Early Intervention Services Act, and the accompanying regulations of Title 17, Division 2 of the California Code of Regulations. A directive may delegate to the regional centers any authority granted to the Department by law where the Director believes such delegation is necessary to ensure services to individuals with developmental disabilities. The Director shall describe the need justifying the waiver granted in each directive and articulate how the waiver is necessary to protect the public health or safety from the threat of COVID-19 or necessary to ensure that services to individuals with developmental disabilities are not disrupted. Any waiver granted by a directive shall expire 30 days from the date of its issuance. The Director may grant one or more 30-day extensions if the waiver continues to be necessary

to protect health or safety or to ensure delivery of services. The Director shall rescind a waiver once it is no longer necessary to protect public health or safety or ensure delivery of services. Any waivers and extensions granted pursuant to this paragraph shall be posted on the Department's website.

11. Notwithstanding any other provision of state or local law, including the Bagley-Keene Act or the Brown Act, a local legislative body or state body is authorized to hold public meetings via teleconferencing and to make public meetings accessible telephonically or otherwise electronically to all members of the public seeking to attend and to address the local legislative body or state body, during the period in which state or local public officials impose or recommend measures to promote social distancing, including but not limited to limitations on public events. All requirements in both the Bagley-Keene Act and the Brown Act expressly or impliedly requiring the physical presence of members, the clerk or other personnel of the body, or of the public as a condition of participation in or quorum for a public meeting are hereby waived.

In particular, any otherwise-applicable requirements that

- (i) state and local bodies notice each teleconference location from which a member will be participating in a public meeting;
- (ii) each teleconference location be accessible to the public;
- (iii) members of the public may address the body at each teleconference conference location;
- (iv) state and local bodies post agendas at all teleconference locations;
- (v) at least one member of the state body be physically present at the location specified in the notice of the meeting; and
- (vi) during teleconference meetings, at least a quorum of the members of the local body participate from locations within the boundaries of the territory over which the local body exercises jurisdiction

are hereby suspended, on the conditions that:

- (i) each state or local body must give advance notice of each public meeting, according to the timeframe otherwise prescribed by the Bagley-Keene Act or the Brown Act, and using the means otherwise prescribed by the Bagley-Keene Act or the Brown Act, as applicable; and
- (ii) consistent with the notice requirement in paragraph (i), each state or local body must notice at least one publicly accessible location from which members of the public shall have the right to observe and offer public comment at the public meeting, consistent with the public's rights of access and public comment otherwise provided for by the Bagley-Keene Act and the Brown Act, as applicable (including, but not limited to, the requirement that such rights of access and public comment be made available in a manner consistent with the Americans with Disabilities Act).

In addition to the mandatory conditions set forth above, all state and local bodies are urged to use sound discretion and to make reasonable efforts to adhere as closely as reasonably possible to the provisions of the Bagley-Keene Act and the Brown Act, and other applicable local laws regulating the conduct of public meetings, in order to maximize transparency and provide the public access to their meetings.

IT IS FURTHER ORDERED that as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

IN WITNESS WHEREOF I have
hereunto set my hand and caused
the Great Seal of the State of
California to be affixed this 12th day
of March 2020.

STATE OF CALIFORNIA

EXECUTIVE ORDER N-28-20

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS despite sustained efforts, the virus remains a threat, and further efforts to control the spread of the virus to reduce and minimize the risk of infection and otherwise mitigate the effects of COVID-19 are needed; and

WHEREAS the economic impacts of COVID-19 have been significant, and could threaten to undermine Californians' housing security and the stability of California businesses; and

WHEREAS many Californians are experiencing substantial losses of income as a result of business closures, the loss of hours or wages, or layoffs related to COVID-19, hindering their ability to keep up with their rents, mortgages, and utility bills; and

WHEREAS Californians who are most vulnerable to COVID-19, those 65 years and older, and those with underlying health issues, are advised to self-quarantine, self-isolate, or otherwise remain in their homes to reduce the transmission of COVID-19; and

WHEREAS because homelessness can exacerbate vulnerability to COVID-19, California must take measures to preserve and increase housing security for Californians to protect public health; and

WHEREAS local jurisdictions, based on their particular needs, may therefore determine that additional measures to promote housing security and stability are necessary to protect public health or to mitigate the economic impacts of COVID-19; and

WHEREAS local jurisdictions may also determine, based on their particular needs, that promoting stability amongst commercial tenancies is also conducive to public health, such as by allowing commercial establishments to decide whether and how to remain open based on public health concerns rather than economic pressures, or to mitigate the economic impacts of COVID-19; and

WHEREAS in addition to these public health benefits, state and local policies to promote social distancing, self-quarantine, and self-isolation require that people be able to access basic utilities—including water, gas, electricity, and telecommunications—at their homes, so that Californians can work from home, receive public health information, and otherwise adhere to policies of social distancing, self-quarantine, and self-isolation, if needed; and

WHEREAS many utility providers, public and private, covering electricity, gas, water, and sewer, have voluntarily announced moratoriums on service disconnections and late fees for non-payment in response to COVID-19; and

WHEREAS many telecommunication companies, including internet and cell phone providers, have voluntarily announced moratoriums on service disconnections and late fees for non-payment in response to COVID-19;

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567 and 8571, do hereby issue the following order to become effective immediately:

IT IS HEREBY ORDERED THAT:

- 1) The time limitation set forth in Penal Code section 396, subdivision (f), concerning protections against residential eviction, is hereby waived. Those protections shall be in effect through May 31, 2020.
- 2) Any provision of state law that would preempt or otherwise restrict a local government's exercise of its police power to impose substantive limitations on residential or commercial evictions as described in subparagraphs (i) and (ii) below—including, but not limited to, any such provision of Civil Code sections 1940 et seq. or 1954.25 et seq.—is hereby suspended to the extent that it would preempt or otherwise restrict such exercise. This paragraph 2 shall only apply to the imposition of limitations on evictions when:
 - (i) The basis for the eviction is nonpayment of rent, or a foreclosure, arising out of a substantial decrease in household or business income (including, but not limited to, a substantial decrease in household income caused by layoffs or a reduction in the number of compensable hours of work, or a substantial decrease in business income caused by a reduction in opening hours or consumer demand), or substantial out-of-pocket medical expenses; and
 - (ii) The decrease in household or business income or the out-of-pocket medical expenses described in subparagraph (i) was caused by the COVID-19 pandemic, or by any local, state, or federal government response to COVID-19, and is documented.

The statutory cause of action for judicial foreclosure, Code of Civil Procedure section 725a et seq.; the statutory cause of action for unlawful detainer, Code of Civil Procedure section 1161 et seq., and any other statutory cause of action that could be used to evict or otherwise eject a residential or commercial tenant or occupant of residential real property after foreclosure is suspended only as applied to any tenancy, or residential real property and any

occupation thereof, to which a local government has imposed a limitation on eviction pursuant to this paragraph 2, and only to the extent of the limitation imposed by the local government.

Nothing in this Order shall relieve a tenant of the obligation to pay rent, nor restrict a landlord's ability to recover rent due.

The protections in this paragraph 2 shall be in effect through May 31, 2020, unless extended.

- 3) All public housing authorities are requested to extend deadlines for housing assistance recipients or applicants to deliver records or documents related to their eligibility for programs, to the extent that those deadlines are within the discretion of the housing authority.
- 4) The Department of Business Oversight, in consultation with the Business, Consumer Services, and Housing Agency, shall engage with financial institutions to identify tools to be used to afford Californians relief from the threat of residential foreclosure and displacement, and to otherwise promote housing security and stability during this state of emergency, in furtherance of the objectives of this Order.
- 5) Financial institutions holding home or commercial mortgages, including banks, credit unions, government-sponsored enterprises, and institutional investors, are requested to implement an immediate moratorium on foreclosures and related evictions when the foreclosure or foreclosure-related eviction arises out of a substantial decrease in household or business income, or substantial out-of-pocket medical expenses, which were caused by the COVID-19 pandemic, or by any local, state, or federal government response to COVID-19.
- 6) The California Public Utilities Commission is requested to monitor measures undertaken by public and private utility providers to implement customer service protections for critical utilities, including but not limited to electric, gas, water, internet, landline telephone, and cell phone service, in response to COVID-19, and on a weekly basis publicly report these measures.

Nothing in this Order shall be construed to invalidate any limitation on eviction enacted by a local jurisdiction between March 4, 2020 and this date.

Nothing in this Order shall in any way restrict state or local authority to order any quarantine, isolation, or other public health measure that may compel an individual to remain physically present in a particular residential real property.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

I FURTHER DIRECT that as soon as hereafter possible, this proclamation be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 16th day of March 2020.

EXECUTIVE ORDER N-32-20

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS despite sustained efforts, the virus continues to spread and is impacting nearly all sectors of California; and

WHEREAS in the past two years, the State of California has allocated \$1.15 billion to local partners through the Homeless Emergency Aid Program and the Homeless Housing, Assistance, and Prevention Program, funding intended to provide for a variety of programs and facilities aimed at combatting homelessness; and

WHEREAS on March 17, 2020, I signed Senate Bill 89, emergency legislation that authorizes \$500 million in immediately available funding to help California fight COVID-19 for any purpose related to the March 4, 2020 proclamation of a State of Emergency, including to support local governments to protect the health and safety of homeless populations, reduce the spread of COVID-19 in homeless populations, and provide safe beds for people experiencing homelessness; and

WHEREAS the emergency of COVID-19 necessitates a more focused approach, including emergency protective measures to bring unsheltered Californians safely indoors, expand shelter capacity, maintain health and sanitation standards and institute medically indicated interventions, and add new isolation and quarantine capacity to California's shelter and housing inventory to slow the spread of the pandemic; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this order would prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567 and 8571, do hereby issue the following order to become effective immediately:

IT IS HEREBY ORDERED THAT:

- 1) To the limited extent that any part of Health & Safety Code section 50214, subdivision (a), restricts a local jurisdiction from expending Homeless Emergency Aid Program funds on preparing for and addressing the impacts of the COVID-19 pandemic on homeless individuals, including through implementing guidance from the Department of Public Health on hand and respiratory hygiene and protective congregate living protocols, and providing isolation and quarantine capacity, that part is suspended.

- 2) To the limited extent that any part of Health & Safety Code section 50219, subdivision (c), restricts a local jurisdiction from expending Homeless Housing, Assistance, and Prevention Program funds on preparing for and addressing the impacts of the COVID-19 pandemic on homeless individuals, including through expanding shelter and housing services and capacity, that part is suspended.
- 3) Division 13 (commencing with section 21000) of the Public Resources Code and regulations adopted pursuant to that Division are suspended for any project using Homeless Emergency Aid Program funds, Homeless Housing, Assistance, and Prevention Program funds, or funds appropriated in Senate Bill 89, signed on March 17, 2020.

IT IS FURTHER ORDERED that as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

IN WITNESS WHEREOF I have
hereunto set my hand and caused

EXECUTIVE ORDER N-33-20

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS in a short period of time, COVID-19 has rapidly spread throughout California, necessitating updated and more stringent guidance from federal, state, and local public health officials; and

WHEREAS for the preservation of public health and safety throughout the entire State of California, I find it necessary for all Californians to heed the State public health directives from the Department of Public Health.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567, 8627, and 8665 do hereby issue the following Order to become effective immediately:

IT IS HEREBY ORDERED THAT:

- 1) To preserve the public health and safety, and to ensure the healthcare delivery system is capable of serving all, and prioritizing those at the highest risk and vulnerability, all residents are directed to immediately heed the current State public health directives, which I ordered the Department of Public Health to develop for the current statewide status of COVID-19. Those directives are consistent with the March 19, 2020, Memorandum on Identification of Essential Critical Infrastructure Workers During COVID-19 Response, found at: <https://covid19.ca.gov/>. Those directives follow:

ORDER OF THE STATE PUBLIC HEALTH OFFICER
March 19, 2020

To protect public health, I as State Public Health Officer and Director of the California Department of Public Health order all individuals living in the State of California to stay home or at their place of residence except as needed to maintain continuity of operations of the federal critical infrastructure sectors, as outlined at <https://www.cisa.gov/identifying-critical-infrastructure-during-covid-19>. In addition, and in consultation with the Director of the Governor's Office of Emergency Services, I may designate additional sectors as critical in order to protect the health and well-being of all Californians.

Pursuant to the authority under the Health and Safety Code 120125, 120140, 131080, 120130(c), 120135, 120145, 120175 and 120150, this order is to go into effect immediately and shall stay in effect until further notice.

The federal government has identified 16 critical infrastructure sectors whose assets, systems, and networks, whether physical or virtual, are considered so vital to the United States that their incapacitation or

destruction would have a debilitating effect on security, economic security, public health or safety, or any combination thereof. I order that Californians working in these 16 critical infrastructure sectors may continue their work because of the importance of these sectors to Californians' health and well-being.

This Order is being issued to protect the public health of Californians. The California Department of Public Health looks to establish consistency across the state in order to ensure that we mitigate the impact of COVID-19. Our goal is simple, we want to bend the curve, and disrupt the spread of the virus.

The supply chain must continue, and Californians must have access to such necessities as food, prescriptions, and health care. When people need to leave their homes or places of residence, whether to obtain or perform the functions above, or to otherwise facilitate authorized necessary activities, they should at all times practice social distancing.

- 2) The healthcare delivery system shall prioritize services to serving those who are the sickest and shall prioritize resources, including personal protective equipment, for the providers providing direct care to them.
- 3) The Office of Emergency Services is directed to take necessary steps to ensure compliance with this Order.
- 4) This Order shall be enforceable pursuant to California law, including, but not limited to, Government Code section 8665.

IT IS FURTHER ORDERED that as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

IN WITNESS WHEREOF I have
hereunto set my hand and caused

5. Vendors and suppliers (including imaging, pharmacy, oxygen services, durable medical equipment)
6. Workers who perform critical clinical research, development, and testing needed for COVID-19 response.
7. Workers in other medical and life science facilities (including Ambulatory Health and Surgical, Blood Banks, Clinics, Community Mental Health, Comprehensive Outpatient rehabilitation, End Stage Renal Disease, Health Departments, Home Health care, Hospices, Hospitals, Long Term Care, Organ Pharmacies, Procurement Organizations, Psychiatric, Residential, Rural Health Clinics and Federally Qualified Health Centers, and retail facilities specializing in medical goods and supplies, including cannabis).
8. Workers for health manufacturing (including life science companies, and companies that have shifted production to medical supplies), materials and parts suppliers, technicians, logistics and warehouse operators, printers, packagers, and distributors of medical equipment (including those who test and repair), personal protective equipment (PPE), isolation barriers, medical

- gases, pharmaceuticals (including materials used in radioactive drugs, and cannabis products), dietary supplements, blood and blood products, vaccines, testing materials, laboratory supplies, cleaning, sanitizing, disinfecting or sterilization supplies, personal hygiene products, and tissue and paper towel products.
9. Public health / community health workers, including those who compile, model, analyze and communicate public health information.
 10. Behavioral and mental health workers responsible for coordination, outreach, engagement, and treatment to individuals in need of mental health and/or behavioral services.
 11. Donors of blood bone marrow, blood stem cell, or plasma and the workers of the organizations that operate and manage related activities.
 12. Workers that manage health plans, billing, and health information.
 13. Workers who conduct community-based public health functions, conducting epidemiologic surveillance, compiling, analyzing and communicating public health information.
 14. Workers performing IT and cybersecurity functions at healthcare and public health facilities.
 15. Workers performing security, incident management, and emergency operations functions at or on behalf of healthcare entities including healthcare coalitions.
 16. Pharmacy employees, including workers necessary to maintain uninterrupted prescription filling.
 17. Workers in retail facilities specializing in medical goods and supplies.
 18. Public health and environmental health workers, including workers specializing in environmental health that focus on implementing environmental controls, sanitary and infection control interventions, healthcare facility safety and emergency preparedness planning, engineered work practices, and developing guidance and protocols for appropriate PPE to prevent COVID-19 disease transmission; Public health/ community health workers (including call center workers) who conduct community- based public health functions, conducting epidemiologic surveillance and compiling, analyzing, and communicating public health information.
 19. Mortuary services providers, including workers performing mortuary, funeral, cremation burial, cemetery, and related services, including funeral homes, crematoriums, cemetery workers and coffin makers.
 20. Workers who coordinate with other organizations to ensure the proper recovery, handling, identification, transportation, tracking, storage, and disposal of human remains and personal effects; certify cause of death; and facilitate access to behavioral and mental health services to the family members, responders, and survivors of an incident.
 21. Workers supporting veterinary hospitals and clinics.

2. EMERGENCY SERVICES SECTOR

Sector Profile

The Emergency Services Sector (ESS) is a community of highly-skilled, trained personnel, along with the physical and cyber resources, that provide a wide range of prevention, preparedness, response, and recovery services during both day-to-day operations and incident response. The ESS includes geographically distributed facilities and equipment in both paid and volunteer capacities organized primarily at the federal, state, local, tribal, and territorial levels of government, such as city police departments and fire stations, county sheriff's offices, Department of Defense police and fire departments, and town public works departments. The ESS also includes private sector resources, such as industrial fire departments, private security organizations, and private emergency medical services providers.

Essential Workforce, if remote working is not practical:

1. Public, private, and voluntary personnel (front line and management) in emergency management, law enforcement, fire and rescue services, emergency medical services, corrections, rehabilitation and reentry, search and rescue, hazardous material response, and technicians supporting maritime and aviation emergency response.
2. Public Safety Answering Points and 911 call center employees; personnel involved in access to emergency services including the emergency alert system and wireless emergency alerts.
3. Fusion Center employees
4. Workers who support weather disaster / natural hazard monitoring, response, mitigation, and prevention, including personnel conducting, supporting, or facilitating wildfire mitigation activities
5. Workers – including contracted vendors -- who maintain, manufacture, or supply equipment and services supporting law enforcement, fire, EMS, and emergency service response operations (including safety equipment, electronic security, and uniforms)
6. Workers responding to abuse and neglect of children, elders and dependent adults.
7. Animal control officers and humane officers
8. Security staff to maintain building access control and physical security measures
9. Workers and contracted vendors who maintain and provide services and supplies to public safety facilities, including emergency communication center, public safety answering points, public safety communications centers, emergency operation centers, fire and emergency medical services stations, police and law enforcement stations and facilities.

3. FOOD AND AGRICULTURE

Sector Profile

The Food and Agricultural (FA) Sector is composed of complex production, processing, and delivery systems and has the capacity to feed people and animals both within and beyond the boundaries of the United States. Beyond domestic food production, the FA Sector also imports many ingredients and finished products, leading to a complex web of growers, processors, suppliers, transporters, distributors, and consumers. This sector is critical to maintaining and securing our food supply.

Essential Workforce, if remote working is not practical:

1. Workers supporting groceries, pharmacies, convenience stores, and other retail that sells food or beverage products, and animal/pet food, retail customer support service, information technology support staff, for online orders, pickup/takeout or delivery.
2. Workers supporting restaurant carry-out and quick serve food operations, including food preparation, carry-out and delivery food employees.
3. Food manufacturer employees and their supplier employees to include those employed in food ingredient production and processing-facilities; aquaculture and seafood harvesting facilities; livestock, poultry, seafood slaughter facilities; pet and animal feed processing facilities; human food facilities producing by-products for animal food; beverage production facilities; and the production of food packaging, including recycling operations and processing.
4. Farmers, farm and ranch workers, and agribusiness support services to include those employed in auction and sales; grain and oilseed handling, storage, processing and distribution; animal food, feed, and ingredient production, packaging, and distribution; manufacturing, packaging, and distribution of veterinary drugs; truck delivery and transport.
5. Farmers, farm and ranch workers, support service workers and their supplier employees producing food supply domestically and for export to include those engaged in raising, cultivating, harvesting, packing, storing, or delivering to storage or to market or to a carrier for transportation to market any agricultural or horticultural commodity for human consumption; those engaged in producing and harvesting field crops; cannabis growers; agricultural and commodity inspection; fuel ethanol facilities; storage facilities; biodiesel and renewable diesel facilities; and other agricultural inputs
6. Employees and firms supporting food, feed, and beverage distribution and ingredients used in these products including warehouse workers, vendor-managed inventory controllers, and blockchain managers.
7. Workers supporting the sanitation of all food manufacturing processes and operations from wholesale to retail.
8. Workers supporting the growth and distribution of plants and associated products for home gardens.
9. Workers in cafeterias used to feed workers, particularly worker populations sheltered against COVID-19
10. Workers in animal diagnostic and food testing laboratories
11. Workers essential for assistance programs and government payments
12. Government, private, and non-governmental organizations' workers essential for food assistance programs (including school lunch programs) and government payments.

13. Employees of companies engaged in the production, storage, transport, and distribution of chemicals; medicines, including cannabis; vaccines; and other substances used by the food and agriculture industry, including seeds, pesticides, herbicides, fertilizers, minerals, enrichments, and other agricultural production aids.
14. Animal agriculture workers to include those employed in veterinary health (including those involved in supporting emergency veterinary or livestock services); raising of animals for food; animal production operations; livestock markets; slaughter and packing plants, manufacturers, renderers, and associated regulatory and government workforce.
15. Transportation supporting animal agricultural industries, including movement of animal medical and reproductive supplies and material, animal vaccines, animal drugs, feed ingredients, feed, and bedding, live animals, animal medical materials; transportation of deceased animals for disposal; and associated regulatory and government workforce
16. Workers who support sawmills and the manufacture and distribution of fiber and forest products, including, but not limited to timber, paper, and other wood and fiber products
17. Employees engaged in the manufacture and maintenance of equipment and other infrastructure necessary to agricultural production and distribution
18. Workers at animal care facilities that provide food, shelter, veterinary and/or routine care and other necessities of life for animals.

4. ENERGY

Sector Profile

The Energy Sector consists of widely diverse and geographically dispersed critical assets and systems that are often interdependent of one another. This critical infrastructure is divided into three interrelated segments or subsectors—electricity, oil, and natural gas—to include the production, refining, storage, and distribution of oil, gas, and electric power. The Energy Sector supplies fuels to the transportation industry, electricity to households and businesses, and other sources of energy that are integral to growth and production across the Nation. In turn, it depends on the Nation's transportation, information technology, communications, finance, water, and government infrastructures.

Essential Workforce, if remote working is not possible:

1. Workers supporting the energy sector, regardless of the energy source, segment of the system, or infrastructure the worker is involved in, or who are needed to monitor, operate, engineer, and maintain the reliability, safety, environmental health, physical and cyber security of the energy system, including power generation, transmission and distribution.
2. Workers supporting the energy sector, regardless of the energy source, needed for construction, manufacturing, transportation and logistics, maintenance, and permitting.
3. IT and OT technology for essential energy sector operations including support workers, customer service operations, call centers, and emergency response and customer emergency operations; energy management systems, control systems, Supervisory Control and Data Acquisition SCADA systems, and energy sector entity data centers; cybersecurity engineers; and cybersecurity risk management.
4. Workers providing services related to energy sector fuels and supply chains, supporting the procurement, mining, drilling, processing, refining, manufacturing, refueling, construction, logistics, transportation (including marine transport, terminals, rail and vehicle transport), permitting operation and maintenance, security, waste disposal, storage, and monitoring of support for resources;
5. Workers supporting environmental remediation and monitoring.
6. Workers supporting manufacturing and distribution of equipment, supplies, and parts necessary to maintain production, maintenance, restoration, and service at energy sector facilities across all energy sectors, and regardless of the energy source.
7. Workers at Independent System Operators and Regional Transmission Organizations, and Network Operations staff, engineers and technicians to manage the network or operate facilities.
8. Workers at Reliability Coordinator, Balancing Authorities, and primary and backup Control Centers, including but not limited to independent system operators, regional transmission organizations, and balancing authorities; and workers involved in energy commodity trading and scheduling.
9. Mutual assistance personnel, which may include workers from outside of the state or local jurisdiction
10. Retail fuel centers such as gas stations and truck stops, and the distribution systems that support them.

5. WATER AND WASTEWATER

Sector Profile

The Water and Wastewater Sector is a complex sector composed of drinking water and wastewater infrastructure of varying sizes and ownership types. Multiple governing authorities pertaining to the Water and Wastewater Sector provide for public health, environmental protection, and security measures, among others.

Essential Workforce, if remote working is not practical:

Employees needed to operate and maintain drinking water and wastewater/drainage infrastructure, including:

1. Operational staff at water authorities
2. Operational staff at community water systems
3. Operational staff at wastewater treatment facilities
4. Workers repairing water and wastewater conveyances and performing required sampling or monitoring
5. Operational staff for water distribution and testing
6. Operational staff at wastewater collection facilities
7. Operational staff and technical support for SCADA Control systems
8. Chemical disinfectant suppliers for water and wastewater and personnel protection
9. Workers that maintain digital systems infrastructure supporting water and wastewater operations

6. TRANSPORTATION AND LOGISTICS

Sector Profile

The Transportation Systems Sector consists of seven key subsectors, or modes:

- Aviation includes aircraft, air traffic control systems, and airports, heliports, and landing strips. Commercial aviation services at civil and joint-use military airports, heliports, and sea plane bases. In addition, the aviation mode includes commercial and recreational aircraft (manned and unmanned) and a wide variety of support services, such as aircraft repair stations, fueling facilities, navigation aids, and flight schools.
- Highway and Motor Carrier encompasses roadway, bridges, and tunnels. Vehicles include trucks, including those carrying hazardous materials; other commercial vehicles, including bicycles, commercial motor coaches and school buses; vehicle and driver licensing systems; taxis, transportation services including Transportation Network Companies, and delivery services including Delivery Network Companies; traffic management systems; AND cyber systems used for operational management.
- Maritime Transportation System consists of coastline, ports, waterways, and intermodal landside connections that allow the various modes of transportation to move people and goods to, from, and on the water.
- Mass Transit and Passenger Rail includes terminals, operational systems, and supporting infrastructure for passenger services by transit buses, trolleybuses, monorail, heavy rail—also known as subways or metros—light rail, passenger rail, and vanpool/rideshare.
- Pipeline Systems consist of pipelines carrying natural gas hazardous liquids, as well as various chemicals. Above-ground assets, such as compressor stations and pumping stations, are also included.
- Freight Rail consists of major carriers, smaller railroads, active railroad, freight cars, and locomotives.
- Postal and Shipping includes large integrated carriers, regional and local courier services, mail services, mail management firms, and chartered and delivery services.

Essential Workforce, if remote working is not practical:

1. Employees supporting or enabling transportation functions, including truck drivers, bus drivers, dispatchers, maintenance and repair technicians, warehouse workers, truck stop and rest area workers, towing and recovery services, roadside assistance workers, intermodal transportation personnel, and workers that maintain and inspect infrastructure
2. Working supporting or providing services that enable logistics operations for essential sectors, wholesale and retail sale, including warehousing, cooling, storing, packaging, and distributing products for wholesale or retail sale or use.
3. Workers supporting maintenance and operation of essential highway infrastructure, including roads, bridges, and tunnels.

4. Workers of firms providing services, supplies, and equipment that enable warehouse and operations, including cooling, storing, packaging, and distributing products for wholesale or retail sale or use.
5. Mass transit workers providing critical transit services and/or performing critical or routine maintenance to mass transit infrastructure or equipment.
6. Employees supporting personal and commercial transportation services, including taxis, bicycle services, Transportation Network Companies, and delivery services including Delivery Network Companies
7. Workers responsible for operating dispatching passenger, commuter and freight trains and maintaining rail infrastructure and equipment
8. Maritime transportation and inland waterway workers – to include maintenance and repair – including port authority and commercial facility personnel, dredgers, port workers, mariners, ship crewmembers, ship pilots and tugboat operators, ship supply, Chandler, and equipment operators.
9. Workers who support the operation, inspection, and maintenance of essential dams, locks, and levees.
10. Workers who support the inspection and maintenance of aids to navigation and other government-provided services that ensure continued maritime commerce.
11. Workers supporting transportation of chemicals, hazardous, medical, waste and recyclable materials to support critical sectors and infrastructure.
12. Automotive repair, maintenance, and transportation equipment manufacturing and distribution facilities.
13. Transportation safety inspectors, including hazardous material inspectors and accident investigator inspectors
14. Manufacturers and distributors (to include service centers and related operations) of lighting and communication systems, specialized signage and structural systems, emergency response equipment and support materials, printers, printed materials, packaging materials, pallets, crates, containers, and other supplies needed to support manufacturing, packaging staging and distribution operations
15. Postal, parcel, courier, last-mile delivery, and shipping workers, to include private companies who accept, process, transport, and deliver information and goods.
16. Workers who supply equipment and materials for maintenance of transportation equipment.
17. Employees who repair and maintain vehicles, aircraft, rail equipment, marine vessels, bicycles, and the equipment and infrastructure that enables operations that encompass movement of cargo and passengers
18. Workers who support air transportation for cargo and passengers, including operation distribution, maintenance, and sanitation. This includes air traffic controllers, flight dispatchers, maintenance personnel, ramp workers, fueling agents, flight crews, airport safety inspectors and engineers, airport operations personnel, aviation and aerospace safety workers, security, commercial space personnel, operations personnel, accident investigators, flight instructors, and other on- and off-airport facilities workers.
19. Workers critical to the manufacturing, distribution, sales, rental, leasing, repair, and maintenance of vehicles and other transportation equipment (including electric vehicle charging stations) and the supply chains that enable these operations, subject to adhering public health guidance issued by CDPH.
20. Workers who support the operation, inspection, and maintenance of essential public works facilities and operations, including bridges, water and sewer main breaks, fleet maintenance personnel, construction of critical or strategic infrastructure, construction material

suppliers, traffic signal maintenance, emergency location services for buried utilities, maintenance of digital systems infrastructure supporting public works operations, and other emergent issues

21. Workers who support, such as road and line clearing, to ensure the availability of needed facilities, transportation, energy and communications.

7. COMMUNICATIONS AND INFORMATION TECHNOLOGY

Sector Profile

The Communications Sector provides products and services that support the efficient operation of today's global information-based society. Communication networks enable people around the world to contact one another, access information instantly, and communicate from remote areas. This involves creating a link between a sender (including voice signals) and one or more recipients using technology (e.g., a telephone system or the Internet) to transmit information from one location to another. Technologies are changing at a rapid pace, increasing the number of products, services, service providers, and communication options. The national communications architecture is a complex collection of networks that are owned and operated by individual service providers. Many of this sector's products and services are foundational or necessary for the operations and services provided by other critical infrastructure sectors. The nature of communication networks involves both physical infrastructure (buildings, switches, towers, antennas, etc.) and cyber infrastructure (routing and switching software, operational support systems, user applications, etc.), representing a holistic challenge to address the entire physical-cyber infrastructure.

The IT Sector provides products and services that support the efficient operation of today's global information-based society and are integral to the operations and services provided by other critical infrastructure Sectors. The IT Sector is comprised of small and medium businesses, as well as large multinational companies. Unlike many critical infrastructure Sectors composed of finite and easily identifiable physical assets, the IT Sector is a functions-based Sector that comprises not only physical assets but also virtual systems and networks that enable key capabilities and services in both the public and private sectors.

Essential Workforce – Communications, if remote working is not practical:

1. Maintenance of communications infrastructure- including privately owned and maintained communication systems- supported by technicians, operators, call-centers, wireline and wireless providers, cable service providers, satellite operations, Internet Exchange Points, Network Access Points, back haul and front haul facilities, and manufacturers and distributors of communications equipment.
2. Workers performing functions related to undersea cable infrastructure and support facilities, including cable landing sites, beach manhole vaults and covers, submarine cable depots, and submarine cable ship facilities
3. Government and private sector employees supporting Department of Defense internet and communications facilities.
4. Workers who support radio, television, and media service, including, but not limited to front line news reporters, studio, and technicians for newsgathering, reporting, and publishing news.
5. Network Operations staff, engineers and/or technicians to include IT managers and staff, HVAC & electrical engineers, security personnel, software and hardware engineers, and database administrators that manage the network or operate facilities
6. Workers responsible for infrastructure construction and restoration, including contractors for construction and engineering of fiber optic cables, buried conduit, small cells, other wireless facilities, and other communications sector-related infrastructure. This includes construction of

new facilities and deployment of new technology required to address congestion or customer usage on remote services.

7. Installation, maintenance and repair technicians that establish, support or repair service as needed.
8. Central office personnel to maintain and operate central office, data centers, and other network office facilities, and critical support personnel assisting front line employees
9. Customer service and support staff, including managed and professional services as well as remote providers of support to transitioning employees to set up and maintain home offices, who interface with customers to manage or support service environments and security issues, including payroll, billing, fraud, logistics and troubleshooting
10. Workers providing electronic security, fire, monitoring, and life safety services, and who ensure physical security, cleanliness, and the safety of facilities and personnel, including those who provide temporary licensing waivers for security personnel to work in other States or Municipalities.
11. Dispatchers involved with service repair and restoration
12. Retail customer service personnel at critical service center locations for onboarding customers, distributing and repairing equipment and other supply chain personnel, to support individuals' remote emergency communications needs;
13. External Affairs personnel to assist in coordinating with local, state, and federal officials to address communications needs supporting COVID-19 response, public safety, and national security.
14. Workers responsible for ensuring that persons with disabilities have access to and the benefits of various communications platforms, including those involved in the provision of telecommunication relay services, closed captioning of broadcast television for the deaf, video relay services for deaf citizens who prefer communication via American Sign Language over text, and audio-description for television programming.

Essential Workforce - Information Technology, if remote working is not practical:

15. Workers who support command centers, including, but not limited to Network Operations Command Centers, Broadcast Operations Control Center and Security Operations Command Centers
16. Data center operators, including system administrators, HVAC & electrical engineers, security personnel, IT managers and purchasers, data transfer solutions engineers, software and hardware engineers, and database administrators
17. Workers who support client service centers, field engineers, and other workers supporting critical infrastructure, as well as manufacturers and supply chain vendors that provide hardware and software, support services, research and development, information technology equipment (to include microelectronics and semiconductors), and HVAC and electrical equipment for critical infrastructure and test labs and certification agencies that qualify such equipment for critical infrastructure.
18. Workers needed to pre-empt and respond to cyber incidents involving critical infrastructure,, and entities supporting the functioning of critical infrastructure sectors
19. Suppliers, designers, transporters and other workers supporting the manufacture, distribution, and construction of essential global, national and local infrastructure for computing services (including cloud computing services and teleworking capabilities), business infrastructure, financial transactions, web-based services, and critical manufacturing

20. Workers supporting communications systems, information technology, and work from home solutions
21. Employees required to support Software as a Service businesses that enable remote working, performance of business operations, distance learning, media services, and digital health offerings, or required for technical support crucial for business continuity and connectivity.

8. GOVERNMENT OPERATIONS AND OTHER COMMUNITY-BASED ESSENTIAL FUNCTIONS

Essential Workforce, if remote working is not practical.

1. Critical government workers, as defined by the employer and consistent with Continuity of Operations Plans and Continuity of Government plans.
2. County workers responsible for determining eligibility for safety net benefits
3. The Courts, consistent with guidance released by the California Chief Justice
4. Workers who support administration and delivery of unemployment insurance programs, income maintenance, employment service, disaster assistance, workers' compensation insurance and benefits programs, and pandemic assistance
5. Workers to ensure continuity of building functions, including but not limited to security and environmental controls, the manufacturing and distribution of the products required for these functions, and the permits and inspection for construction.
6. Elections personnel
7. Federal, State, and Local, Tribal, and Territorial employees who support Mission Essential Functions and communications networks
8. Trade Officials (FTA negotiators; international data flow administrators)
9. Weather forecasters
10. Workers that maintain digital systems infrastructure supporting other critical government operations
11. Workers who support necessary credentialing, vetting and licensing operations for critical sector workers and operations.
12. Workers who are critical to facilitating trade in support of the national, state, and local emergency response supply chain
13. Workers supporting public and private childcare establishments, pre-K establishments, K-12 schools, colleges, and universities for purposes of distance learning, provision of school meals, or care and supervision of minors to support essential workforce across all sectors
14. Staff at government offices who perform title search, notary, and recoding services in support of mortgage and real estate services and transactions;
15. Workers and instructors supporting academies and training facilities and courses for the purpose of graduating students and cadets that comprise the essential workforce for all identified critical sectors
16. Clergy for essential support and faith-based services that are provided through streaming or other technologies that support physical distancing and state public health guidelines.
17. Human services providers, especially for at risk populations, including home delivered meal providers for older adults, people with disabilities, and others with chronic health conditions; home-maker services for frail, homebound, older adults; personal assistance services providers to support activities of daily living for older adults, people with disabilities, and others with chronic health conditions who live independently in the community with supports and services; home health providers who deliver health care services for older adults, people with disabilities, and others with chronic health conditions who live independently in the community with supports and services.
18. Government entities, and contractors that work in support of local, state, and federal public health and medical mission sets, including but not limited to supporting access to healthcare and associated payment functions, conducting public health functions, providing medical care,

supporting emergency management, or other services necessary for supporting the COVID-19 response.

9. CRITICAL MANUFACTURING

Sector Profile

The Critical Manufacturing Sector identifies several industries to serve as the core of the sector: Primary Metals Manufacturing, Machinery Manufacturing, Electrical Equipment, Appliance, and Component Manufacturing, Transportation Equipment Manufacturing Products made by these manufacturing industries are essential to many other critical infrastructure sectors.

Essential Workforce, if remote working is not practical

1. Workers necessary for the manufacturing of metals, industrial minerals, semiconductors, materials and products needed for supply chains of the critical infrastructure sectors.
2. Workers necessary for the manufacturing of materials and products needed to manufacture medical equipment and personal protective equipment
3. Workers necessary for mining and production of critical minerals, materials and associated essential supply chains, and workers engaged in the manufacture and maintenance of equipment and other infrastructure necessary for mining production and distribution.
4. Workers who produce or manufacture parts or equipment that supports continued operations for any essential services and increase in remote workforce, including computing and communication devices, semiconductors, and equipment such as security tools for Security Operations Centers (SOCs) or data centers.
5. Workers manufacturing or providing parts and equipment that enable the maintenance and continued operation of essential businesses and facilities.

10. FINANCIAL SERVICES

Sector Profile

The Financial Services Sector includes thousands of depository institutions, providers of investment products, insurance companies, other credit and financing organizations, and the providers of the critical financial utilities and services that support these functions. Financial institutions vary widely in size and presence, ranging from some of the world's largest global companies with thousands of employees and many billions of dollars in assets, to community banks and credit unions with a small number of employees serving individual communities. Whether an individual savings account, financial derivatives, credit extended to a large organization, or investments made to a foreign country, these products allow customers to: Deposit funds and make payments to other parties; Provide credit and liquidity to customers; Invest funds for both long and short periods; Transfer financial risks between customers.

Essential Workforce, if remote working is not practical:

1. Workers who are needed to process and maintain systems for processing financial transactions and services, including payment, clearing, and settlement; wholesale funding; insurance services; and capital markets activities
2. Workers who are needed to maintain orderly market operations to ensure the continuity of financial transactions and services.
3. Workers who are needed to provide business, commercial, and consumer access to banking and non-bank financial and lending services, including ATMs, lending money transmission, and to move currency, checks, securities, and payments
4. Workers who support financial operations, such as those staffing call, data and security operations centers, managing physical security, or providing accounting services.
5. Workers supporting production and distribution of debit and credit cards.
6. Workers providing electronic point of sale support personnel for essential businesses and workers.

11. CHEMICAL & HAZARDOUS MATERIALS

Sector Profile

The Chemical Sector—composed of a complex, global supply chain—converts various raw materials into diverse products that are essential to modern life. Based on the product produced, the sector can be divided into five main segments, each of which has distinct characteristics, growth dynamics, markets, new developments, and issues: Basic chemicals; Specialty chemicals; Agricultural chemicals; Pharmaceuticals; Consumer products.

Essential Workforce, if remote working is not practical:

1. Workers supporting the chemical and industrial gas supply chains, including workers at chemical manufacturing plants, workers in laboratories, workers at distribution facilities, workers who transport basic raw chemical materials to the producers of industrial and consumer goods, including hand sanitizers, food and food additives, pharmaceuticals, textiles, building materials, plumbing, electrical and paper products.
2. Workers supporting the safe transportation of chemicals, including those supporting tank truck cleaning facilities and workers who manufacture packaging items
3. Workers supporting the production of protective cleaning and medical solutions, personal protective equipment, disinfectants, and packaging that prevents the contamination of food, water, medicine, among others essential products
4. Workers supporting the operation and maintenance of facilities (particularly those with high risk chemicals and/ or sites that cannot be shut down) whose work cannot be done remotely and requires the presence of highly trained personnel to ensure safe operations, including plant contract workers who provide inspections
5. Workers who support the production and transportation of chlorine and alkali manufacturing, single-use plastics, and packaging that prevents the contamination or supports the continued manufacture of food, water, medicine, and other essential products, including glass container manufacturing
6. Workers at nuclear facilities, workers managing medical waste, workers managing waste from pharmaceuticals and medical material production, and workers at laboratories processing test kits
7. Workers who support hazardous materials response and cleanup
8. Workers who maintain digital systems infrastructure supporting hazardous materials management operations
9. Workers who support the removal, storage, and disposal of residential and commercial solid waste and hazardous waste, including landfill and recycling operations.

12. DEFENSE INDUSTRIAL BASE

Sector Profile

The Defense Industrial Base Sector is the worldwide industrial complex that enables research and development, as well as design, production, delivery, and maintenance of military weapons systems, subsystems, and components or parts, to meet U.S. military requirements. The Defense Industrial Base partnership consists of Department of Defense components, Defense Industrial Base companies and their subcontractors who perform under contract to the Department of Defense, companies providing incidental materials and services to the Department of Defense, and government-owned/contractor-operated and government-owned/government-operated facilities. Defense Industrial Base companies include domestic and foreign entities, with production assets located in many countries. The sector provides products and services that are essential to mobilize, deploy, and sustain military operations.

Essential Workforce, if remote working is not practical:

1. Workers who support the essential services required to meet national security commitments to the federal government and U.S. Military, including, but are not limited to, space and aerospace workers, nuclear matters workers, mechanical and software engineers (various disciplines), manufacturing and production workers, IT support, security staff, security personnel, intelligence support, aircraft and weapon system mechanics and maintainers, and sanitary workers who maintain the hygienic viability of necessary facilities.
2. Personnel working for companies, and their subcontractors, who perform under contract or sub-contract to the Department of Defense (DoD) and the Department of Energy (DoE) (on nuclear matters), as well as personnel at government-owned/contractor operated facilities, and who provide materials and services to the DoD and DoE (on nuclear matters), including support for weapon systems, software systems and cybersecurity, defense and intelligence communications, surveillance, sale of U.S. defense articles and services for export to foreign allies and partners (as authorized by the U.S. government), and space systems and other activities in support of our military, intelligence, and space forces.

13. INDUSTRIAL, COMMERCIAL, RESIDENTIAL, and SHELTERING FACILITIES AND SERVICES

Essential Workforce, if remote working is not practical:

1. Construction Workers who support the construction, operation, inspection, and maintenance of construction sites and construction projects (including housing, commercial, and mixed-use construction); and workers who support the supply chain of building materials from production through application/installation, including cabinetry, fixtures, doors, cement, hardware, plumbing, electrical, heating/cooling, refrigeration, appliances, paint/coatings, and employees who provide services that enable repair materials and equipment for essential functions.
2. Workers such as plumbers, electricians, exterminators, and other service providers who provide services that are necessary to maintaining the safety, sanitation, construction material sources, and essential operation of construction sites and construction projects (including those that support such projects to ensure the availability of needed facilities, transportation, energy and communications; and support to ensure the effective removal, storage, recycling and disposal of solid waste and hazardous waste)
3. Workers such as plumbers, electricians, exterminators, and other service providers who provide services that are necessary to maintaining the safety, sanitation, and essential operation of residences, businesses, and buildings such as hospitals and senior living facilities, including any facility supporting COVID-19 response.
4. Workers who support the supply chain of building materials from production through application and installation, including cabinetry, fixtures, doors, cement, hardware, plumbing (including parts and services), electrical, heating and cooling, refrigeration, appliances, paint and coatings, and workers who provide services that enable repair materials and equipment for essential functions.
5. Workers in hardware and building materials stores, consumer electronics, technology and appliances retail, and related merchant retailers, wholesalers and distributors that support essential workforce functions where sales and operations cannot be conducted online
6. Warehouse operators, including vendors and support personnel critical for business continuity (including heating, ventilation, and air conditioning (HVAC) and electrical engineers, security personnel, and janitorial staff), e-commerce or online commerce, and customer service for essential functions.
7. Workers supporting the operations of commercial buildings that are critical to safety, security, and the continuance of essential activities, such as on-site property managers, building engineers, security staff, fire safety directors, janitorial personnel, and service technicians (e.g., mechanical, HVAC, plumbers, electricians, and elevator).
8. Workers supporting ecommerce through distribution, warehouse, call center facilities, and other essential operational support functions, that accept, store, and process goods, and that facilitate their transportation and delivery
9. Workers distributing, servicing, repairing, installing residential and commercial HVAC systems, boilers, furnaces and other heating, cooling, refrigeration, and ventilation equipment.
10. Workers managing or servicing hotels or other commercial and residential buildings that are used for COVID-19 mitigation and containment measures, treatment measures, provide accommodation for essential workers, or providing housing solutions, including measures to protect homeless populations.

11. Workers responsible for the leasing of residential and commercial properties to provide individuals and families with ready access to available housing.
12. Residential and commercial real estate workers, limited to scheduled property viewings to a potential buying party. This does not extend to open-house viewings, nor viewings with more than one buying party at a time.
13. Professional services, such as legal or accounting services, when necessary to assist in compliance with legally mandated activities and critical sector services
14. Workers responsible for handling property management, maintenance, and related service calls who can coordinate the response to emergency “at-home” situations requiring immediate attention, as well as facilitate the reception of deliveries, mail, and other necessary services.
15. Workers supporting the entertainment industries, studios, and other related establishments, provided they follow covid-19 public health guidance around physical distancing.
16. Workers that provide or determine eligibility for food, shelter, in-home supportive services, child welfare, adult protective services and social services, and other necessities of life for economically disadvantaged or otherwise needy individuals (including family members)
17. Workers performing services in support of the elderly and disabled populations who coordinate a variety of services, including health care appointments and activities of daily living.
18. Workers who provide support to vulnerable populations to ensure their health and well-being including family care providers.
19. Workers providing dependent care services, particularly those whose services ensure essential workers can continue to work.
20. Workers who support food, shelter, and social services, and other necessities of life for economically disadvantaged or otherwise needy individuals, such as those residing in shelters.
21. Workers in laundromats, laundry services, and dry cleaners.
22. Workers providing disinfection services, for all essential facilities in essential sectors
23. Workers necessary for the installation, maintenance, distribution, and manufacturing of water and space heating equipment and its components.
24. Support required for continuity of services, including commercial disinfectant services, janitorial/cleaning personnel, and support personnel functions that need freedom of movement to access facilities in support of front-line employees.

**EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA**

EXECUTIVE ORDER N-37-20

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS in a short period of time, COVID-19 has rapidly spread throughout California, necessitating stringent public health emergency orders as well as guidance from federal, state, and local public health officials; and

WHEREAS on March 16, 2020, I issued Executive Order N-28-20, suspending state law limitations on local jurisdictions that impose restrictions on evictions; and

WHEREAS on March 19, 2020, I issued Executive Order N-33-20, ordering all residents to immediately heed the Order of the State Public Health Officer for all residents, unless exempted, to stay home or at their place of residence; and

WHEREAS many Californians are experiencing or will experience substantial losses of income as a result of business closures, the loss of hours or wages, or layoffs related to COVID-19, hindering their ability to keep up with their rent, and leaving them vulnerable to eviction; and

WHEREAS minimizing evictions during this period is critical to reducing the spread of COVID-19 in vulnerable populations by allowing all residents to stay home or at their place of residence in compliance with Executive Order N-33-20; and

WHEREAS Chief Justice Tani Cantil-Sakauye issued advisory guidance on March 20, 2020 for superior courts to suspend most civil trials and hearings for at least 60 days, and on March 23, 2020, suspended all jury trials for a period of 60 days, and extended by 60 days the time period for the holding of a civil trial; and

WHEREAS on March 25, 2020 the Department of Business Oversight secured support from national banks, state banks and credit unions for temporary delays in mortgage payments and foreclosure sales and evictions for homeowners who have economic impacts from COVID-19 with the objective of maximizing consistency and minimizing hurdles potentially faced by borrowers.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567 and 8571, do hereby issue the following Order to become effective immediately:

IT IS HEREBY ORDERED THAT:

- 1) The deadline specified in Code of Civil Procedure section 1167 shall be extended for a period of 60 days for any tenant who is served, while

this Order is in effect, with a complaint that seeks to evict the tenant from a residence or dwelling unit for nonpayment of rent and who satisfies all of the following requirements:

- a. Prior to the date of this Order, the tenant paid rent due to the landlord pursuant to an agreement.
 - b. The tenant notifies the landlord in writing before the rent is due, or within a reasonable period of time afterwards not to exceed 7 days, that the tenant needs to delay all or some payment of rent because of an inability to pay the full amount due to reasons related to COVID-19, including but not limited to the following:
 - (i) The tenant was unavailable to work because the tenant was sick with a suspected or confirmed case of COVID-19 or caring for a household or family member who was sick with a suspected or confirmed case of COVID-19;
 - (ii) The tenant experienced a lay-off, loss of hours, or other income reduction resulting from COVID-19, the state of emergency, or related government response; or
 - (iii) The tenant needed to miss work to care for a child whose school was closed in response to COVID-19.
 - c. The tenant retains verifiable documentation, such as termination notices, payroll checks, pay stubs, bank statements, medical bills, or signed letters or statements from an employer or supervisor explaining the tenant's changed financial circumstances, to support the tenant's assertion of an inability to pay. This documentation may be provided to the landlord no later than the time upon payment of back-due rent.
- 2) No writ may be enforced while this Order is in effect to evict a tenant from a residence or dwelling unit for nonpayment of rent who satisfies the requirements of subparagraphs (a)-(c) of paragraph 1.
- 3) The protections in paragraphs 1 and 2 shall be in effect through May 31, 2020.

Nothing in this Order shall prevent a tenant who is able to pay all or some of the rent due from paying that rent in a timely manner or relieve a tenant of liability for unpaid rent.

Nothing in this Order shall in any way restrict state or local governmental authority to order any quarantine, isolation, or other public health measure that may compel an individual to remain physically present in a particular residential property.

IT IS FURTHER ORDERED that this Order supersedes Executive Order N-28-20 to the extent that there is any conflict with that Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

I FURTHER DIRECT that as soon as hereafter possible, this proclamation be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 27th day of March 2020.

**EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA**

EXECUTIVE ORDER N-39-20

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS despite sustained efforts, COVID-19 continues to spread at a rapid rate, threatening to overwhelm California's healthcare delivery system; and

WHEREAS California is preparing for a surge in the number of people who will need hospital care during the COVID-19 outbreak by increasing the number of hospital beds and post-acute care facilities that can treat and serve patients; and

WHEREAS this anticipated increase in the use of the healthcare system will require an increase in the health care workforce such as nurses, doctors, medical assistants, and emergency medical technicians; and

WHEREAS maximizing the number of qualified and capable medical and healthcare workers in service in California is imperative to ensure that Californians impacted by COVID-19 can access medical treatment; and

WHEREAS, the anticipated surge requires temporary adjustment of California's staffing and health and safety standards for health providers and health facilities, which are among the strongest in the nation, as numerous professionals are unable to satisfy professional licensing requirements in light of the COVID-19 pandemic that then subsequently prevent them from providing necessary medical and healthcare assistance to the public; and

WHEREAS, our most vulnerable residents who rely on state and local government for social services need additional support during this time; and

WHEREAS the Department of Developmental Services operates Stabilization, Training, Assistance and Reintegration (STAR) community crisis homes to treat individuals with developmental disabilities in acute crisis and additional STAR homes are required to provide treatment to such individuals and to protect the public health during the COVID-19 crisis; and

WHEREAS federal guidance permits monthly caseworker visits with children under court jurisdiction to be accomplished through videoconferencing in limited circumstances, such as a declaration of an emergency that prohibits or strongly discourages face-to-face contact for public health reasons; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this order would prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567 and 8571, do hereby issue the following Order to become effective immediately:

IT IS HEREBY ORDERED THAT:

- 1) To assist in the care and/or to protect the health of individuals in hospitals and other health facilities, and due to the COVID-19 outbreak, the director of the State Department of Public Health may, to the extent necessary and only for the duration of the declared emergency, waive any of the licensing and staffing requirements of chapters 2 and 2.4 of division 2 of the Health and Safety Code and any accompanying regulations with respect to any hospital or health facility identified in Health and Safety Code section 1250. Any waiver shall include alternative measures that, under the circumstances, will allow the facilities to treat patients while protecting public health and safety. To the extent the facility maintains a disaster and mass casualty plan, the facility granted a waiver shall be established and operate in accordance with that plan. Any waivers granted pursuant to this paragraph shall be posted on the Department's website.
- 2) To facilitate the continued provision of care due to the COVID-19 outbreak, the director of the State Department of Public Health may, to the extent necessary and only for the duration of the declared emergency, waive any of the professional licensing and certification requirements and amend scopes of practice of chapters 2, 2.35, and 8 of division 2 of the Health and Safety Code and any accompanying regulations with respect to certified nursing assistants, home health aides, and nursing home administrators, and chapter 3, division 2 of the Business and Professions Code and accompanying regulations with respect to certified hemodialysis technicians. The Department shall provide guidance to facilities directing the appropriate qualifications and scope of practice for each classification operating under a waiver based on sound clinical guidelines and the individual's training, education, and work experience. Any waiver shall include alternative measures that, under the circumstances, will allow the facilities to treat patients while protecting public health and safety. Any waivers granted pursuant to this paragraph shall be posted on the Department's website.
- 3) The certification and permitting requirements of the Radiologic Technology Act (as identified in Health and Safety Code section 27) are, only for the duration of the declared emergency, suspended for all persons:
 - (i) whose certificate or permit issued pursuant to the Radiological Technology Act is expired, regardless of expiration date, or has been canceled; or
 - (ii) who hold Radiography certification issued by the American Registry of Radiologic Technologists or are an American Registry of Radiologic Technologists Registered Radiologist Assistant; or
 - (iii) who are credentialed as Radiology Practitioner Assistants by the Certification Board for Radiology Practitioner Assistants; or

- (iv) who are certified, permitted or otherwise authorized to perform radiologic technology by passing a State-required examination by a state other than the State of California; and
- (v) who are working under the supervision of a person licensed under the Medical Practice Act, except that the requirement to be under supervision shall not apply to a licentiate of the healing arts, as defined in the Radiological Technology Act; and
- (vi) who are deemed by a health facility as necessary workforce for purposes of this Order.

The specific certification requirements of Health and Safety Code section 107110 are suspended for any person who is licensed under the Medical Practice Act (Business and Professions Code sections 2000, et seq.). Except for persons licensed under the Medical Practice Act, this suspension of certification and permitting requirements shall not apply to persons who have never been either certified or permitted by the Department of Public Health, or certified, permitted, or otherwise authorized by the American Registry of Radiologic Technologists, the Certification Board for Radiology Practitioner Assistants, or any other state. This suspension of certification and permitting requirements shall also not apply to persons whose certificate, permit, or other authorization has been revoked or suspended for cause by the Department of Public Health, the American Registry of Radiologic Technologists, the Certification Board for Radiology Practitioner Assistants, or any other state.

- 4) To ensure hospitals are adequately prepared and staffed to treat COVID-19 patients, the Director of the State Department of Public Health may temporarily waive licensing requirements in Health and Safety Code section 1277 and sections 70203(a)(2), 70701(a)(1)(E), 70703(b), and 70705(a) of Chapter 1, Article 3, of Title 22, that pertain to the credentialing and privileging of physicians. Any waiver shall include alternate measures that, under the circumstances, ensure the competency of physicians providing medical services at the hospital.
- 5) To facilitate the continued provision of care to individuals affected by the COVID-19 outbreak, the Director of the Department of Consumer Affairs may to the extent necessary and only for the duration of the declared emergency, waive any of the professional licensing requirements and amend scopes of practice in Division 2 of the Business and Professions Code, and any accompanying regulations. Professional licensing requirements should be interpreted broadly to effectuate the purposes of this executive order, and they include, but are not limited to, the examination, education, experience, and training requirements necessary to obtain and maintain licensure, and requirements governing the practice and permissible activities for licensees. The Department, in conjunction with the relevant licensing board, shall provide guidance identifying the appropriate qualifications and scope of practice for each classification operating under a waiver based on sound clinical guidelines and the individual's training, education, and work experience. Any waiver may include alternative measures that, under the circumstances, will allow the regulated individual to treat patients while protecting public health

and safety. Any waivers granted pursuant to this paragraph shall be posted on the Department's website.

- 6) To ensure the continued operation of the Emergency Medical Services (EMS) system without unduly endangering the people of California during the COVID-19 outbreak, the Director of the California Emergency Medical Services Authority may as necessary and only for the duration of the declared emergency, suspend any licensing, certification, or training requirements for EMS personnel as contained in the EMS Act Chapters 2, 3, and 4, and accompanying regulations, including the authority to permit EMS personnel to provide services in any setting as authorized by the Director for the performance of the current scope of practice. The Authority shall provide guidance to local emergency medical services authorities directing the appropriate qualifications and scope of practice for each classification operating under a waiver based on sound clinical guidelines and the individual's training, education, and work experience. Any waivers granted pursuant to this paragraph shall be posted on the Authority's website.
- 7) Notwithstanding the Government Code section 14669, or any other law, the Director of the Department of Developmental Services has the authority to enter into a lease, lease-purchase, lease with option to purchase any real or personal property or any other agreement to procure residences or facilities and necessary equipment, goods or services to serve those individuals with development disabilities in crisis, to respond to, mitigate the effects or prevent the spread of COVID-19 to individuals with developmental disabilities or the general community. The leases or agreements may be executed without the review or prior approval of any other state department or agency. The leases or agreements executed pursuant to this provision shall be in effect so long as necessary to address the COVID-19 crisis or its effects.
- 8) The Department of Social Services may, to the extent the Department deems necessary to respond to the COVID-19 crisis, allow any state monthly face-to-face caseworker visitation requirement, standard, or criteria set forth in the Welfare and Institutions Code sections 16501.1, subdivision (l), 16516.5, and 16516.6, as well as accompanying regulations or other written directives, policies or procedures, to be accomplished through videoconferencing, instead of in-person contact. This flexibility shall only be utilized by caseworkers in keeping with guidance from the Department and after a child-specific decision based on the training and experience of the social worker, considering all available information, that an in-person visit is not necessary to ensure the child's safety and well-being. Any flexibility granted pursuant to this paragraph shall not waive or conflict with applicable federal requirements in United States Code, Title 42, sections 622, subdivision (b)(17) and 624, subdivision (f), as modified for emergency waivers in guidance issued March 18, 2020, in the Child Welfare Policy Manual Title IV-B, section 7.3, question 8 and shall expire at the end of the emergency declaration, in 90 days, or sooner as determined by the Department. Any flexibility granted pursuant to this paragraph shall be posted to the Department's website.

IT IS FURTHER ORDERED that as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 30th day of March 2020.

A large, stylized handwritten signature in dark ink, likely belonging to Gavin Newsom, is written over a horizontal line. The signature is composed of several sharp, sweeping strokes.

EXECUTIVE ORDER N-42-20

WHEREAS on March 4, 2020, I proclaimed a state of emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS it is the established policy of the State under Water Code section 106.3 that every human being has the right to safe, clean, affordable, and accessible water adequate for human consumption, cooking, and sanitary purposes; and

WHEREAS to limit the spread of COVID-19 it is crucial that Californians wash their hands regularly and thoroughly; and

WHEREAS many Californians are experiencing or will experience substantial losses of income as a result of business closures, the loss of work hours or wages, or layoffs related to COVID-19, which may hinder their ability to make payments for water service and subject them to water shutoffs due to non-payment; and

WHEREAS many small businesses that provide services essential to the health and well-being of Californians have experienced substantial reductions in income, which may hinder their ability to make payments for water service and subject them to water shutoffs due to non-payment; and

WHEREAS the California Public Utilities Commission has directed private water utilities under its jurisdiction to implement customer service protections, including a moratorium on service disconnections, during the COVID-19 emergency; and

WHEREAS more than 100 public and private water systems have voluntarily agreed to halt disconnections as well; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with the various statutes and regulations concerning water shutoffs specified in this order would prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and the statutes of the State of California, and in particular, Government Code sections 8567, 8570, 8571, and 8627, do hereby issue the following order to become effective immediately:

IT IS HEREBY ORDERED THAT:

- 1) The authority of urban and community water systems, as defined in Health and Safety Code section 116902, subdivision (d), to discontinue residential service, as defined in Health and Safety Code section 116902, subdivision (c), for non-payment under Health and Safety Code sections 116908 and 116910, is suspended.
- 2) Water systems not subject to the requirements of Health and Safety Code sections 116908 and 116910 shall not discontinue residential

service, as defined in Health and Safety Code section 116902, subdivision (c), for non-payment.

- 3) Water systems shall restore any residential service to occupied residences that has been discontinued for nonpayment since March 4, 2020.
- 4) Water systems shall not discontinue service to any business in the critical infrastructure sectors designated by the State Public Health Officer as critical to protect the health and well-being of all Californians that qualifies as a small business under 13 C.F.R. § 121.201 of the Small Business Administration's regulations.
- 5) The State Water Resources Control Board shall identify best practices, guidelines, or both to be implemented during the COVID-19 emergency (i) to address non-payment or reduced payments, (ii) to promote and to ensure continuity of service by water systems and wastewater systems, and (iii) to provide measures such as the sharing of supplies, equipment and staffing to relieve water systems under financial distress.

Nothing in this Order eliminates the obligation of water customers to pay for water service, prevents a water system from charging a customer for such service, or reduces the amount a customer already may owe to a water system.

Nothing in this Order modifies the obligations of urban and community waters systems to comply with provisions of the Water Shutoff Protection Act not specifically addressed by this Order or other applicable laws, regulations, and guidelines.

IT IS FURTHER ORDERED that as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 2nd day of April 2020.

Update on California's Pandemic Roadmap

6 Indicators for Modifying Stay-at-Home Order

- Ability to test, contact trace, isolate, and support the exposed
- Ability to protect those at high risk for COVID-19
- Surge capacity for hospital and health systems
- Therapeutic development to meet the demand
- Ability of businesses, schools, and childcare facilities to support physical distancing
- Determination of when to reinstitute measures like Stay-At-Home

California Hospitalization Trend Lines

Total includes both COVID-19 confirmed positive hospitalizations as well as COVID-19 suspect hospitalizations.

The Basics

COVID-19 is not going away soon.

Modifications to Stay-At-Home Order must be guided by health risk and a commitment to equity.

Taking responsibility is key at all levels – individual, business, and government.

Resilience Roadmap Stages

STAGE 1: Safety and Preparedness

Making essential workforce environment as safe as possible.

STAGE 2: Lower Risk Workplaces

Creating opportunities for lower risk sectors to adapt and re-open.

Modified school programs and childcare re-open.

STAGE 3: Higher Risk Workplaces

Creating opportunities for higher risk sectors to adapt and re-open.

STAGE 4: End of Stay-At-Home Order

Return to expanded workforce in highest risk workplaces.

Requires
Therapeutics.

Stage 1: Safety and Preparedness

This is where we are now.

- **Continue to build out testing, contact tracing, PPE, and hospital surge capacity.**
- **Continue to make essential workplaces as safe as possible.**
 - Physical and work flow adaption
 - Essential workforce safety net
 - Make PPE more widely available
 - Individual behavior changes
- **Prepare sector-by-sector safety guidelines for expanded workforce.**

Stage 2: Lower Risk Workplaces

Gradually opening some lower risk workplaces with ADAPTATIONS:

- Retail (e.g. curbside pickup)
- Manufacturing
- Offices (when telework not possible)
- Opening more public spaces

Expanded Workforce Safety Net:

- Wage replacement so workers can stay home when sick

Stage 2: Lower Risk Workplaces

Schools and Childcare Facilities with Adaptations:

- Summer programs and next school year potentially starting sooner (July/August)
- Childcare facilities to provide more care
- Address learning gaps
- Ensure students and staff are protected
- Allow broader workforce to return to work

Actions needed to get from Stage 1 to Stage 2

Government Actions

- Policies that allow people to stay home when they're sick
- Guidance provided on how to reduce risk

Business Actions

- Wage replacement so workers can stay home when sick
- Implement adaptations to lower-risk workplaces NOW
- Employees continue to work from home when possible

Individual Actions

- Safety precautions – physical distancing, face coverings, etc.
- Avoid all non-essential travel
- Support and care for people who are at high risk

When are we ready for Stage 2?

Key indicator considerations to move to Stage 2:

- Hospitalization and ICU trends stable.
- Hospital surge capacity to meet demand.
- Sufficient PPE supply to meet demand.
- Sufficient testing capacity to meet demand.
- Contact tracing capacity statewide.

Transition to Stage 2 will occur through a statewide modification to the Stay-At-Home Order.

Opportunity for Regional Variations

During Stage 2, counties may choose to relax stricter local orders at their own pace.

Following Stage 2, once a statewide COVID-19 surveillance system is made possible through testing, further regional variations could be supported.

State will consult and collaborate closely with local governments.

Stage 3: Higher Risk Workplaces

Open higher risk environments with adaptations and limits on size of gatherings:

- Personal care (hair and nail salons, gyms)
- Entertainment venues (movie theaters, sports without live audiences)
- In-person religious services (churches, weddings)

Stage 4: End of Stay-At-Home Order

Re-open highest risk workplaces with all indicators satisfied once therapeutics have been developed:

- Concerts
- Convention Centers
- Live audience sports

Be Part of the Solution

Stay Home. Practice Physical Distancing.

We are enlisting all Californians to help inform the development of guidance for sectors across our economy.

This guidance will provide a framework for how to safely re-open.

EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA

EXECUTIVE ORDER N-60-20

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS on March 19, 2020, I issued Executive Order N-33-20, which directed all California residents to immediately heed current State public health directives; and

WHEREAS State public health directives, available at <https://covid19.ca.gov/stay-home-except-for-essential-needs/>, have ordered all California residents stay home except for essential needs, as defined in State public health directives; and

WHEREAS COVID-19 continues to menace public health throughout California; and

WHEREAS the extent to which COVID-19 menaces public health throughout California is expected to continue to evolve, and may vary from place to place within the State; and

WHEREAS California law promotes the preservation of public health by providing for local health officers—appointed by county boards of supervisors and other local authorities—in addition to providing for statewide authority by a State Public Health Officer; and

WHEREAS these local health officers, working in consultation with county boards of supervisors and other local authorities, are well positioned to understand the local needs of their communities; and

WHEREAS local governments are encouraged to coordinate with federally recognized California tribes located within or immediately adjacent to the external geographical boundaries of such local government jurisdiction; and

WHEREAS the global COVID-19 pandemic threatens the entire State, and coordination between state and local public health officials is therefore, and will continue to be, necessary to curb the spread of COVID-19 throughout the State; and

WHEREAS State public health officials have worked, and will continue to work, in consultation with their federal, state, and tribal government partners; and

WHEREAS the State Public Health Officer has articulated a four-stage framework—which includes provisions for the reopening of lower-risk businesses and spaces (“Stage Two”), to be followed by the reopening of higher-risk businesses and spaces (“Stage Three”)—to allow Californians to gradually resume various activities while continuing to preserve public health in the face of COVID-19; and

WHEREAS the threat posed by COVID-19 is dynamic and ever-changing, and the State's response to COVID-19 (including implementation of the four-stage framework) should likewise retain the ability to be dynamic and flexible; and

WHEREAS to preserve this flexibility, and under the provisions of Government Code section 8571, I find that strict compliance with the Administrative Procedure Act, Government Code section 11340 et seq., would prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567, 8571, 8627, and 8665; and also in accordance with the authority vested in the State Public Health Officer by the laws of the State of California, including but not limited to Health and Safety Code sections 120125, 120130, 120135, 120140, 120145, 120150, 120175, and 131080; do hereby issue the following Order to become effective immediately:

IT IS HEREBY ORDERED THAT:

- 1) All residents are directed to continue to obey State public health directives, as made available at <https://covid19.ca.gov/stay-home-except-for-essential-needs/> and elsewhere as the State Public Health Officer may provide.
- 2) As the State moves to allow reopening of lower-risk businesses and spaces ("Stage Two"), and then to allow reopening of higher-risk businesses and spaces ("Stage Three"), the State Public Health Officer is directed to establish criteria and procedures—as set forth in this Paragraph 2—to determine whether and how particular local jurisdictions may implement public health measures that depart from the statewide directives of the State Public Health Officer.

In particular, the State Public Health Officer is directed to establish criteria to determine whether and how, in light of the extent to which the public health is menaced by COVID-19 from place to place within the State, local health officers may (during the relevant stages of reopening) issue directives to establish and implement public health measures less restrictive than any public health measures implemented on a statewide basis pursuant to the statewide directives of the State Public Health Officer.

The State Public Health Officer is further directed to establish procedures through which local health officers may (during the relevant stages of reopening) certify that, if their respective jurisdictions are subject to proposed public health measures (which they shall specify to the extent such specification may be required by the State Public Health Officer) that are less restrictive than public health measures implemented on a statewide basis pursuant to the statewide directives of the State Public Health Officer, the public health will not be menaced. The State Public Health Officer shall additionally establish procedures to permit, in a manner consistent with public health and

safety, local health officers who submit such certifications to establish and implement such less restrictive public health measures within their respective jurisdictions.

The State Public Health Officer may, from time to time and as she deems necessary to respond to the dynamic threat posed by COVID-19, revise the criteria and procedures set forth in this Paragraph 2. Nothing related to the establishment or implementation of such criteria or procedures, or any other aspect of this Order, shall be subject to the Administrative Procedure Act, Government Code section 11340 et seq. Nothing in this Paragraph 2 shall limit the authority of the State Public Health Officer to take any action she deems necessary to protect public health in the face of the threat posed by COVID-19, including (but not limited to) any necessary revision to the four-stage framework previously articulated by the State Public Health Officer.

- 3) Nothing in this Order shall be construed to limit the existing authority of local health officers to establish and implement public health measures within their respective jurisdictions that are more restrictive than, or that otherwise exist in addition to, the public health measures imposed on a statewide basis pursuant to the statewide directives of the State Public Health Officer.

IT IS FURTHER ORDERED that as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 4th day of May 2020.

12. **Outdoor recreational activities** are permissible as long as it is feasible to maintain a safe physical distance of six feet and gather only with members of the same household at all times during said activity(ies). Individual outdoor recreational activities are permissible as long as it is feasible to maintain a safe physical distance of six feet at all times during said activity. Any outdoor group sports or activities shall be postponed or cancelled unless the sport or activity can be done individually or with members of the same household only. There should be no shared equipment between persons who are not members of the same household. Visit <https://covid19.ca.gov/stay-home-except-for-essential-needs/#top>, Outdoor Recreation section for a list of requirements, specifically allowed activities, and further guidance from the state of California.
13. For those businesses closed under this Order, business owners, managers, and supervisory staff are allowed to be on site to conduct minimum basic operations, provided that they each observe the social distancing and best personal hygiene practices (including washing their hands often with soap and water for at least 20 seconds) outlined above.
14. No County permits for special events shall be granted. All County permits for special events previously issued are revoked or postponed.
15. No temporary ABC licenses shall be authorized by the County.
16. For personal and public health and safety purposes, all residents of and visitors to Tulare County are strongly urged to practice social distancing of six feet per person when able to do so, wash their hands often with soap and water for at least 20 seconds, wear face coverings, such as scarves (dense fabric, without holes), bandanas, neck gaiters, or other fabric face coverings, at all times while inside of or waiting to enter any business or facility, while riding or waiting to ride any public or shared

transportation, and at any other time when it is impossible to maintain a distance of six-feet between persons who are not members of a shared household and follow all other guidance from public health officials with regard to the threat posed by COVID-19.

17. Each incorporated city within Tulare County is urged and requested to take such actions, if any, as may be reasonably necessary to permit this Order to be fully enforced within its respective jurisdiction.
18. The Public Health Branch of the Tulare County Health and Human Services Agency, the Tulare County District Attorney's office, the Tulare County Counsel's office, and all other applicable County of Tulare Agencies, Departments, and Divisions are requested and directed to enforce this Order within their respective jurisdictions.
19. Pursuant to California Government Code section 26602, the Sheriff of Tulare County is requested to enforce this Order within the Sheriff's jurisdiction to prevent the spread of COVID-19.
20. Pursuant to California Government Code section 41601, the chiefs of the police departments of the Cities of Visalia, Tulare, Porterville, Dinuba, Exeter, Lindsay, Woodlake, and Farmersville are requested to enforce this Order within their respective jurisdictions to prevent the spread of COVID-19.
21. The Order shall be subject to amendment or repeal at any time and shall not be deemed to confer any contractual obligations, property rights, or assume any County or other public agency liability.
22. If any provision of this Order or its application to any person or circumstance is held to be invalid, then the remainder of the Order, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect. To this end, the provisions of this Order are severable.
23. This Order shall be immediately translated into Spanish, and accommodations made for disabled persons to read its contents; it shall also be distributed to all local media and made prominently available on the County of Tulare's website.
24. Pursuant to California Health and Safety Code sections 101029 and 120280, and Tulare County Ordinance Code sections 1-15-1040(b) and 125, violations of this Order shall be punishable as a misdemeanor upon conviction by a fine of not exceeding one thousand dollars or by imprisonment for a term of not exceeding six months, or by both such fine and imprisonment.

IT IS SO ORDERED.

Health Advisory Recommending Face Coverings for the Public and Essential Workers

This health advisory seeks to inform the public about the need for Face Coverings when outside the home for the prevention and source control of COVID-19.

Summary

- Tulare County Public Health urges the public to use Face Coverings while attending to essential activities in order to reduce the spread of COVID-19
- Individuals are asked to ensure effective use of Face Coverings by washing their hands after putting on and taking of the Face Covering
- Essential businesses and their employees are asked to utilize Face Coverings when providing services to the public
- Essential businesses are asked to post signage informing the public of the requirement to utilize Face Coverings

The United States Centers for Disease Control and Prevention ("CDC"), California Department of Public Health ("CDPH"), and the Tulare County Public Health Branch ("TCPH") have recommended that members of the public, should cover the mouth and nose to prevent inadvertently spreading the virus that causes Coronavirus Disease 2019 ("COVID-19"). One key transmission method for the COVID-19 virus is respiratory droplets that people expel when they breathe or sneeze. Individuals have been found to be infected with COVID-19 and not have any symptoms, meaning they are asymptomatic, but they can still be contagious. People can also be infected and contagious 48 hours before developing symptoms, the time when they are pre-symptomatic. Many people with the COVID-19 virus have mild symptoms and do not recognize they are infected and contagious, and they can unintentionally infect others. Therefore, the CDC, CDPH, and TCPH believe that wearing a face covering, when combined with physical distancing of at least 6 feet and frequent hand washing, may reduce the risk of transmitting coronavirus when in public and engaged in essential activities by reducing the spread of respiratory droplets. *For clarity, although wearing a face covering is one tool for reducing the spread of the virus, doing so is not a substitute for sheltering in place, physical distancing of at least 6 feet, and frequent hand washing.*

This Advisory requires that people wear Face Coverings in three main settings. First, members of the public must wear Face Coverings while inside of or waiting in line to enter Essential Businesses and other businesses or facilities engaged in Minimum Basic Operations, providing Essential Infrastructure, and providing Essential Government Functions (except Healthcare Operations, which are subject to different requirements), when seeking healthcare from Healthcare Operations, and when waiting for or riding on

public transportation and other types of shared transportation. These settings are defined further below.

Second, this Advisory also requires employees, contractors, owners, and volunteers of all Essential Businesses or those operating public transportation and other types of shared transportation to wear a Face Covering when at work.

And third, this Advisory also requires workers engaged in Minimum Basic Operations, Essential Infrastructure work, and Essential Government Functions to wear a Face Covering in areas where the public is present or likely to be and at any time when others are nearby.

This Advisory does not require that any child aged twelve years or younger wear a Face Covering and recommends that any child aged two years or younger should not wear one because of the risk of suffocation. This Advisory also does not apply to people who are in their own cars alone or with members of their own household. It also does not require people wear Face Coverings while engaged in outdoor recreation such as hiking, bicycling, or running, though it does recommend that they have a Face Covering with them and still requires them to practice social distancing and other measures to protect against transmission of the virus.

Definition of Face Coverings

As used in this Advisory, a "Face Covering" means a covering made of cloth, fabric, or other soft or permeable material, without holes, that covers only the nose and mouth and surrounding areas of the lower face. A covering that hides or obscures the wearer's eyes or forehead is not a Face Covering. Examples of Face Coverings include a scarf or bandana; a neck gaiter; a homemade covering made from a t-shirt, sweatshirt, or towel, held on with rubber bands or otherwise; or a mask, which need not be medical-grade. A Face Covering may be factory-made, or may be handmade and improvised from ordinary household materials. The Face Covering should be comfortable, so that the wearer can breathe comfortably through the nose and does not have to adjust it frequently, so as to avoid touching the face. For as long as medical grade masks such as N95 masks and surgical masks are in short supply, members of the public should not purchase those masks as Face Coverings under this Advisory. In general, even when not required by this Advisory, people are strongly encouraged to wear Face Coverings when in public.

A video showing how to make a face covering and additional information about how to wear and clean Face Coverings may be found at the website of Centers for Disease Control and Prevention, at <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html>.

Effective Use

Face Coverings must be worn in such a manner as to contain respiratory droplets and minimize transmission of the virus via the hands. To achieve this, Face Coverings should fit snugly and be washed daily. Cloth Face Coverings can be safely cleaned in a washing machine or by hand as the materials

permit. Individuals should be careful not to touch their eyes, nose, or mouth when removing their Face Coverings and wash their hands immediately after removing.

Members of the Public

All members of the public, except as specifically exempted below, must wear a Face Covering outside their home or other place they reside in the following situations:

1. When they are inside of, or in line to enter, any Essential Business, including, but not limited to, grocery stores, convenience stores, supermarkets, laundromats, and restaurants;
2. When they are inside or at any location or facility engaging in Minimum Basic Operations or seeking or receiving Essential Government Functions inside of any location or facility;
3. When they are engaged in Essential Infrastructure work
4. When they are obtaining services at Healthcare Operations— including hospitals, clinics, COVID-19 testing locations, dentists, pharmacies, blood banks and blood drives, other healthcare facilities, mental health providers, or facilities providing veterinary care and similar healthcare services for animals — unless directed otherwise by an employee or worker at the Healthcare Operation; or
5. When they are waiting for or riding on public transportation or paratransit or are in a taxi, private car service, or ride-sharing vehicle.

Essential Businesses and Infrastructure

All Essential Businesses, as well as entities and organizations with workers engaged in Essential Infrastructure work, Minimum Basic Operations, or Essential Government Functions (except for Healthcare Operations, which are subject to their own regulation regarding specified face coverings), must:

1. Require their employees, contractors, owners, and volunteers to wear a Face Covering at the workplace and when performing work off-site any time the employee, contractor, owner, or volunteer is:
 - a. interacting in person with any member of the public;
 - b. working in any space visited by members of the public, such as by way of example and without limitation reception areas, grocery store or pharmacy aisles, service counters, public restrooms, cashier and checkout waiting rooms, service areas, and other spaces used to interact with the public, regardless of whether anyone from the public is present at the time;
 - c. working in any space where food is prepared or packaged for sale or distribution to others;
 - d. working in or walking through common areas such as hallways, stairways, elevators, and parking facilities; or
 - e. in any room or enclosed area when other people (except for members of the person's own household or residence) are present.

2. Take reasonable measures, such as posting signs, to remind their customers and the public of the requirement that they wear a Face Covering while inside of or waiting in line to enter the business, facility, or location. Essential Businesses and entities or organizations that engaged in Essential Infrastructure work or Minimum Basic Operations must take all reasonable steps to prohibit any member of the public who is not wearing a Face Covering from entering and must not serve that person if those efforts are unsuccessful and seek to remove that person.

For clarity, a Face Covering is not required when a person is in a personal office (a single room) when others outside of that person's household are not present as long as the public does not regularly visit the room.

Exceptions

1. Any child aged two years or less must not wear a Face Covering because of the risk of suffocation. This Order does not require that any child aged twelve years or less wear a Face Covering. Parents and caregivers must supervise use of Face Coverings by children to avoid misuse.
2. Wearing a Face Covering is recommended, but not required, while engaged in outdoor recreation such as hiking, bicycling, or running. But each person engaged in such activity must comply with social distancing requirements including maintaining at least six feet of separation from all other people. Because running or bicycling causes people to more forcefully expel airborne particles, making the usual minimum 6 feet distance less adequate, runners and cyclists must take steps to avoid exposing others to those particles, which include the following measures: wearing a Face Covering when possible; crossing the street when running to avoid sidewalks with pedestrians; slowing down and moving to the side when unable to leave the sidewalk and nearing other people; never spitting; and avoiding running or cycling directly in front of or behind another runner or cyclist who is not in the same household.
3. This Advisory does not require any person to wear a Face Covering while driving alone, or exclusively with other members of the same family or household, in a motor vehicle.
4. A Face Covering is also not required by this Advisory to be worn by a particular individual if the person can show either: (1) a medical professional has advised that wearing a Face Covering may pose a risk to the person wearing the mask for health-related reasons; or (2) wearing a Face Covering would create a risk to the person related to their work as determined by local, state, or federal regulators or workplace safety guidelines. A Face Covering should also not be used by anyone who has trouble breathing or is unconscious, incapacitated, or otherwise unable to remove the Face Covering without assistance.

Conclusion

The intent of this Order is to ensure that all people who are visiting or working at Essential Businesses

and all people who are seeking care at healthcare facilities or engaged in certain types of public transit or transportation with others wear a Face Covering to reduce the likelihood that they may transmit or receive the COVID-19 virus. The intent of this Advisory is also to ensure that people who work for or seek services from entities engaged in Essential Infrastructure work, Minimum Basic Operations, or Essential Government Functions also wear a Face Covering when they are in close proximity to others. In so doing, this Advisory will help reduce the spread of the COVID-19 virus and mitigate the impact of the virus on members of the public and on the delivery of critical healthcare services to those in need. All provisions of this Advisory must be interpreted to effectuate this intent.

TULARE COUNTY'S MULTI-STAGE APPROACH TOWARDS A HEALTHIER COMMUNITY

Epidemiologists and infectious disease experts agree that in the absence of strict social distancing, Tulare County numbers would once again surge. COVID-19 will continue to be a serious threat until there is an effective vaccine or more effective therapeutic treatments. Centers for Disease Control and Prevention (CDC) and National Institute of Allergy and Infectious Diseases (NIAID) experts estimate that we will not have a vaccine for COVID-19 until 2021, at the earliest. For the foreseeable future, living with COVID-19 is our new “normal”.

Living with this disease means finding ways for our community to return to work with COVID-19 still circulating. There is an emerging consensus that America's economy should open in stages with different parts of the economy and different aspects of public life reopening at different times will present a framework for a three-stage approach that reflects the state of the COVID-19 pandemic in Tulare County.

Over the last couple of weeks, California counties in coordination with the California Department of Public Health have worked extensively to create meaningful criteria that provides a solid framework to use when deciding to reopen local economies. Specifically, Tulare County has adopted four criteria to use as the means of determining the readiness of reopening our local economy. It is important to note that these criteria are aligned with other California Counties and the recommendations from the State, however, our readiness may be earlier or later than other counties due to our local situation.

The following four (4) criteria will need to be met simultaneously before moving to Stage 2, and then again before moving to Stage 3, and then once again before moving to Stage 4. Each of the following criteria has assessments and respective metrics that will be used to determine forward movement to the next Stage. However, if it is determined that there is a potential rebound or local outbreak, returning to an earlier Stage is probable.

- **(CASES) SUSTAINED REDUCTION OR STABILITY IN NEW CASES FOR 14 DAYS.** Tulare County agrees that movement towards reopening for Stage 2 should begin after 14 days of a sustained downward trend in COVID-19 positive cases.

Certain increases, such as an increase in active cases over the course of five days, would clearly be a cause for concern. However, exact judgements should reflect a precise understanding of local trends. If, for instance, public health departments identify a specific outbreak and are able to isolate COVID-positive cases and quarantine people who were in close contact quickly, movement towards greater reopening could continue, even with an increase in positive cases.

- **ADEQUATE DIAGNOSTIC TESTING CAPACITY AND RAPID TEST RESULTS. THE ABILITY TO TEST ALL INDIVIDUALS WITH COVID-19 SYMPTOMS (WITHIN A CERTAIN TIMEFRAME). SAME-DAY TESTING WIDELY AVAILABLE FOR HOSPITALIZED PATIENTS, HEALTH CARE WORKERS AND WORKERS IN ESSENTIAL ROLES, CLOSE CONTACTS OF CONFIRMED CASES, AND OUTPATIENTS WITH SYMPTOMS).** Expanding testing capacity and making testing broadly available is necessary to treat and control infection, and for detecting increases COVID-19 cases early.
- **PUBLIC HEALTH DEPARTMENT’S CAPACITY TO RAPIDLY INTERVIEW NEW CASES, IDENTIFY CLOSE CONTACTS, AND ENSURE THAT ISOLATION AND QUARANTINE ARE EFFECTIVE.** Public health surveillance must be strengthened to understand the spread of COVID-19 and rapidly detect outbreaks. Experts call for evidence of declining transmission for at least 14 days before there could be a move to a staged approach of reopening the economies. Tulare County must closely monitor the signs of COVID-19 spread. It must notice problems to avoid overcrowding of emergency departments or outbreaks among the higher risk.
- **HEALTH CARE SYSTEM CAPACITY TO RESPOND TO POTENTIAL SURGES.** Tulare County must ensure that the local healthcare system is out of crisis mode and able to handle potential new surges in patients, along with non-COVID-19 related services, prior to reopening the economy. Tulare County will continue to track and share information about the availability of hospital beds, ICU beds, ventilators, and personal protective equipment (PPE) in order to ensure that they are adequately available if cases surge, as modeled under a variety of assumptions. Data on available capacity should be assessed at a designated frequency. State stockpiles should be used to fill any deficiencies and there should be continuous monitoring of cases statewide to assure that capacity will not be exceeded.

GOALS AND LINKED METRICS TO CONSIDER WHEN MOVING BETWEEN STAGES

Goals	Metric
1. Containment Capacity	GOAL: Stable or decreasing COVID-19 infection rate METRIC: Low prevalence of disease - no more than 1 case per 10,000 people in last 14 days METRIC: No more than 1 death in last 14 days GOAL: Ability to test everyone who needs to be tested METRIC: Minimum daily testing volume of 1.5 per 1,000 residents METRIC: Testing availability for at least 75% of residents as measured by specimen collection sites within a 60-minute drive in rural areas
2. Case investigation and contact tracing	GOAL: The public health system has adequate infrastructure, processes, and workforce to reliably detect and safely isolate new cases, as well as follow up with individuals who have been in contact with positive cases METRIC: Sufficient staff allocated to contact tracing, at least 15 staff per 100,000 population

	METRIC: Availability of temporary housing units to shelter at least 15% of county residents experiencing homelessness
3. Health Care System Capacity	GOAL: Hospitals can quickly and independently supply sufficient PPE and critical medical equipment and can surge intensive care unit (ICU) capacity. METRIC: Ability to accommodate a minimum surge of 35% (combined for county) due to COVID-19 patients as well as providing usual care for non-COVID-19 patients.
4. Vulnerable Populations	GOAL: Ability to protect our vulnerable populations METRIC: Skilled nursing & other congregate living facilities have > 14-day supply of PPE and access to non-state sources for replenishing the supplies.

Potential Increased Community Transmission when Re-opening Public Spaces.

Opening public spaces will entail an increased risk of community transmission. Certain populations will be more at risk for serious consequences and mortality from contracting the disease. Those most at risk include:

- Healthcare workers, first responders and other essential workers in contact with the public;
- Older adults living in nursing homes, assisted living, and senior housing;
- Racial and ethnic minorities;
- Justice-involved populations;
- People experiencing homelessness; and,
- People with disabilities and living in state institutions, group homes, and other congregate settings.
- Pregnant individuals

Given the setting and circumstances of where these populations reside, targeted monitoring and interventions will be critical to protecting these communities. Tulare County must develop effective systems and policies that protect these populations so that it is less likely to experience outbreaks that can interrupt the gradual reopening of society.

Strong and Clear Communication and Public Engagement Plan.

Communication is an integral part during a crisis, and is even more important as Tulare County moves toward reopening. It is critical that public engagement is incorporated into the response plan to minimize the risk of misunderstanding, confusion, or protest by individuals who believe reopening should be either faster or slower. It is important that Tulare County evaluates the different needs, risk factors, and resources.

Rationale for a Multi-Stage Approach to Reopening

Developing a framework that thoughtfully guides decision making on key factors to reopen the economy is important. The framework must include an array of public health factors, including consistent communication related to COVID-19, data collection, defining measures to reassess readiness for opening, and anticipating the need to revert to tighter control measures. Additionally, criteria for moving between stages and defining the stages for reopening must be established. Equally important is building partnerships between public and private sectors to implement the plan.

This is the time to identify and share critical metrics and explain “the rules for reopening.” The most important message to convey in this period is that **the rate of transmission must decline or remain low to make it safe to proceed with plans to reopen local economies**. During this process, local governments should engage health care systems, schools and businesses to fine tune plans for a staged reopening and to clearly convey the steps that will be necessary.

Testing capacity should continue to expand; vulnerable populations should be identified and monitored. Businesses, schools, and healthcare facilities should develop written plans for how they will help prevent COVID-19 spread in their facilities. Policymakers should also examine disincentives to testing and isolation or quarantining, such as the fear that people who test positive or are quarantined could lose their jobs. Travel to and from areas that are experiencing significant disease should be discouraged or prohibited.

This stage should continue for the next two weeks. During this time, monitoring should indicate case numbers are declining. Based on COVID-19 case rate statistics by city and region, healthcare providers and health systems should demonstrate they can manage (with ICU beds, ventilators, PPE, nurse and physician staffing, and other metrics of capacity) no less than 1 week of new cases at the prior week case rate prior to progression between stages or to moving on to the first stage of reopening.

During this planning period, all non-essential businesses should remain closed and the Stay At Home Order remains in place. Except when performing essential services, citizens over age 65 and those with high risk factors need to remain vigilant and to shelter at home.

- Work from home should continue whenever possible, and cloth face coverings should be worn in public locations.
- Tulare County will work to accomplish all specific requirements listed above, including testing, tracking and quarantine strategies to identify cases and prevent transmission.
- All essential and non-essential businesses should begin preparations for later stages, and should be prepared to certify to the Health Department that they have written protocols, completed the social distancing and safety plan checklist and can reliably perform the following functions before advancing to later stages:

- Screen daily all employees for respiratory symptoms. Workers in close contact with each other should be screened daily with temperature checks as well. Business safety plans should clearly specify protocols for different categories.
- Advise employees with symptoms to remove themselves from the workplace and call healthcare provider for guidance. Establish policies and procedures to help employees who are required to by the healthcare provider to isolate or quarantine.
- Set expectations for frequent hand hygiene and wearing of cloth face coverings by employees where appropriate or able.
- Hand sanitizer should be placed throughout the business.

GUIDELINES FOR ALL STAGES

Individuals:

- **Continue to adhere to state and local guidance, in particularly with respect to face coverings.**
- **Continue to practice good hygiene**
 - Wash your hands with soap and water or use hand sanitizer, especially after touching frequently used items or surfaces.
 - Avoid touching your face
 - Sneeze or cough into a tissue, or the inside of your elbow.
 - Disinfect frequently used items and surfaces as much as possible
 - Using face coverings while in public, and particularly when using mass transit or carpools.
 - People who feel sick should stay home. Do not go to work or school.
 - Contact and follow the advice of your medical provider.
 - Practice social distancing

Employers: See guidance document for employers

Wear face covering if unable to continuously maintain 6 ft social distancing when in public. Social gatherings should be in accordance with State guidance.

Conclusion

The threat of COVID-19 will be with us for the foreseeable future. There is a high probability that Tulare County will experience continued outbreaks that will force us to revert to earlier stages at some point during the reopening process. Now is the time to build capacity and create partnerships, across our county with employers, nonprofits, and community groups, to respond effectively to this challenge. This is also the time to provide clear guidance and an evidence-based framework for reopening our local economy.

Discussions with the state and federal government will continue with the purpose of redefining essential v. nonessential sectors. Instead of classifying businesses and industries as essential vs. non-essential, moving towards the terminology of “lower risk” vs “higher risk” operations may be more viable. This will allow all businesses to begin working on plans that focus on safety and are designed to lower the risk of COVID-19 transmission to their workers and customers. Examples of “low-risk” activities that are currently deemed non-essential: 1) Bookstores: could be lower risk if they limited the number of people that enter the store and took precautions to protect the clerks; Examples of “higher-risk” activities could include hair salons and tattoo shops where there is longer close personal contact.

WHEREAS, on March 19, 2020, the Governor of the State of California issued Executive Order N-33-20, in conjunction with the ORDER OF THE STATE PUBLIC HEALTH ORDER dated the same day, ordering that all Californians shelter in place to preserve public health and safety ("Shelter in Place Order"); and

WHEREAS, the Shelter in Place Order has been successful in slowing the transmission and infection rate of COVID-19 in the State of California; and

WHEREAS, on March 19, 2020 the County Health Officer of the County of Tulare issued an EMERGENCY ORDER FOR THE PREVENTION OF NOVEL CORONAVIRUS (COVID-19) TRANSMISSION IN OR ABOUT RESTAURANTS, BARS, FOOD TRUCKS, GROCERY STORES, AND OTHER RETAIL FOOD AND BEVERAGE SERVICE VENUES, ENTERTAINMENT AND RECREATIONAL VENUES, GYMS, HEALTH CLUBS, THEATERS, CHURCHES, OTHER SOCIAL GATHERINGS, AND OUTDOOR RECREATIONAL ACTIVITIES, which order was extended on April 8, 2020, and amended on May 5, 2020 (the "Emergency Order Amended May 5, 2020"); and

WHEREAS, on April 14, 2020, the State of California presented the Pandemic Roadmap, a four-stage plan for modifying the Shelter in Place Order, and defining the statewide current status under the plan as being at Stage 1; and

WHEREAS, on May 4, 2020, the State announced that entry into Stage 2 of the plan would begin on May 8, 2020 for all Counties, subject to certain conditions and certain guidance; and

WHEREAS, advancement within the Pandemic Roadmap by an individual County can be accomplished by meeting certain State-defined criteria and procedures; and

WHEREAS, the Pandemic Roadmap is designed to prevent the spread of COVID-19 in California while allowing parts of our state to safely reopen; and

WHEREAS, compliance with the State criteria, procedures, and guidance for the stages of the Pandemic Roadmap is mandatory in the incorporated and unincorporated areas of County of Tulare.

NOW, THEREFORE, pursuant to Tulare County Ordinance Code sections 1-15-1033 (b) and 1-15-1040 (b),

and California Health and Safety Code sections 101040, 101085, and 120175, the Health Officer of the County of Tulare hereby orders as follows, which shall be effective immediately and remain in effect until such a time that it is terminated or modified by the County Public Health Officer in writing:

1. **The Emergency Order Amended May 5, 2020** is hereby terminated. Any previous Public Health Orders, other than the Emergency Declaration dated March 11, 2020, not previously terminated by the Emergency Order Amended May 5, 2020, are hereby terminated.
2. **The Shelter in Place Order**, the emergency orders of the State Public Health Director related to the COVID-19 pandemic, and the State's Pandemic Roadmap and guidance issued with respect to the roadmap, as they may be amended, modified, or supplemented from time-to-time by their makers, are hereby adopted as emergency orders of the County Health Officer of the County of Tulare and enforceable as such.
3. **Only** the activities and businesses authorized by the current stage of the State's Pandemic Roadmap shall be allowed. The current stage of the Pandemic Roadmap and current guidance related to the Pandemic Roadmap can be found at: <https://covid19.tularecounty.ca.gov/covid-19-updates-and-situation-in-tulare-county/>.
4. **Bars, wineries, breweries and pubs** shall follow all restrictions, closures, and guidelines under the current stage of the State's Pandemic Roadmap.
5. **Restaurants** shall follow all restrictions, closures, and guidelines under the current stage of the State's Pandemic Roadmap.
6. **Food Trucks** shall follow all restrictions, closures, and guidelines under the current stage of the State's Pandemic Roadmap.
7. **Certified Farmers' Markets** shall follow all restrictions, closures, and guidelines under the current stage of the State's Pandemic Roadmap.
8. **Gambling venues** shall follow all restrictions, closures, and guidelines under the current stage of the State's Pandemic Roadmap.
9. **Entertainment and recreational venues**, including, but not limited to, theme parks, amusement parks, attractions, theaters, museums, roller rinks, skate parks, sports stadiums, bowling alleys, and the like, shall follow all restrictions, closures, and guidelines under the current stage of the State's Pandemic Roadmap.
10. **Gyms and health clubs** shall follow all restrictions, closures, and guidelines under the current stage of the State's Pandemic Roadmap.
11. **All social gatherings**, including, but not limited to church services, meetings of service and social clubs, conferences, conventions, and the like, shall be postponed or cancelled until allowed under the current stage of the State's Pandemic Roadmap.
12. **Outdoor recreational activities** shall be permissible as long as it is feasible to maintain a safe physical distance of six feet and gather only with members of the same household at all times during said activity(ies). Individual outdoor recreational activities are permissible as long as it is feasible to maintain a safe physical distance of six feet at all times during said activity. Any outdoor group sports or activities shall be postponed or cancelled unless the sport or activity can be done individually or

with members of the same household only. There should be no shared equipment between persons who are not members of the same household. Visit <https://covid19.ca.gov/stay-home-except-for-essential-needs/#top>, Outdoor Recreation section for a list of requirements, specifically allowed activities, and further guidance from the state of California. These social distancing requirements shall remain in place as they relate to Outdoor Recreation Activities until abolished under the current stage of the State's Pandemic Roadmap.

13. For those businesses closed under the current stage of the State's Pandemic Roadmap, business owners, managers, and supervisory staff are allowed to be on site to conduct minimum basic operations, provided they follow all guidance from public health officials to reduce the spread of COVID-19, including social distancing and hand washing with soap and water for at least 20 seconds.
14. No County permits for special events shall be granted, all County permits for special events previously issued are revoked or postponed, and no temporary ABC licenses shall be authorized by the County until social gatherings are permitted under the current stage of the State's Pandemic Roadmap.
15. For personal and public health and safety purposes, all residents of and visitors to Tulare County are strongly urged to practice social distancing of six feet per person when able to do so, wash their hands often with soap and water for at least 20 seconds, wear face coverings, such as scarves (dense fabric, without holes), bandanas, neck gaiters, or other fabric face coverings, at all times while inside of or waiting to enter any business or facility, while riding or waiting to ride any public or shared transportation, and at any other time when it is impossible to maintain a distance of six-feet between persons who are not members of a shared household and follow all other guidance from public health officials with regard to the threat posed by COVID-19.
16. This Order may be enforced pursuant to California law, including, but not limited to Government Code sections 26602, 41601, and 8665 to prevent the spread of Covid-19.
17. Each incorporated city within Tulare County is permitted to take such actions, if any, as may be reasonably necessary to permit this Order to be fully enforced within its respective jurisdiction. Pursuant to California Government Code section 41601, the chiefs of the police departments of the Cities of Visalia, Tulare, Porterville, Dinuba, Exeter, Lindsay, Woodlake, and Farmersville may enforce this Order within their respective jurisdictions to prevent the spread of COVID-19.
18. The Public Health Branch of the Tulare County Health and Human Services Agency, the Tulare County District Attorney's office, the Tulare County Counsel's office, and all other applicable County of Tulare Agencies, Departments, and Divisions are permitted to enforce this Order within their respective jurisdictions.
19. Pursuant to California Health and Safety Code sections 101029 and 120280, and Tulare County Ordinance Code sections 1-15-1040(b) and 125, violations of this Order may be punishable as a misdemeanor upon conviction by a fine of not exceeding one thousand dollars or by imprisonment for a term of not exceeding six months, or by both such fine and imprisonment.
20. Pursuant to Tulare County Ordinance Code sections 4-01-1070 and 4-01-1315, violations of this Order may be considered a public nuisance.
21. Pursuant to Tulare County Ordinance Code sections 1-23-1000 and 1-23-1015 violations of this Order may be subject to an administrative fine or penalty.

22. The Order shall be subject to amendment or repeal at any time and shall not be deemed to confer any contractual obligations, property rights, or assume any County or other public agency liability.
23. If any provision of this Order or its application to any person or circumstance is held to be invalid, then the remainder of the Order, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect. To this end, the provisions of this Order are severable.
24. This Order shall be immediately translated into Spanish, and accommodations made for disabled persons to read its contents; it shall also be distributed to all local media and made prominently available at <https://covid19.tularecounty.ca.gov/>.
25. All open businesses, facilities, retail food, and other venues shall ensure social distancing of six feet per person between those who are not members of the same household, limit the number of customers at any given time as necessary to reduce outdoor/indoor crowding and lines to meet social distancing guidance, increase cleaning and sanitizing frequency of all contact areas, encourage use of online ordering with curbside pickup or delivery options in lieu of indoor shopping, and remind employees of guidance from public health officials to reduce the spread of COVID-19, including washing their hands often with soap and water for at least 20 seconds and wearing appropriate face covering when necessary. Any business, facility, retail food, and other venue may create an individual policy restricting entry of patrons not wearing masks.

IT IS SO ORDERED.

GUIDANCE FOR THE USE OF FACE COVERINGS

Because of our collective actions, California has limited the spread of COVID-19 and associated hospitalizations and deaths in our state. Still, the risk for COVID-19 remains and the increasing number of Californians who are leaving their homes for work and other needs, increases the risk for COVID-19 exposure and infection.

Over the last four months, we have learned a lot about COVID-19 transmission, most notably that people who are infected but are asymptomatic or pre-symptomatic play an important part in community spread. The use of face coverings by everyone can limit the release of infected droplets when talking, coughing, and/or sneezing, as well as reinforce physical distancing.

This document updates existing [CDPH guidance](#) for the use of cloth face coverings by the general public when outside the home. It mandates that face coverings be worn state-wide in the circumstances and with the exceptions outlined below. It does not substitute for existing guidance about social distancing and handwashing.

Guidance

People in California must wear face coverings when they are in the high-risk situations listed below:

- Inside of, or in line to enter, any indoor public space;¹
- Obtaining services from the healthcare sector in settings including, but not limited to, a hospital, pharmacy, medical clinic, laboratory, physician or dental office, veterinary clinic, or blood bank;²
- Waiting for or riding on public transportation or paratransit or while in a taxi, private car service, or ride-sharing vehicle;
- Engaged in work, whether at the workplace or performing work off-site, when:
 - Interacting in-person with any member of the public;
 - Working in any space visited by members of the public, regardless of whether anyone from the public is present at the time;

¹ Unless exempted by state guidelines for specific public settings (e.g., school or childcare center)

² Unless directed otherwise by an employee or healthcare provider

- Working in any space where food is prepared or packaged for sale or distribution to others;
- Working in or walking through common areas, such as hallways, stairways, elevators, and parking facilities;
- In any room or enclosed area where other people (except for members of the person's own household or residence) are present when unable to physically distance.
- Driving or operating any public transportation or paratransit vehicle, taxi, or private car service or ride-sharing vehicle when passengers are present. When no passengers are present, face coverings are strongly recommended.
- While outdoors in public spaces when maintaining a physical distance of 6 feet from persons who are not members of the same household or residence is not feasible.

The following individuals are exempt from wearing a face covering:

- Persons age two years or under. These very young children must not wear a face covering because of the risk of suffocation.
- Persons with a medical condition, mental health condition, or disability that prevents wearing a face covering. This includes persons with a medical condition for whom wearing a face covering could obstruct breathing or who are unconscious, incapacitated, or otherwise unable to remove a face covering without assistance.
- Persons who are hearing impaired, or communicating with a person who is hearing impaired, where the ability to see the mouth is essential for communication.
- Persons for whom wearing a face covering would create a risk to the person related to their work, as determined by local, state, or federal regulators or workplace safety guidelines.
- Persons who are obtaining a service involving the nose or face for which temporary removal of the face covering is necessary to perform the service.
- Persons who are seated at a restaurant or other establishment that offers food or beverage service, while they are eating or drinking, provided that they are able to maintain a distance of at least six feet away from persons who are not members of the same household or residence.
- Persons who are engaged in outdoor work or recreation such as swimming, walking, hiking, bicycling, or running, when alone or with household members, and when they are able to maintain a distance of at least six feet from others.

- Persons who are incarcerated. Prisons and jails, as part of their mitigation plans, will have specific guidance on the wearing of face coverings or masks for both inmates and staff.

Note: Persons exempted from wearing a face covering due to a medical condition who are employed in a job involving regular contact with others should wear a non-restrictive alternative, such as a face shield with a drape on the bottom edge, as long as their condition permits it.

Background

What is a cloth face covering?

A cloth face covering is a material that covers the nose and mouth. It can be secured to the head with ties or straps or simply wrapped around the lower face. It can be made of a variety of materials, such as cotton, silk, or linen. A cloth face covering may be factory-made or sewn by hand or can be improvised from household items such as scarfs, T-shirts, sweatshirts, or towels.

How well do cloth face coverings work to prevent spread of COVID-19?

There is scientific evidence to suggest that use of cloth face coverings by the public during a pandemic could help reduce disease transmission. Their primary role is to reduce the release of infectious particles into the air when someone speaks, coughs, or sneezes, including someone who has COVID-19 but feels well. Cloth face coverings are not a substitute for physical distancing, washing hands, and staying home when ill, but they may be helpful when combined with these primary interventions.

When should I wear a cloth face covering?

You should wear face coverings when in public places, particularly when those locations are indoors or in other areas where physical distancing is not possible

How should I care for a cloth face covering?

It's a good idea to wash your cloth face covering frequently, ideally after each use, or at least daily. Have a bag or bin to keep cloth face coverings in until they can be laundered with detergent and hot water and dried on a hot cycle. If you must re-wear your cloth face covering before washing, wash your hands immediately after putting it back on and avoid touching your face. Discard cloth face coverings that:

- No longer cover the nose and mouth
- Have stretched out or damaged ties or straps
- Cannot stay on the face
- Have holes or tears in the fabric

ORDINANCE NO. 1874

**AN URGENCY ORDINANCE OF THE CITY COUNCIL
OF THE CITY OF PORTERVILLE REQUIRING THE USE OF
FACE COVERINGS IN CONFORMITY WITH THE REQUIREMENTS SET
BY THE CALIFORNIA DEPARTMENT OF PUBLIC HEALTH**

WHEREAS, the novel coronavirus (COVID-19) is a respiratory disease which the Centers for Disease Control and Prevention (CDC) considers to be a very serious public health threat with outcomes ranging from mild to severe sickness and death;

WHEREAS, COVID-19 has been found to be easily transmissible from person to person;

WHEREAS, on January 31, 2020, the United States Department of Public Health and Human Services declared a public emergency for COVID-19 beginning on January 27, 2020;

WHEREAS, on March 4, 2020, Governor Gavin Newsom declared a state of emergency in the State of California due to the number of confirmed cases of COVID-19 in the State;

WHEREAS, on March 21, 2020, Tulare County declared an emergency, thus enabling the County to take extraordinary measures;

WHEREAS, on March 17, 2020, due the actions of the Federal and State Governments, and due to the presence of confirmed cases in Tulare County and the Porterville area, the Porterville City Council adopted Resolution No. 22-2020, a Resolution of the City Council of the City of Porterville to Proclaim the Existence of a Local Emergency;

WHEREAS, on June 18, 2020, the California Department of Public Health issued Guidance for the Use of Face Coverings, which mandates that face coverings be worn state-wide in certain settings and circumstances;

WHEREAS, as of July 7, 2020, Tulare County remains on the State of California Covid-19 “watch list,” due to continuing spread of the disease in the County, including in the Porterville area;

WHEREAS, on July 7, 2020, the Porterville City Council ordered that the face covering requirements of the State be enforced within the City via the City’s administrative citation regulations and through aggressive education efforts, and directed that an urgency ordinance be prepared consistent with the order;

WHEREAS, the City of Porterville is authorized to enforce the state-wide order concerning Face Coverings pursuant to the California Constitution, Porterville City Charter Section 4, and applicable State laws and City regulations; and

WHEREAS, substantial scientific evidence shows that when combined with physical distancing and other health and safety practices such as hand washing and the regular disinfection of surfaces, wearing Face Coverings will assist in allowing additional business and other activities

to be resumed in the safest way possible, and will help protect Porterville's community members and in particular those that are most vulnerable due to age or health conditions;

THE CITY COUNCIL OF THE CITY OF PORTERVILLE does ordain as follows:

Section 1. The provisions of this urgency ordinance are necessary for the immediate preservation of the health and safety of the public; will help protect all community members who live, work and are present in the City of Porterville; and will assist in state-wide efforts to mitigate the spread of Covid-19.

Section 2. Individuals, while in the City of Porterville, are required to comply with all guidance within the California Department of Public Health's "Guidance for the Use of Face Coverings," (hereinafter "Face Covering Requirements") as currently set forth and as may be further revised by the State of California. A copy of the Face Covering Requirements, released June 18, 2020, and revised on June 29, 2020, is attached hereto as Exhibit "A."

Section 3. Businesses operating in the City of Porterville are required to comply with all applicable Industry Guidance issued by the California Department of Public Health, which incorporate the Face Covering Requirements.

Section 4. The City is authorized to utilize education efforts in any effort to gain cooperation and compliance with the Face Covering Requirements;

Section 5. City staff is further authorized to engage in code enforcement efforts to remedy violations of the Face Covering Requirements. Violations of these requirements are punishable as permitted by State law. Furthermore, the City is hereby authorized to enforce violations of the requirements pursuant to its Administrative Citation regulations set forth in Chapter 2, Article 14, Sections 2-141 through 2-155 of the Porterville Municipal Code.

Section 6. This Ordinance is exempt from the requirements of CEQA pursuant to California Public Resources Code Section 21080(b) (4).

Section 7. This Ordinance shall take effect immediately upon adoption by at least a 4/5 vote of the all members of the Porterville City Council, pursuant to Section 13 of the Porterville City Charter.

THE FOREGOING ORDINANCE was approved by the City Council of the City of Porterville, State of California, on July 21, 2020 at a regular meeting of said Council duly and regularly convened.

City of Porterville

Guidelines for Expanded Outdoor Dining During Covid-19

Preface

The City of Porterville has developed these guidelines for outdoor dining to assist our restaurant businesses in providing expanded seating capacity in the public right-of-way and on private spaces for in-person restaurant dining as allowed for by the State of California and Tulare County COVID-19 Health Orders (Health Orders). These guidelines are temporary in nature and will only be in place during this time of restricted restaurant operations or up until January 31, 2021, *whichever occurs earlier*.

The City of Porterville will be allowing restaurants to utilize sidewalks, public parking spaces, and/or in parking spaces in privately owned shopping centers, for the purposes of providing outdoor dining areas. Specific restrictions and guidelines for each of these locations are outlined in this guidebook.

State of California

Effective as of June 6, 2020, the State of California is permitting outdoor dining. General requirements include, but are not limited to:

- The establishment a written, workplace-specific COVID-19 prevention plan. State of California COVID-19 Industry Guidelines for Dine-In Restaurants can be currently found at <https://files.covid19.ca.gov/pdf/guidance-outdoor-restaurants--en.pdf>. Facilities that open for outdoor dining must offer curbside pickup, takeaway, and/or delivery service alternatives. Lines for pickup or takeaway must be in a separate area from the outdoor dining area to prohibit patrons from unnecessarily accessing the outdoor dining area.
- *Pursuant to State licensing*, alcohol may be sold to patrons in conjunction with a meal, but it may not be sold independently, and bar areas must remain closed to customers.
- Patrons are required to wear a face covering except when sitting at a table.

Temporary Outdoor Restaurant Dining Permit

The City has developed a no-fee streamlined encroachment permit application for temporary outdoor dining. The intent of this permit is to be temporary in nature and to be in place only during the Health Orders restrictions on restaurant operations or up until January 31, 2021, *whichever occurs earlier*.

The following documents are required in order to process a permit for outdoor seating in the City of Porterville:

- Temporary Outdoor Restaurant Dining Permit Application
- Certificate of Liability Insurance and Endorsements
- Site Plan diagram of proposed outdoor dining lay-out

The Temporary Outdoor Restaurant Dining Permit application is available on the City's website (<https://www.ci.porterville.ca.us>).

General Guidelines for all Outdoor Dining Areas

The following general guidelines apply to all areas:

- **Adequate Clearance for Social Distancing.** Any outdoor table and seating must maintain a minimum sidewalk clearance and/or pedestrian through zone of 6-feet from any physical obstruction to allow pedestrians to maintain adequate social distancing when passing by patrons seated at a table. The physical obstruction includes light poles, fire hydrants, trees, or other barriers and entryways or display window of adjacent businesses, unless authorized by the adjacent business.
- **Seating Area Allowance for Social Distancing.** The seating provided shall allow for patrons to maintain a minimum 6-foot social distance from the nearest group of other patrons seated in the same area.
- In addition to the cleaning and sanitary measures, tables must be arranged to ensure that no customer is sitting within six feet of any other customer at a separate table.
- Patrons at a single table are limited to no more than six, and they must be from the same household or living unit.
- **ADA Compliance.** Outdoor seating areas must comply with all requirements of the California Building Code, Americans with Disabilities Act (ADA), and provide sufficient clearance and walkway space to allow safe access and egress. Restaurants must ensure that a minimum 3-foot ADA path of travel is maintained throughout the areas for patrons to access tables provided.
- **Temporary Fixtures.** Tables, seating, umbrellas, heating lamps, planters, platforms or flooring shall achieve California Building Code and ADA compliance, and any approved physical barriers to mark the seating area are the only items permitted in the public right-of-way. These items must be designed to be weighted down for wind protection, removable, and minimize tripping hazards.
- **Alcohol Service.** Restaurants and food establishments licensed by the State of California will be permitted to sell and allow on-premise consumption of alcoholic beverages. Alcohol service is only allowed under full-service conditions and alcoholic beverages consumed in the outdoor dining premises are not allowed to be provided in to-go containers. Establishments that serve alcoholic beverages in the outdoor dining area shall be required to meet all requirements of the Alcoholic Beverage Control Board and any other federal, state, or local laws and regulations governing the sale and consumption of alcoholic beverages. Visit the ABC website for their specific COVID-19 regulatory updates.
- **No Outdoor Food Preparation.** Outdoor food preparation is not permitted. No heating, cooking or open flames are permitted in the outdoor dining space or public rights-of-way.
- **Amplification of noise.** Amplification of music or other sounds is generally prohibited for these temporary uses, and for any proposed use of amplified music or an intercom system, if allowed an amplification permit will be required. The application may be found at the following location: <http://www.ci.porterville.ca.us/depts/ParksandLeisure/documents/OutsideAmplifierPermit.pdf>

Music volume must be adjusted so that workers can maintain social distance from customers to hear orders.

- **Site Maintenance.** Outdoor seating areas shall be maintained free of litter, refuse and debris. The area shall be scrubbed and mopped to remove any food or drink stains on a daily basis by the permittee. Such cleaning shall be in accordance with the City's Storm Water Management and Discharge Control Program, which prohibits any discharge other than storm water into the storm water drainage system.

- **Tents or Shade Structures.** Umbrellas and other decorative material shall be fire-retardant, pressure-treated or manufactured of fire-resistant material. No portion of an umbrella shall be less than six (6) feet, eight (8) inches (eighty (80) inches) above the sidewalk. Tents or any structures shall be installed in an *approved* manner that is inspected by both the Fire Department and the Building Division prior to being occupied. The use of tents or shade structures in excess of 400 square feet will require coordination with and approval from the Porterville Fire Department. To request more information contact (559) 782-7526.
- **Space Heaters.** Space heaters are permitted if they are an outdoor approved type, are located in accordance with the manufacturer's recommendations and California Fire Code, and are located at least two (2) feet from the edge of any umbrella canvas, any foliage, or any other flammable object or material. Use will require coordination with and approval from the Porterville Fire Department. To request more information contact (559) 782-7526.
- **Hours of Operation.** The outdoor dining areas shall adhere to the same approved hours of operation as the existing restaurant
- **Lighting.** Temporary outdoor lighting in compliance with the Porterville Development Ordinance is allowed. Lighting shall be turned off whenever the restaurant is closed and/or the outdoor dining area is not in use.
- **Removal of Items.** All items installed to support outdoor dining shall be temporary in nature and removed at such the time the City so orders. Upon removal of these items, the site shall be restored to its previous condition within 48 hours.
- **Restrooms.** Restaurant patrons shall have access to the restroom(s) affiliated with the subject restaurant.

Sidewalk Dining Areas

Sidewalk dining involves the placement of tables and chairs in the public sidewalk area. Businesses may request the closure of sidewalk immediately adjacent to the restaurant with Temporary Outdoor Restaurant Dining Permit. Furthermore, Businesses may request the closure of on-street public parking spots directly adjacent to the business frontage, for use as a buffer or extended entrance area (no dining in on-street parking spots is permitted).

The following specific conditions apply to these areas:

Restaurants using these areas will need to provide their own furniture for use of by the patrons and will be responsible for securing their furniture when not in use.

Restaurants that are providing alcohol service must meet all requirements of the Alcoholic Beverage Control Board and any other federal, state, or local laws and regulations governing the sale and consumption of alcoholic beverages.

- **Signage** – when sidewalk and/or on-street parking closure is requested, the applicant shall provide detour signage to ensure pedestrians are made aware of alternative routes.
- The applicant shall notify all residents and businesses that will be affected by the sidewalk or on-street parking closure.
- **Barricades** - All parking stalls adjacent to the sidewalk dining areas shall be closed and have barricades as provided by the City of Porterville.

Public Parking Dining Areas

The City is providing the opportunity to restaurants in the Downtown District to request outdoor dining in portions of the public parking lots located near restaurants.

The following specific conditions apply to these areas:

- Restaurants using these areas will need to provide their own furniture for use by the patrons and will be responsible for securing their furniture when not in use.
- Barricades must be used to protect patrons from vehicular traffic and shall be provided by the City of Porterville.
- Restaurants that are providing alcohol service must meet all requirements of the Alcoholic Beverage Control Board and any other federal, state, or local laws and regulations governing the sale and consumption of alcoholic beverages.

Private Parking Lot Dining Areas

Private parking lot areas refer to shopping centers, strip malls, and stand-alone commercial properties that have their own designated parking areas. The City of Porterville is temporarily suspending requirements restricting the provision of outdoor dining, minimum parking standards as codified in Municipal Code **, and planning application conditions of approval related to parking and outdoor dining with an approved Temporary Outdoor Restaurant Dining Permit. Suspending these requirements will temporarily allow restaurants to provide outdoor dining in their respective private parking lots. Arrangements for outdoor dining must be worked out with and agreed to by the property owner for each location. The City shall not be a party to discussions or arrangements concerning the leasing or use of outdoor space on private property.

The following specific conditions apply to these areas:

- Restaurants must have the written permission of the property owner in order to use the parking space areas.
- The parking lots must still comply with all California Building Code and ADA standards, including ADA paths of travel and adequate provision of handicapped parking spaces pursuant to California Building Code Section 11B.
- Restaurants that are providing alcohol service must meet all requirements of the Alcoholic Beverage Control Board and any other federal, state, or local laws and regulations governing the sale and consumption of alcoholic beverages.
- Access to fire hydrants, fire hose connections for sprinkler systems, and entrances and exits of all buildings shall not be obstructed at any time by barriers or seating. The twenty (20) feet fire lane shall not be obstructed at any time. There shall be a minimum of forty (40) inches in distance separating the edge of a table or chair to a fire department connection.
- Consideration should be given to maintaining adequate parking supply on-site to prevent spillover parking in adjacent residential areas
- Seating areas shall occupy a specifically approved and defined location that does not disrupt the normal function of the site or its circulation. The area shall be located outside of any fire lane or fire access way.

TO: All Californians

SUBJECT: Outdoor Playgrounds and other Outdoor Recreational Facilities

Summary

COVID-19 continues to pose a severe risk to communities and requires all people in California to follow necessary precautions and to adapt the way they live and function in light of this ongoing risk. This guidance provides direction on usage of outdoor playgrounds and outdoor recreational facilities (hereafter facilities), to support a safe environment for children and families. It applies to outdoor playgrounds located in parks, campgrounds, and other publicly accessible locations. This guidance does not apply to indoor playgrounds or family entertainment centers.

Outdoor Playground Definition:

- Fully outdoors
- Publicly accessible
- Free to enter and use
- Operated by a city, state, county, or federal government
- Designed primarily to serve nearby residents within a half a mile
- Can provide State-mandated outdoor space for preschools (which could be scheduled in advance to avoid overlapping use)
- Typically includes recreational equipment, like play structures, slides, swings, etc. intended to enrich children's physical health and development

Visitors to outdoor community playgrounds must comply with the following requirements:

1. Face masks over the mouth and nose are required for everyone 2 years of age or older with caregiver supervision at all times to ensure face mask use.
2. Do not use the playground when different households are unable to maintain a physical distance of 6 feet or when the capacity limit has been reached.
3. Caregivers must monitor to keep adults and children from different households at least 6 feet apart.
4. Consider coming on different times or days to avoid wait times and potential crowded times.
5. No eating or drinking in playground, to ensure face masks are worn at all times.
6. Wash or sanitize hands before and after using the playground.
7. Elderly and persons with underlying medical conditions should avoid playground when others are present.

8. Limit visit to 30 min per day when others are present

Note: Facility operators should download and print this flyer to post at all outdoor playgrounds.

All playground facilities operators should review and follow these recommendations:

1. An adult must actively supervise each child at all times to make sure that children two years of age or older keep their face covering over their nose and mouth and stay 6 feet away from adults and children outside their household.
 - a. Children who are supervised by the same adult must stay together in the same play area or play structure at all times, to allow active supervision.
 - b. If an infant or child requires attention (nursing, diapering) that precludes an adult from actively supervising other children using the playground, the adult should ask the other children to leave the play structure/area and stay by the adult's side until needed care is complete.
2. People standing outside the playground, including people waiting to enter the playground, should remain 6 feet away from areas of the playground used by children and adults.
3. Maintain six-foot distancing between children and adults from different households including children using or waiting to use play structures or play areas, and families waiting to enter the playground.
4. Increase cleaning of frequently touched surfaces, daily as practicable.
5. To the extent feasible, provide handwashing stations or sanitizer to facilitate hand hygiene, especially during times of heavy usage. Use a hand sanitizer containing (60% ethanol or 70% isopropanol). Never use hand sanitizers with methanol due to its high toxicity to both children and adults.
6. Post the maximum number of children allowed at the entrance of each playground.
 - a. Determine and post the maximum occupancy of each play structure, (e.g., climbing structures, slides, swings, spinning structures, and sand areas) with 6 foot vertical and horizontal distancing.
 - b. Determine and post the maximum occupancy for supervising adults to ensure that each adult can maintain six feet of distance from other adults and children.
 - c. Provide directions on how to wait in line when maximum playground occupancy has been reached.
7. Mark playgrounds to help children and adults maintain 6 foot distancing.
 - a. Mark spaces for families to stand while waiting to enter the playground. The spaces should be far enough apart to allow 6 feet of distance between households.
 - b. For play structures or play areas that can hold more than one child while allowing 6 foot distancing:
 - i. Post the maximum number of children allowed on each structure/in each area to allow 6 foot distancing vertically and horizontally.
 - ii. For play structures or areas that can hold more than 1 child, consider marking with tape or other visual indicators to help children assess whether they are 6 feet apart.

- c. Mark designated spaces 6 feet apart for children to stand while waiting to use a play structure/area.

Additional Considerations

If there is a pre-scheduled activity that will access the playground, the playground must be closed to the broader public during that time.

Child care programs, schools, out-of-school time programs and other programs for children and youth where children must remain in cohorts may not use playgrounds during times when they are open to the public. However, if the playground operator permits, the childcare, school or other program may reserve a time for the exclusive use of the playground by the program. While on the playground, cohorts should maintain separation and avoid mixing.

Play It Safe

Due to the ongoing spread of COVID-19 in our communities, please follow these simple steps to help keep our outdoor playgrounds safe, open and fun.

✓ **WEAR A MASK**

Everyone 2 years and older should wear a mask covering their face.

✓ **MAINTAIN DISTANCE**

Maintain physical distance of 6 feet between individuals from different households and prevent crowding of children.

✓ **NO FOOD OR DRINK**

Do not eat or drink in playground to ensure face masks are worn at all times.

✓ **WASH HANDS**

Wash or sanitize your hands before and after you visit

✓ **PLAN AHEAD**

Visit the park at different times or days to avoid crowds and waits.

✓ **KNOW WHEN TO STAY HOME**

Elderly individuals and people with underlying medical conditions should avoid playgrounds when others are present.

✓ **SHARE OUR SPACE**

To avoid crowding and allow everyone to use this space, please limit your visit to 30 minutes when others are waiting.

Actué con Precaución

Debido a la propagación continua de Covid-19 en nuestras comunidades, siga estos pasos sencillos para ayudar a mantener nuestros parques infantiles al aire libre seguros, abiertos y divertidos.

✓ **USE UNA MASCARILLA**

Todas las personas mayores de dos años deben usar una mascarilla que cubra su cara.

✓ **MANTENGA DISTANCIA**

Mantén una distancia física de 6 pies entre personas de diferentes hogares y evite que se amontonen los niños.

✓ **NADA DE COMIDA NI BEBIDA**

No coma ni beba en el parque infantil para asegurarse que se usen mascarillas en todo momento.

✓ **LAVE MANOS**

Lávese y desinfecte sus manos antes y después de su visita.

✓ **PLANEA CON ANTICIPACIÓN**

Visite el parque en diferentes horarios o días para evitar demasiadas personas y esperas.

✓ **SEPA CUANDO QUEDARSE EN CASA**

Las personas mayores y las personas con condiciones médicas subyacentes deben evitar parques infantiles cuando hay otros presentes.

✓ **COMPARTE EL ESPACIO**

Para evitar aglomeraciones y permitir que todos usen el espacio, por favor limite su visita a 30 minutos cuando otros están esperando.

IN THE MATTER OF DEMANDING)
GOVERNOR NEWSOM PROVIDE) Resolution No. 2020-0695
CLARITY, CONSISTENCY, AND)
CONTINUITY REGARDING COVID-19)
DIRECTIVES TO COUNTIES)

WHEREAS, the Tulare County Board of Supervisors recognizes the seriousness of COVID-19 and the public health impact it is having in the country, the State, and the County; and

WHEREAS, the Tulare County Board of Supervisors recognizes and appreciates the tremendous difficulty and work associated with managing the country, the State, and the County through this extraordinary public health emergency; and

WHEREAS, the Tulare County Board of Supervisors believes that public health best practices, such as washing hands, social distancing, wearing a mask, disinfecting surfaces, and staying far away from others when sick, are essential for slowing the spread of COVID-19; and

WHEREAS, the Tulare County Board of Supervisors believes that slowing the spread of COVID-19 is critical to maintaining local hospital capacity and avoiding the catastrophic failure of the County's hospital and medical acute care systems; and

WHEREAS, the Tulare County Board of Supervisors believes that the biggest threat to slowing the spread of COVID-19 is large private and public gatherings, for extended periods of time, where basic public health guidelines and best practices are not being implemented or are ignored; and

WHEREAS, the Tulare County Board of Supervisors believes that government, while critical to helping slow the spread of COVID-19 and promoting best practices, cannot take the place of personal responsibility and individual decision-making when it comes to exercising public health best practices or voluntary testing; and

WHEREAS, on March 19, 2020, in response to the COVID-19 pandemic, California Governor Gavin Newsom issued Executive Order N-33-20, ordering all individuals in California to stay in their place of residence except as needed to maintain continuity of operations of federal critical infrastructure sectors; and

WHEREAS, California counties are required to adhere to Governor Newsom's orders, directives, criteria, requirements, and guidelines for COVID-19; and

WHEREAS, Tulare County, as a State mandated condition to receive CARES Act funding (i.e. federal funding allocated to local governments under the Corona Virus Aid, Relief, and Economic Security Act [H.R. 748]) from the State's federal allocation, certified that it will continue to adhere to the Governor's "stay-at-home requirements and other health requirements as directed in gubernatorial Executive Order N-33-20, and subsequent Executive Orders or statutes, and all California Department of Public Health orders, directives, and guidance in response to the COVID-19 emergency;" and

WHEREAS, on July 10, 2020, as a State condition to receiving CARES Act funding, Tulare County submitted a certification agreeing to adhere to the State's orders and guidance; and

WHEREAS, since March 19, 2020, Governor Newsom and the California Department of Public Health have modified state COVID-19 orders, directives, criteria, requirements, and guidelines for COVID-19, impacting all Californians, all California counties, all economic activity and other public and private activities on multiple occasions and without collaboration or consultation with the entities such orders impact; and

WHEREAS, California's counties are responsible for the implementation of state orders, directives, criteria, requirements, and guidelines, and are critical to the State's achievement of its goals and objectives related to COVID-19; and

WHEREAS, Governor Newsom continues to modify orders, directives, criteria, requirements, and guidelines, and goals and objectives related to COVID-19, with little to no collaboration with counties prior to announcement; and

WHEREAS, Governor Newsom's changes to COVID-19 goals and objectives have complicated the management of this crisis, forcing counties like Tulare to change course, and re-prioritize at great time and expense, straining local personnel and resources, often with little to no clarification regarding how these new goals and objectives prevent or slow the spread of COVID-19; and

WHEREAS, on August 28, 2020, Governor Newsom issued a new framework entitled "Blueprint for a Safer Economy" ("Blueprint"), to allow for the "safe progression of opening more businesses in each county so impacts of any given change can be fully evaluated;" and

WHEREAS, this Blueprint originally, and specifically, required California's counties to meet stated and simple benchmarks in overall Case Rates and Testing Positivity Rates in order to move into less restrictive tiers that would allow for a measured reopening of businesses, schools and other activities; and

WHEREAS, on Monday, September 7, 2020 Governor Newsom announced an adjustment to this Blueprint to include a Case Rate Adjustment Factor for counties with an overall Testing Rate lower than the state median, a complicated additional criteria that counties must meet for the measured reopening of businesses, schools and other activities; and

WHEREAS, Governor Newsom is now arbitrarily inflating overall Case Rate numbers in those counties who have an overall Testing Rate below the statewide average, further slowing and complicating a county's move into a less restrictive tier; and

WHEREAS the median statewide testing rate is a moving target and the relevance of using this measure to adjust county case rates is unclear; and

WHEREAS, this new criterion unnecessarily burdens Tulare County residents by slowing business and school reopening, and it penalizes counties, which have little to no control over individual decision-making related to COVID-19 testing, and

WHEREAS, due to the constantly changing orders and metrics, Tulare County continues to bear the increasing burden and expense of adjusting its pandemic response strategies and tracking mechanisms so that it may continue to receive the CARES Act funding it has been allocated; and

WHEREAS, Tulare County and its residents have been especially hindered by these changing metrics as other counties begin to move through the tiers that allow for reopening of in person education, leaving Tulare County behind in the education of its youth and lead to significant emotional, nutritional, and physical harm; and

WHEREAS, the Governor's newly-established health equity measures will have a disproportionally negative impact on Tulare County's agricultural community, low-income residents, disadvantaged students and other community groups; and

WHEREAS, Tulare County is slowing the spread of COVID-19, has continued to locally reinforce all directives of the State; has made critical investments in testing and contact tracing capacity; has made critical investments in testing, tracing and containment at State-regulated skilled nursing facilities; has made critical investments in support of local business, non-profits, and disadvantaged communities; has lowered local hospitalization rates; and has increased and sustained local hospital capacity.

NOW, THEREFORE, IT IS RESOLVED, by the Board of Supervisors of the County of Tulare, State of California, as follows:

1. Tulare County demands that Governor Newsom provide increased clarity, consistency and continuity in his directives to counties, business communities, and residents regarding the COVID-19 pandemic.
2. Tulare County demands that the Governor and his administration work more closely with all counties, including Tulare, to develop a pathway for increased business activity and school reopening, ensuring it is done safely and responsibly.
3. Tulare County demands that State and local actions related to COVID-19 focus on maintaining hospital and medical system capacity, which was the primary

objective in "flattening the curve" at the start of the pandemic in March.

4. Tulare County demands that the State use hospital and medical system capacity as the primary criteria for increased, but measured, reopening of businesses and schools in all counties.
5. Tulare County demands that Governor Newsom not continue to modify the criteria and metrics used by the State to determine when businesses can begin to reopen in each county.
6. Tulare County demands that Governor Newsom track and utilize each county's actual Case Rate and Testing Positivity Rate, without a Case Rate Adjustment Factor, to determine a county's movement through the "Blueprint for a Safer Economy" risk tier framework.
7. Tulare County demands that Governor Newsom not penalize counties for not achieving new State goals and objectives that are not directly related to flattening the curve and maintaining hospital and medical system capacity; and
8. Tulare County demands that Governor Newsom follow through with his commitments to the Central Valley and provide Tulare County with the necessary contracts and infrastructure development to meet the State's metrics for testing volume.
9. Tulare County demands that Governor Newsom not continue to burden California's small business community and families by linking business and school reopening to any requirements beyond what was outlined in the original Blueprint, announced on August 28, 2020.
10. Tulare County demands that California counties be judged on simple, consistent, achievable, and measurable objectives related to maintaining hospital and medical system capacity, and slowing the spread of COVID-19.
11. Tulare County demands that due to the increasing burden and expense to Tulare County that these changing orders have presented, the State distribute in its entirety, the remaining CARES Act funding allocated to Tulare County under the State Budget Act of 2020.
12. The Clerk of the Board of Supervisors shall transmit copies of this to the following:

TO: All Californians

SUBJECT: Guidance for Private Gatherings

Summary

This guidance provides an updated plan for Californians to gather outside their household and replaces the prior gatherings guidance issued on September 12, 2020 and March 16, 2020. It applies to private gatherings, and all other gatherings not covered by existing sector guidance are prohibited. Gatherings are defined as social situations that bring together people from different households at the same time in a single space or place. When people from different households mix, this increases the risk of transmission of COVID-19.

Mandatory Requirements for All Gatherings

All persons planning to host or participate in a private gathering, as defined above, must comply with the following requirements. Local health jurisdictions may be more restrictive than this guidance. Refer to your local guidance for what is allowed in your area.

1. Attendance

- *Gatherings that include more than **3 households are prohibited**. This includes everyone present, including hosts and guests. Remember, the smaller the number of people, the safer.*
- *Keep the households that you interact with stable over time. By spending time with the same people, risk of transmission is reduced. Participating in multiple gatherings with different households or groups is strongly discouraged.*
- *The host should collect names of all attendees and contact information in case contact tracing is needed later.*

2. *Gather Outdoors*

- Gatherings that occur outdoors are significantly safer than indoor gatherings. All gatherings must be held outside. Attendees may go inside to use restrooms as long as the restrooms are frequently sanitized.
- Gatherings may occur in outdoor spaces that are covered by umbrellas, canopies, awnings, roofs, and other shade structures provided that at least three sides of the space (or 75%) are open to the outdoors.
- A gathering of no more than three households is permitted in a public park or other outdoor space, even if unrelated gatherings of other groups up to three households are also occurring in the same park or other outdoor space. If multiple such gatherings are occurring, mixing between group gatherings is not allowed. Additionally, multiple gatherings of three households cannot be jointly organized or coordinated to occur in the same public park or other outdoor space at the same time – this would constitute a gathering exceeding the permitted size.

3. *Don't Attend Gatherings If You Feel Sick or You Are in a High-Risk Group*

- Anyone with any COVID-19-like symptoms (fever, cough, shortness of breath, chills, night sweats, sore throat, nausea, vomiting, diarrhea, tiredness, muscle or body aches, headaches, confusion, or loss of sense of taste/smell), **must stay home and not come into contact with anyone outside their household.**
- Anyone who develops COVID-19 within 48 hours after attending a gathering should notify the other attendees as soon as possible regarding the potential exposure.
- People at higher risk of severe illness or death from COVID-19 (such as older adults and people with chronic medical conditions) are strongly urged not to attend any gatherings.

4. *Practice Physical Distancing and Hand Hygiene at Gatherings*

- For any gatherings permitted under this guidance, the space must be large enough so that everyone at a gathering can maintain at least a 6-foot physical distance from others (not including their own household) at all times.
- Seating must provide at least 6 feet of distance (in all directions—front-to-back and side-to-side) between different households.
- Everyone at a gathering should frequently wash their hands with soap and water, or use hand sanitizer if soap and water are not available. A place to wash hands or hand sanitizer must be available for participants to use.
- Shared items should not be used during a gathering. As much as possible, any food or beverages at outdoor gatherings must be in single-serve disposable containers. If providing single-serve containers is not possible, food and beverages must be served by a person who washes or sanitizes their hands frequently, and wears a face covering. Self-serve items from communal containers should not be used.

5. *Wear a Face Covering to Keep COVID-19 from Spreading*

- When gathering, face coverings must be worn in accordance with the CDPH Guidance on the Use of Face Coverings (PDF), unless an exemption is applicable.
- People at gatherings may remove their face coverings briefly to eat or drink as long as they stay at least 6 feet away from everyone outside their own household, and put their face covering back on as soon as they are done with the activity.
- Face coverings can also be removed to meet urgent medical needs (for example, to use an asthma inhaler, take medication, or if feeling light-headed).

6. *Keep it short*

- Gatherings should be two hours or less. The longer the duration, the risk of transmission increases.

7. *Rules for Singing, Chanting, and Shouting at Outdoor Gatherings*

- Singing, chanting, shouting, and physical exertion significantly increases the risk of COVID-19 transmission because these activities increase the release of respiratory droplets and fine aerosols into the air. Because of this, singing, chanting, and shouting are strongly discouraged, but if they occur, the following rules and recommendations apply:
 - All people who are singing or chanting should wear a face covering at all times while singing or chanting, including anyone who is leading a song or chant. Because these activities pose a very high risk of COVID-19 transmission, face coverings are essential to reduce the spread of respiratory droplets and fine aerosols;
 - People who are singing, shouting, chanting, or exercising are strongly encouraged to maintain physical distancing beyond 6 feet to further reduce risk.
 - People who are singing or chanting are strongly encouraged to do so quietly (at or below the volume of a normal speaking voice).
- Instrumental music is allowed as long as the musicians maintain at least 6-foot physical distancing. Musicians must be from one of the three households. Playing of wind instruments (any instrument played by the mouth, such as a trumpet or clarinet) is strongly discouraged.

Context

COVID-19 continues to pose a severe risk to communities and requires all people in California to follow necessary precautions and to adapt the way they live and function in light of this ongoing risk. The safest way to gather is to spend time with people in the same household or to gather virtually.

In general, the **more people from different households** a person interacts with at a gathering, the **closer** the physical interaction is, and the **longer** the interaction lasts, the higher the risk that a person with a COVID-19 infection, symptomatic or asymptomatic, may spread it to others. Public health studies have also shown that the risk of transmission is increased **in indoor spaces**, particularly when there isn't appropriate ventilation.[1] Unlike indoor spaces, wind and air in outdoor spaces can help reduce spread of the virus from one person to another.

Planning scenarios published by the CDC estimate that, on average, a person with COVID-19 goes on to infect between 2-4 people, with a best estimate of 2.5 when there are no preventive measures.[2] For example, if each infected person spreads the virus to two people, who in turn spread it to two others each; those four will spread the

virus to eight others; those eight will spread the virus to 16; and so on. As a result, after 10 transmission cycles, one person could be responsible for 1,024 other people contracting the virus.[3] Additionally, there is broad agreement that people who are not experiencing symptoms can still spread COVID-19[4]. The fact that COVID-19 can be spread by people who don't have symptoms or aren't showing symptoms yet is one of the aspects of the COVID-19 that makes it difficult to control.

All gatherings pose a higher risk of transmission and spread of COVID-19 when people mix from different households and communities. The likelihood of transmission and spread increases with laughing, singing, loud talking and difficulty maintaining physical distance. Limiting attendance at gatherings is a way to reduce the risk of spread as it lowers the number of different people who are interacting. Additionally, by limiting attendance there is an improved ability to perform effective contact tracing if there is a positive case discovered, which can help to slow the spread of COVID-19[5]. People who do choose to attend gatherings should discuss and agree upon the specific group rules before convening together.

- ▶ Public Health Alliance of Southern California
- ▶ HPI Map
- ▶ Created a composite score from a number of indicators in categories such as economy, education, transportation, clean environment, housing, healthcare access and more
- ▶ Counties and census tracts are ranked by their composite score percentile statewide
- ▶ 264 of 8,057 tracts are not scored

Ranking Counties Across the State

San Joaquin Valley county percentiles range from 1.8 (Merced) to 32.1 (San Joaquin) with Tulare at 5.4.

Tulare County Census Tracts - HPI Ranking is Statewide

- ▶ Tulare County has 78 census tracts
 - ▶ 2 are not scored
- ▶ HPI scores range from -1.31 to +0.26
- ▶ Percentiles range from 0.38 to 65.9

Health Equity Metric - Census Tracts are *Ranked within Counties*

- ▶ All census tracts with HPI scores are ranked
- ▶ Tracts are divided into 4 groups, quartiles
- ▶ In Tulare County, 76 tracts are divided into 4 quartiles of 19 census tracts each
- ▶ The quartile with the lowest HPI scores is our Low HPI Quartile - the bright blue census tracts on this map

Census Tracts in the Lowest Quartile of the Healthy Places Index for Tulare County

Health Equity Blueprint Metric

- ▶ Lowest HPI quartile test positivity rate must meet the specified threshold for the less restrictive tier before a county can move to that tier
 - ▶ For counties entering the red tier, their lowest quartile HPI census tracts' test positivity must also be $\leq 8\%$
 - ▶ For counties entering the orange tier, their lowest quartile HPI census tracts' test positivity must be within 5% of the orange tier threshold, or $\leq 5.2\%$
 - ▶ For counties entering the yellow tier, their lowest quartile HPI census tracts must be within 10% of the yellow tier threshold, or $\leq 2.1\%$

Tier assignment updated October 13

- Tulare County's overall positivity rate was 5.8% and
- Positivity in the lowest HPI quartile was 8.0%
- Both were in Tier 2 "substantial" category
- However, we were assigned Tier 1 due to case rate > 7.0

COVID-19 INDUSTRY GUIDANCE: Expanded Personal Care Services

October 20, 2020

This guidance is designed to address sectors and activities opening statewide. However, local health officers may implement more stringent rules tailored to local epidemiological conditions, so employers should also confirm relevant local opening policies.

OVERVIEW

On March 19, 2020, the State Public Health Officer and Director of the California Department of Public Health issued an order requiring most Californians to stay at home to disrupt the spread of COVID-19 among the population.

The impact of COVID-19 on the health of Californians is not yet fully known. Reported illness ranges from very mild (some people have no symptoms) to severe illness that may result in death. Certain groups, including people aged 65 or older and those with serious underlying medical conditions, such as heart or lung disease or diabetes, are at higher risk of hospitalization and serious complications. Transmission is most likely when people are in close contact or in a poorly ventilated area with an infected person, even if that person does not have any symptoms or has not yet developed symptoms.

Precise information about the number and rates of COVID-19 by industry or occupational groups, including among critical infrastructure workers, is not available at this time. There have been multiple outbreaks in a range of workplaces, indicating that workers are at risk of acquiring or transmitting COVID-19 infection. Examples of these workplaces include hospitals, long-term care facilities, prisons, food production, warehouses, meat processing plants, restaurants, and grocery stores.

As stay-at-home orders are modified, it is essential that all possible steps be taken to ensure the safety of workers and the public.

Key prevention practices include:

- ✓ physical distancing to the maximum extent possible,
- ✓ use of face coverings by workers (where respiratory protection is not required) and customers/clients,
- ✓ frequent handwashing and regular cleaning and disinfection,
- ✓ training workers on these and other elements of the COVID-19 prevention plan.

In addition, it will be critical to have in place appropriate processes to identify new cases of illness in workplaces and, when they are identified, to intervene quickly and work with public health authorities to halt the spread of the virus.

PURPOSE

This document provides guidance for expanded personal care services, which includes personal care that requires touching a client's face, e.g. facials, electrolysis, and waxing. This guidance applies to esthetic, skin care, electrology, nail services, body art professionals, tattoo parlors, and piercing shops, and massage therapy (in non-healthcare settings). Businesses in these industries are open across all tiers but must follow the modifications in this guidance.

For the most updated information on county tier status, visit [Blueprint for a Safer Economy](#). Please note that local health departments can have more restrictive criteria and different closures. Find [your county's local information](#).

This guidance is intended to support a safe, clean environment for workers and customers. Establishment license holders must acknowledge that renters or lessees should only resume operations when they are ready and able to implement the necessary safety measures to provide for their safety and that of their customers.

The guidance is not intended to revoke or repeal any worker rights, either statutory, regulatory, or collectively bargained and is not exhaustive, as it does not include county health orders, nor is it a substitute for any existing safety and health-related regulatory requirements such as those of Cal/OSHA or the California Board of Barbering and Cosmetology.¹ Stay current on changes to public health guidance and state/local orders, as the COVID-19 situation continues. Cal/OSHA has more comprehensive guidance on their [Cal/OSHA General Guidelines on Protecting Workers from COVID-19 webpage](#). CDC has additional requirements in their [guidance](#) for businesses and employers.

Required Use of Face Coverings

On June 18, CDPH issued [Guidance on the Use of Face Coverings](#), which broadly requires the use of face coverings for both members of the public and workers in all public and workplace settings where there is a high risk of exposure. Complete details, including all requirements and exemptions to these rules, can be found in the [guidance](#).

The [CDPH Face Covering Guidance](#) is subject to additional updates based on the current scientific understanding of transmission of the virus causing COVID-19. Please check the CDPH website for any revisions.

Workplace Specific Plan

- Establish a written, workplace-specific COVID-19 prevention plan at every location, perform a comprehensive risk assessment of all work areas and work tasks and designate a person at each facility to implement the plan.
- Incorporate the [CDPH Face Covering Guidance](#) into the Workplace Specific Plan and include a policy for handling exemptions.
- Identify contact information for the local health department where the facility is located for communicating information about COVID-19 outbreaks among workers or customers.
- Train and communicate with workers and worker representatives on the plan and make the plan available to workers and their representatives.
- Regularly evaluate the workplace for compliance with the plan and document and correct deficiencies identified.
- Investigate any COVID-19 illness and determine if any work-related factors could have contributed to risk of infection. Update the plan as needed to prevent further cases.
- Implement the necessary processes and protocols when a workplace has an outbreak, in accordance with [CDPH guidelines](#) and orders or guidance from the local health department.
- Identify close contacts (within six feet for 15 minutes or more) of an infected worker and take steps to isolate COVID-19 positive worker(s) and close contacts.
- Notify all employees in writing, and employers of subcontracted employees, who may have been exposed to COVID-19 and report workplace outbreaks to the local health department. For additional information on employer responsibilities under [AB 685](#) (Chapter 84, Statutes of 2020), refer to the [Enhanced Enforcement and Employer Reporting Requirements](#) from Cal/OSHA and the [Employer Questions about AB 685](#) from CDPH.
- Adhere to the guidelines below. Failure to do so could result in workplace illnesses that may cause operations to be temporarily closed or limited.

Topics for Worker Training

- Information on [COVID-19](#), how to prevent it from spreading, and [people who are at higher risk](#) for severe illness or death.
- Self-screening at home, including temperature and/or symptom checks using [CDC guidelines](#).

- The importance of not coming to work:
 - If a worker has symptoms of COVID-19 as [described by the CDC](#), such as a fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea, vomiting, or diarrhea, OR
 - If a worker was diagnosed with COVID-19 and has not yet been released from isolation, OR
 - If, within the past 14 days, a worker has had contact with someone who has been diagnosed with COVID-19 and is considered potentially infectious (i.e. still on isolation).
- To return to work after a worker receives a COVID-19 diagnosis only after meeting [CDPH Guidance on Returning to Work or School Following COVID-19 Diagnosis](#).
- To seek medical attention if their symptoms become severe, including persistent pain or pressure in the chest, confusion, or bluish lips or face. Updates and further details are available on [CDC's webpage](#).
- The importance of frequent handwashing with soap and water, including scrubbing with soap for 20 seconds (or using hand sanitizer with at least 60% ethanol (preferred) or 70% isopropanol (if the product is inaccessible to unsupervised children) when workers cannot get to a sink or handwashing station, per [CDC guidelines](#)). Never use hand sanitizers with [methanol](#) due to its high toxicity to both children and adults.
- The importance of physical distancing, both at work and off work time (see Physical Distancing section below).
- Proper use of face coverings, including:
 - Face coverings are not personal protective equipment (PPE).
 - Face coverings do not replace the need for physical distancing and frequent handwashing.
 - Face coverings must cover the nose and mouth.
 - Workers should wash or sanitize hands before and after using or adjusting face coverings.
 - Avoid touching eyes, nose, and mouth.
 - Face coverings must not be shared and should be washed or discarded after each shift.
- Information contained in the [CDPH Guidance for the Use of Face Coverings](#), which mandates the circumstances in which face coverings must be worn and the exemptions, as well as any policies, work rules, and

practices the employer has adopted to ensure the use of face coverings. Training should also include the employer's policies on how people who are exempted from wearing a face covering will be handled.

- Ensure any independent contractors, temporary, or contract workers at the facility are also properly trained in COVID-19 prevention policies and have necessary supplies and PPE. Discuss these responsibilities ahead of time with organizations supplying temporary and/or contract workers.
- Information on paid leave benefits the worker may be entitled to receive that would make it financially easier to stay at home. See additional information on [government programs supporting sick leave and workers' compensation for COVID-19](#), including workers' sick leave rights under the [Families First Coronavirus Response Act](#).

Individual Control Measures and Screening

- Provide temperature and/or symptom screenings for all workers at the beginning of their shift and any vendors or contractors entering the establishment. Make sure the temperature/symptom screener avoids close contact with workers to the extent possible.
- If requiring self-screening at home, which is an appropriate alternative to providing it at the establishment, ensure that screening was performed prior to the worker leaving the home for their shift and follows [CDC guidelines](#), as described in the Topics for Worker Training section above.
- Encourage workers and customers who are sick or exhibiting symptoms of COVID-19 to stay home.
- Employers must provide and ensure workers use all required protective equipment, including eye protection, gloves, and face shields where necessary.
- Employers should consider where disposable glove use may be helpful to supplement frequent handwashing or use of hand sanitizer; examples are for workers who are screening others for symptoms or handling commonly touched items. Workers should wear gloves when handling items contaminated by body fluids.
- Disposable gloves should be worn for services that require them. Wearing gloves should be done in conjunction with regular hand washing and is not a substitute for regular hand washing.
- Workers who consistently must be within six feet of customers or co-workers must wear a secondary barrier (e.g., face shield or safety goggles) in addition to a face covering. All employees should minimize the amount of time spent within six feet of customers.

- Contact customers before visits to confirm appointments and ask if they or someone in their household is exhibiting any COVID-19 symptoms. If the customer answers in the affirmative, reschedule the appointment. Such communication can be done via phone, app, email, or text to remind customers that they should only come to the facility for their appointment if they do not pose a health risk to other customers or workers. In order to implement pre-screening protocols and ensure physical distancing protocols, consider suspending walk-in appointment availability.
- Tell customers that no additional friends or family will be permitted in the facility, except for a parent or guardian accompanying a minor.
- Customers should be screened for temperature and/or symptoms upon arrival, asked to use hand sanitizer, and to wear a face covering unless exempted per the [CDPH Face Covering Guidance](#). Employers have the right to refuse entry to symptomatic customers or visitors.
- Display a set of guidelines for customers that are to be a condition of entry. The guidelines must include instructions to wear face coverings, use hand sanitizer, maintain physical distance from other customers, and they should communicate changes to service offerings. The guidelines should be posted in clearly visible locations, including at entrances, include pictograms, and be made available digitally (e.g. through email).

Ventilation, Cleaning, and Disinfecting Protocols

- Consider opening treatment room windows, if feasible and within security protocols.
- Where possible, install portable high-efficiency air cleaners, upgrade the building's air filters to the highest efficiency possible, and make other modifications to increase the quantity of outside air and ventilation in all working areas.
- Check the [CDPH website](#) periodically for updates on indoor air quality and ventilation guidance for airborne diseases in indoor settings.
- Ensure that coworkers, fellow tenants, booth renters, and/or staff have coordinated and put a plan in place for cleaning and disinfection at the beginning and end of each shift and in between customers. Perform thorough cleaning in high traffic areas, such as reception areas, and areas of ingress and egress including stairways, stairwells, and handrails.
- Frequently disinfect commonly used surfaces including credit card terminals, counters, reception area seating, door handles, light switches, phones, toilets, and handwashing facilities.
- Evaluate existing ventilation, hygiene, and sanitation protocols and

cleaning processes and update where necessary. Use hospital grade, [Environmental Protection Agency \(EPA\)-approved products](#) to clean and disinfect anything the client came in contact with, including treatment tables, face cradles, stools, bolsters, door knobs, side tables, chairs, etc. Follow the product manufacturer's recommendations for contact time. Use disinfectants labeled to be effective against emerging viral pathogens, diluted household bleach solutions (5 tablespoons per gallon of water), or alcohol solutions with at least 70% alcohol that are appropriate for the surface. Provide workers training on the chemical hazards, manufacturer's directions for use, ventilation requirements, and Cal/OSHA requirements for safe use. Workers using cleaners or disinfectants should wear gloves and other protective equipment as required by the product. Follow the [asthma-safer cleaning methods](#) recommended by the California Department of Public Health and ensure proper ventilation.

- Since porous surfaces such as chair seats cannot be easily disinfected, consider covering with a plastic or disposable liner and cleaning or disposing of the liner after each customer.
- All appliances at work stations and in treatment rooms should be properly disinfected between each customer.
 - For non-porous implements, such as tweezers or scissors, clean the item with hot, soapy water to remove any physical debris. Rinse and dry the implement completely. Follow by immersing the implement in an EPA-registered liquid disinfectant that is labeled as a bactericide, fungicide, and virucide for the full contact time as stated by the manufacturer's directions. Items should be removed at the end of contact time, rinsed, and dried with a clean paper towel.
 - For electrical implements such as magnifying LED lamps, hot towel warmers, and esthetic devices, clean the implement with a spray or wipe to remove any physical debris. Follow with an EPA-registered disinfectant spray or wipe for the full contact time as noted by the manufacturer's directions. Use caution when using a spray and be sure your device is unplugged and do not spray into the motor. For electronics such as tablets, touch screens, keyboards, remote controls, and ATM machines, remove visible contamination if present. Follow the manufacturer's instructions for all cleaning and disinfection products. Consider use of wipeable covers for electronics. If no manufacturer guidance is available, consider the use of alcohol-based wipes or sprays containing at least 60% alcohol to disinfect touch screens. Dry surfaces thoroughly to avoid pooling of liquids.
- To minimize the risk of [Legionnaires' disease](#) and other diseases associated with water, [take steps](#) to ensure that all water systems (e.g., drinking fountains) are safe to use after a prolonged facility shutdown.

- Where linens are used, even if the customer does not get under them, the linens should still be removed and the bed or table properly disinfected. Treatment tables must be covered with either clean treatment table paper, a clean towel, or a clean sheet after each use.
- Workers should wear disposable gloves when removing used linens, towels, and other draping, including blankets and client draping for each treatment. Do not shake the dirty laundry. Place used linens in a lined, lidded receptacle positioned outside the treatment space, if possible, to minimize the possibility of dispersing virus in the air. Dirty linens should not be used again until properly laundered either by a commercial laundering service or a laundering process which includes immersion in water of at least 160 degrees Fahrenheit for at least 25 minutes. Store all clean linens in a clean, covered place.
- Where possible, do not clean floors by sweeping or other methods that can disperse pathogens into the air unless all persons in the area have appropriate PPE. Use a vacuum with a HEPA filter wherever possible.
- Do not allow food or beverages to be at stations or in treatment rooms.
- Thoroughly clean any product display areas, including all shelving and display cases. Remove and discard any open "test" products and discontinue this practice to help reduce contamination. Add signage to this area to let customers know it is cleaned and disinfected daily.
- Encourage the use of credit cards and contactless payment systems. If electronic or card payment is not possible, customers should come with exact cash payment or check.
- Consider upgrading to touchless faucets, soap and paper towel dispensers, and adding touchless, automatic hand sanitizer dispensers. Ensure soap dispensers and paper towel dispensers are regularly filled.
- Equip reception areas and workstations with proper sanitation products, including hand sanitizer and sanitizing wipes.
- Provide time for workers to implement cleaning practices during their shift. Cleaning assignments should be assigned during working hours as part of the worker's job duties.
- Workers should avoid sharing phones, tablets, laptops, desks, pens, and other work supplies, wherever possible. Never share PPE.
- In addition to the above cleaning and disinfecting protocols, businesses must follow the existing [California Board of Barbering and Cosmetology rules](#). Additional rules may also apply for businesses at the local, county-level.

Physical Distancing Guidelines

- **WARNING:** physical distancing alone is insufficient to prevent transmission of COVID-19.
- Implement measures to ensure physical distancing of at least six feet between and among workers and customers, except while providing the services that require close contact. This can include use of physical partitions or visual cues (e.g., floor markings, colored tape, or signs to indicate to where workers and/or customers should stand).
- Maintain at least six feet of physical distance between each work station area, and/or use impermeable barriers between work stations to protect customers from each other and workers.
- Stagger appointments to reduce reception congestion and ensure adequate time for proper cleaning and disinfection between each customer visit. Consider servicing fewer customers each day or expanding operating hours to allow for more time between customers and suspending walk-in appointments.
- If possible, implement virtual check-in technology to ensure that workers are notified when a customer arrives. Ask customers to wait outside or in their cars rather than congregating in reception areas. Reception areas should only have one customer at a time or the area should be modified to support adequate physical distancing, including removing chairs and sofas or spacing them further apart.
- For outdoor operations, establish an outdoor reception area where customers can check in while still following physical distancing guidelines. Take measures at reception desks or other areas where physical distancing cannot be maintained to minimize exposure between workers and customers, such as Plexiglas or other barriers.
- For outdoor operations, create outdoor break areas with shade covers and seating that ensures physical distancing, where possible.
- Take measures at reception desks or other areas where physical distancing cannot be maintained to minimize exposure between workers and customers, such as Plexiglas or other barriers.
- Consider offering workers who request modified duties options that minimize their contact with customers and other workers (e.g., managing inventory or managing administrative needs through telework).
- Require workers to avoid handshakes, fist bumps, hugs, or similar greetings that break physical distance.
- Do not allow people to congregate in high traffic areas such as bathrooms, hallways, bar areas, reservation, and credit card terminals, etc.

- Ensure workers can maintain physical distance in breakrooms, using barriers, increasing distance between tables/chairs to separate workers, etc. Where possible, create outdoor break areas with shade coverings and seating arrangements that ensures physical distancing. Discourage workers from congregating during breaks and ensure they are not eating or drinking without face coverings within six feet of each other.
- Adjust any staff meetings to ensure physical distancing. Hold meetings over the phone or via webinar for workers wherever possible.

Additional Considerations for Esthetic and Skin Care Services

- Workers should wear a face shield for eye protection (with a face covering) when they are providing clients treatment on facial or neck areas that do not enable the client to wear a face covering.
- Disposable gloves should be worn throughout the entire esthetic service and while performing cleaning and disinfection of all implements and surfaces after each client session.
- Before leaving the treatment room or area, remove and dispose of gloves, apply proper hand sanitizer or wash hands with soap and water, and use a previously readied disposable barrier, such as a paper towel or sanitizer wipe, to open and close the treatment room door while leaving the room.
- Single use applicators must be used and disposed of immediately after use in a lined trash bin. The trash bin should have a lid and should be lined with a disposable plastic bag.

Additional Considerations for Electrology Services

- Electrology services must not be provided in the outdoor setting because they are invasive procedures that require a controlled hygienic environment to be performed safely.
- Electrologists must use disposable gloves during the client's entire treatment. Electrologists should wear a face shield for eye protection (with a face covering) when they are providing clients treatment on facial or neck areas that do not enable the client to wear a face covering.
- Clients having any other areas treated should be required to wear a face covering throughout the service, if able to wear one per the [CDPH Face Covering Guidance](#).

- Tweezers, rollers, and needle holder caps should be properly cleaned and sterilized between each client. This could include the use of an autoclave or placing the items in a sealed pouch and sterilizing them in a dry heat sterilizer. The pouch should not be reopened until the next client's treatment session begins.
- Where possible, use disposable probes that do not require a probe tip or cap, which will reduce exposure points. If not using disposable probe tips or caps, the removable tip or cap of the epilator needle/probe holder must be cleaned and disinfected after each client.
- Needles used for electrolysis must be single-use, disposable, pre-packaged, and sterile and disposed of in an approved sharps container immediately after use. Sharps containers must be discarded in accordance with biomedical waste regulation.
- Heat produced by the electrical current passing through an electrolysis needle is not sufficient to sterilize it.
- Ultrasonic cleaning units, forceps, and all containers, including their removable parts, must be cleaned and disinfected between each client according to the manufacturer's instructions.

Additional Considerations for Nail Services

- Clients must wash their hands before nail services are provided.
- Workers must wear face coverings at all times, or a respirator where required. Respirators are required where ventilation is insufficient to reduce exposure below permissible exposure limits established in title 8 [section 5155](#). In cases of chemical exposure, only elastomeric respirators with the correct chemical cartridge combined with a particulate filter are appropriate for use.
- Disposable gloves should be worn throughout the entire service and while performing cleaning and disinfection of all implements and surfaces after each client. Once cleaning is finished, remove and dispose of gloves and apply proper hand sanitizer or wash hands with soap and water.
- Pedicures done outside shall be limited to portable tubs/bowls and must be disinfected with an EPA-registered liquid disinfectant that is labeled as a bactericide, fungicide and virucide. Refer to manufacturer's instructions on concentration. The disinfection should occur inside the nail salon and not in the temporary outdoor setting.
- Pedicure bowls must be disinfected with an EPA-registered liquid disinfectant that is labeled as a bactericide, fungicide and virucide. Refer to manufacturer's instructions on concentration. For whirlpool foot spas, air-jet basins or pipeless foot spas, disinfectant must be circulated for at least

10 minutes. For non-whirlpool foot basins and tubs, soak disinfectant in the basin or tub for at least 10 minutes. Foot-spas, basins and pedicure bowls must be properly cleaned and disinfected after every client even if a disposable plastic liner is used.

- Nail salons should use disposable supplies whenever possible. Any non-disposable supplies must be fully disinfected between customers according to the California Board of Barbering and Cosmetology guidelines.
- All single use items, such as cardboard files, sand-bands for drills and buffers, disposable sandals, toe separators, and applicators, must be used once and immediately thrown away in a lined, lidded trash can.
- To reduce the number of touchpoints, remove the nail polish displays. In the absence of a nail polish display, use a color palette, which is to be cleaned and disinfected after each client use. If the nail polish display is not removed, nail polishes should be cleaned and disinfected before being returned to the display.
- Consider whether it is feasible to install a plastic partition between the worker and client with ample space cut out where hands or feet can be slid underneath to conduct the manicure or pedicure.
- Allow only one manicurist to work at each station and do not allow clients to get multiple services at the same time, such as a manicure and pedicure.
- If fans, such as pedestal fans or hard-mounted fans, are used in the salon, take steps to minimize air from fans blowing directly from one person toward another. If fans are disabled or removed, employers should remain aware of possible heat hazards and take steps to mitigate them.
- Nail salons should consider upgrading existing ventilation to include locally exhausted nail tables.

Additional Considerations for Body Art Professionals, Tattoo Parlors, and Piercing Shops

- Disposable gloves are required throughout the tattooing or piercing service and while performing cleaning and disinfection of all implements and surfaces after each customer session.
- Workers should ensure they wash their hands thoroughly with soap and water or use hand sanitizer immediately before putting on and after removing gloves.

- Suspend piercing and tattooing services for the mouth/nose area.
- Chairs should be arranged to ensure at least six feet of space between customers. Establishments should consider additional divider shields or other impermeable barriers where appropriate.
- Workers should provide tattooing or piercing services for only one customer at a time.

Additional Considerations for Massage Services (Non-Healthcare Settings)

- Clients must wash their hands before any services are provided.
- Consider alterations to the treatment table setup to support the required cleaning and disinfecting protocols. This could include using disposable face cradle covers and/or protecting the table, table warmers, bolsters, and other items with washable barriers like pillowcases that can be removed and replaced between each client. Barriers are not a substitution for the required cleaning and disinfecting protocols.
- Evaluate whether facial massages or other hands-on work to the face will be offered. If providing such services, use non-latex gloves for this part of the treatment. Facial massages should not be performed if it requires removal of the client's face covering.
- Provide any hand treatments as the last part of the service.
- Workers should wash their hands immediately upon finishing massage services.

¹ Additional requirements must be considered for vulnerable populations. Personal care providers must comply with all [Cal/OSHA](#) standards and be prepared to adhere to its guidance as well as guidance from the [Centers for Disease Control and Prevention \(CDC\)](#) and the [California Department of Public Health \(CDPH\)](#). Additionally, employers should be prepared to alter their operations as those guidelines change.

TO: All Californians

SUBJECT: Limited Stay At Home Order

Upon assessment of the recent, unprecedented rate of rise in increase in COVID-19 cases across California, the California Department of Public Health (CDPH) is taking immediate actions to prevent the spread of the virus. These immediate actions will help reduce community spread, protect individuals at higher risk of severe illness or death from COVID-19, and prevent the state's health care delivery system from becoming overwhelmed. Reducing movement and mixing of individual Californians is critical to decreasing transmission, hospitalizations, and deaths.

Therefore, as the State Public Health Officer, I am issuing a Limited Stay at Home order, effective in counties under Tier One (Purple) of California's Blueprint for a Safer Economy, requiring that all gatherings with members of other households and all activities conducted outside the residence, lodging, or temporary accommodation with members of other households cease between 10:00pm PST and 5:00am PST, except for those activities associated with the operation, maintenance, or usage of critical infrastructure[1] or required by law. This order does not apply to persons experiencing homelessness. Nothing in this order prevents any number of persons from the same household from leaving their residence, lodging, or temporary accommodation, as long as they do not engage in any interaction with (or otherwise gather with) any number of persons from any other household, except as specifically permitted herein.

This Limited Stay at Home Order will reduce opportunities for disease transmission with the goal of decreasing the number of hours individuals are in the community and mixing with individuals outside of their household. Every intervention to decrease mixing of households is critical during this unparalleled increase in case rate rise of about 50 percent during the first week in November. In particular, activities conducted during 10:00pm to 5:00am are often non-essential and more likely related to social activities and gatherings that have a higher likelihood of leading to reduced inhibition and reduced likelihood to adhere to COVID-19 preventive measures (e.g., wearing face coverings and maintaining physical distance).

This order shall take effect on November 21, 2020, at 10:00pm PST.

For counties that move into Tier One (Purple) after the effective date of this Order, the terms of this Order shall apply at 10:00pm PST on day two after the county is assigned to Tier One (Purple). For the purpose of counting days, day one shall be the first full day following the date of the tier assignment.

This order remains in effect until 5:00am PST on December 21, 2020, and may be extended or revised as needed.

This order is issued pursuant to Health and Safety Code sections 120125, 120130(c), 120135, 120140, 120145, 120175, 120195 and 131080; EO N-60-20, N-25-20, and other authority provided for under the Emergency Services Act; and other applicable law.

Regional Stay At Home Order
12/03/2020

Upon assessment of the recent, unprecedented rise in the rate of increase in COVID-19 cases, hospitalizations, and test positivity rates across California, the California Department of Public Health (CDPH) is taking immediate actions to prevent the spread of the virus.

The State, like the nation, continues to record an unprecedented surge in the level of community spread of COVID-19. California implemented an accelerated application of the Blueprint Framework metrics on November 16 and a limited Stay at Home Order issued on November 19. However, in the interim, the number of new cases per day has increased by over 112%, (from 8,743 to 18,588) and the rate of rise of new cases per day continues to increase dramatically. The number of new hospital admissions has increased from 777 on November 15, to 1,651 on December 2, and because of the lag between case identification and hospitalizations, we can only expect these numbers to increase.

Current projections show that without additional intervention to slow the spread of COVID-19, the number of available adult Intensive Care Unit (ICU) beds in the State of California will be at capacity in mid-December. This is a sign that the rate of rise in cases, if it continues, is at risk of overwhelming the ability of California hospitals to deliver healthcare to its residents suffering from COVID-19 and from other illnesses requiring hospital care. ICU beds are a critical resource for individuals who need the most advanced support and care and the ability to add additional ICU capacity is limited by the lack of available ICU nurses and physicians as a result of the nationwide surge in hospitalizations and ICU admissions.

Because the rate of increases in new cases continues to escalate and threatens to overwhelm the state's hospital system, further aggressive action is necessary to respond to the quickly evolving situation. While vaccines are promising future interventions, they are not available to address the immediate risks to healthcare delivery in the current surge. The immediate aggressive institution of additional non-pharmaceutical public health interventions is critical to avoid further overwhelming hospitals and to prevent the need to ration care.

NOW, THEREFORE, I, as Acting State Public Health Officer of the State of California, order:

1. CDPH will evaluate public health based on Regions, responsive to hospital capacity for persons resident in those Regions.
2. CDPH will evaluate the adult ICU bed capacity for each Region and identify on covid19.ca.gov any Regions for which that capacity is less than 15%. When that capacity is less than 15%, the following terms (the Terms of this Order) will apply.
 - a. All gatherings with members of other households are prohibited in the Region except as expressly permitted herein.
 - b. All individuals living in the Region shall stay home or at their place of residence except as necessary to conduct activities associated with the operation, maintenance, or usage of critical infrastructure,¹ as required by law, or as specifically permitted in this order.
 - c. [Worship](#) and [political expression](#) are permitted outdoors, consistent with existing guidance for those activities.
 - d. Critical infrastructure sectors may operate and must continue to modify operations pursuant to the [applicable sector guidance](#).
 - e. [Guidance](#) related to schools remain in effect and unchanged. Accordingly, when this Order takes effect in a Region, schools that have previously reopened for in-person instruction may remain open, and schools may continue to bring students back for in-person instruction under the [Elementary School Waiver Process](#) or [Cohorting Guidance](#).
 - f. In order to reduce congestion and the resulting increase in risk of transmission of COVID-19 in critical infrastructure retailers, all retailers may operate indoors at no more than 20% capacity and must follow the [guidance for retailers](#). All access to retail must be strictly metered to ensure compliance with the limit on capacity. The sale of food, beverages, and alcohol for in-store consumption is prohibited.
 - g. To promote and protect the physical and mental well-being of people in California, outdoor recreation facilities may continue to operate. Those facilities may not sell food or drink for on-site consumption. Overnight stays at

¹ See <https://covid19.ca.gov/essential-workforce/> for full list of California's Critical Infrastructure workforce.

campgrounds are not permitted.

- h. Nothing in this Order prevents any number of persons from the same household from leaving their residence, lodging, or temporary accommodation, as long as they do not engage in any interaction with (or otherwise gather with) any number of persons from any other household, except as specifically permitted herein.
 - i. Terms (a) and (b) of this section do not apply to persons experiencing homelessness.
- 3. Except as otherwise required by law, no hotel or lodging entity in California shall accept or honor out of state reservations for non-essential travel, unless the reservation is for at least the minimum time period required for quarantine and the persons identified in the reservation will quarantine in the hotel or lodging entity until after that time period has expired.
- 4. This order shall take effect on December 5, 2020 at 1259pm PST.
- 5. For Regions where the adult ICU bed capacity falls below 15% after the effective date of this order, the Terms of this Order shall take effect 24 hours after that assessment.
- 6. The Terms of this Order shall remain in place for at least three weeks from the date the order takes effect in a Region and shall continue until CDPH's four-week projections of the Region's total available adult ICU bed capacity is greater than or equal to 15%. Four-week adult ICU bed capacity projections will be made approximately twice a week, unless CDPH determines that public health conditions merit an alternate projection schedule. If after three weeks from the effective date of the Terms of this Order in a Region, CDPH's four-week projections of the Region's total available adult ICU bed capacity is greater than or equal to 15%, the Terms of this Order shall no longer apply to the Region
- 7. After the termination of the Terms of this Order in a Region, each county within the Region will be assigned to a tier based on the [Blueprint for a Safer Economy](#) as set out in my August 28, 2020 Order, and the County is subject to the restrictions of the Blueprint appropriate to that tier.
- 8. I will continue to monitor the epidemiological data and will modify this Regional Stay-at-Home Order as required by the evolving public health conditions. If I determine that it is necessary to change the Terms of this Order, or otherwise modify the Regional Stay-at-Home Order, these modifications will be posted at covid19.ca.gov.

9. When operative in a Region, the Terms of this Order supersede any conflicting terms in other CDPH orders, directives, or guidance. Specifically, for those Regions with ICU bed capacity triggering this order, the Terms of this Order shall supersede the State's [Blueprint for a Safer Economy](#) and all guidance (other than guidance for critical infrastructure sectors) during the operative period. In all Regions that are not subject to the restrictions in this order, the [Blueprint for a Safer Economy](#) and all guidance shall remain in effect.
10. This order is issued pursuant to Health and Safety Code sections 120125, 120130(c), 120135, 120140, 120145, 120175, 120195 and 131080; EO N-60-20, N-25-20, and other authority provided for under the Emergency Services Act; and other applicable law.

COVID-19 Vaccine Prioritization Recommendations for Moving Through Vaccine Phases and Tiers

January 7, 2021

Given the limited supply of COVID-19 vaccines, the California Department of Public Health (CDPH) recommends balancing the prioritization of these scarce resources to maximize the goal of achieving community immunity for all Californians.

After focused and appropriate efforts to reach the individual groups currently prioritized, health departments and providers may offer doses promptly to people in lower priority groups when:

- Demand subsides in the current groups, or
- Doses are about to expire according to labeling instructions.

To maximize vaccine administration and reduce the potential for vaccine wastage, local health departments and providers should immediately administer COVID-19 vaccines to individuals in all tiers of Phase 1a. Providers offering vaccines should consider partnering with other providers or organizations to provide vaccinations for individuals in the prioritized tiers. However, local health departments and providers should make special efforts to administer the vaccine to vaccinators.

Local health departments and providers may allocate doses on the assumption that immunization will be accepted by some but not all who are offered the vaccine, and then continue to offer vaccinations to all individuals in progressive priority tiers. If a county has maximized use of the vaccine to administer individuals in Phase 1a, they should move to Phase 1b, Tier 1 while continuing to offer vaccines to those in higher priority groups.

Tulare County Public Health Releases COVID-19 Vaccine Schedule

*COVID-19 Vaccinations Are Underway for Phase 1A of Distribution Plan,
County Offers COVID-19 Vaccine Interest Form for Tulare County Residents*

The COVID-19 virus continues to spread at alarming rates throughout Tulare County. In the midst of an ongoing surge of infections following holiday social gatherings, Tulare County Public Health releases its COVID-19 Vaccine Schedule for distribution and delivery of the much-anticipated vaccine to end the pandemic. For the COVID-19 Vaccine Schedule in Tulare County and for the latest information on the COVID-19 vaccine, visit: <https://covid19.tularecounty.ca.gov/covid-19-vaccine/>.

Vaccinating NOW – Phase 1A

Due to limited supplies of COVID-19 vaccine, Tulare County is currently distributing COVID-19 vaccine to those eligible in **Phase 1A ONLY**. The following people qualify to receive vaccinations within Phase 1A:

Phase 1A, Tier 1:

- Acute care, psychiatric, and correctional facility hospital staff
- Skilled nursing facilities, assisted living facilities, special needs group living equivalent
- Paramedics, EMTs, and others providing medical emergency services
- Dialysis centers
- Residents in long-term care settings
- Staff of residential and inpatient substance abuse disorder treatment and mental health facilities

Phase 1A, Tier 2:

- Intermediate care facilities staff
- Home health care and in-home supportive services
- Community health workers, including promotoras
- Public health field staff
- Primary care clinics, including Federally Qualified Health Centers, Rural Health Centers, correctional facility clinics, and urgent care clinics

Phase 1A, Tier 3:

- Specialty health care clinics (i.e., optometry, cardiology, neurology, outpatient, surgery, physical therapy, etc.)
- Laboratory workers
- Dental and other oral health clinics
- Pharmacy staff not working in settings at higher tiers
- Mortuary service industry

If you meet the eligibility requirements for Phase 1A, you can register to get vaccinated at:

<https://covid19.tularecounty.ca.gov/covid-19-vaccine/tulare-county-covid-19-vaccine-phase-1a/>

Those receiving vaccines in Phase 1A will be required to show proof of eligibility with either of the following: employer ID badge, employer payment stub, or official letter from employer.

Vaccinating Next – Phase 1B and Phase 1C

Currently, Tulare County Public Health is ONLY vaccinating those who are eligible in Phase 1A.

Once COVID-19 vaccine supply expands and those who qualify for Phase 1A have been vaccinated,

TULARE COUNTY HEALTH & HUMAN SERVICES AGENCY

Timothy W. Lutz, MBA
Agency Director

Karen M. Elliott, MBA • Director • Public Health Branch
Karen Haight, MD, MPH • County Health Officer

Tulare County Public Health will begin vaccinating residents that meet the requirements of distribution to Phase 1B and Phase 1C of the COVID-19 Vaccine Distribution Plan. Phase 1B and Phase 1C include the following:

Phase 1B

Phase 1B, Tier 1:

- Individuals aged 75 years and older
- Essential workers in the following sectors: education, childcare, emergency services, and food and agriculture

Phase 1B, Tier 2:

- Individuals aged 65-74 years of age
- Essential workers in the following sectors: transportation and logistics; industrial, commercial, residential, and sheltering facilities and services; critical manufacturing
- Congregate settings: incarceration facilities and homeless

Phase 1C

- Individuals 50-64 years of age
- Persons aged 16 – 64 years with high-risk medical conditions
- Essential workers in the following sectors: water and wastewater; defense; energy; chemical and hazardous materials; communications and IT; financial services; government operations/community-based essential functions

Tulare County COVID-19 Vaccine Interest Form

Tulare County residents who don't qualify for Phase 1A can inform County health officials of their intent to get vaccinated for COVID-19 by completing the Tulare County COVID-19 Vaccine Interest Form.

Residents can sign up for vaccine notifications of when they are eligible and where they can go to get vaccinated by completing the Tulare County COVID-19 Vaccine Interest Form online at:

<https://arcg.is/0KKez4>.

Until the COVID-19 vaccine is widely available, it is imperative to reduce the spread of COVID-19 in Tulare County by practicing both social and physical distancing of six feet or more between persons and not participating in social gatherings of any kind. Residents must always wear a face mask or covering while in environments where physical distancing is not possible and while in public settings. In addition, everyone is encouraged to frequently wash their hands with soap and water for at least 20 seconds or use hand sanitizer, regularly disinfect high-touch surfaces, and stay home if you are sick or instructed to isolate/quarantine by a medical or public health professional.

Overview of the Emergency Rental Assistance Program

Background

On December 27, 2020 the federal Consolidated Appropriations Act 2021 was signed into law and \$25 billion was allocated to the United States Treasury (UST) for the Emergency Rental Assistance Program (ERAP) to assist households that are unable to pay rent or utilities due to the COVID-10 pandemic. California received \$2.6 of the federal ERAP funds. To implement these rental assistance resources, the state of CA worked with state legislation to develop a programmatic framework to ease administration burden and deploy these resources to those most in need.

On January 28th, the Legislature approved SB 91. This bill extended the eviction protections and created a mechanism to deploy the \$2.6 billion in ERAP resources to assist struggling tenants and landlords impacted by COVID-19. The bill allocated \$1.5 billion to the state and \$1.1 billion directly to local governments with populations with more than 200,000. The bill establishes the criteria and prioritization for use of the state-administered rental assistance funding from the federal bill.

Local governments with populations of 200,000 and greater that received a direct allocation of funding for rental assistance from the federal government could also qualify for block grant funding from the state's \$1.5 billion share. Counties were given the option to take the funds and administer their own program or to participate in the state-administered program. Tulare County has opted to participate in the state administered program. The state administered program will be managed centrally by the Local Initiatives Support Corporation (LISC).

Under state statute the rental assistance program is to be implemented by March 15, 2021. Ninety percent of the funding is to be directed towards financial assistance and ten percent for administration of the program.

Program Requirements

While not a full comprehensive list, the key program requirements include the following:

- For those landlords who agree to participate, funding will be available to pay up to 80 percent of an eligible household's unpaid rent accumulated from April 2020 through March 2021, provided that the landlord agrees to forgive the remaining 20 percent.
- In cases where the landlord chooses not to participate, tenants can apply for assistance for rental arrears, but are be limited to compensation of 25% of the eligible household's unpaid rent accumulated from April 2020 through March 2021 which will be paid to the landlord. The program also allows for prospective payments of 25% of the monthly rent for the months of April, May, and June 2021.
- Funds are to be administered in a least three rounds to eligible households. Prioritizing: (1) those households under 50% of the area median income (AMI) or unemployed for 90 days; (2) Below 80% AMI and in communities disproportionately affected by COVID-19 (as determined by the Department of Housing and Community Development); (3) Below 80% AMI not included in round 1 and 2.
- The top priority for the use of assistance funding would be rental arrears; followed by prospective rent payments, utility payments (both arrears and prospective payments)

LISC and Local Partnership

Given the rapid implementation timeframes, the one-time nature of these funds, among other considerations, the State believed that a central administrative structure would be most effective in deploying these resources in an effective and compliant manner. They contracted with LISC to administering the Emergency Rental Assistance Program (ERAP). LISC will be responsible in providing the following support and oversight:

- State outreach and education campaign with adaptability for local messaging.
- Standardized, federally consistent application and eligibility criteria, accessible to both landlords and tenants.
- Contracted solution with a state-wide network, including rural areas.
- Robust, multi-lingual client support and technical assistance.
- Processing of Applications (input, review, verification, fraud control, notifications to tenant and landlord, verification of accounts, disbursement of payment, reporting per state and federal government requirements, downstream audit management).
- Central privacy protections and fraud control.
- Management of duplication of benefits in accordance with the Consolidated Appropriations Act, 2021.
- Application portal to begin receiving applications from landlords and tenants.

LISC is seeking nonprofit and community-based organizations with capacity to provide local on-the-ground support to residents to help them access rental assistance. LISC will work with local partners and organizations within Tulare County to ensure all potential applicants know about the ERAP and receive the needed program assistance.

There are three tiers of partnership: Tier 1-Promotion, Tier 2-Outreach, and Tier 3-Technical Assistance. Local partners who want to partner with LISC will need to submit an application. Partner requirements include:

- Registered non-profits and quasi-government entities providing services to residents in communities served by this program
- Must have an EIN
- Must have a DUNS number
- Must be active on the CA Secretary of State website
- Must be registered on SAM website
- If applicable, non-profits must have actively filed 990 Forms

Organizations that do not have the above information are not eligible for Tier 2 and Tier 3 partnership but may still apply under the Tier 1 program. All applicants will be considered based on capacity to successfully reach their proposed community. Tier 2 and 3 will also be evaluated based on ability to successfully administer federal funds. First round of applications were due Monday, February 22. However, ongoing applications can still be submitted after the 22nd and will be reviewed on an ongoing basis throughout the program. To apply go to <https://lisc.tfaforms.net/308>

Eviction Protections

- SB 91 extends the states current eviction moratorium for tenants unable to pay rent due to COVID related financial hardships, as established under AB 3088, by five months, from January 31, 2021 through June 30, 2021.
- Tenants must continue to pay 25% of their rental obligations, as required under AB 3088, through June 30, 2021. During this time as tenants continue to pay at least 25% of their rent, then they are protected from eviction for any unpaid rent that has accumulated through June 30 and it can never be used as the basis for eviction. The 25% may be paid monthly or as a lump sum by June 30, 2021.

TO: All Californians

SUBJECT: Outdoor and Indoor Youth and Recreational Adult Sports

Note: The following guidance takes effect on February 26, 2021. See the current guidance in effect until then.

Summary

COVID-19 continues to pose a severe risk to communities and requires all people in California to follow recommended precautions. This guidance provides direction on outdoor and indoor youth and recreational adult sports activities to support a safe environment for these sports. The guidance applies to all **organized** youth sports and recreation— including school- and community-sponsored programs, and privately-organized clubs and leagues — and adult recreational sports (hereafter youth and adult sports). This guidance does not apply to collegiate or professional sports. Additionally, this guidance does not apply to community events, such as marathons, half-marathons, and endurance races.

Inter-team competitions (i.e., between two teams) resumed in California beginning January 25, 2021. **The guidelines outlined in this document shall take effect on February 26, 2021.**

The status of return-to-competition is subject to change at any time given the level of COVID-19 transmission in California.

Sports Risk Profiles

In general, the more people from outside their household with whom a person interacts, the closer the physical interaction is, the greater the physical exertion is, and the longer the interaction lasts, the higher the risk that a person with COVID-19 infection may spread it to others.

Youth and adult sports include varied activities that have different levels of risk for transmission of COVID-19. Outdoor activities present significantly lower risk of transmission relative to comparative indoor activities, based on current scientific evidence. Competition between different teams also increases mixing across groups and outside of communities, which also contributes to the potential for spread of COVID-19 disease.

Youth and adult sports are classified below by their level of contact and transmission risk. This classification applies to competition or training/practice with others. It does not apply to individual conditioning or exercise.

The Tables below are not exhaustive, but provide examples of sports with different levels of contact so that the level of risk can be assessed for other sports.

Low-Contact Sports

Individual or small group sports where contact within six feet of other participants can be avoided. Some of these sports have relatively low exertion rates that allow for consistent wearing of face coverings when within six feet of other people.

Moderate-Contact Sports

Team sports that can be played with only incidental or intermittent close contact between participants.

High-Contact Sports

Team sports with frequent or sustained close contact (and in many cases, face-to-face contact) between participants and high probability that respiratory particles will be transmitted between participants.

Factors Affecting the Risk of Transmission

- Risk increases when face coverings are not worn, and physical distancing is not maintained.
- Risk increases with increasing levels of contact between participants; closer contact (particularly face-to-face contact), and the frequency and total duration of close contact, increases the risk that respiratory particles will be transmitted between participants.
- Risk increases with greater exertion levels; greater exertion increases the rate of breathing and the quantity of air that is inhaled and exhaled with every breath.
- Risk increases with mixing of cohorts and groups, particularly when from different communities (during or outside of sports play); mixing with more people increases the risk that an infectious person will be present.

General Guidance for Youth and Adult Sports Participants, Coaches, and Support Staff

It should be noted that local health departments and school districts may have stricter rules and should be consulted to confirm what is allowed.

General Requirements for All Sports:

Irrespective of setting (outdoor or indoor) case rate or sport played, the following general guidance requirements must be adhered to at all times:

- Face coverings to be worn when not participating in the activity (e.g., on the sidelines).
- Face coverings to be worn by coaches, support staff and **observers** at all times, and in compliance with the CDPH Guidance for the Use of Face Coverings.
- Observers maintain at least 6 feet from non-household members.
- No sharing of drink bottles and other personal items and equipment.
- Mixing with other households prior to and post any practice or competition must strictly adhere to current gathering guidance.
- Limit indoor sports activities (practice, conditioning) to comply with capacity limits (which shall include all athletes, coaches, and observers) indicated in current CDPH Gym & Fitness Center Guidance Capacity.

- Associated indoor activities for the team (e.g., dinners, film study) are prohibited if engaged in competition given evidence that transmission is more likely to occur in these indoor higher risk settings.
- Teams must not participate in out-of-state games and tournaments; several multistate outbreaks have been reported around the nation, including California residents.

Limitations on Observers

- Limit observation of youth sports (age 18 years and under) to immediate household members, and for the strict purpose of age appropriate supervision. This includes observation of practice and competition. Limit number of observers to ensure physical distance can be maintained, reduce potential crowding, and maintain indoor and outdoor capacity limits.
- Consider Video streaming of games so that they can be watched "live" from home
- For adult sports, spectators are not permitted at this time.

Limitations for Inter-Team Competitions and Tournaments

- Inter-team competitions, meets, races, or similar events are permitted to occur only if (a) both teams are located in the same county and the sport is authorized in the Tables below; or (b) teams are located in immediately bordering counties and the sport is authorized in both counties in the Tables below.
 - The county-based authorizations outlined in the Table below apply to the locations/counties in which the teams, schools, clubs, leagues, and similar organizations are functionally based (e.g., where the players reside, where facilities are located, etc.).
 - Local Health Departments to be notified of any cross county competitions within their jurisdiction and reserve the right under their own discretion to deny the competition at any time in their jurisdiction. Teams participating in cross county competitions will follow the more stringent rules if the participating teams are coming from counties that may be at different case rate thresholds.
- Teams adhere to current CDPH Travel Advisory recommendations when determining travel for competition in neighboring counties.
- No tournaments or events that involve more than two teams to occur. Exceptions may be made, with authorization from the local health department where the event is being held and each of the local health departments where teams originate from, for sports where individual competitors from multiple teams are routine such as: track and field; cross-country; golf; skiing/snowboarding; tennis; swimming/diving/surfing; biking and equestrian events.
- Only one competition, per team, per day maximum to be played.

Permitted Youth and Recreational Adult Sports by Case Rate Threshold

- Physical conditioning, practice, skill-building, and training that can be conducted outdoors, with 6 feet of physical distancing, and within stable cohorts are authorized regardless of case rate or sport. Such activities may be conducted indoors consistent with restrictions by Tier in the Gym & Fitness Center Guidance Capacity.

Other General Guidance

Below are other general guidance that are strongly encouraged as part of any participation in sport. Depending on risk level (high or moderate) and county case rates, these general guidance may be **required** for play of outdoor sports in less restrictive tiers, as specified below.

Face Coverings

- Face coverings worn by participants during practice, conditioning and during competition, even during heavy exertion as tolerated. See the American Academy of Pediatrics Interim Guidance on Return to Sports [1] for specific exceptions where the face covering may become a hazard.

Physical Distancing

- Maintain at least six feet of distance between sport participants and others to the maximum extent possible, including when on the sidelines.

- Maintain at least 6 feet of distance between coaches and participants and facilitate physical distancing between participants to the maximum extent possible (e.g., staggered starts instead of mass starts for races).

Informed Consent

- Due to the nature and risk of transmission while participating in Outdoor High-Contact and Moderate-Contact sports, provide information regarding risk to all parents/guardians of minors participating in such sports, and have each parent sign an informed consent indicating their understanding and acknowledgement of the risks indicated herein.

Testing

- Unless required as noted below, regular and postseason antigen or PCR testing of sports participants and coaches weekly while participating in Outdoor High-Contact sports is strongly encouraged. If competing, testing performed with test results made available within 24 hours of play.

Hygiene and Equipment Sanitation

- When equipment is shared during an activity, participants perform hand hygiene (wash hands with soap and water or use an alcohol-based hand sanitizer) before play, during breaks, at half time, and after the conclusion of the activity.
 - Balls or other objects or equipment can be touched by multiple players during practice and play if the above hand hygiene practices are followed.

Limitations on Mixing by Participants

- Limit participation by athletes and coaches during practice and competition to one team, and refrain from participating with more than one team over the same season or time period. For larger teams, limit mixing by establishing stable smaller training groups for drills and conditioning.
- Review practice or game footage virtually, to the greatest extent possible. If not feasible, then it should be conducted outdoors, with all participants wearing face coverings and following appropriate physical distancing measures.

Indoor Venue Capacity Limitations

- Ventilation in indoor venues (gyms or other fitness centers) increased to the maximum extent possible.

Travel Considerations

- Bus/van travel for members of a team may pose a greater risk. To mitigate COVID-19 transmission risk during bus/van travel, employ universal masking, physical distancing and windows to remain open the full duration of the trip unless not feasible.
- Plan for proper communication of all travel rules, protocols and expectations to everyone in the travel party. When feasible, teams should aim to travel and play the same day to avoid overnight stays.
- Travel by private car limited to only those within the immediate household.

Returning to Sports After Infection

- No one with symptoms of COVID-19 or who is in isolation or quarantine for COVID-19 is permitted to attend practices or competitions.
- Anyone with symptoms of COVID-19 should consult their physician for testing and notify their coach, athletic trainer and/or school administrator of their symptoms and test results.
- Youths recovering from COVID-19 will have different paths to return to sports based on the severity of their illness. See the American Academy of Pediatrics Interim Guidance on Return to Sports [1] for additional guidance for more serious infections.

Vaccination of Eligible Households

- Sports participants, including coaches and support staff, are strongly encouraged to be vaccinated once eligible as vaccines will protect residents and reduce the likelihood of transmission from infected persons to others.

***Play in Less Restrictive Tiers: Outdoor High-Contact Sports**

Outdoor high-contact sports (orange tier) can be played in the purple or red tier with an adjusted case rate equal to or less than 14 per 100,000 under the following conditions:

Implement and strictly adhere to the following additional general guidance:

- Informed Consent
- Testing – antigen or PCR (regular and postseason antigen or PCR testing of sports participants and coaches weekly. If competing, testing performed with test results made available within 24 hours of play)

Note: The testing requirement above shall only apply in the following situations:

- For football, rugby and water polo as these are high contact sports that are likely to be played unmasked, with close, face to face contact exceeding 15 minutes.
- When adjusted case rates for the county are between 14-7 per 100,000.
- For sport participants 13 years of age or above as evidence shows that younger children do not seem to be major sources of transmission—either to each other or to adults.
- *If more than 50% of a team's participants are less than the age of 13 (and are not required to test per the above), then the entire team is exempted from the testing requirement. Coaches, however, will still be required to meet the testing requirement.

Additional general guidance that should be implemented to the greatest extent possible and are strongly encouraged

- Face Coverings (during play)
- Physical Distancing (during play)
- Testing – antigen or PCR
- Hygiene and Sanitation
- Limitations on mixing by participants
- Travel Considerations

***Play in Less Restrictive Tiers: Outdoor Moderate-Contact Sports**

Outdoor moderate-contact sports (red tier) can be played in the purple tier with an adjusted case rate equal to or less than 14 per 100,000 under the following conditions:

Implement and strictly adhere to the following additional general guidance:

- Informed Consent

Additional general guidance that should be implemented to the greatest extent possible and are strongly encouraged

- Face Coverings (during play)
- Physical Distancing (during play)
- Hygiene and Sanitation
- Limitations on mixing by participants
- Travel Considerations

If competition for high- and moderate-contact sports is permitted to resume in a county pursuant to this updated guidance, competition is not required to cease if the county's adjusted case rate exceeds the 14 per 100,000 threshold.

FACT SHEET: The Coronavirus State and Local Fiscal Recovery Funds Will Deliver \$350 Billion for State, Local, Territorial, and Tribal Governments to Respond to the COVID-19 Emergency and Bring Back Jobs

May 10, 2021

Aid to state, local, territorial, and Tribal governments will help turn the tide on the pandemic, address its economic fallout, and lay the foundation for a strong and equitable recovery

Today, the U.S. Department of the Treasury announced the launch of the Coronavirus State and Local Fiscal Recovery Funds, established by the American Rescue Plan Act of 2021, to provide \$350 billion in emergency funding for eligible state, local, territorial, and Tribal governments. Treasury also released details on how these funds can be used to respond to acute pandemic response needs, fill revenue shortfalls among these governments, and support the communities and populations hardest-hit by the COVID-19 crisis. With the launch of the Coronavirus State and Local Fiscal Recovery Funds, eligible jurisdictions will be able to access this funding in the coming days to address these needs.

State, local, territorial, and Tribal governments have been on the frontlines of responding to the immense public health and economic needs created by this crisis – from standing up vaccination sites to supporting small businesses – even as these governments confronted revenue shortfalls during the downturn. As a result, these governments have endured unprecedented strains, forcing many to make untenable choices between laying off educators, firefighters, and other frontline workers or failing to provide other services that communities rely on. Faced with these challenges, state and local governments have cut over 1 million jobs since the beginning of the crisis. The experience of prior economic downturns has shown that budget pressures like these often result in prolonged fiscal austerity that can slow an economic recovery.

To support the immediate pandemic response, bring back jobs, and lay the groundwork for a strong and equitable recovery, the American Rescue Plan Act of 2021 established the Coronavirus State and Local Fiscal Recovery Funds, designed to deliver \$350 billion to state, local, territorial, and Tribal governments to bolster their response to the COVID-19 emergency and its economic impacts. Today, Treasury is launching this much-needed relief to:

- Support urgent COVID-19 response efforts to continue to decrease spread of the virus and bring the pandemic under control;
- Replace lost public sector revenue to strengthen support for vital public services and help retain jobs;
- Support immediate economic stabilization for households and businesses; and,
- Address systemic public health and economic challenges that have contributed to the unequal impact of the pandemic on certain populations.

The Coronavirus State and Local Fiscal Recovery Funds provide substantial flexibility for each jurisdiction to meet local needs—including support for households, small businesses, impacted industries, essential workers, and the communities hardest-hit by the crisis. These funds also deliver resources that recipients can invest in building, maintaining, or upgrading their water, sewer, and broadband infrastructure.

Starting today, eligible state, territorial, metropolitan city, county, and Tribal governments may request Coronavirus State and Local Fiscal Recovery Funds through the Treasury Submission Portal. Concurrent with this program launch, Treasury has published an Interim Final Rule that implements the provisions of this program.

FUNDING AMOUNTS

The American Rescue Plan provides a total of \$350 billion in Coronavirus State and Local Fiscal Recovery Funds to help eligible state, local, territorial, and Tribal governments meet their present needs and build the foundation for a strong recovery. Congress has allocated this funding to tens of thousands of jurisdictions. These allocations include:

Type	Amount (\$ billions)
States & District of Columbia	\$195.3
Counties	\$65.1
Metropolitan Cites	\$45.6
Tribal Governments	\$20.0
Territories	\$4.5
Non-Entitlement Units of Local Government	\$19.5

Treasury expects to distribute these funds directly to each state, territorial, metropolitan city, county, and Tribal government. Local governments that are classified as non-entitlement units will receive this funding through their applicable state government. Treasury expects to provide further guidance on distributions to non-entitlement units next week.

Local governments should expect to receive funds in two tranches, with 50% provided beginning in May 2021 and the balance delivered 12 months later. States that have experienced a net increase in the unemployment rate of more than 2 percentage points from February 2020 to the latest available data as of the date of certification will receive their full allocation of funds in a single payment; other states will receive funds in two equal tranches. Governments of U.S. territories will receive a single payment. Tribal governments will receive two payments, with the first payment available in May and the second payment, based on employment data, to be delivered in June 2021.

USES OF FUNDING

Coronavirus State and Local Fiscal Recovery Funds provide eligible state, local, territorial, and Tribal governments with a substantial infusion of resources to meet pandemic response needs and rebuild a stronger, more equitable economy as the country recovers. Within the categories of eligible uses, recipients have broad flexibility to decide how best to use this funding to meet the needs of their communities. Recipients may use Coronavirus State and Local Fiscal Recovery Funds to:

- **Support public health expenditures**, by funding COVID-19 mitigation efforts, medical expenses, behavioral healthcare, and certain public health and safety staff;
- **Address negative economic impacts caused by the public health emergency**, including economic harms to workers, households, small businesses, impacted industries, and the public sector;
- **Replace lost public sector revenue**, using this funding to provide government services to the extent of the reduction in revenue experienced due to the pandemic;
- **Provide premium pay for essential workers**, offering additional support to those who have borne and will bear the greatest health risks because of their service in critical infrastructure sectors; and,
- **Invest in water, sewer, and broadband infrastructure**, making necessary investments to improve access to clean drinking water, support vital wastewater and stormwater infrastructure, and to expand access to broadband internet.

Within these overall categories, Treasury’s Interim Final Rule provides guidelines and principles for determining the types of programs and services that this funding can support, together with examples of allowable uses that recipients may consider. As described below, Treasury has also designed these provisions to take into consideration the disproportionate impacts of the COVID-19 public health emergency on those hardest-hit by the pandemic.

1. Supporting the public health response

Mitigating the impact of COVID-19 continues to require an unprecedented public health response from state, local, territorial, and Tribal governments. Coronavirus State and Local Fiscal Recovery Funds provide resources to meet these needs through the provision of care for those impacted by the virus and through services that address disparities in public health that have been exacerbated by the pandemic. Recipients may use this funding to address a broad range of public health needs across COVID-19 mitigation, medical expenses, behavioral healthcare, and public health resources. Among other services, these funds can help support:

- **Services and programs to contain and mitigate the spread of COVID-19, including:**
 - ✓ Vaccination programs
 - ✓ Medical expenses
 - ✓ Testing
 - ✓ Contact tracing
 - ✓ Isolation or quarantine
 - ✓ PPE purchases
 - ✓ Support for vulnerable populations to access medical or public health services
 - ✓ Public health surveillance (e.g., monitoring for variants)
 - ✓ Enforcement of public health orders
 - ✓ Public communication efforts
 - ✓ Enhancement of healthcare capacity, including alternative care facilities
 - ✓ Support for prevention, mitigation, or other services in congregate living facilities and schools
 - ✓ Enhancement of public health data systems
 - ✓ Capital investments in public facilities to meet pandemic operational needs
 - ✓ Ventilation improvements in key settings like healthcare facilities

- **Services to address behavioral healthcare needs exacerbated by the pandemic, including:**
 - ✓ Mental health treatment
 - ✓ Substance misuse treatment
 - ✓ Other behavioral health services
 - ✓ Hotlines or warmlines
 - ✓ Crisis intervention
 - ✓ Services or outreach to promote access to health and social services
- **Payroll and covered benefits expenses** for public health, healthcare, human services, public safety and similar employees, to the extent that they work on the COVID-19 response. For public health and safety workers, recipients can use these funds to cover the full payroll and covered benefits costs for employees or operating units or divisions primarily dedicated to the COVID-19 response.

2. **Addressing the negative economic impacts caused by the public health emergency**

The COVID-19 public health emergency resulted in significant economic hardship for many Americans. As businesses closed, consumers stayed home, schools shifted to remote education, and travel declined precipitously, over 20 million jobs were lost between February and April 2020. Although many have since returned to work, as of April 2021, the economy remains more than 8 million jobs below its pre-pandemic peak, and more than 3 million workers have dropped out of the labor market altogether since February 2020.

To help alleviate the economic hardships caused by the pandemic, Coronavirus State and Local Fiscal Recovery Funds enable eligible state, local, territorial, and Tribal governments to provide a wide range of assistance to individuals and households, small businesses, and impacted industries, in addition to enabling governments to rehire public sector staff and rebuild capacity. Among these uses include:

- **Delivering assistance to workers and families**, including aid to unemployed workers and job training, as well as aid to households facing food, housing, or other financial insecurity. In addition, these funds can support survivor's benefits for family members of COVID-19 victims.
- **Supporting small businesses**, helping them to address financial challenges caused by the pandemic and to make investments in COVID-19 prevention and mitigation tactics, as well as to provide technical assistance. To achieve these goals, recipients may employ this funding to execute a broad array of loan, grant, in-kind assistance, and counseling programs to enable small businesses to rebound from the downturn.
- **Speeding the recovery of the tourism, travel, and hospitality sectors**, supporting industries that were particularly hard-hit by the COVID-19 emergency and are just now beginning to mend. Similarly impacted sectors within a local area are also eligible for support.
- **Rebuilding public sector capacity**, by rehiring public sector staff and replenishing unemployment insurance (UI) trust funds, in each case up to pre-pandemic levels. Recipients may also use this funding to build their internal capacity to successfully implement economic relief programs, with investments in data analysis, targeted outreach, technology infrastructure, and impact evaluations.

3. Serving the hardest-hit communities and families

While the pandemic has affected communities across the country, it has disproportionately impacted low-income families and communities of color and has exacerbated systemic health and economic inequities. Low-income and socially vulnerable communities have experienced the most severe health impacts. For example, counties with high poverty rates also have the highest rates of infections and deaths, with 223 deaths per 100,000 compared to the U.S. average of 175 deaths per 100,000.

Coronavirus State and Local Fiscal Recovery Funds allow for a broad range of uses to address the disproportionate public health and economic impacts of the crisis on the hardest-hit communities, populations, and households. Eligible services include:

- **Addressing health disparities and the social determinants of health**, through funding for community health workers, public benefits navigators, remediation of lead hazards, and community violence intervention programs;
- **Investments in housing and neighborhoods**, such as services to address individuals experiencing homelessness, affordable housing development, housing vouchers, and residential counseling and housing navigation assistance to facilitate moves to neighborhoods with high economic opportunity;
- **Addressing educational disparities** through new or expanded early learning services, providing additional resources to high-poverty school districts, and offering educational services like tutoring or afterschool programs as well as services to address social, emotional, and mental health needs; and,
- **Promoting healthy childhood environments**, including new or expanded high quality childcare, home visiting programs for families with young children, and enhanced services for child welfare-involved families and foster youth.

Governments may use Coronavirus State and Local Fiscal Recovery Funds to support these additional services if they are provided:

- within a Qualified Census Tract (a low-income area as designated by the Department of Housing and Urban Development);
- to families living in Qualified Census Tracts;
- by a Tribal government; or,
- to other populations, households, or geographic areas disproportionately impacted by the pandemic.

4. Replacing lost public sector revenue

State, local, territorial, and Tribal governments that are facing budget shortfalls may use Coronavirus State and Local Fiscal Recovery Funds to avoid cuts to government services. With these additional resources, recipients can continue to provide valuable public services and ensure that fiscal austerity measures do not hamper the broader economic recovery.

Many state, local, territorial, and Tribal governments have experienced significant budget shortfalls, which can yield a devastating impact on their respective communities. Faced with budget shortfalls and pandemic-related uncertainty, state and local governments cut staff in all 50 states. These budget shortfalls and staff cuts are particularly problematic at present, as these entities are on the front lines of battling the COVID-19 pandemic and helping citizens weather the economic downturn.

Recipients may use these funds to replace lost revenue. Treasury's Interim Final Rule establishes a methodology that each recipient can use to calculate its reduction in revenue. Specifically, recipients will compute the extent of their reduction in revenue by comparing their actual revenue to an alternative representing what could have been expected to occur in the absence of the pandemic. Analysis of this expected trend begins with the last full fiscal year prior to the public health emergency and projects forward at either (a) the recipient's average annual revenue growth over the three full fiscal years prior to the public health emergency or (b) 4.1%, the national average state and local revenue growth rate from 2015-18 (the latest available data).

For administrative convenience, Treasury's Interim Final Rule allows recipients to presume that any diminution in actual revenue relative to the expected trend is due to the COVID-19 public health emergency. Upon receiving Coronavirus State and Local Fiscal Recovery Funds, recipients may immediately calculate the reduction in revenue that occurred in 2020 and deploy funds to address any shortfall. Recipients will have the opportunity to re-calculate revenue loss at several points through the program, supporting those entities that experience a lagged impact of the crisis on revenues.

Importantly, once a shortfall in revenue is identified, recipients will have broad latitude to use this funding to support government services, up to this amount of lost revenue.

5. Providing premium pay for essential workers

Coronavirus State and Local Fiscal Recovery Funds provide resources for eligible state, local, territorial, and Tribal governments to recognize the heroic contributions of essential workers. Since the start of the public health emergency, essential workers have put their physical well-being at risk to meet the daily needs of their communities and to provide care for others.

Many of these essential workers have not received compensation for the heightened risks they have faced and continue to face. Recipients may use this funding to provide premium pay directly, or through grants to private employers, to a broad range of essential workers who must be physically present at their jobs including, among others:

- | | |
|---|---|
| ✓ Staff at nursing homes, hospitals, and home-care settings | ✓ Truck drivers, transit staff, and warehouse workers |
| ✓ Workers at farms, food production facilities, grocery stores, and restaurants | ✓ Childcare workers, educators, and school staff |
| ✓ Janitors and sanitation workers | ✓ Social service and human services staff |
| ✓ Public health and safety staff | |

Treasury's Interim Final Rule emphasizes the need for recipients to prioritize premium pay for lower income workers. Premium pay that would increase a worker's total pay above 150% of the greater of the state or county average annual wage requires specific justification for how it responds to the needs of these workers.

In addition, employers are both permitted and encouraged to use Coronavirus State and Local Fiscal Recovery Funds to offer retrospective premium pay, recognizing that many essential workers have not yet received additional compensation for work performed. Staff working for third-party contractors in eligible sectors are also eligible for premium pay.

6. Investing in water and sewer infrastructure

Recipients may use Coronavirus State and Local Fiscal Recovery Funds to invest in necessary improvements to their water and sewer infrastructures, including projects that address the impacts of climate change.

Recipients may use this funding to invest in an array of drinking water infrastructure projects, such as building or upgrading facilities and transmission, distribution, and storage systems, including the replacement of lead service lines.

Recipients may also use this funding to invest in wastewater infrastructure projects, including constructing publicly-owned treatment infrastructure, managing and treating stormwater or subsurface drainage water, facilitating water reuse, and securing publicly-owned treatment works.

To help jurisdictions expedite their execution of these essential investments, Treasury's Interim Final Rule aligns types of eligible projects with the wide range of projects that can be supported by the Environmental Protection Agency's Clean Water State Revolving Fund and Drinking Water State Revolving Fund. Recipients retain substantial flexibility to identify those water and sewer infrastructure investments that are of the highest priority for their own communities.

Treasury's Interim Final Rule also encourages recipients to ensure that water, sewer, and broadband projects use strong labor standards, including project labor agreements and community benefits agreements that offer wages at or above the prevailing rate and include local hire provisions.

7. Investing in broadband infrastructure

The pandemic has underscored the importance of access to universal, high-speed, reliable, and affordable broadband coverage. Over the past year, millions of Americans relied on the internet to participate in remote school, healthcare, and work.

Yet, by at least one measure, 30 million Americans live in areas where there is no broadband service or where existing services do not deliver minimally acceptable speeds. For millions of other Americans, the high cost of broadband access may place it out of reach. The American Rescue Plan aims to help remedy these shortfalls, providing recipients with flexibility to use Coronavirus State and Local Fiscal Recovery Funds to invest in broadband infrastructure.

Recognizing the acute need in certain communities, Treasury's Interim Final Rule provides that investments in broadband be made in areas that are currently unserved or underserved—in other words, lacking a wireline connection that reliably delivers minimum speeds of 25 Mbps download and 3 Mbps upload. Recipients are also encouraged to prioritize projects that achieve last-mile connections to households and businesses.

Using these funds, recipients generally should build broadband infrastructure with modern technologies in mind, specifically those projects that deliver services offering reliable 100 Mbps download and 100

Mbps upload speeds, unless impracticable due to topography, geography, or financial cost. In addition, recipients are encouraged to pursue fiber optic investments.

In view of the wide disparities in broadband access, assistance to households to support internet access or digital literacy is an eligible use to respond to the public health and negative economic impacts of the pandemic, as detailed above.

8. Ineligible Uses

Coronavirus State and Local Fiscal Recovery Funds provide substantial resources to help eligible state, local, territorial, and Tribal governments manage the public health and economic consequences of COVID-19. Recipients have considerable flexibility to use these funds to address the diverse needs of their communities.

To ensure that these funds are used for their intended purposes, the American Rescue Plan Act also specifies two ineligible uses of funds:

- **States and territories may not use this funding to directly or indirectly offset a reduction in net tax revenue due to a change in law from March 3, 2021 through the last day of the fiscal year in which the funds provided have been spent.** The American Rescue Plan ensures that funds needed to provide vital services and support public employees, small businesses, and families struggling to make it through the pandemic are not used to fund reductions in net tax revenue. Treasury's Interim Final Rule implements this requirement. If a state or territory cuts taxes, they must demonstrate how they paid for the tax cuts from sources other than Coronavirus State Fiscal Recovery Funds—by enacting policies to raise other sources of revenue, by cutting spending, or through higher revenue due to economic growth. If the funds provided have been used to offset tax cuts, the amount used for this purpose must be paid back to the Treasury.
- **No recipient may use this funding to make a deposit to a pension fund.** Treasury's Interim Final Rule defines a "deposit" as an extraordinary contribution to a pension fund for the purpose of reducing an accrued, unfunded liability. While pension deposits are prohibited, recipients may use funds for routine payroll contributions for employees whose wages and salaries are an eligible use of funds.

Treasury's Interim Final Rule identifies several other ineligible uses, including funding debt service, legal settlements or judgments, and deposits to rainy day funds or financial reserves. Further, general infrastructure spending is not covered as an eligible use outside of water, sewer, and broadband investments or above the amount allocated under the revenue loss provision. While the program offers broad flexibility to recipients to address local conditions, these restrictions will help ensure that funds are used to augment existing activities and address pressing needs.

TO: All Californians

SUBJECT: Beyond the Blueprint for Industry and Business Sectors - Effective June 15

Related Materials: Beyond the Blueprint Q&A

When California fully reopens the economy, the state will move beyond the Blueprint for a Safer Economy. Beginning June 15, all sectors listed in the current Blueprint Activities and Business Tiers Chart may return to usual operations (with the limited exceptions noted below for Mega Events) based on the following general public health recommendations:

	Restrictions Applying to Indoor & Outdoor Settings
Vaccine Verification / Negative Testing	Required for Indoor mega events Recommended for Outdoor mega events
Capacity Limitations	No restrictions
Physical Distancing	No restrictions for attendees, customers and guests
Masking	Follow current CDPH Guidance for Face Coverings
Travelers	Follow CDC recommendations and CDPH Travel Advisory

Employers are subject to the Cal/OSHA COVID-19 Prevention Emergency Temporary Standards (ETS), if applicable to them.

Limited Exceptions for Mega Events:

Mega Events are characterized by large crowds greater than 5,000 (indoors) and 10,000 (outdoors) attendees. Mega Events may have either assigned or unassigned seating, and may be either general admission or gated, ticketed and permitted events.

Mega Events are considered higher risk for COVID transmission because:

- Participants and attendees are spending extensive periods of time physically close to large numbers of people they don't usually interact with.
- The frequency and total duration of close contact between attendees is increased, thereby increasing the risk that respiratory particles will be transmitted between attendees and participants.
- They draw from beyond the nearby community and will often draw attendees and participants from other states and countries who may be infected with more infectious COVID variants.
- Effective contact tracing may be difficult given the number of potential uncontrolled mixing between groups and attendees and the nature of the events.
- **For Indoor Mega Events (example: conventions/conferences/expos/sporting events and concerts):**
 - In addition to the general public health recommendations:
 - Verification of fully vaccinated status** or pre-entry negative test* result is required of all attendees.
 - Information will be prominently placed on all communications, including the reservation and ticketing systems, to ensure guests are aware of testing and vaccination requirements (including acceptable modes of verification).
 - Attendees must follow CDPH Guidance for Face Coverings.
- **For Outdoor Mega Events (example: music or food festivals/car shows/large endurance events and marathons/parades/sporting events and concerts):**
 - In addition to the general public health recommendations:
 - Verification of fully vaccinated status or pre-entry negative test result is strongly recommended for all attendees. Attendees who do not verify vaccination status should be asked to wear face coverings.
 - Attendees must follow CDPH Guidance for Face Coverings.
 - Information will be prominently placed on all communications, including the reservation and ticketing systems, to ensure guests are aware that the State strongly recommends that they be fully vaccinated, obtain a negative COVID-19 test prior to attending the event, or wear a face covering.
 - Venues are required to make available masks for all attendees.
- **Additional recommendations for sponsors of Mega Events:**
 - Encourage everyone to get vaccinated when eligible.
 - Facilitate increased ventilation of indoor spaces (i.e., open all windows and doors to increase natural air flow), following current CDPH and CalOSHA guidance.
 - Encourage everyone to sign up for CA Notify as an added layer of protection for themselves and the community to receive alerts when they have been in close contact with someone who tests positive for COVID-19.
 - Convey the risk of attending large crowded events where the vaccine status of others in attendance may be unknown to the individuals.

- Convey the risk of attending large crowded events for populations that may not currently be eligible for vaccination, or may be immunocompromised and whose vaccine protection may be incomplete.
- Encourage all venues along any parade or event route to provide outdoor spaces for eating/drinking/congregating to reduce the risk of transmission in indoor settings.

The requirements and recommendations for negative testings / vaccine verification will be in place effective **June 15, 2021 through October 1, 2021**. The state will assess conditions by September 1, 2021, to determine whether updated requirements or recommendations are needed beyond October 1, 2021.

CDPH will continue to provide updated guidance for youth, healthcare and high-risk congregate settings.

*** Pre-entry negative testing**

1. Definition: Testing must be conducted within 72 hours before event start time (both PCR and antigen are acceptable). Results of the test must be available prior to entry into the event or venue.
2. Verification: The following are acceptable as proof of a negative COVID-19 test result: printed document (from the test provider or laboratory) OR an email or text message displayed on a phone from the test provider or laboratory. The information should include person's name, type of test performed, and negative test result (date of test must be within prior 72 hours). Businesses and venue operators may also utilize self-attestation at point of registration, during ticket purchase or on the day of the event prior to entry into the venue.

**** Fully vaccinated**

1. Definition: See current CDPH Guidance for Fully Vaccinated Persons for definitions, acceptable vaccines, and updates on additional vaccines as they are approved.
2. Verification: The following are acceptable as proof of full vaccination: Vaccination card (which includes name of person vaccinated, type of vaccine provided and date last dose administered) OR a photo of a vaccination card as a separate document OR a photo of the attendee's vaccine card stored on a phone or electronic device OR documentation of vaccination from a healthcare provider. Businesses and venue operators may also utilize self-attestation at point of registration, during ticket purchase or on the day of the event prior to entry into the venue.

OFFICE OF THE GOVERNOR

June 3, 2021

Via Electronic Mail

Dear California local leaders,

California is on a path to roar back from the pandemic, in large part thanks to the commitment of Californians and to having one of the highest vaccination rates in the country. Come June 15, we are moving beyond the Blueprint that protected Californians during the worst of the pandemic, retaining in the near-term common-sense face covering requirements, limited testing and vaccination requirements for large indoor events, and modified emergency workplace protection standards still necessary to protect the workforce.

Over the course of the pandemic, one of the key things scientific experts have learned about COVID-19 is that it is far less likely to be transmitted outdoors than indoors. While California is removing the restrictions on business operations indoors, it remains a public health priority to encourage outdoor activities and to remove barriers to outdoor operations.

To this end, my Administration has taken immediate steps to extend the regulatory relief that allows restaurants and bars to maintain their expanded outdoor operations through the end of 2021. Among other things, the regulatory relief continues to allow the expansion of licensed restaurant footprints, expanded outdoor alcohol service, and the sale of alcoholic beverages to go. This will both promote public health by encouraging outdoor dining and promote the economic recovery of the restaurant sectors by allowing restaurants and bars to benefit from the substantial investments that they have made in their outdoor operations.

I ask you to join my Administration in promoting public health and economic recovery by taking the steps within your authority to continue to allow expanded outdoor dining opportunities. You are uniquely positioned and

empowered to support local outdoor dining, which will be vital for statewide restaurant recovery, by taking steps such as:

- Allowing temporary dining areas;
- Allowing expanded take-out and delivery options;
- Exercising discretion in working with restaurant owners who may be operating in spaces that are not consistent with local zoning ordinances;
- Considering the potential of expanding areas that are not currently zoned for commercial dining use to encourage outdoor, open-air seating and a safer health environment moving forward; and
- Continuing to develop successful local programs such as the City of San Jose's "Al Fresco" plan, Sacramento's "Farm to Fork Al Fresco," Long Beach's "Open Streets Initiative," San Diego's "Slow Streets Program," and Los Angeles's "L.A. Al Fresco Program."

Thank you for your partnership during the long months of the pandemic, for your continued partnership in keeping Californians safe, and for working collaboratively to make the California Comeback a reality.

Sincerely,

Gavin Newsom
Governor of California

Eighth Notice of Regulatory Relief

DEPARTMENT OF ALCOHOLIC BEVERAGE CONTROL

3927 Lennane Drive, Suite 100
Sacramento, CA 95834
(916) 419-2500

**Eighth Notice of Regulatory Relief**

Pursuant to the Constitution of the State of California, Article XX, Section 22, and in furtherance of Governor Newsom's emergency declarations and orders regarding the spread of the COVID-19 virus, the Department of Alcoholic Beverage Control previously provided temporary regulatory relief measures to address the state of emergency throughout the state. The [First Notice](#), [Second Notice](#), [Third Notice](#), [Fourth Notice](#), [Fifth Notice](#), [Sixth Notice](#), and [Seventh Notice](#) of Regulatory Relief were implemented by the Department to support the alcoholic beverage industry in its efforts to slow the spread of the virus throughout California, while also assisting the industry in dealing with the economic challenges it faced as a result.

The Department has continued to carefully consider the public health, safety, and welfare in determining if any Regulatory Relief provisions should be extended. This regulatory relief is designed to support the expanded outdoor operations of the alcoholic beverage industry to slow the spread of the virus while assisting the industry in its economic recovery from the impacts of the pandemic.

The Department has determined that the extension of the following provisions will not jeopardize the public health, safety, or welfare, and they will temporarily remain in place until December 31, 2021:

4. On-Sale Retailers Exercising Off-Sale Privileges
5. Sales of Alcoholic Beverages To-Go
8. Deliveries to Consumers
9. Free Delivery
14. Expansion of Licensed Footprint
16. On-Sale Licensees Without Kitchen Facilities
17. "Virtual" Meet the Winemaker or Brewer Dinners
18. Renewal of Relief for Charitable Promotions and Sales
19. Relief from Type-75 requirement to produce 100 barrels of beer annually.

The extended Regulatory Relief requirements set forth in this Notice and in the respective Notices of Regulatory Relief continue to be applicable to all affected Department licenses until December 31, 2021 or unless otherwise noticed by the Department.

In response to the removal of restrictions on licensed businesses, and the implementation of the Beyond the Blueprint Plan on June 15, 2021, the Department hereby gives notice that the following Regulatory Relief provisions will be rescinded effective at the close of business on June 30, 2021:

1. Returns of Alcoholic Beverages
2. Retail-to-Retail Transactions
3. Extension of Credit
6. Drive-Thru Windows for Off-Sale Transactions
7. Hours of Operations for Retail Sales
10. Delivery Hours Extended to Midnight
12. Distilled Spirits Manufacturers Providing High-Proof Spirits for Disinfection Purposes
13. Virtual Wine Tastings
15. Extension of Regulatory Relief for Club Licenses: Type 50, 51 and 52.

Limitations on Relief

The Regulatory Relief provided by this and prior Notices is temporary. The Department hereby gives notice that all Regulatory Relief that is extended past June 30, 2021, will be rescinded on December 31, 2021. Such relief may be rescinded immediately should the needs of public safety dictate. In addition, licensees are directed to continue to exercise the temporary relief provided by this Notice responsibly, without compromising the public health, safety, or welfare. Notwithstanding any other provision of law, if the Department determines that any licensee is found to be abusing the Regulatory Relief provided by this Notice or prior Notices, or if the licensee's actions jeopardize public health, safety, or welfare, the Department may summarily rescind the relief as to that licensee at any time. Until these temporary relief measures are rescinded, any licensee adhering to the terms of this Notice, prior Notices describing the particular Regulatory Relief, and other applicable laws, may rely on this Notice to utilize the privileges described without risk of enforcement by the Department against its license for actions taken up until the time of the rescission.

In addition, this Notice does not exempt licensees from complying with all local ordinances, zoning restrictions, conditional use permits, and similar local authorizations and limitations, over which the Department has no jurisdiction or control. The Department will not consider any violation of such local controls to constitute a violation of the license issued by the Department.

Licensees are encouraged to register with the Department to receive email notices regarding this and other issues. This is easily done by clicking [Subscribe](#). If you have any questions, please contact the Department.

Note: This guidance is effective June 15, 2021 and supersedes all prior face coverings guidance.

GUIDANCE FOR THE USE OF MASKS

Background

The COVID-19 vaccines are effective in preventing infection, disease, and spread. Unvaccinated persons are more likely to get infected and spread the virus which is transmitted through the air and concentrates indoors. About 15% of our population remains without the option for vaccination (children under 12 years old are not yet eligible) and risk for COVID-19 exposure and infection will remain until we reach full community immunity.

The purpose of this guidance is to align with CDC recommendations and provide information about higher risk settings where masks are required or recommended to prevent transmission to persons with higher risk of infection (e.g., unvaccinated or immunocompromised persons), to persons with prolonged, cumulative exposures (e.g., workers), or to persons whose vaccination status is unknown. When people who are not fully vaccinated wear a mask correctly, they protect others as well as themselves. Consistent and correct mask use by people who are not fully vaccinated is especially important indoors.

In workplaces, employers are subject to the Cal/OSHA COVID-19 [Emergency Temporary Standards \(ETS\)](#) or in some workplaces the [CalOSHA Aerosol Transmissible Diseases Standard](#), and should consult those regulations for additional applicable requirements.

Guidance for Individuals

Masks are **not required for fully vaccinated individuals, except** in the following settings where masks are required for everyone, regardless of vaccination status:

- On [public transit](#)¹ (examples: airplanes, ships, ferries, trains, subways, buses, taxis, and ride-shares) and in transportation hubs (examples: airport, bus terminal, marina, train station, seaport or other port, subway station, or any other area that provides transportation)
- **Indoors** in [K-12 schools](#)², [childcare](#)³ and other youth settings.
 - Note: This may change as updated K-12 schools guidance is forthcoming, pending updates for K-12 operational guidance from the CDC.

¹ CDC Requirement for Face Masks on Public Transportation Conveyances and at Transportation Hubs

² CDC Operational Strategy for K-12 Schools through Phased Prevention

- [Healthcare settings⁴](#) (including [long term care facilities⁵](#))
- State and local [correctional facilities and detention centers⁶](#)
- [Homeless shelters⁷](#), [emergency shelters⁸](#) and [cooling centers⁹](#)

Additionally, masks are **required* for unvaccinated individuals** in indoor public settings and businesses (examples: retail, restaurants, theaters, family entertainment centers, meetings, state and local government offices serving the public)

For additional information, individuals should refer to [CDC Recommendations for Safer Activities](#) (see CDPH Masking Guidance Frequently Asked Questions for more information).

***Guidance for Businesses, Venue Operators or Hosts**

In settings where masks are required only for unvaccinated individuals, businesses, venue operators or hosts may choose to:

- Provide information to all patrons, guests and attendees regarding vaccination requirements and allow vaccinated individuals to self-attest that they are in compliance prior to entry.
- Implement vaccine verification to determine whether individuals are required to wear a mask.
- Require all patrons to wear masks.

No person can be prevented from wearing a mask as a condition of participation in an activity or entry into a business.

Exemptions to masks requirements

The following **individuals** are exempt from wearing masks at all times:

- Persons younger than two years old. Very young children must not wear a mask because of the risk of suffocation.
- Persons with a medical condition, mental health condition, or disability that prevents wearing a mask. This includes persons with a medical condition for whom wearing a mask could obstruct breathing or who are unconscious, incapacitated, or otherwise unable to remove a mask without assistance.
- Persons who are hearing impaired, or communicating with a person who is hearing impaired, where the ability to see the mouth is essential for communication.
- Persons for whom wearing a mask would create a risk to the person related to their work, as determined by local, state, or federal regulators or workplace safety guidelines.

STATE OF CALIFORNIA**

EXECUTIVE ORDER N-07-21

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS since March 2020, the State has taken decisive and meaningful actions to reduce the spread, and mitigate the impacts, of COVID-19, saving an untold number of lives, and to protect the ability of the State's health care system to deliver health care to all people in California who require it; and

WHEREAS the effective actions of Californians over the past fifteen months have successfully curbed the spread of COVID-19, resulting in dramatically lower disease prevalence and death, in the State; and

WHEREAS as of June 9, 2021, 54.3% of eligible Californians have received a full course of COVID-19 vaccination, raising the level of overall immunity in the State; and

WHEREAS the State continues to promote and facilitate vaccination of all eligible Californians; and

WHEREAS given the current outlook, it is appropriate to reevaluate existing public health directives to allow for a full reopening of California while maintaining caution and vigilance as California continues to increase vaccination rates and monitor COVID-19 variants; and

WHEREAS the California Department of Public Health and State Health Officer are empowered to issue mandatory public health directives to protect the public health in response to a contagious disease under existing State law, including, but not necessarily limited to, Health and Safety Code sections 120125, 120130(c), 120135, 120140, 120145, 120175, 120195 and 131080; and

WHEREAS to preserve the flexibility to modify public health directives and respond to changing conditions and to new and changing health guidance issued by the Centers for Disease Control, and under the provisions of Government Code section 8571, I find that strict compliance with the Administrative Procedure Act, Government Code section 11340 et seq., would prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567, 8571, and 8627, do hereby issue the following Order to become effective immediately:

IT IS HEREBY ORDERED THAT:

- 1) Executive Order N-33-20, issued on March 19, 2020, setting forth the Stay-at-Home Order is hereby rescinded.
- 2) Executive Order N-60-20, issued on May 4, 2020, directing the State Public Health Officer to issue a risk-based framework for reopening the economy, and all restrictions on businesses and activities deriving from that framework, including all aspects of the Blueprint for a Safer Economy, is hereby rescinded.
- 3) Nothing related to the issuance of any Orders, guidance, or directives of the State Public Health Officer relating to COVID-19 shall be subject to the Administrative Procedure Act, Government Code section 11340 et seq.
- 4) Nothing in this Order shall be construed to limit the existing authority of local health officers to establish and implement public health measures within their respective jurisdictions that are more restrictive than, or that otherwise exist in addition to, the public health measures imposed on a statewide basis pursuant to the statewide directives of the State Public Health Officer.

IT IS FURTHER ORDERED that, as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 11th day of June 2021.

**EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA**

EXECUTIVE ORDER N-08-21

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS since March 2020, the State has taken decisive and meaningful actions to reduce the spread, and mitigate the impacts, of COVID-19, saving an untold number of lives; and

WHEREAS as a result of the effective actions Californians have taken, as well as the successful and ongoing distribution of COVID-19 vaccines, California is turning a corner in its fight against COVID-19; and

WHEREAS on June 11, 2021, I issued Executive Order N-07-21, which formally rescinded the Stay-at-Home Order (Executive Order N-33-20, issued on March 19, 2020), as well as the framework for a gradual, risk-based reopening of the economy (Executive Order N-60-20, issued on May 4, 2020); and

WHEREAS in light of the current state of the COVID-19 pandemic in California, it is appropriate to roll back certain provisions of my COVID-19-related Executive Orders; and

WHEREAS certain provisions of my COVID-19 related Executive Orders currently remain necessary to continue to help California respond to, recover from, and mitigate the impacts of the COVID-19 pandemic, including California's ongoing vaccination programs, and the termination of certain provisions of my COVID-19 related Executive Orders during this stage of the emergency would compound the effects of the emergency and impede the State's recovery by disrupting important governmental and social functions; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this Order would continue to prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567, 8571, and 8627, do hereby issue the following Order to become effective immediately:

IT IS HEREBY ORDERED THAT:

The following provisions shall remain in place and shall have full force and effect through June 30, 2021, upon which time they will expire subject to individual conditions described in the enumerated paragraphs below.

1) State of Emergency Proclamation dated March 4, 2020:

- a. Paragraph 10. Any facility operating under a waiver pursuant to this provision, memorialized in an All Facilities Letter, may operate pursuant to such a waiver through the stated expiration in the All Facilities Letter or September 30, 2021, whichever occurs first;
- b. Paragraph 11;
- c. Paragraph 12; and
- d. Paragraph 13.

2) Executive Order N-25-20:

- a. Paragraph 1; and
- b. Paragraph 7, and as applicable to local governments per Executive Order N-35-20, Paragraph 3. Effective July 1, 2021, the waivers in Executive Order N-25-20, Paragraph 7, and Executive Order N-35-20, Paragraph 3, of reinstatement requirements set forth in Government Code sections 7522.56(f) and (g) are terminated.

3) Executive Order N-26-20:

- a. Paragraph 1;
- b. Paragraph 2;
- c. Paragraph 3;
- d. Paragraph 5;
- e. Paragraph 6; and
- f. Paragraph 7.

4) Executive Order N-27-20:

- a. Paragraph 1;
- b. Paragraph 2; and
- c. Paragraph 3.

5) Executive Order N-28-20:

- a. Paragraph 3; and
- b. Paragraph 6.

6) Executive Order N-31-20:

- a. Paragraph 1; and
- b. Paragraph 2.

7) Executive Order N-35-20:

- a. Paragraph 1. Any facility operating under a waiver pursuant to this provision, memorialized in an All Facilities Letter, may operate pursuant to such a waiver through the stated expiration in the All Facilities Letter or September 30, 2021, whichever occurs first;
- b. Paragraph 4;
- c. Paragraph 6. To the extent the Director exercised their authority pursuant to this provision on or before June 30, 2021, the extension shall remain valid until the effective expiration;

- d. Paragraph 10. The State Bar shall receive the time extension in the aforementioned order for any nomination submitted to the State Bar by the Governor on or before June 30, 2021; and
 - e. Paragraph 11 (as extended and clarified by N-71-20, Paragraph 6). Claims accruing before June 30, 2021 will remain subject to the 120-day extension granted in the aforementioned orders.
- 8) Executive Order N-36-20, Paragraph 1. To the extent the Secretary exercised their authority pursuant to this provision, the Secretary shall allow each facility to resume intake in a manner that clears intake backlog as soon as feasible.
- 9) Executive Order N-39-20:

41) Executive Order N-28-20:

- a. Paragraph 4; and
- b. Paragraph 5.

42) Executive Order N-29-20, Paragraph 3, is withdrawn and replaced by the following text:

Notwithstanding any other provision of state or local law (including, but not limited to, the Bagley-Keene Act or the Brown Act), and subject to the notice and accessibility requirements set forth below, a local legislative body or state body is authorized to hold public meetings via teleconferencing and to make public meetings accessible telephonically or otherwise electronically to all members of the public seeking to observe and to address the local legislative body or state body. All requirements in both the Bagley-Keene Act and the Brown Act expressly or impliedly requiring the physical presence of members, the clerk or other personnel of the body, or of the public as a condition of participation in or quorum for a public meeting are hereby waived.

In particular, any otherwise-applicable requirements that

- (i) state and local bodies notice each teleconference location from which a member will be participating in a public meeting;
- (ii) each teleconference location be accessible to the public;
- (iii) members of the public may address the body at each teleconference conference location;
- (iv) state and local bodies post agendas at all teleconference locations;
- (v) at least one member of the state body be physically present at the location specified in the notice of the meeting; and
- (vi) during teleconference meetings, at least a quorum of the members of the local body participate from locations within the boundaries of the territory over which the local body exercises jurisdiction

are hereby suspended.

A local legislative body or state body that holds a meeting via teleconferencing and allows members of the public to observe and address the meeting telephonically or otherwise electronically, consistent with the notice and accessibility requirements set forth below, shall have satisfied any requirement that the body allow members of the public to attend the meeting and offer public comment. Such a body need not make available any physical location from which members of the public may observe the meeting and offer public comment.

Accessibility Requirements: If a local legislative body or state body holds a meeting via teleconferencing and allows members of the public to observe and address the meeting telephonically or otherwise electronically, the body shall also:

- (i) Implement a procedure for receiving and swiftly resolving requests for reasonable modification or accommodation from individuals with disabilities, consistent with the Americans with Disabilities Act and resolving any doubt whatsoever in favor of accessibility; and
- (ii) Advertise that procedure each time notice is given of the means by which members of the public may observe the meeting and offer public comment, pursuant to subparagraph (ii) of the Notice Requirements below.

Notice Requirements: Except to the extent this Order expressly provides otherwise, each local legislative body and state body shall:

- (i) Give advance notice of the time of, and post the agenda for, each public meeting according to the timeframes otherwise prescribed by the Bagley-Keene Act or the Brown Act, and using the means otherwise prescribed by the Bagley-Keene Act or the Brown Act, as applicable; and
- (ii) In each instance in which notice of the time of the meeting is otherwise given or the agenda for the meeting is otherwise posted, also give notice of the means by which members of the public may observe the meeting and offer public comment. As to any instance in which there is a change in such means of public observation and comment, or any instance prior to the issuance of this Order in which the time of the meeting has been noticed or the agenda for the meeting has been posted without also including notice of such means, a body may satisfy this requirement by advertising such means using "the most rapid means of communication available at the time" within the meaning of Government Code, section 54954, subdivision (e); this shall include, but need not be limited to, posting such means on the body's Internet website.

All of the foregoing provisions concerning the conduct of public meetings shall apply through September 30, 2021.
